W I T N E S S E T H

WHEREAS, Developer is a legal title holder of certain real property located in Davidson County, Tennessee, and more particularly described on Exhibit "A" hereto (the "Parcel");

WHEREAS, Developer desires to submit the Parcel, together with all of the rest of the Property (as herein defined), and all rights and privileges belonging or in any way pertaining thereto to the provisions of the Horizontal Property Act of the State of Tennessee; and

WHEREAS, Developer further desires to establish for its own benefit and for the mutual benefit of all future owners or occupants of the Property or any part thereof, and intends that all future owners, occupants, mortgagees, and any other persons hereafter acquiring any interest in the Property shall hold such interest subject to certain rights, easements and privileges in, over and upon the said Property, and certain mutually beneficial restrictions and obligations with respect to the

proper use, conduct and maintenance thereof, all as more particularly hereinafter set forth, all of which are declared to be in furtherance of a plan to promote and protect the cooperative aspects of ownership and use of the Property and are established for the purpose of enhancing and protecting the value, desirability and attractiveness of the Property.

NOW THEREFORE, Developer, as the legal title holder of the Property, and for the purposes above set forth, declares as follows:

1. Definitions. As used herein, unless the context otherwise requires:

(i) "Limited Common Elements" means all Common Elements contiguous to and serving exclusively a single Unit as an inseparable appurtenance thereto, the enjoyment, benefit or use of which is reserved to the lawful Occupants of such Unit either in this Declaration, on the Plat, or by the Board. Limited Common Elements shall include, but shall not be limited to, the driveway area and the front and back yard areas serving each Unit as detailed on the Plat, any separate furnace, air conditioner and water heater located within or adjacent to a Unit and serving only such Unit, pipes, ducts, electrical wiring and conduits located entirely within a Unit and serving only such Unit, any balconies and patios, and such portions of the perimeter walls, floors and ceilings, doors, vestibules, windows, screens, and entryways, and all associated fixtures and structures therein as lie outside the Unit boundaries.

(j) "Majority" or "majority of the Unit Owners" means the owner(s) of more than fifty percent (50%) of the Units.

(m) "Percentage Interest in the Common Elements" means a Unit Owner's undivided interest in the Common Elements as set forth on Exhibit "B" attached hereto and made a part hereof.

(n) "Person" means a natural individual, corporation, partnership, trustee or other legal entity capable of holding title to real property.

(r) "Record or Recording" refers to the record or recording in the Register's Office for Davidson County, Tennessee.

(s) "Rules and Regulations" refer to rules and regulations concerning the use of the Units and the Common Elements, as adopted from time to time by the Board in accordance with the Declaration and By-Laws.

(t) "Unit" means an enclosed space consisting of one or more rooms occupying all or part of a floor or floors in the Buildings, which enclosed space is owned separately and not in common with Unit Owners of other Units, and shall include the Private Elements. Each Unit is letter numbered as shown on the Plat. The boundaries of each Unit shall be and are the unfinished interior surfaces of its perimeter walls, floors and ceilings, and a Unit includes both the portion of the Buildings so described and the air space so encompassed, excepting Common Elements. Conveyance of a Unit shall automatically convey the undivided membership of each Unit Owner in the Association. It is intended that the term "Unit" as used in this Declaration shall have the same meaning as the term "Apartment" as used in the Act.

(u) "Unit Owner" means the person or persons whose estates or interests, individually or collectively, aggregate fee simple ownership of a Unit and of the Percentage Interest in the Common Elements appurtenant thereto, and shall be deemed the same as "co-owner" under the Act, but "Unit Owner" shall not mean the Mortgagee or Beneficiary of a recorded mortgage or deed of trust who holds a lien solely for security purposes and does not have possession of the Unit. Unless specially provided otherwise herein, Developer shall be deemed a Unit Owner so long as it is the legal title holder of any Unit.

2. Submission of Property to the Act. Developer does hereby submit and subject the Parcel and the Property to the provisions of the Act and does hereby form a Horizontal Property Regime to be known as 1706 Stokes Lane.

3. Plat. The Plat sets forth the lettered numbers and location of each Unit and other data as required by the Act.

4. Units. The legal description of each Unit shall consist of the identifying letter of each Unit as shown on the Plat. Every deed, lease, mortgage, deed of trust, or other instrument shall legally describe a Unit by its identifying letter as shown on the Plat and every description shall be deemed good and sufficient for all purposes, as provided in the Act. Except as provided by the Act, no Unit Owner shall, by deed, plat, court decree or otherwise, subdivide or in any other manner cause his Unit to be separated into any tracts or parcels different from the whole Unit as shown on the Plat.

5. Association of Unit Owners and Administration and Operation of the Property.

(a) There has been or will be formed an Association having the name "1706 Stokes Lane Homeowners Association, Inc.," a Tennessee not-for-profit corporation, which Association shall be the governing body for all Unit Owners, and shall be operated to provide for the maintenance, repair, replacement, administration and operation of the Property, as provided in the Act, this Declaration and the By-Laws. The By-Laws for the Association shall be the By-Laws attached to this Declaration as Exhibit "C" and made a part hereof. The Board of Directors of the Association shall be elected and serve in accordance with the provisions of the By-Laws. The fiscal year of the Association shall be determined by the Board, and may be changed from time to time as the Board deems advisable. The Association shall not be deemed to be conducting a business of any kind. All activities

undertaken by the Association shall be the sole benefit of the Unit Owners, and all funds received by the Association shall be held and applied by it for the use and benefit of Unit Owners, in accordance with the provisions of this Declaration and By- Laws. A Unit Owner's membership shall automatically terminate when he ceases to be a Unit Owner. Upon the conveyance or transfer of a Unit Owner's ownership interest to a new Unit Owner, the new Unit Owner shall simultaneously succeed to the former Unit Owner's membership in the Association. Each Unit shall have one (1) vote.

(b) Management of Property. The Board shall have the authority to engage the services of an agent (herein sometimes referred to as the "Managing Agent") to maintain, repair, replace, administer and operate the Property, or any part thereof, to the extent deemed advisable by the Board, subject to the provisions of subparagraph (c) below. The Board shall require that such Managing Agent have fidelity bond coverage on its employees handling Association funds. The cost of such services shall be a common expense, as defined in paragraph 10 hereof.

(c) Initial Management Agreement. Prior to the appointment of the First Board as provided herein, the Developer, on behalf of the Association, may employ a management company, to act as Managing Agent for the Property; provided, however, that such Agreement be terminable by the Board without penalty on not less than ninety (90) days' notice.

(d) Use by Developer. During the period of sale by Developer of any Units, Developer, and Developer's agents, employees, contractors and subcontractors, and their respective agents and employees, shall be entitled to access, ingress to and egress from the

Buildings and Property as may be required for purposes of sale of Units. While Developer owns any of the Units and until each Unit sold by it is occupied by the Purchasers, Developer and its employees may use and show one or more of such unsold or unoccupied Units as a model Unit or Units and may use one or more of such unsold or unoccupied Units as a sales office, and may maintain customary signs in connection therewith.

(e) Non-Liability of Directors and Officers. To the extent permitted by law, neither the directors nor officers of the Association shall be personally liable to Unit Owners for any mistake of judgment or for any other acts or omissions of any nature whatsoever as such directors or officers, except for any acts or omissions found by a court to constitute gross negligence or fraud. Unit Owners shall indemnify and hold harmless each of the directors or officers and their respective heirs, executors, administrators, successors and assigns in accordance with the provisions of Article VII of the By-Laws.

6. Board's Determination Binding. In the event of any dispute or disagreement between any Unit Owners relating to the Property, or any questions of interpretation or application of the provisions of this Declaration or By-Laws, the determination thereof by the Board shall be final and binding on all Unit Owners.

7. Ownership of the Common Elements. Each Unit is hereby allocated its Percentage Interest in the Common Elements as set forth on Exhibit B attached hereto and made a part hereof as though fully set forth herein. The assigned percentages of interest in the Common Elements set forth on Exhibit B shall remain constant unless hereafter changed by recorded amendment to this Declaration consented to in writing by Unit Owners, in accordance with paragraph 20 herein. The ownership of a Unit shall not be conveyed separate from the Percentage Interest in the Common

Elements appurtenant to such Unit. The Percentage Interest in the Common Elements appurtenant to any Unit shall be deemed conveyed or encumbered with that Unit, even though the legal description in the instrument conveying or encumbering such Unit may refer only to the fee title to that Unit.

8. Use of the Common Elements and Limited Common Elements. Each Unit Owner shall have the right to use the Common Elements (except the Limited Common Elements and portions of the Property subject to leases made by or assigned to the Board) in common with all other Unit Owners, as may be required for the purposes of access, ingress to, egress from, use, occupancy and enjoyment of the respective Unit owned by such Unit Owner, but also to his agent, servants, tenants, family members, customers, invitees and licensees. However, each Unit Owner shall have the right to the exclusive use and possession of the Limited Common Elements contiguous to and serving such Unit alone or with adjoining Units. Such rights to use the Common Elements, including the Limited Common Elements, shall be subject to and governed by the provisions of the Act, Declaration, By-Laws, and rules and regulation of the Association. In addition, the Association shall have the authority to lease, grant concessions or grant easements with respect to parts of the Common Elements, subject to the provisions of this Declaration and By-Laws. All income derived by the Association from leases, concessions or other sources shall be held and used for the benefit of the members of the Association, pursuant to such rules, resolutions and regulations as the Board may adopt or prescribe.

The lawful Occupant of each Unit shall have the right to the exclusive use and possession of the driveway area serving such Unit, as a limited common element, and detailed on the Plat attached as Exhibit "D." Such right to use the driveway area shall be subject to and governed by the provisions of the Act, this Declaration, the By-laws and the rules and regulations of the Association;

provided, however, the right to the use of the driveway area may not be changed without the written consent of the Unit Owner of the Unit to which the driveway area has been allocated.

9. Parking Spaces. If applicable, parking spaces, other than any Allocated Parking Spaces, shall be part of the Common Elements, and may be allocated and reallocated, from time to time, to the respective Unit Owners, and shall be used by such Unit Owners subject to the Rules and Regulations of the Association, and parking spaces not so used by Unit Owners may be rented or otherwise used in such manner as the Board may prescribe.

10. (a) Common Expenses. Each Unit Owner, including Developer (so long as Developer is a Unit Owner), shall pay his proportionate share of the expenses of the administration and operation of the Common elements and of any other expenses incurred in accordance with this Declaration and the By-Laws (which expenses are herein sometimes referred to as "common expenses"), including, but not limited to, the maintenance and repair of the Common Elements and any and all replacements and additions thereto. Such proportionate share of the common expenses for each Unit Owner shall be in accordance with his Percentage Interest in the Common Elements; provided, however, that any such expenses with respect to the Limited Common Elements (other than such expenses related to the maintenance and repair of Allocated Park Spaces which shall be deemed to be a common expense) shall be borne by the Unit Owners to whose Units such Limited Common Elements are appurtenant, in accordance with such Unit Owners' respective percentage interest therein. Payment of common expenses, including any prepayment thereof required by a contract for sale of a Unit, shall be in such amounts and at such times as determined in the manner provided in the By-Laws. No Unit Owner shall be exempt from payment of his proportionate share of the common expenses by waiver of the use or enjoyment of the Common Elements or by

abandonment of his Unit. If any Unit Owner shall fail or refuse to make any such payment of common expenses when due, the amount thereof, together with interest thereon at the highest rate allowed by law from the date that said common expenses become due and payable, plus reasonable attorney's fees incurred by the Association in the collection thereof or the enforcement of the lien herein provided, shall constitute a lien on the interest of such Unit Owner in his Unit and the Property as provided in the Act. Except for a foreclosure sale described in subsection (b) below, the sale or conveyance of a Unit shall in all cases be subject to all unpaid assessments against the Unit Owner thereof for his pro rata share in the common expenses, and if the same are not paid by the owner thereof prior to any sale or conveyance, shall be a lien against the Unit. Likewise, all taxes and other levies and assessments by governmental taxing bodies shall be a lien against individual Units.

Notwithstanding the foregoing, Developer shall not be required to pay any assessments for common expenses in respect of Units owned by it during the Development Period; provided, however, that subsequent to the date of Recording of this Declaration but prior to the end of the Development Period, Developer shall fund any deficit in the operations of the Association after application of available funds from assessments for common expenses in respect of Units previously sold. After the end of the Development Period, Developer shall have no responsibility for the maintenance, repair or replacement of any of the Common Elements except for its responsibilities as a Unit Owner as provided herein; however, should Developer advance any of its own funds for such expenses, it shall be entitled to a credit for all sums so paid against the assessments that it is required to pay as a Unit Owner. Provided, however, for a period of two (2) years after the end of the

Development Period, Developer shall not be liable for any special assessments levied by the Board for improvements or betterments to Common Elements.

(b) Mortgage and Deed of Trust Protection. The lien for assessments payable by a Unit Owner shall be subordinate to the lien of a recorded first Mortgage or Deed of Trust on the interest of such Unit Owner, except for the amount of the proportionate share of common expenses which become due and payable from and after the date on which the Mortgagee or Beneficiary thereunder either takes possession of the Unit encumbered thereby, accepts a conveyance of any interest therein (other than as security) or forecloses its Mortgage or Deed of Trust and except for claims for a pro rata share of such assessments or charges resulting from a pro rata reallocation of such assessment or charges to all Units including the Mortgaged Unit. This subparagraph (b) shall not be amended, changed, modified or rescinded without the prior written consent of all Mortgagees and Beneficiaries of record.

11. Mortgages. Each Unit Owner shall have the right, subject to the provisions herein, to mortgage his Unit together with his respective Percentage Interest in the Common Elements. No Unit Owner shall have the right or authority to mortgage or place a lien on the Property or any part thereof, except to the extent of his own Unit and his appurtenant interest in the Common Elements.

12. Separate Real Estate Taxes. Real estate taxes shall be separately taxed to each Unit Owner for his Unit and its appurtenant interest in the Common Elements, as provided in the Act. In the event that such taxes for any year are not separately taxed to each Unit Owner, but rather are taxed on the Property as a whole, then each Unit Owner shall pay his proportionate share thereof in accordance with his respective Percentage Interest in the Common Elements, and, in said event, such taxes shall be a common expense.

13. Insurance. The Board shall have the authority to and shall obtain insurance for the Property, exclusive of the additions within, improvements to and decorating of the Units and Limited Common Elements by the Owners, against loss or damage by fire, vandalism, malicious mischief and such other hazards as are covered under broad form "all risk" extended coverage provisions, for the full insurable replacement cost of the Property, and against such other hazards and for such amounts as the Board may deem advisable. Insurable replacement cost shall be deemed the cost of restoring the Common Elements (including without limitation, the Limited Common Elements), the Units and/or any part thereof, to substantially the same condition in which they existed prior to damage or destruction. Such insurance coverage shall be written in the name of, and the proceeds thereof shall be payable to, the Board, as the trustee for the Unit Owners in proportion to the Unit Owners' respective Percentage Interest in the Common Elements, as set forth in this Declaration, and for the holders of mortgages on the Units, if any. The policy of insurance should also contain, if possible, a waiver of subrogation rights by the insurer against the Unit Owners. The premiums for such insurance shall be a common expense.

In the event of damage to or destruction of all or any part of the Buildings as a result of fire or other casualty covered by insurance maintained by the Board pursuant thereto (unless more than two-thirds of such Buildings require reconstruction), the Board shall, in its sole and absolute discretion determine, and without intervention of any Unit Owner, arrange for the prompt repair and restoration of the damaged portions of all Units, Buildings and Common Elements substantially in accordance with the original plans and specifications therefor. The Board shall not be responsible for the repair, replacement or restoration of any wall, ceiling or floor decorations or covering or furniture, furnishings, fixtures, appliances or equipment installed in the Unit by a Unit Owner or

Occupant or any other personal property located on the Property owned by a Unit Owner or Occupant unless insurance therefor is specifically provided for in the insurance policy obtained by the Board.

Reconstruction shall not be compulsory where the whole or more than two-thirds (2/3) of all the Buildings and Common Elements are destroyed or damaged by fire or other casualty, as determined by the Board. In such case, and unless otherwise unanimously agreed upon by the Unit Owners, the insurance proceeds shall be delivered to the Unit Owners or their mortgagees, as their interests may appear, in proportion to the Percentage Interest of each Unit Owner in the Common Elements; and the Board, as soon as is reasonably practicable and as agent for the Unit Owners, shall sell the Property, in its then condition free from the effect of this Declaration, which shall terminate upon such sale, on terms satisfactory to the Board, and the net proceeds of such sale and of all insurance policies shall thereupon be distributed to the Unit Owners, their mortgagees, as their interests may appear, in proportion to the Percentage Interest of each Unit Owner in the Common Elements. If the board fails to consummate a sale pursuant to this paragraph within twenty-four (24) months after the destruction or damage occurs, then the Managing Agent or the Board shall, or if it does not, any Unit Owner or mortgagee may, record a sworn declaration setting forth such decision and reciting that under the provisions of this Declaration the prohibition against judicial partition provided for in this Declaration has terminated and that judicial partition of the Property may be obtained pursuant to the laws of the State of Tennessee. Upon final judgment of a court of competent jurisdiction decreeing such partition, this Declaration shall terminate.

If the Property is comprised of more than one Building, reconstruction also shall not be compulsory where the whole or more than two-thirds (2/3) of any one of the Buildings is destroyed,

as determined by the Board. In such case, and unless otherwise unanimously agreed upon by the Unit Owners directed affected, the net proceeds of insurance policies shall be divided among all the Unit Owners directly affected by the casualty in proportion to their respective common interests as determined in the sole discretion of the Board, after paying from the share of such affected Unit Owner the just amount of any unpaid liens on his Unit, in the order of priority of such liens. Notwithstanding the foregoing, no such disbursement of the aforesaid insurance proceeds shall occur unless simultaneously with such disbursement each affected Unit Owner delivers to the Board a recordable deed quit claiming his interest in his Unit or the affected portion thereof. Upon the recording of the aforesaid deeds and releases, each such Unit or affected portion thereof shall be deemed withdrawn and thereafter to be Common Elements. Upon the withdrawal of any Unit or portion thereof the Percentage Interest in the Common Elements allocable to such Unit shall be reallocated among the remaining Units on the basis of the percentage of interest of each remaining Unit. If only a portion of a Unit is withdrawn, the percentage of interest appurtenant to that Unit shall be reduced accordingly, as determined by the Board. After the Board has effected any such withdrawal, the responsibility for the payment of assessments for any such withdrawn Unit or portion thereof shall cease.

The Board shall also have authority to and shall obtain comprehensive public liability insurance, in such amounts as it deems desirable, but in no event less than $1,000,000.00, and worker's compensation insurance and other liability insurance in such amounts as it deems desirable, insuring each Unit Owner, mortgagee(s) of record, the Association, its officers, directors and employees, Developer, and the Managing Agent, if any, from liability in connection with the Property. The premiums for such insurance shall be a common expense.

The Board also shall have authority to and shall obtain such other insurance and bonds (including flood insurance and fidelity bonds) and endorsements thereto, as it deems desirable or as may be required to permit the purchase of mortgages of the Units by the Federal National Mortgage Association, in such amounts, from such sources and in such forms as it deems desirable, or as may be required to permit the purchase of mortgages of the Units by the Federal National Mortgage Association, insuring the Property and each member of the Board and officer of the Association, and each member of any committee appointed pursuant to the By-Laws of the Association, from any liability arising from the fact that said person is or was director or officer of the Association, or a member of any such committee. The premiums for such insurance and bonds shall be a common expense.

Each Unit Owner shall be responsible for obtaining his own insurance on the contents of his Unit and the Limited Common Elements serving his Unit, as well as his additions and improvements thereto, and all parts of the Unit (for which the responsibility of maintenance and repair is that of the Unit Owner), and for decorations, furnishings, and personal property therein, and personal property stored elsewhere on the Property, if any. In addition, in the event a Unit Owner desires to insure against his personal liability and loss or damage by fire or other hazards above and beyond the extent that his liability, loss or damage is covered by the liability insurance and insurance against loss or damage by fire and such other hazards obtained by the Board for all of the Unit Owners as part of the common expenses, as above provided, said Unit Owner may, at his option and expense, obtain additional insurance.

Anything in this paragraph 13 to the contrary notwithstanding, all insurance maintained by the Board shall, to the fullest extent possible, be with such companies, be in such amounts, have such

endorsements, and otherwise be of such form and substance as to permit the Federal National Mortgage Association to purchase mortgages of the Units.

14. Maintenance, Repairs and Replacements. Each Unit Owner, at his own expense, shall furnish and be responsible for all maintenance of, repairs to and replacements within and to his Unit. Except to the extent hereinafter set forth, maintenance of, repair to and replacement of the Common Elements shall be the responsibility of and shall be furnished by the Association, and the cost thereof shall be part of the common expenses, subject to the By-Laws, and rules and regulations of the Association. Maintenance of, repairs to, and replacements within the Limited Common Elements shall be assessed in whole to Unit Owners benefited thereby. Further, at the discretion of the Board, the Board may direct Unit Owners who stand to be benefited by such maintenance of, repairs to, and replacements within the Limited Common Elements to arrange for such maintenance, repairs and replacements in the name and for the account of such benefited Unit Owners, pay the cost thereof with their own funds, and procure and deliver to the Board such lien waivers and contractor's and subcontractor's sworn statements as may be required to protect the Property from all mechanics' or materialmen's lien claims that may arise therefrom; provided, however, that if, in order to maintain, repair, or replace the electrical wiring, plumbing, or other utilities of a Unit, it shall become necessary to gain entry to another Unit, it shall be the responsibility of the Association to provide such maintenance, repair, or replacement, but the cost of such maintenance, repair, or replacement may be assessed to the Unit Owners benefited thereby, as hereinabove provided.

If, due to the act or neglect of a Unit Owner, or of his agent, servant, tenant, family member, invitee, licensee or household pet, damage shall be caused to the Common Elements or to a Unit or Units owned by others, or maintenance, repairs or replacements are required which would otherwise

be a common expense, then such Unit Owner shall pay for such damage or such maintenance, repairs and replacements, as may be determined by the Board, to the extent not covered by the Association's insurance.

The authorized representatives of the Association, Board, or of the Managing Agent with approval of the Board, shall be entitled to reasonable access to the individual Units and Limited Common Elements as may be required in connection with the preservation of any individual Unit or Limited Common Elements in the event of an emergency, or in connection with maintenance of, repairs to, or replacements within the Common Elements, Limited Common Elements, or to make any alteration required by any governmental authority.

15. Alterations, Additions or Improvements. Except as provided in paragraph 16 herein, no alteration of any Common Elements (including without limitation, drilling or otherwise disturbing the concrete floors between Units), or any additions or improvements thereto, shall be made by any Unit Owner without the prior written approval of the Board. The Board may authorize and charge as common expenses alterations, additions, and improvements of the Common Elements as provided in the By-Laws. Any Unit Owner may make non-structural alterations, additions or improvements within and to his Unit and the Limited Common Elements serving his Unit without the prior written approval of the Board, but such Unit Owner shall be responsible for any damage to other Units, the Common Elements, the Property, or any part thereof, resulting from such alterations, additions or improvements.

16. Decorating. Each Unit Owner, at his own expense, shall furnish and be responsible for all decorating within and to his Unit and Limited Common Elements serving his Unit, as may be required from time to time, including painting, wallpapering, washing, cleaning, paneling, floor

covering, draperies, window shades, curtains, lighting, and other furnishings and decorating. Each Unit Owner shall be entitled to the exclusive use of the interior surfaces and the balcony of his Unit, and such Unit Owner shall maintain said Unit surfaces and the balcony in good condition at his sole expense, as may be required from time to time. Said maintenance and use of Unit surfaces shall be subject to the rules and regulations of the Association, but each Unit Owner shall have the right to decorate such interior Unit surfaces from time to time as he may see fit and at his sole expense. Decorating of the Common Elements and any redecorating of Units, to the extent such redecorating of Units is made necessary by damage to Units caused by maintenance, repair or replacement of the Common Elements by the Association, shall be furnished by the Association as part of the common expenses.

17. Encroachments. If any portions of the Common Elements shall actually encroach upon any Unit, or if any Unit shall actually encroach upon any portions of the Common Elements, or if any Unit shall actually encroach upon another Unit, as the Common Elements and Units are shown on the Plat, there shall be deemed to be mutual easements in favor of the owners of the Common Elements and the respective Unit owners involved, to the extent of such encroachments, so long as the same shall exist.

18. Use and Occupancy Restrictions. Subject to the provisions of the By-Laws, no part of the Property may be used for purposes other than housing for single family residences and the related common purposes for which the Property was designed and as allowed by municipal zoning laws. Each Unit, or any two or more adjoining Units used together, shall be used as a single family residence or such other use permitted by this Declaration, and for no other purpose, except that professional and quasi-professional people may use their residence (not in violation of municipal

zoning laws) as an ancillary or secondary facility to an office established elsewhere. The foregoing restrictions as to residence shall not, however, be constructed in such manner as to prohibit a Unit Owner from: (a) maintaining his personal professional library; (b) keeping his personal business or professional records or accounts; (c) handling his personal business or professional telephone calls or correspondence. Such uses are expressly declared customarily incident to the principal residential use and not in violation of said restrictions.

The Common Elements shall be used only by Unit Owners and their agents, servants, tenants, family members, customers, invitees and licensees for access, ingress to and egress from the respective Units and for such other purposes incidental to use of the Units; provided, however, the lobbies and corridor area and other areas designed for a specific use shall be used for the purposes approved by the Board. The use, maintenance and operation of the Common Elements shall not be obstructed, damaged or unreasonably interfered with by any Unit Owner, and shall be subject to any lease, concession or easement, presently in existence or entered into by the Board at some future time, affecting any part or all of said Common Elements.

19. Remedies. In the event of any violation of the provisions of the Act, this Declaration, By-Laws, or Rules and Regulations of the Association by any Unit Owner (either by his own conduct or by the conduct of any Occupant of his Unit), the Association, or its successors or assigns, shall have each and all of the rights and remedies which may be provided for in the Act, this Declaration, the By-Laws, or said Rules and Regulations, or which may be available at law or in equity, and may prosecute an action or other proceedings against such defaulting Unit Owner and/or others for enforcement of any lien and the appointment of a receiver for the Unit and ownership interest of such Unit Owner, or for damages or injunction or specific performance, or for judgment for payment of

money and collection thereof, or the right to take possession of the Unit and to seal the same as provided hereinafter in this paragraph 19, or for any combination of remedies, or for any other relief. All expenses of the Board in connection with any such actions or proceedings, including court costs and attorney's fees and other fees and expenses and all damages, liquidated or otherwise, together with interest thereon at the highest rate allowed by law or such other uniform lawful rate as the Board shall determine, until paid, shall be charged to and assessed against such defaulting Unit Owner, and shall be added to and deemed part of his respective share of the common expenses, and the Board shall have a lien for all of the same, as well as for nonpayment of common expenses, upon the Unit, and its appurtenant interest in the Common Elements, of such defaulting Unit Owner and upon all of his additions and improvements thereto and upon all of his personal property in his Unit or located elsewhere on the Property; provided, however, that such lien shall be subordinate to the lien of a recorded first mortgage or deed of trust on the Unit, to the extent hereinabove set forth in paragraph 10(b) hereof. In the event of any such default by any Unit Owner, the Board and the Manager or Managing Agent, if so authorized by the Board, shall have the authority to correct such default, and to do whatever may be necessary for such purpose and all expenses in connection therewith shall be charged to and assessed against such defaulting Unit Owner. Any and all such rights and remedies may be exercised at any time and from time to time, cumulatively or otherwise, by the Board. This paragraph shall not be amended, changed, modified or rescinded without the prior written consent of all holders of record of mortgage and deed of trust liens against the Units.

The violation of any restriction or condition or regulation adopted by the Board or the breach of any covenant or provision herein contained, shall give the Board the right, in addition to any other rights provided for in this Declaration: (a) to enter (either peaceably or forcibly without liability to

such Unit Owner for such entry) upon the Unit, or any portion of the Property upon which or as to which such violation or breach exists, and to summarily abate and remove, at the expense of the defaulting Unit Owner, any structure, thing or condition that may exist thereon contrary to the intent and meaning of the provisions hereof, and the Board, or its employees or agents, shall not thereby be deemed guilty in any manner of trespass; or (b) to enjoin, abate or remedy by appropriate legal proceedings, either at law or in equity, the continuance of any breach; or (c) to take possession (either peaceably or forcibly without liability to such Unit Owner for such entry) of such Unit Owner's interest in the Property and to maintain an action for possession of such Unit in the manner provided by law.

If any Unit Owner (either by his own conduct or by the conduct of any other Occupant of his Unit) shall violate the Act, or any of the covenants or restrictions or provisions of this Declaration, the By-Laws, or the regulations adopted by the Board, and if such default or violation shall continue for ten (10) days after notice to the Unit Owner in writing from the Board, or shall occur repeatedly during any ten (10) day period after such written notice or request to cure such violation from the Board, then the Board shall have the power to issue to said defaulting Owner a notice in writing terminating the rights of said defaulting Owner to continue as a Unit Owner and to continue to occupy, use, or control his Unit, and thereupon an action in equity may be filed by the Board against said defaulting Owner for a decree of mandatory injunction against such defaulting Owner or Occupant, or in the alternative, for a decree declaring the termination of said defaulting Owner's right to occupy, use, or control the Unit owned by him on account of said violation, and ordering that all the right, title and interest of said defaulting Owner in the Property shall be sold (subject to the lien of any existing deed of trust or mortgage) at a judicial sale upon such notice and terms as the court

shall determine, except that the court shall enjoin and restrain the said defaulting Owner from reacquiring his interest at such judicial sale. The proceeds of any such judicial sale shall first be paid to discharge court costs, court reporter charges, reasonable attorney's fees and all other expenses of the proceeding and sale, and all such items shall be taxed against said defaulting Unit Owner in said decree. Any balance of proceeds, after satisfaction of such charges and any unpaid assessments hereunder, or any liens, shall be paid to said defaulting Unit Owner. Upon the confirmation of such sale, the purchaser shall thereupon be entitled to a deed to the Unit and the Unit Owner's corresponding Percentage Interest in the Common Elements, and to immediate possession of the Unit sold and may apply to the court for a writ of assistance for the purpose of acquiring such possession, and it shall be a condition of any such sale, and the decree shall so provide, that the purchaser shall take the interest in the Unit Ownership sold subject to this Declaration.

20. Amendment. The provisions of this Declaration may be amended by an instrument in writing, setting forth such amendment, signed by Unit Owners owning not less than sixty-seven percent (67%) of the Units; provided, however, that all lien holders of record have been notified by certified mail of such amendment, and an affidavit by the Secretary of the Association certifying to such mailing is made a part of such instrument; provided further that during the Development Period, no such change, modification or rescission shall be effective without the express written approval of Developer; and provided further that, as to amendments of a material nature, approval must be obtained from eligible mortgage holders (those entitled to notice pursuant to Article VIII of the By-Laws) who represent 51% of the votes of the Units that are subject to mortgages held by such eligible mortgagees. The following matters are among those considered material:

a. Voting rights;

b. Assessments, assessment liens, or the priority of assessment liens;

c. Reserves for maintenance, repair, and replacement of Common Elements;

d. Responsibility for maintenance and repairs;

e. Reallocation of interests in the general or Limited Common Elements, or rights to their use;

f. Redefinition of any Unit boundaries;

g. Convertibility of Units into Common Elements or vice versa;

h. Expansion or contraction of the project, or the addition, annexation, or withdrawal of property to or from the project;

i. Insurance or fidelity bonds;

j. Leasing of Units;

k. Imposition of any restrictions on a Unit Owner's right to sell or transfer his or her Unit.

l. A decision by the Association to establish self-management when professional management had been required previously by the project's documents or by an eligible mortgage holder;

m. Restoration or repair of the Buildings (after a hazard damage or partial condemnation) in a manner other than that specified in the documents;

n. Any action to terminate the legal status of the project after substantial destruction or condemnation occurs; or

o. Any provisions that expressly benefit mortgage holders, insurers, or guarantors.

Eligible mortgage holders representing at least sixty-seven percent (67%) of the votes of mortgaged Units must consent to a termination of the regime established by the Declaration for any reason other than substantial destruction or condemnation of the Property.

The consent of any such eligible mortgage holder will be presumed if it fails to respond to a written proposal for an amendment within thirty (30) days after it receives notice thereof by certified mail, return receipt requested.

However, if the Act, this Declaration or the By-Laws require the consent or agreement of all Unit Owners or of all lien holders for any action specified in the Act or in this Declaration, then any instrument amending any provision of this Declaration with respect to such action shall be signed by all Unit Owners or all lien holders or both as required by the Act or this Declaration. Any amendment shall be effective upon the recording of such instrument in the Office of the Register of Deeds for Davidson County, Tennessee; provided, however, that no provisions in this Declaration may be amended so as to conflict with the provisions of the Act.

Notwithstanding the provisions of this paragraph 20 to the contrary, during the Development Period, Developer, without the consent of any Unit Owner, may amend this Declaration to reconfigure the boundaries of one or more Units so long as the boundaries and Percentage Interest in the Common Elements of Units which have been sold are not affected.

21. Perpetuities and Restraints on Alienation. If any of the options, privileges, covenants or rights created by this Declaration shall be unlawful, void or voidable for violation of the rule against perpetuities, then such provision shall continue only until twenty-one (21) years after the death of the survivor of the now living descendants of Elizabeth II, Queen of England.

22. Rights and Obligations. Each grantee of Developer, by the acceptance of a deed of conveyance, accepts the same subject to all restrictions, conditions, covenants, reservations, liens and charges, and the jurisdiction, rights and powers created or reserved by this Declaration. All future Unit Owners and Occupants shall be subject to and shall comply with the provisions of this Declaration. Any restrictions or rules in the By-Laws which are more than administrative in nature such as, but not limited to, reservations and future rights of Developer are hereby incorporated into and made a part of this Declaration by reference. All rights, benefits and privileges hereby imposed shall be deemed and taken to be covenants running with the land, and shall bind any person having at any time any interest or estate in said land, and shall inure to the benefit of such grantee in like manner as though the provisions of this Declaration were recited and stipulated at length in each and every deed of conveyance or contract for conveyance.

All present and future Unit Owners and Occupants of a Unit shall be subject to, and shall comply with, the provisions of the By-Laws appended hereto and recorded herewith, as they may be amended from time to time. The acceptance of a deed of conveyance, devise, or lease to a Unit, or the entering into occupancy of any Unit shall constitute an agreement that the provisions of the By-Laws, and any Rules and Regulations promulgated thereunder, as they may be amended from time to time, are assumed, accepted and ratified by such Unit Owner or Occupant, and all of such provisions shall be deemed and taken to be covenants running with the land and shall bind any person having at any time any interest or estate in such Unit, as though such provisions were recited and stipulated at length in each and every deed, conveyance or lease thereof.

The terms and conditions of the Declaration, By-Laws and Rules and Regulations of the Association may be incorporated by reference in, and become part of, the agreement between any

first mortgagee and any present or future Unit Owner who enters into such an agreement with a first mortgagee. When so incorporated, any default in the terms and conditions of this Declaration, By-Laws, and Rules and Regulations may be considered by the first mortgagee as a default, whereupon said first mortgagee, after exercising its option to declare a default, shall then have all of the rights and privileges arising as a result of a default under its agreement with said Unit Owner.

23. Condemnation. In the event of a taking of part of the Common Elements in condemnation or by eminent domain, the award made for such taking shall be payable to the Association. If a majority of the Board in their sole and absolute discretion approve the repair and restoration of such Common Elements, the Board shall arrange for the repair and restoration of such Common Elements, and the Board shall disburse the proceeds of such award to the contractors engaged in such repair and restoration in appropriate progress payments. In the event the Board does not approve the repair and commence restoration of such Common Elements within 120 days after taking by the public or private authority, the Board shall disburse the net proceeds of such award on the basis of such Unit's Percentage Interest in the Common Elements.

24. Rights Reserved. Unit Owner's right of enjoyment in the Common Elements shall be subject to:

(a) The right of the Association, as provided in its By-Laws or Rules and Regulations to suspend the enjoyment rights of any member for any period during which any assessment remains unpaid, and for such period as it considers appropriate for any infraction or its published Rules and Regulations;

(b) The right of the Association to charge reasonable fees for the use of any part or parts of the Common Elements;

(c) The right of the Association to diminish in any way or to dedicate or transfer all or any part of the Common Elements to any public agency or authority for such purposes and subject to such conditions as may be agreed to by the members entitled to vote thereon, provided that no such diminution or dedication or transfer or determination as to the purposes or as to the conditions thereof, shall be effective unless members of the Association entitled to cast sixty-seven percent (67%) of the total votes of the Association have agreed to such dedication, transfer, purpose, or condition;

(d) The right of Developer, at its sole expense, to relocate, expand, modify, reduce, or extend existing driveways, parking areas and yard, and to construct, expand, enlarge or relocate sewers, utility lines or service connections, in order to serve the existing Buildings; and

(e) The right of the Association to grant such easements and rights-of-way to such utility companies or public agencies or authorities as it shall deem necessary for the proper servicing and maintenance of the Common Elements and the Units.

25. Trustee as Unit Owner. In the event title to any Unit is conveyed to a land title-holding trust, under the terms of which all powers of management, operation and control of the Unit remain vested in the trust beneficiary or beneficiaries, then the beneficiaries thereunder shall be considered Unit Owners for all purposes and they shall be responsible for payment of all obligations, liens, or indebtedness and for the performance of all agreements, covenants and undertakings chargeable or created under this Declaration against such Unit. No claim shall be made against any such title-holding trustee personally for payment of any lien or obligation shall continue to be a

charge or lien upon the Unit and the beneficiaries of such trust, notwithstanding any transfers of the beneficial interest of any such trust or any transfer of title to such Unit.

26. Notices. Notices provided for in the Act, this Declaration or the By-Laws shall be in writing, and shall be addressed to the Association or any Unit Owner, as the case may be, at 6437 Bresslyn Road, Nashville, Tennessee 37205-3024, or at such other address as hereinafter provided. The Association may designate a different address or addresses for notices to it by giving written notice of such change of address to all Unit Owners. Any Unit Owner may designate a different address for notices to him by giving written notice to the Association. Notices addressed above shall be deemed delivered when mailed by a United States registered or certified mail, or when delivered in person with written acknowledgment of the receipt thereof.

Upon written request to the Board, the holder of any recorded mortgage or trust deed encumbering any Unit shall be given a copy of all notices permitted or required by this Declaration to be given to the Owner or Owners whose Unit is subject to such mortgage or trust deed.

27. Severability. If any provision of this Declaration of By-Laws, or any section, sentence, clause, phrase, word, or the application thereof in any circumstance, is held invalid, the validity of the remainder of this Declaration and the By-Laws and of the application of any such provision, section, sentence, clause, phrase or word in any other circumstances shall not be affected thereby, and the remainder of this Declaration or the By-Laws shall be construed as if such invalid part was never included therein.

28. Captions. The captions herein are inserted only as a matter of convenience, and in no way define, limit, or describe the scope of these provisions or the intent of any provision hereof.

29. Gender and Number. The use of the masculine gender in this Declaration and in the By-Laws shall be deemed to include the feminine gender, and the use of the singular shall be deemed to include the plural whenever the context so requires.

OF

1706 STOKES LANE HOMEOWNERS ASSOCIATION, INC.

ARTICLE I

Association of Unit Members

Section 1. Eligibility. The Members of 1706 Stokes Lane Homeowners Association, Inc. a Tennessee not-for-profit corporation, shall consist of the Unit Owners of the Property known as 1706 Stokes Lane, located at 1706 Stokes Lane, Units A and B, Nashville, Davidson County, Tennessee 37215 (the "Property"). If a Unit Owner is a trust, then the member shall be a beneficiary of such trust, and if a Unit Owner or such beneficiary is an entity, the member may be an officer, partner or employee of such Unit Owner or beneficiary entity.

Section 2. Succession. The membership of each Unit Owner shall terminate when he ceases to be Unit Owner, and upon the sale, transfer or other disposition of his ownership interest in the Property, his membership in the Association shall automatically be transferred to the new Unit Owner succeeding to such ownership interest.

Section 3. Annual Meeting. The annual meeting of the Association (except for the First Annual Meeting, as hereinafter defined) shall be held on the first Tuesday of the second calendar month following the close of the association's fiscal year. The first annual meeting of the Association (the "First Annual Meeting") will be called by Developer at such time as, in its discretion, it deems best, but in no event shall such meeting take place later than the expiration of the Development Period.

Section 4. Special Meeting. Special meetings may be held at any time upon the demand of a Unit Owner, assuming there are no more than two (2) Units in the Association.

Section 5. Notice of Meetings. A written or printed notice of every meeting of the Association, stating whether it is an annual meeting or special meeting, the authority for the call of the meeting, the place, day and hour thereof and the purpose therefor, shall be given by the appointed Secretary or the person(s) calling the meeting at least twenty (20) days before the date set for such meeting (but no more than sixty (60) days before such meeting). Such notice shall be given to each member in any of the following ways: (a) by any manner permitted under the Deed, or (b) by leaving the same with him personally, or (c) by leaving the same at the residence or usual place of business of such member, or (d) by mailing it, postage prepaid, addressed to such member at his address as it appears on the records of the Association, or (e) if such member cannot be located by reasonable efforts, by posting said notice on the entrance of each unit. If notice is given pursuant to the provisions of this section, the failure or any member to receive actual notice of the meeting shall in no way invalidate the meeting or any proceedings at such meeting. In the case of a special meeting or in the case of an annual meeting at which Unit Owners will be called upon to approve: (1) director or officer conflicts of interest; (2) indemnification of officers, employees or agents; (3) any amendment to the Association charter; (4) an amendment of these By-Laws; (5) a merger of the Association with another entity; (6) dissolution of the Association or (7) any other matter now or hereafter governed by the notice provisions of the Tennessee Nonprofit Corporation Act, the written or printed notice shall also state the purpose or purposes for which the meeting is called. Upon written request for notices, mailed by certified mail, addressed to the secretary of the Association at the address of the Association, the holder of any duly recorded first mortgage or deed of trust against

any Unit may obtain a copy of any and all notices permitted or required to be given, and any such mortgage requesting such notice shall thereafter receive all notices sent to the members from and after receipt of said request until said request is withdrawn or said mortgage is discharged of Record.

Section 6. Waiver of Notice. The presence of all the members, in person or by proxy, at any meeting shall render the same a valid meeting, unless any member shall, at the opening of such meeting, object to the holding of the same for noncompliance with the provisions of Section 5 of this Article I. Any meeting so held without objection shall, notwithstanding the fact that no notice thereof was given, or that notice given was improper, be valid for all purposes, and at such meeting any general business may be transacted and any action may be taken; provided, however, that where a member has pledged his vote by mortgage, deed of trust or agreement of sale, only the presence of the pledgee will be counted in determining whether notice is waived with regard to business dealing with such matters upon which the member's vote is so pledged.

Section 7. Quorum; Voting. At any meeting of the Association, two-thirds (2/3) of the unit Owners, present or by proxy, shall constitute a quorum, and, except as otherwise provided herein, in the Master Deed or in the Act, the concurring vote of a Majority of the Unit Owners shall be valid and binding upon the Association. In the event a member has pledged his vote by mortgage, of trust or agreement of sale, the member's vote will be recognized in computing a quorum with respect to any business conducted concerning such matters upon which said member's vote is so pledged or mortgaged unless the mortgage, deed of trust or agreement of sale provides otherwise, in which event such instruments shall control. In the event of such mortgage or pledge, the Unit Owner shall provide the Association with a copy of the pledging or mortgaging instrument.

Section 8. Membership; Voting. Any Person or combination thereof owning any Unit duly recorded in his or its name, the ownership of which shall be determined by the records of the Register's Office for Davidson County, Tennessee, shall be a member of the Association, and either in person or by proxy entitled to a vote equivalent to one vote for each Unit so owned at all meetings of the Association. Any provision to the contrary notwithstanding, co-owners or joint owners shall be deemed one Unit Owner and one member. The authority given by a member to another person to represent such member at meetings of the Association shall be in writing, signed by such member (or if a Unit is jointly owned then by co-owners or joint owners, by all such co-owners or joint owners; or if such member is a corporation, by the proper officers thereof, and shall be filed with the Secretary, and unless limited by its terms, such authority shall be deemed good until revoked in a writing filed with the Secretary. An executor, administrator, guardian or trustee may vote in person or by proxy at any meeting of the Association with respect to any Unit owned or held by him in such capacity, whether or not the same shall have been transferred to his name by a duly recorded conveyance. In case such Unit shall not have so been transferred to his name, he shall satisfy the Secretary that he is the executor, administrator, guardian or trustee holding such Unit in such capacity. Whenever any such Unit is owned by two or more persons jointly according to the Record, the vote thereof may be exercised by any one of the owners present in the absence of protest by the other or others; provided however, that when the vote of an owner or owners has been pledged by mortgage or deed of trust of Record, only the vote of the pledgee will be recognized upon those matters upon which the owner's or owners' vote is to pledge except as otherwise provided in Section 7.

Section 9. Adjournment. Any meeting of the Association may be adjourned from time to time to such place and time as may be determined by majority vote of the members present, whether a quorum be present or not, without notice other than the announcement at the meeting. At any adjourned meeting at which a quorum is present, any business may be transacted that might have been transacted by a quorum at the meeting originally called.

ARTICLE II

Board of Directors

Section 1. Number and Qualification. The affairs of the Association shall be governed by a board of directors (the "Board of Directors" or the "Board") composed of two (2) persons, and all such directors shall be Unit Owners (or owners of an interest in a Unit).

Section 2. Powers and Duties. The Board of Directors shall have all of the powers and duties granted thereto in the Master Deed and all other powers and duties necessary for the administration of the affairs of the Association, and may do all such acts and things as are not by law, by the Master Deed or by these By-Laws directed to be exercised and done by the Unit Owners.

Section 3. Other Powers and Duties. In addition to duties imposed by the Master Deed, these By-Laws or by resolutions of the Association, the Board of Directors shall have the following powers and duties:

(a) to elect and remove the officers of the Association;

(b) to administer the affairs of the Association and the Property;

(c) to engage the services of an agent (hereinafter sometimes called the "Managing Agent") to maintain, repair, replace, administer and operate the Property or any part hereof for all Unit Owners, upon such terms and for such compensation and with such authority as

the Board may approve; provided, however, that any management agreement relating to the Property shall be terminable for cause upon thirty (30) days' notice and shall have a term of not less than one (1) year no more than three (3) years, which term shall be renewable upon approval of the Board of Directors; and provided further, however, that any such management agreement entered into during the Development Period shall be terminable by the Association without cause or penalty on ninety (90) days' prior notice.

(d) to formulate policies for the administration, management and operation of the Property and the Common Elements;

(e) to adopt rules and regulations, with written notice thereof to all Unit Owners, governing the administration, management, operation and use of the Property and the Common Elements, and to amend such rules and regulations from time to time;

(f) to provide for the surveillance, maintenance, repair, and replacement of the Common Elements and payments therefor, and to approve payment vouchers or to delegate such approval to the officers or the manager or Managing Agent;

(g) to provide for the designation, hiring and removal of employees and other personnel, including accountants and attorneys, and to engage or contract for the services of others, and to make purchases for the maintenance, repair, replacement, administration, management and operation of the Property and the Common Elements, and to delegate any such powers to the Managing Agent (and any such employees or other personnel who may be the employees of a Managing Agent);

(h) to appoint committees of the Board and to delegate to such committees the Board's authority to carry out certain duties of the Board;

(i) to determine the fiscal year of the Association and to change said fiscal year from time to time as the Board deems advisable;

(j) to fix the estimated annual budget, and to provide the manner of assessing and collecting from Unit Owners their respective shares of such estimated expenses, as hereinafter provided;

(k) to enter into any lease of premises suitable for use as guest or custodian apartments, upon such terms as the Board may approve;

(l) to borrow money for the purpose of repair or restoration of Common Elements without the approval of the members of the Association;

(m) to secure insurance policies as required by the Master Deed, and in this regard, annually to review the amounts of coverage afforded by such policies.

(n) unless otherwise provided herein or in the Master Deed, to comply with the instructions of a majority of Unit Owners as expressed in resolutions duly adopted at any annual or special meeting of Unit Owners;

(o) to exercise all other powers and duties of Unit Owners as a group referred to in the Act, or in the Master Deed or these By-Laws.

The Association shall not, in any event, be bound either directly or indirectly by any contract or lease entered into by the Developer on behalf of the Association (including but not limited to management contracts) unless such contract or lease has a term of one (1) year or less and contains a right of termination, which is exercisable without cause and without penalty at any time after passage of control from the Developer to the Association, upon not more than ninety (90) days' notice.

Section 4. Manager or Managing Agent; Employees Generally. The Managing Agent shall perform such duties and services as the Board of Directors shall authorize, including, but not limited to, the duties listed in Section 3 of this Article. The duties conferred upon the Managing Agent by the Board of Directors may be at any moment revoked, modified or amplified by the vote of the Association in a duly constituted meeting. The Board of Directors and/or the Managing Agent (with the approval of the Board of Directors) may employ any other employees or agents to perform such duties at such salaries as the Board of Directors may establish. The Board of Directors may enter into such service contracts on behalf of the Association as are necessary and appropriate and shall have the authority, but not the obligation, to assume, on behalf of the Association, any initial service contracts entered into by Developer that comply with the requirements and limitations imposed herein.

Section 5. Election and Term of Office. The directors of the Association shall be elected by the affirmative vote of not less than two-thirds (2/3) of the Unit Owners. At the First Annual Meeting, the terms of office for the first board of directors (the "First Board") shall be fixed wherein two directors shall serve for one year, two directors shall serve for two years and one director for three years. At the expiration of the initial term of office of each respective director, his successor shall be elected by all those entitled to vote to serve a term of three years. The directors shall hold office until their successors have been elected and hold their first meeting.

Section 6. Vacancies. Vacancies in the Board of Directors caused by any reason other than the removal of a director by a vote of the Association shall be filled by vote of the majority of the remaining directors, even though they may constitute less than a quorum; and each person so elected shall be a director until a successor is elected at the next annual meeting of the Association.

Section 7. Removal of Directors. Section 4. President. The President shall be the chief executive officer of the Association. He shall preside at all meetings of the Association and of the Board of Directors. He shall have all of the general powers and duties that are usually vested in the office of president of an association, including but not limited to the power to appoint committees from among the Unit

Section 5. Vice President. The Vice President shall take the place of the President and perform his duties whenever the President shall be absent or unable to act. If neither the President nor the Vice President is able to act, the Board of Directors shall appoint some other member of the Board to do so on an interim basis. The Vice President shall also perform such other duties as shall from time to time be imposed upon him by the Board of Directors.

Assessments

Section 1. Annual Budget. The Board shall cause to be prepared an estimated annual budget for each fiscal year of the Association. Such budget shall take into account the estimated common expenses and cash requirements for the year, including, but not limited to, salaries, wages, payroll taxes, legal and accounting fees, working capital fund, supplies, materials, parts, services, maintenance, repairs, replacements, landscaping, insurance, fuel, power, and all other common expenses. To the extent that the assessments and other cash income collected from Unit Owners during the preceding year shall be more or less than the expenditures for such preceding year, the surplus or deficit, as the case may be, shall also be taken into account. The annual budget shall also take into account the estimated net available cash income for the year from the lease, operation or use of the Common Elements. The annual budget shall provide for a reserve for contingencies for the year and replacements, in reasonable amounts as determined by the Board.

Section 2. Assessments. The estimated annual budget for each fiscal year shall be approved by the Board, and copies thereof shall be furnished by the Board to each Unit Owner, not later than thirty (30) days prior to the beginning of such year. On or before the first day of the first month and of each succeeding month of the year covered by the annual budget, each Unit Owner shall pay, as his respective monthly assessment for the common expenses, one-twelfth (1/12) of his proportionate share of the common expenses for such year as shown by the annual budget. The proportionate share for each Unit Owner shall be based upon his respective ownership interest in the Common Elements as set forth in Exhibit B to the Master Deed. In the event that the Board shall not approve an estimated annual budget or shall fail to determine new monthly assessments for any year,

or shall be delayed in doing so, each Unit Owner shall continue to pay each month the amount of his respective monthly assessment as last determined. Each Unit Owner shall pay his monthly assessment on or before the first day of each month to the Managing Agent or otherwise as directed by the Board. No Unit Owner shall be relieved of his obligation to pay any assessment by abandoning or not using his Unit, the Common Elements, or the Limited Common Elements.

Section 3. Partial Year or Month. For the first fiscal year, the annual budget shall be as approved by the First Board. If such first fiscal year, or any succeeding fiscal year, shall be less than a full year, then the monthly assessments for each Unit Owner shall be proportionate to the number of months and days in such period covered by such budget. Commencing with the date of occupancy of his Unit, each Unit Owner shall pay his assessment for the following month or fraction of a month, which assessment shall be in proportion to his respective ownership interest in the Common Elements and the number of months and days remaining of the period covered by the current annual budget, and which assessment shall be computed by the Board.

Section 4. Annual Report. Within ninety (90) days after the end of each fiscal year covered by an annual budget, or as soon thereafter as practicable, the Board shall cause to be furnished to each Unit Owner a statement for such year, showing the receipts and expenditures and such other information as the Board may deem appropriate.

Section 5. Supplemental Budget. In the event that, during the course of any year, it shall appear to the Board that the monthly assessments, determined in accordance with the estimated annual budget for such year, are insufficient or inadequate to cover the estimated common expenses for the remainder of such year, then the Board shall prepare and approve a supplemental budget covering the estimated deficiency for the remainder of such year, copies of which supplemental

budget shall be furnished to each Unit Owner, and thereupon a supplemental assessment shall be made to each Unit Owner for his proportionate share of such supplemental budget.

Section 6. Expenditures. Except for the Management Agreement described in Article II, Section 3(c) hereof and expenditures and contracts specifically authorized by the Master Deed and By-Laws, the Board shall not approve any expenditure in an amount in excess of ten percent (10%) of the annual budget for the then current year, unless required for emergency repair, protection or operation of the Common Elements or Limited Common Elements, nor enter into any contract for more than three (3) years, without the prior approval of two-thirds (2/3) of the total ownership in the Common Elements.

Section 7. Lien. It shall be the duty of every Unit Owner to pay his proportionate share of the common expenses as provided in the Master Deed, and as assessed in the manner herein provided.

If any Unit Owner shall fail or refuse to make any such payment of assessments when due, such delinquent payment shall be subject to a late charge in an amount established by the Board, and such delinquent payment shall also bear interest at the rate of ten percent (10%) per annum. Such delinquent payment, together with penalty and interest, shall constitute a lien, as provided in the Act, enforceable by the Board, on the interest of such Unit Owner in the Property.

The Association, or its successors and assigns, acting through the Board of its agents, shall have the right to maintain a suit to foreclose any such lien, and there shall be added to the amount due the costs of said suit and other fees and expenses, together with legal interest and reasonable attorney's fees. The Association, acting through the Board, shall have the authority to exercise and enforce any and all rights and remedies as provided for in the Act, the Master Deed, or these

By-Laws, or as are otherwise available at law or in equity, for the collection of all unpaid assessments.

Section 8. Records and Statement of Account. The Board shall cause to be kept detailed and accurate records in chronological order of its receipts and expenditures affecting the Common Elements, specifying and itemizing the common expenses incurred. Payment vouchers may be approved in such manner as the Board may determine.

The Board shall, upon receipt of ten (10) days' written notice to the Association and upon payment of a reasonable fee, furnish to any Unit Owner a statement of his account setting forth the amount of any unpaid assessment or other charges due and owing from such Unit Owner.

Section 9. Discharge of Liens. The Board may cause the Association to discharge any mechanic's lien or other encumbrance which in the opinion of the Board may constitute a lien against the Property or the Common Elements, rather than a lien against only a particular Unit. When less than all the Unit Owners are responsible for the existence of any such lien, the Unit Owners responsible shall be jointly and severally liable for the amount necessary to discharge the same and for all costs and expenses, including attorney's fees, incurred by reason of such lien.

Section 10. Holding of Funds. All funds collected hereunder shall be held and expended for the purposes designated herein, and (except for such special assessments as may be levied hereunder against less than all the Unit Owners and for such adjustments as may be required to reflect delinquent or prepaid assessments) shall be deemed to be held for the benefit, use and account of all the Unit Owners in the percentages set forth on Exhibit B to the Master Deed.

Section 11. Working Capital. A working capital fund shall be maintained by the Association during the initial months of the Property's operation, in an aggregate amount equal to at

least two months' assessments for each Unit. Each Unit's share of the working capital fund must be collected and transferred to the Association at the time of the closing of the sale of each Unit and maintained in an account for the use and benefit of the Association. The Developer, however, shall not be required to make contributions to the working capital fund until the end of the Development Period. The purpose of the working capital fund is to insure that the Association will have cash available to meet unforeseen expenditures, and/or to acquire additional equipment or services deemed necessary or advisable by the Board, and disbursements from such fund shall be made as directed by the Board. Amounts paid into the working capital fund shall in no event be considered advance payment(s) of monthly assessments.

During the Development Period, the Developer shall not use the working capital funds to defray its own expense, or construction costs, or to make up any budget deficits. When, however, unsold Units are sold, the Developer may use funds collected at closing for the working capital fund to reimburse itself for any sums it has paid the Association for unsold Units' shares of such fund.

ARTICLE V

Use and Occupancy Restrictions

Section 1. General. No unlawful, noxious or offensive activities shall be carried on in any Unit or elsewhere on the Property, nor shall anything be done therein or thereon which shall constitute a nuisance or which shall in the judgment of the Board cause unreasonable noise or disturbance to others.

Section 2. Maintenance and Repair.

(a) Every Unit Owner must perform promptly all maintenance and repair work within his Unit that, if omitted, would affect the Property in its entirety or a part belonging to other Unit Owners, and is responsible for the damages and liabilities that his failure to do so may cause.

(b) All the repairs of internal installations of a Unit such as water, light, power, sewage, telephone and sanitary installations, lamps and all other accessories belonging to the Unit area shall be maintained at the Unit Owner's expense.

(c) A Unit Owner shall reimburse the Association for any expenditure incurred in repairing or replacing any Common Elements damaged through his fault, together with a fee equal to twenty percent (20%) of the cost of any such repair or replacement.

Section 3. Use of Units. All units shall be used in accordance with the provisions of the By-Laws, the Master Deed and the Rules and Regulations.

Section 4. Leases. All leases or rental agreements for Units shall be in writing and must be specifically subject to the Master Deed and By-laws. A copy of every such lease, as and when executed, shall be furnished to the Board. No Unit may be leased or rented for a period of less than six (6) months. The lessee under every such lease shall be bound by and subject to all of the obligations under the Master Deed and By-Laws, of Unit Owner making such lease and the lease shall expressly so provide. Any Unit Owner making such lease shall not be relieved thereby from any of said obligations. The Board shall have all the authority in its sole discretion to require at any time that any Unit Owner who is leasing his Unit, place on deposit with the Board such sums as the Board may require and determine to be used as an indemnity against loss or damage to the Common Elements which might be caused by such Unit Owner's lessee. The terms of the indemnity shall be

such terms as might be satisfactory to the Board. The Board shall furnish Unit Owner a notice in writing which shall constitute that Unit Owner's notice to make such deposit. In the event Unit Owner fails to comply with the terms of the notice within ten (10) days from the date the notice is mailed to him, the Board at its option may elect to terminate the subject lease. The Board shall give Unit Owner and his lessee notice of such election in writing.

Section 5. Use by Developer. During the period of sale by Developer of any Units, Developer, Developer's agents, employees, contractors and subcontractors, and their respective agents and employees, shall be entitled to access, ingress to and egress from the Buildings and Property as may be required for the egress for purposes of sale of Units. In addition, Developer reserves the right to enter into, upon, over and under any Unit for a period of one (1) year after the date of sale of the Unit for such purposes as may be reasonably necessary for Developer or its agents to service any Unit. While Developer owns any of the Units and until each Unit sold by it is occupied by Purchasers, Developer and its employees may use and show one or more of such unsold or unoccupied Units as a model Unit or Units and may use one or more of such unsold or unoccupied Units as a sales office, and may maintain customary signs in connection herewith.

Section 6. Rules and Regulations. In order to assure the peaceful and orderly use and enjoyment of the Buildings and Common Elements of the Property, the Association may from time to time adopt, modify and revoke in whole or in part by a vote of not less than sixty-seven percent (67%) of the members at any meeting duly called for the purpose, such reasonable rules and regulations, to be called Rules and Regulations, governing the conduct of persons in said Property as it may deem necessary. The Rules and Regulations, upon adoption, and every amendment,

modification and revocation thereof, shall be delivered promptly to each Unit Owner and shall be binding upon all members and occupants of the Property.

The initial Rules and Regulations shall be these:

10. All garbage, refuse, and ashes from the Buildings shall be deposited with care in receptacles intended for such purpose only at such times and in such manner as Managing Agent shall direct.

11. Water closets and other water apparatus in the Buildings shall not be used for any purposes other than those for which they were constructed; nor shall any sweepings, rubbish, rags, paper, ashes or any other article be thrown into the same. Any damage resulting from misuse of any water closet or other apparatus shall be paid for by the Unit Owner causing such damage.

12. All balconies and patios shall be maintained neatly and cleanly. All plants on such balconies and patios must be potted and all pots must have drip pans. No personal belongings may be stored or displayed on unenclosed balconies. No satellite dishes or similar devices shall be placed or installed on balconies.

17. All damage to the Buildings or Common Elements caused by the moving or carrying of any article therein shall be paid by the Unit Owner responsible for the presence of such article.

18. No Unit Owner shall interfere in any manner with any portion of the heating, air-conditioning or lighting apparatus that are part of the Common Elements and not part of the Unit Owner's unit.

19. No Unit Owner shall use or permit to be brought into the Buildings any inflammable oils or fluids such as gasoline, kerosene, naphtha or benzene, or other explosives or articles deemed extra hazardous to life, limb or property, without in each case obtaining the written consent of the Board.

20. The Unit Owners shall not be allowed to put their names on or near any entry to the Buildings or entrance to any Unit, except in the proper places provided by the Board for such purpose.

21. The Unit Owners must keep the interiors of their Units clean and free from obstructions. The Board and the Managing Agent assume no liability for loss or damage to articles stored or placed in the Buildings or Common Area.

22. Any damage to the Buildings or equipment caused by Unit Owners, employees of Unit Owners or their invitees, licensees, guests, visitors, clients or patients shall be repaired at the expense of the Unit Owners responsible for such damage.

27. The Common Elements are intended for use for the purpose of affording movement within the Buildings and of providing access to the Units. No part of the Common Elements shall be obstructed so as to interfere with its use for the purposes hereinabove recited. Nor shall any part of the Common Elements be used for general storage purposes after the completion of the construction

No Unit Owner shall penetrate or core drill into the slabs, which comprise part of the Common Elements.

Section 7. Remedies. In the event of any violation of the provisions of the Act, the Master Deed, these By-Laws or the Rules and Regulations by any Unit Owner (either by his own conduct or by the conduct of any occupant of his Unit), the Association, or its successors or assigns, shall have each and all of the rights and remedies that may be provided for in the Act, the Master Deed, these By-Laws and/or the Rules and Regulations, or that may be available at law or in equity.

Section 8. Right of Entry. The Managing Agent or any person authorized by the Board of Directors shall have the right to enter each Unit at any time in cases of emergency and at all other reasonable times if the Unit Owner or Occupant is present. Every Unit Owner and Occupant shall permit other Unit Owners or their representatives to enter his Unit at reasonable times for the purpose of performing authorized installations, alterations or repairs to any Common Elements therein for central services provided that requests for entry are made in advance.

ARTICLE VI

ARTICLE VII

Liability of Officers, Directors and Members;

Indemnification

Section 1. Exculpation. No director or officer of the Association shall be liable for acts or defaults of any other officer or member or for any loss sustained by the Association or any member thereof, unless the same has resulted from his own willful misconduct or negligence.

Section 2. General. To the extent permitted by law, the Association shall indemnify and hold harmless each of its Directors and officers, each member or any committee appointed pursuant to these By-Laws, against all contractual and other liabilities to others arising out of contracts made by, or other acts of such Directors, officers, or committee members on behalf of Unit Owners, or arising out of their status as Directors, officers, or committee members, unless any such contract or act shall have been made fraudulently or with gross negligence or criminal intent. It is intended that the foregoing indemnification shall include indemnification against all costs and expenses (including, but not limited to, counsel fees, amounts of judgments paid and amounts paid in settlement) reasonably incurred in connection with the defense of any claim, action, suit or proceeding, whether civil, criminal, administrative or otherwise, in which any such Director, officer, or committee member may be involved by virtue of such person's being or having been such Director, officer, or committee member, provided, however, that such indemnity shall not be operative with respect to (a) any matter as to which such person shall have been finally adjudged in such action, suit or proceeding to be liable for gross negligence or fraud in the performance of his duties as such Director, officer, or committee member, or (b) any matter settled or compromised, unless, in the opinion of independent counsel selected by or in a manner determined by the Board,

there is not reasonable ground for such person's being adjudged liable for gross negligence or fraud in the performance of his duties as such Director, officer, or committee member.

Section 3. Success on Merits. To the extent that a member of the Board, or an officer of the Association, or a member of any committee appointed pursuant to these By-Laws has been successful on the merits or otherwise defense of any action, suit or proceeding referred to in Section 1, or in defense of any claim, issue or matter therein, he shall be indemnified against expenses (including attorney's fees) actually and reasonably incurred by him in connection therewith.

Section 4. Advance Payment. Expenses incurred in defending a civil or criminal action, suit or proceeding may be paid by the Association in advance of the final disposition of such action, suit or proceeding as authorized by the Board in the specific case upon receipt of an undertaking by or on behalf of the person or entity seeking such indemnification or payment in advance to repay such amount unless it shall ultimately be determined that he is entitled to be indemnified by the Association as authorized in this Article VII.

Section 5. Miscellaneous. The Association and the Board shall have the power to raise and the responsibility for raising, by special assessment or otherwise, any sums required to discharge its obligations under this Article; provided, however, that the liability of any Unit Owner arising out of any contract made by or other acts of the Directors, officers, or members of such committees, shall be limited to such proportion of the total liability hereunder as said Unit Owner's percentage of interest in the Common Elements bears to the total percentage interest of all Unit Owners in the Common Elements. Every agreement made by the Directors, officers, or members of such committees, or by the Managing Agent on behalf of Unit Owners shall provide that the Directors, officers, or members of such committees, or the Managing Agent, as the case may be, are acting only

as agents for Unit Owners and shall have no personal liability thereunder (except as Unit Owners), and that each Unit Owner's liability thereunder shall be limited to such proportion of the total liability thereunder as his percentage of interest in the Common Elements bears to the total percent interest of all Unit Owners in the Common Elements. The indemnification provided by this Article VIII shall not be deemed exclusive of any other rights to which those seeking indemnification may be entitled under any statute, agreement, vote of members of the Association, or disinterested members of the Board or otherwise, both as to action in his official capacity and as to action in another capacity while holding such office. Such right to indemnification shall continue as to a person or entity who has ceased to be a member of the Board, officer of the Association, or member of such committee, and shall inure to the benefit of the heirs, executors, administrators, successors and assigns of such person or entity.

ARTICLE VIII

Deeds of Trust and Mortgages

For purposes of this paragraph, "available" shall mean available for inspection, upon request, during normal business hours.
