LAST WILL AND TESTAMENT
of
ROBERT DONALD BURTON SR.

I, Robert Donald Burton Sr., being of sound mind and memory, hereby declare that this Last Will and Testament (this "Will") is my will. I revoke all wills and codicils I have previously made.

Section 1: Place of Residence

I am a resident of the State of Tennessee.

Section 2: Marital Status

I am widowed.

Section 3: Children

I have the following child now living: James Earl Burton.

For the purposes of this Will, any reference to my child includes James Earl Burton, as well as any child of mine born or adopted after the execution of this Will; and any bequests contingent upon my child not surviving me shall also be contingent upon any other such child not surviving me.

Section 4: Distribution of Property

My personal representative shall distribute my estate according to the following bequests.

> I leave my home to James Earl Burton. If James Earl Burton does not survive me, I leave my home to his or her children in equal shares. If none of the foregoing intended beneficiaries survive me, I leave my home to be distributed with the rest of my estate.
>
> I leave the rest of my estate to James Earl Burton. If James Earl Burton does not survive me, I leave the rest of my estate to Crista Alenna Burton & James Kyle Burton. If Crista Alenna Burton & James Kyle Burton does not survive me, I leave the rest of my estate to his or her children in equal shares.

My entire estate is everything I own at my death that is subject to this Will and that remains after paying all debts, administration expenses, and taxes.

A beneficiary must survive me for at least 120 hours to receive property under this Will. As used in this Will, to "survive" me means to be alive or in existence as an organization 120 hours after my death.

Section 5: Final Arrangements

I have not chosen a form of disposition for my bodily remains.

Any outstanding costs associated with my final arrangements shall be paid out of my estate by my personal representative.

Section 6: Personal Representative

I name James Earl Burton to serve as my personal representative.

If there are ever two personal representatives serving jointly, they shall act through unanimous agreement. If there are ever more than two personal representatives serving jointly, they shall act by majority decision.

As used in this Will, the term "personal representative" means any personal representative, executrix, or administrator, as applicable, if such term is used in the statutes of any applicable jurisdiction.

I direct my personal representative to take all actions legally permissible to have the administration of my estate carried out as simply and as free of court supervision as possible under the laws of the applicable jurisdiction, including filing a petition in the appropriate court for the independent administration of my estate.

I grant my personal representative the following powers, to be exercised in the best interests of my estate:

1. To retain real estate and personal property without liability for loss or depreciation.
2. To sell or otherwise dispose of real estate and personal property by public or private sale, or exchange, or otherwise (whether or not necessary for payment of debts, expenses, or taxes), and receive and administer the proceeds as a part of my estate.
3. To vote stock; to exercise any option or privilege to convert bonds, notes, stocks or other securities belonging to my estate into other bonds, notes, stocks or other securities; and to exercise all other rights and privileges of a person owning similar property.
4. To lease any real estate or personal property in my estate.
5. To abandon, adjust, arbitrate, compromise, sue on or defend and otherwise deal with and settle claims in favor of or against my estate.
6. To continue or participate in any business which is a part of my estate, and to incorporate, dissolve or otherwise change the form of organization of the business.
7. To serve as custodian for any real estate or personal property left to minors who are not my children under the Uniform Transfers to Minors Act until they reach age 21.

These powers, authority, and discretion are intended to be in addition to the powers, authority, and discretion granted by virtue of serving as a personal representative under applicable law, and may be exercised as often as necessary or advisable, without application to or approval by any court.

My personal representative shall be entitled to reasonable compensation for carrying out the duties set forth in this Will.

No personal representative shall be required to post bond.

Section 7: Debts, Expenses, and Taxes

I direct my personal representative to pay, out of everything I own at my death that is subject to this Will:

any debts owed by my estate (except for liens and encumbrances placed on property as security for the repayment of a loan or debt),

any expenses of administering my estate, and

any transfer or estate taxes attributable to assets that are passing under this Will.

Any transfer or estate taxes attributable to assets that are passing under this Will shall be allocated among and borne by the recipients of such assets on a pro rata basis.

Any transfer or estate taxes attributable to assets that are not passing under this Will shall be allocated among and borne by the recipients of such assets on a pro rata basis, and my executor shall have the power to seek, and shall seek, reimbursement for any such taxes from such recipients.

Section 8: Severability

If a court invalidates any provision of this Will, that shall not affect the rest of this Will. Any remaining provisions that can be given effect without the invalidated provision shall remain in effect.

Section 9: Signatures
