(f) Non-Liability of the Directors, Board, Officers and Developer. Neither the Directors, Board, Officers of the Association, nor the Developer shall be personally liable to the Unit Owners for any mistake of judgment or for any other acts or omissions of any nature whatsoever as such directors, Board, officers, or Developer, except for any acts or omissions found by a court to constitute gross negligence or fraud. (g) Interest of Association in Common Elements. Ownership of the Common Elements shall be vested in the Association pursuant to a conveyance of said Common Elements from the Developer to the Association.

7. **Board's Determination Binding.** In the event of any dispute or disagreement between any Unit Owners relating to the Property, or any questions of interpretation or application of the provisions of this Declaration or the Bylaws,

the determination thereof by the Board shall be final and binding on each and all such Unit Owners.

The percentages of ownership interests shall remain constant unless hereafter changed by recorded amendment to this Declaration. Said ownership interest shall be an undivided interest, and the undivided membership interests in the Association shall be owned by the Unit Owners as tenants in common in accordance with their respective percentages of ownership. The ownership of each Unit shall not be conveyed separate from the percentage of ownership in the Association corresponding to said Unit. The undivided percentage of ownership in the Association corresponding to any Unit shall be deemed conveyed or encumbered with that Unit, even though the legal description in the instrument conveying or encumbering said Unit may refer only to the title to that Unit.

9. Use of the Common Elements. Except as hereinafter set forth, each Unit Owner shall have the right to use the Common Elements (except the Private Elements) in common with all other Unit Owners, and shall have easements for the purposes of access, ingress to, egress from, use, occupancy and enjoyment of the respective Unit owned by such Unit Owner. 10. Common Expenses and Assessments.

(a) Common Expenses. The Association shall be responsible for the "Common Expenses" as defined herein. Each Unit Owner shall be assessed an equal share of the Common Expenses as described below. Common Expenses shall consist of the following:

>
> (iii) Any other expenses determined by the Board to be Common Expenses. The Board may elect to provide for maintenance and repair of any part of the elements as a common expense.

In order to secure payment of assessments, both monthly or annual and special, as the same become due, there shall arise a continuing lien and charge against each Unit, the amount of which shall include interest at the rate of (10%) Ten percent per annum, costs of collection, and reasonable attorney's fees. Each such assessment, together with such interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who

was the Unit Owner of the Unit at the time the assessment became due; provided that this personal obligation shall not pass to successors in title unless expressly assumed by them. The lien provided for herein, however, shall be subordinate to the lien of any first Deed of Trust (sometimes hereinafter called "mortgage") on any Unit. The sale or transfer of any Unit shall not affect any assessment lien. The sale or transfer of any Unit that is subject to any first mortgage, pursuant to a foreclosure thereof or under power of sale or any proceeding in lieu of obligation of any former title holder, as to payments that became due prior to such sale or transfer and subsequent to the recordation of the first mortgage that has been foreclosed assessments shall not take priority over the first Deed of Trust, but the Association shall have a lien upon the proceeds from foreclosure or of sale junior only to the lien of the foreclosed first mortgage. No sale or transfer shall relieve such Unit from liability for any assessment thereafter becoming due or from the lien thereof:

(c) Levy of Assessments. The Declarant has not established an Assessment for the Units. The Board of Directors may establish a rate Assessments and the dates upon which Assessments are payable as it deems necessary for the Administration of the Association and payment of common expenses.

(d) Effect of Non-Payment of Assessments and Remedies of the Association. In addition to any other remedy available to the Association under this Declaration or applicable law, any assessment not paid within thirty (30) days after the due date shall be subject to a monthly late fee equal to the greater of ten dollars ($10.00) or ten percent (10%) of the outstanding balance owed. Unpaid assessments shall also bear interest from the due date at Ten percent (10%) per annum. The Association, its agent or representative, may bring an action at law against the Unit Owner personally obligated to pay the same or foreclose the lien against the Unit to which the assessment relates, and interest, costs, and reasonable attorney's fees for such action or foreclosure shall be added to the amount of such assessment. No Unit Owner may avoid liability for the assessments provided for herein by non-use of the Common Elements or abandonment of his Unit.

(e) Mortgage and Deed of Trust Protection. The lien for common expenses payable by a Unit Owner shall be subordinate to the lien of a recorded First Mortgage or First Deed of Trust on the interest of such Unit Owner, except for the amount of the proportionate share of common expenses which become due and payable from and after the date on which the mortgagee or beneficiary thereunder either takes possession of the Unit encumbered thereby, accepts a conveyance of any interest therein (other than as security) or forecloses its mortgage or deed of trust. This subsection (c) shall not be amended, changed, modified or rescinded without the prior written consent of all mortgagees and Deed of Trust beneficiaries of record.

11. Mortgages and Deeds of Trust. Each Unit Owner shall have the right, subject to the provisions herein, to make separate mortgages and deeds of trust for such Unit Owners' respective Unit, including such Unit Owners respective ownership interest in the Association. No Unit Owner shall have the right or authority to make or create, or cause to be made or created, from the date hereof, any mortgage, Deed of Trust or other lien on or affecting the Property or any part thereof, except only to the extent of such Owners Unit and the interest in the Association corresponding thereto.

12. Separate Real Estate Taxes. Real estate taxes shall be separately taxed to each Unit Owner for such Owner's Unit and including the corresponding percentage of ownership in the Association, as provided in the Act. In the event that such taxes for any year are not separately taxed to each Unit Owner, but rather are taxed on the Property as a whole, then each Unit Owner shall pay such Owner's proportionate share thereof in accordance with such Owner's respective percentage of ownership interest in the Association, and, in said event, such taxes shall be a Common Expense.

13. Insurance. Each Unit Owner and Occupant shall be responsible for obtaining his own insurance covering his own Unit building and all alterations,

additions, improvements and betterments to any Unit. Each Unit owner shall also insure all improvements located on the limited common element serving such Unit, in addition to all contents, decorations, furnishings and personal property within his Unit, and any personal property stored elsewhere on the Property. Each Unit Owner and or Occupant shall also obtain a liability policy covering damage or injury occurring in his own Unit or upon the property. The policy of insurance covering such Unit building shall afford, as a minimum protection against loss or damage by fire or other perils normally covered by the "HO-3" or "HO-5", or their then nearest current equivalent, where such is available, and such policy shall be in an amount equal to one hundred percent (100%) of current replacement cost of such individual Unit building and all alterations, additions, improvements or betterments thereto and such Unit's garage and other improvements serving such Unit located in the limited common element. In addition, in the event a Unit Owner desires to insure against his personal liability and loss or damage by fire or other hazards above and beyond the extent that his liability loss or damage is covered by the liability insurance and insurance against loss or damage by fire and such other hazards obtained by the Board for the benefit of all the Unit Owners as part of the common expenses as provided herein, said Unit Owner may at his option and expense, obtain additional insurance.

It is anticipated the Unit owners will insure all improvements against fire and loss. If the association has or acquires a property interest to insure, the Board is authorized to maintain insurance for the Common Elements against loss or damage by fire, vandalism, malicious mischief and such other hazards are covered under standard extended coverage provisions for the full insurable replacement cost of the Common Elements, and against such other hazards and for such amounts as the Board may deem advisable. Insurable replacement cost shall be deemed to be the cost of restoring the Common Elements to substantially the same condition in which they existed prior to the damage or destruction. Such insurance coverage shall be written in the name of, and the proceeds thereof shall be payable to, the Association, as the trustee for each of the Unit Owners. The policy of property insurance shall list the Unit Owners and their mortgagees as additional insured. The premiums for such insurance shall be a common expense. However, at the option of the Board, and upon written notice to all Unit Owners, premiums for such insurance may be separately billed to each Unit Owner and each Unit Owner shall be responsible for payment of the product obtained by multiplying such premiums by such Unit Owner's Ownership Percentage.

The Board shall not be responsible for, and the policy of insurance maintained by the Board shall not include coverage for any individual Unit building, the personal property of the Unit Owner or Occupant nor such Owner or Occupants' improvements or betterments located on the limited common element serving such Unit nor any other personal property located anywhere on the Property owned by a Unit Owner or Occupant unless the Board specifically approved such responsibility, in writing, and thus specifically includes such property, improvements or betterments in its policy of insurance. The Board in its sole discretion shall determine if such coverage is to be extended.

In the event of damage to or destruction of any part of the Property as a result of fire or other casualty covered by insurance maintained by the Board pursuant hereto, the Board shall, in its sole and absolute discretion, determine whether repair, replacement or restoration shall be done to the damaged or destroyed property, without intervention of any Unit Owner. If the Board determines that such repair, replacement or restoration is to be made, then the Board shall arrange for the prompt repair, replacement or restoration of the damage property in accordance with the original plans and specifications therefore, with such changes as may be required by applicable laws or as the Board may approve. Where the insurance proceeds are insufficient to cover the cost of such repairs, replacement or restoration, the deficit shall be paid by all Unit Owners in proportion to each such Unit Owner's Ownership Percentage.

Any Unit Owner responsible to insure the Unit and improvements against damage or loss from fire or other casualty shall diligently pursue the repair or replacement of the Unit in the event of damage or loss. If an Owner fails to diligently repair,

the Board may proceed under Paragraph 15 (a) failure to maintain or take other action deemed necessary to cause repairs or replacement.

Notwithstanding the foregoing, reconstruction and repair shall not be compulsory where the whole or more than two-thirds of all the Units are destroyed or damaged by fire or other casualty. In such case and unless otherwise agreed upon by no less than sixty-seven percent (67%) of all Unit Owners, the insurance proceeds shall be delivered to the Unit Owners or their mortgagees, as their interest may appear, in the proportion to the Ownership Percentage of each Unit Owner in the Common Elements, and the Board, as soon as it is reasonably practicable and as agent for the Unit Owners, shall sell the Property, in its then condition, free from the effect of this Declaration, which shall terminate upon such sale, on terms satisfactory to the Board, and the net proceeds of such sale and all insurance policies shall thereupon be distributed to the Unit Owners of their mortgagees, as their interests may appear, in proportion to the Ownership Percentage of each Unit Owner. If the Board fails to consummate a sale pursuant to this paragraph within twenty-four (24) months after the destruction or damage occurs, then the Manager or the Board shall, or if it does not, any Unit Owner or mortgagee may, record a sworn declaration setting forth such decision and reciting that under the provisions of the Declaration the prohibition against judicial partition provided for in this Declaration has terminated and that judicial partition of the Property may be obtained pursuant to the laws of the State of Tennessee. Upon final judgment of a court of competent jurisdiction decreeing such partition, the Declaration shall terminate.

The Board shall also maintain comprehensive public liability insurance, in such amounts as it deems desirable and worker's compensation insurance and other liability insurance as it deems desirable or as required by law, insuring each Unit Owner, the mortgagee(s) of Record, if any, Association, its officers, directors, board and employees, developer and any manager, from (i) liability in connection with the property, and (ii) liability arising out of legal proceedings relating to employment contracts to which the Association is a party (to the extent such insurance is reasonably available). The premiums for such insurance shall be a common expense; however, at the option of the board, and upon written notice to all Unit Owners, premiums for such insurance may be separately billed to each Unit Owner, each Unit Owner shall be responsible for payment of the product obtained by multiplying such premiums by such Unit Owner's Ownership Percentage. The board shall retain in safekeeping any such public liability policy for six (6) years after the expiration date of the policy.

The board, in its sole discretion, also shall have authority to and may obtain such other insurance and bonds as it deems desirable, in such amounts, from such sources and in such forms as it deems desirable, insuring the property and each member of the board and officer of the Association, and each member of any committee appointed pursuant to the Bylaws of the Association, from liability arising from the fact that said person is or was director or officer of the Association, or a member of any such committee. The premiums for such insurance and bonds shall be a common expense.

In the event a Unit Owner desires to insure against his personal liability and loss or damage by fire or other hazards above and beyond the extent that is liability loss or damage is covered by the liability insurance and insurance against loss or damage by fire and such other hazards obtained by the Board for the benefit of all the Unit Owners as part of the common expenses, as above provided, said Unit Owner may at his option and expense, obtain addition insurance.

The Board of Directors may, at its sole discretion, require that all officers and employees (including with limitation any management agent) of the corporation handling or responsible for corporate funds shall be covered by blanket fidelity bonds. The premiums on such bonds shall be paid by the Association as a common expense of the Association.

14. Maintenance, Repairs and Replacements.

(a) Obligations of Unit Owners. Each Unit Owner, at such Owner's expense, shall furnish and be responsible for all maintenance of, repairs to and replacements of such Owner's Unit and other improvement located within the limited common element servicing such Unit. In the event that a Unit Owner fails to satisfy his maintenance obligations as herein defined, the Association may after approval by two-thirds vote of the Board, enter into said Unit and perform such necessary maintenance, repair or replacement. The cost of such work will be added to and become a part of the assessment to which said Unit is subject. Provided, however, that a Unit Owner against whose Unit such an assessment is levied shall be entitled to ten (10) days' notice, a hearing before the Board and a reasonable opportunity to perform the necessary maintenance or repair work prior to the Board causing such work to be performed and the Unit being levied with such an assessment. A Unit Owner may not make changes in colors, materials or appearance of the exterior of his Unit without prior approval of the architectural control committee.

(b) Obligations of Association. The Association shall be responsible for the maintenance repairs and replacements within the Common Elements. The cost of the maintenance, repairs and replacements, which are the responsibility of the Association, shall be part of the Common Expenses.

(c) Loss Attributable to Unit Owner. Notwithstanding any provision of this Declaration to the contrary, if the need for maintenance or repair that would otherwise result in a Common Expense that was the obligation of the Association is caused by the willful or negligent conduct or act of a Unit Owner, his household pet, family, guest, invitees or other Person using or occupying said Unit Owner's Unit with express or implied permission, the cost of such repair or maintenance shall be assessed against such Unit Owner and shall be due and payable thirty (30) days from the date of notice thereof, such assessment to be collected and enforced as provided in this Declaration for the collection of assessments. Such assessment shall not require approval of any of the Members; provided, however, that a Unit Owner against whose Unit such an assessment is levied shall be entitled to ten (10) days' notice, a hearing before the Board and a reasonable opportunity to perform the necessary maintenance or repair work prior to being levied with such an assessment.

15. Architectural Control, Alterations, Additions or Improvements.

(a) The Declarant's approval is required for the construction of improvements upon the private elements or common elements. No exterior alterations or additions to any private or common elements improvements shall be made without the approval of the Declarant.

(b) At such time as Developer/Declarant divests itself of all Units within the development, and Developer/Declarant has not assigned its right to a successor, the right of approval of plans for further construction, reconstruction, remodeling, alterations, and additions shall thereafter rest exclusively in the Association and in its Board of Directors.

16. Encroachments and Easements. If any portions of the Common Elements shall actually encroach upon any Unit or Private Elements, or if any Unit or Private Elements shall actually encroach upon any portions of the Common Elements, or if any Unit or Private Elements shall actually encroach upon another Unit or Private Elements, as the Common Elements, Units and Private Elements are shown by the Plat, there shall be deemed to be mutual easements in favor of the owners of the Common Elements and the respective Unit Owners involved, to the extent of such encroachments, so long as the same shall exist.

The Association shall have the right to grant permits, licenses, and easements over the Common Elements for utilities, roads, and other purposes reasonably

necessary or useful for the proper maintenance or operation of the horizontal property regime.

17. Association's Right to Purchase at a Foreclosure Sale. Such consent shall set forth a maximum price, which the Board or its duly authorized agent may bid and pay for said Unit.

The Board shall have authority to make such mortgage arrangements and special assessments proportionately among the respective Unit Owners, and other such financing arrangements as the Board may deem desirable, in order to close and consummate the purchase or lease of a Unit, or interest therein, by the Association. However, no such financing arrangement may be secured by an encumbrance on any interest in the Property other than the Unit, or interest therein, to be purchased or leased, and the percentage interest in the Association appurtenant thereto.

18. Use and Occupancy Restrictions. Owners are permitted to occupy and use the property in any manner consistent with ordinance, licensing, codes and zoning requirements of Metro Government and in a manner consistent with the Declaration and By-Laws.

The Common Elements shall be used only by the Unit Owners and their agents, servants, Tenants, family members, customers, invitees and licensees for access, ingress to and egress from the respective Units and for such other purposes incidental to use of the Units; provided, however, that any areas designed for a specific use shall be used for the purposes approved by the Board. The use, maintenance and operation of the Common Elements shall not be obstructed, damaged or unreasonably interfered with by any Unit Owner, and shall be subject to any lease, concession or easement, presently in existence or entered into by the Board at some future time, affecting any part or all of said Common Elements.

Any such re-plat must comply with pertinent re-platting ordinances, statutes, regulations, and requirements.

(c) Walls, Fences and Hedges. All walls, fences or hedges shall be erected or maintained only as approved and directed by the Board.

(d) Parking. Unit owners will access the property by a shared use driveway. Parking space(s) will be designated as part of the limited common element reserved to the Unit owner. (k) Governmental Restrictions. Each Owner shall observe all governmental building codes, health regulations, zoning restrictions, and other regulations applicable to his Unit.

20. <u>Remedies.</u> In the event of any violation of the provisions of the Act, this Declaration, the Bylaws or the rules and regulations of the Board or Association by any Unit Owner (either by the Unit Owner's own conduct or by

the conduct of any other Occupant of such Owners Unit) the Association, or its successors or assigns, or the Board, or its agent, and any Unit Owner(s) shall have each and all of the rights and remedies which may be provided for in the Act, this Declaration, the Bylaws, or said rules and regulations, or which may be available at law or in equity, and may prosecute an action or other proceeding against such defaulting Unit Owner and/or others for enforcement of any lien and the appointment of a receiver for the Unit and ownership interest of such Unit Owner, for damages or injunction or specific performance, to have vehicles and/or other personal property parked or stored in violation of the Declaration or Rules and Regulations to be towed or removed from the property, or for judgment for payment of money and collection thereof, or the right to sell the Unit through judicial process as provided hereinbefore, or for any combination of remedies, or for any other relief. All expenses of the Association in connection with any such actions or proceedings, including court costs and attorneys' fees and other fees and expenses and all damages, liquidated or otherwise, together with interest thereon at the rate of ten (10%) percent per annum until paid, shall be charged to and assessed against such defaulting Unit Owner, and shall be added to and deemed part of such Owner's respective share of the common expenses, and the Board shall have a lien for all of the same, as well as for nonpayment of the Unit Owner's respective share of the common expenses, upon the Unit and ownership interest in the Association of such defaulting Unit Owner and upon all of such Owner's additions and Improvements thereto and upon all of such Owner's personal property in such Owners Unit or located elsewhere on the Property, provided, however, that such lien shall be subordinate to the lien of a recorded First Mortgage or First Deed of Trust on the interest of such Unit Owner, except for the amount of the proportionate share of said common expenses which become due and payable from and after the date on which the said mortgage or deed of trust owner or holder either takes possession of the Unit, accepts a conveyance of any interest therein (other than as a security) or files suit to foreclose its mortgage or Deed of Trust. In the event of any such default by any Unit Owner, the Board and the manager or Managing Agent, if so authorized by the Board, shall have the authority to correct such default, and to do whatever may be necessary for such purpose and all expenses in connection therewith shall be charged to and assessed against such defaulting Unit Owner. Any and all such rights and remedies may be exercised at any time and from time to time, cumulatively or otherwise, by the Board.

The violation of any restriction or condition or regulation adopted by the Board or the breach of any covenant or provision herein contained, shall give the Board the right, after 10 days' notice to the Unit owner in addition to any other rights provided for in this Declaration; (a) to enter (either peaceably or forcibly without liability to such Unit Owner for such entry) upon the Unit, or any portion of the Property upon which, or as to which such violation or breach exists and to summarily abate and remove, at the expense of the defaulting Unit Owner, any structure, thing or condition that may exist thereon contrary to the intent and meaning of the provisions hereof, and the Board, or its employees or agents, shall not thereby be deemed guilty in any manner of trespass; or (b) to enjoin, abate or remedy by appropriate legal proceedings, either at law or in equity, the continuance of any breach; or (c) to take possession (either peaceably or forcibly without liability to such Unit Owner for such entry) of such Unit Owner's interest in the Property and to maintain an action for possession of such Unit in the manner provided by law.

In addition to the other remedies provided for herein, in the event of a default by a Unit Owner in the payment of such Unit Owner's respective share of the common expenses which default continues for a period of ninety (90) days, the Board shall have the power and authority to place such Unit Owners name on a list of delinquent Unit Owners, which list may be posted at a place designated by the Board for notices.

21. <u>Amendments.</u> Except as to Developer rights and as specifically stated otherwise elsewhere herein, provisions of this Declaration may be changed, modified or rescinded by an instrument in writing, setting forth such change, modification or rescission, approved by Unit Owners owning not less than two-thirds (2/3) of the total Units, provided, however, all lien holders of record, where

rights may be affected, have been notified by certified mail of such change, modification or rescission, and an affidavit by the secretary of the Association certifying to such mailing is made a part of such instrument.

However, if the Act, the Declaration or the Bylaws require the consent or agreement of all Unit Owners or of all lien holders for any action specified in the Act or in this Declaration, then any instrument changing, modifying or rescinding any provision of this Declaration with respect to such action shall be approved by all Unit Owners or all lien holders or both as required by the Act or this Declaration. The change, modification or rescission, whether accomplished under the provisions of the preceding section, shall be effective upon recording of such instrument in the office of the Register of Deeds of Davidson County, Tennessee; provided, however, that no provision in this Declaration may be changed, modified or rescinded so as to conflict with the provisions of the Act.

Notwithstanding the above, the Developer shall have the right to make and record any necessary amendment to this instrument for the express purpose of completion of development or correction of clerical errors, or as may be required to obtain FHA/VA, FNMA, FHLMC or other desired approval for the horizontal property regime.

22. Notices. Notices provided for in the Act, Declaration or Bylaws shall be in writing, and shall be addressed if to a Unit Owner, to the address of such Owner's Unit, and if to the Association or Board, as the case may be, to the principal office, as set forth in the Charter of the Association or to such other address as may be designated by the Association or Board from time to time, or at such other address as may be hereinafter provided. The Association or Board may designate a different address or addresses for notices to them, respectively, by giving written notice of such change of address to all Unit Owners. Any Unit Owner may designate a different address for notices by giving written notice to the Association. Notices addressed as above shall be deemed delivered when mailed by United States registered or certified mail, or when delivered in person with written acknowledgment of the receipt thereof.

Upon written request to the Board, the holder of any recorded mortgage or Trust Deed encumbering any Unit shall be given a copy of all notices permitted or required by this Declaration to be given to the Owner or Owners who's Unit is subject to such mortgage or Trust Deed.

23. Severability. If any provision of the Declaration or Bylaws, or any section, sentence, clause, phrase, word, or the application thereof in any circumstance, is held invalid, the validity of the remainder of this Declaration and the Bylaws and of the application of any such provision, section, sentence, clause, phrase or word in any other circumstances shall not be affected thereby and the remainder of this Declaration or the Bylaws shall be construed as if such invalid part was never included therein.

24. Perpetuities and Restraints on Alienation. If any of the options, privileges, covenants or rights created by this Declaration shall be unlawful, void or voidable for violation of the rule against perpetuities, then such provision shall continue only until twenty-one (21) years after the death of the survivor of the now living descendants of the Governor of the State of Tennessee on the date of this Declaration.

25. Rights and Obligations. Each grantee of the Developer, by the acceptance of a deed of conveyance, accepts the same subject to all restrictions, conditions, covenants, reservations, liens and charges, and the jurisdiction, rights and powers created or reserved by this Declaration. All future Unit Owners and Occupants shall be subject to and shall comply with the provisions of this Declaration. All rights, benefits and privileges of every character hereby imposed shall be deemed and taken to be covenants running with the land and shall bind any person having at any time an interest or estate in said land and shall inure to the benefit of such grantee in like manner as though the provisions of this Declaration were recited and stipulated at length in each and every deed of conveyance or contract for conveyance.

All present and future Unit Owners, Tenants and Occupants of a Unit shall be subject to, and shall comply with, the provisions of the Bylaws and they may be amended from time to time. The acceptance of a Deed of conveyance, devise or of a lease to a Unit, or the entering into occupancy of any Unit shall constitute an agreement that the provisions of this Declaration, the Bylaws and any rules and regulations promulgated thereunder, as they may be amended from time to time, are assumed, accepted and ratified by such Unit Owner, Tenant or Occupant, and all of such provisions shall be deemed and taken to be covenants running with the land and shall bind any person having at any time any interest or estate in such Unit, as though such provisions were recited and stipulated at length in each and every deed, conveyance or lease thereof.

The terms and conditions of this Declaration, the Bylaws and the rules and regulations may be incorporated by reference in, and become part of, the agreement between any mortgagee and any present or future Unit Owner who enters into such an agreement with a mortgagee. When so incorporated, any default in the terms and conditions of the Declaration, Bylaws and rules and regulations may be considered as a default by the mortgagee, whereupon said mortgagee, after exercising its option to declare a default, shall then have all of the rights and privileges arising as a result of a default under its agreement with said Unit Owner.

26. Trustee as Unit Owner. In the event title to any Unit is conveyed to a land title holding trust, under the terms of which all powers of management, operation and control of the Unit remain vested in the trust beneficiary or beneficiaries, then the beneficiaries thereunder shall be considered Unit Owners for all purposes and they shall be responsible for payment of all obligations, liens, or indebtedness and for the performance of all agreements, covenants, and undertakings chargeable or created under this Declaration against such Unit. No claim shall be made against any such title holder trustee personally for payment of any lien or obligation hereunder created and the trustee shall not be obligated to sequester funds or trust property to apply in whole or in part against such lien or obligation. The amount of any such lien or obligation shall continue to be a charge or lien upon the Unit and the beneficiaries of such trust, notwithstanding any transfers of the beneficial interest of any such trust or any transfer of title to such Unit.

27. Condemnation. In the event of a taking in condemnation or by eminent domain of a part of the Common Elements, the award made for such taking shall be payable to the Board for and on behalf of the Association and all mortgagees affected. If a majority of the Board in their discretion, with written consent of a majority of the mortgagees affected, approve the repair and restoration of such Common Elements, the Board shall disburse the proceeds of such award to the contractors engaged in such repair and restoration in appropriate progress payments. In the event that the Board and the mortgagees do not approve the repair and commence restoration of such Common Elements within one hundred twenty (120) days after taking by the public or private authority, the Board shall disburse the net proceeds of such award on the basis of such Units percentage of ownership in the Association to the Unit Owners and the mortgagees as their Interests may appear.

(d) The Developer's reservation of right to unilaterally amend set out in Section 5.

(e) The right of the Association to grant such easements and rights-or-way to such utility companies or public agencies or authorities as it shall deem necessary for the proper servicing and maintenance of the Common Elements and the Units.
