A. Power to Administer Estate. My Independent Executor, with respect to my estate, in addition to other powers and authority granted by law or necessary or appropriate for proper administration, shall have the following rights, powers, and authority without order of court and without notice to anyone: to identify, gather, value, secure, manage and distribute assets, to maintain records, to settle and wind up business affairs, to pay just debts, to file necessary tax returns, to redirect mail, to cancel services, to establish trusts, and to carry out my wishes as set forth in this Will.

B. Independent Administration. My Independent Executor shall have the right to administer my estate using "informal", "unsupervised", or "independent" probate or equivalent legislation designed to operate without unnecessary intervention by the probate court.

ARTICLE VII

DIGITAL EXECUTOR POWERS

A. Digital Executor. My Digital Executor, in addition to other powers and authority granted by law or necessary or appropriate for proper administration, shall have the right and power to manage, distribute, and/or terminate my digital assets in accordance with the Letter of Instructions incorporated by reference into this Will, without order of court and without notice to anyone. The Digital Executor shall also:

1. *Standard of Care.* Manage, distribute, and/or terminate my digital assets, exercising the judgment and care, under the circumstances then prevailing, that persons of prudence, discretion and intelligence exercise in the management of their own affairs, not in regard to speculation but in regard to the permanent disposition of their digital assets, considering the probable safety of their digital assets.

2. *Employ Professional Assistance.* Employ and compensate counsel and other persons deemed necessary by the Digital Administrator for proper administration of my digital assets.

ARTICLE VIII

SPECIAL DIRECTIVES

I hereby state, that in addition to the directives and bequests as set forth in this Will, it is my desire and wish to include the following special directives and last wishes: As first choice, I would like to be buried in the Veteran's Cemetery, closest to or in Nashville, Tennessee, with my spouse, Mary Dean Stephens, upon her death.

If for a legal or governmental reason I cannot be buried per the above listed special directive, I would like to be buried in Pine Crest Memorial Gardens Cemetery in Columbia, Tennessee, with my spouse, Mary Dean Stephens. Six burial plots have been designated and paid for there by my parents, Linzie Stephens, Sr. and Annie Mai Stephens. Currently, only two of the plots are utilized, one by each of my parents, and the other four plots were designated to be used by myself and my other three siblings. One of the three of my siblings, Autry Gene Stephens, is deceased, however he is buried in a mausoleum in San Diego, California, therefore nullifying his use of his designated plot, which shall now be used for the burial of my spouse, Mary Dean Stephens, upon her death.

ARTICLE IX

MISCELLANEOUS PROVISIONS

A. Paragraph Titles and Gender. The titles given to the paragraphs of this Will are inserted for reference purposes only and are not to be considered as forming a part of this Will in interpreting its provisions. All words used in this Will in any gender shall extend to and include all genders, and any singular words shall include the plural expression, and vice versa, specifically including "child" and "children", when the context or facts so require, and any pronouns shall be taken to refer to the person or persons intended regardless of gender or number.

B. Thirty Day Survival Requirement. For the purposes of determining the appropriate distributions under this Will, no person shall be deemed to have survived me unless such person is also surviving on the thirtieth day after the date of my death.

C. Common Disaster. If my spouse and I die under circumstances such that there is no clear or convincing evidence as to the order of our deaths, or if it is difficult or impractical to determine which person survived the death of the other person, it shall, for the purpose of distribution of my life insurance, property passing under any trust or other contracts, if any, and property passing under this Will, be conclusively presumed that I predeceased my spouse, and notwithstanding any other provision of this Will, my spouse (or my spouse's estate as the case may be) shall receive the distribution to which my spouse would otherwise be entitled to receive without regard to a survivorship requirement, if any.

D. Liability of Fiduciary. No fiduciary who is a natural person shall, in the absence of fraudulent conduct or bad faith, be liable individually to any beneficiary of my estate, and my estate shall indemnify such natural person from any and all claims or expenses in connection with or arising out of that fiduciary's good faith actions or

nonactions of the fiduciary, except for such actions or nonactions which constitute fraudulent conduct or bad faith. No successor trustee shall be obliged to inquire into or be in any way accountable for the previous administration of the trust property.

E. Beneficiary Disputes. If any bequest requires that the bequest be distributed between or among two or more beneficiaries, the specific items of property comprising the respective shares shall be determined by such beneficiaries if they can agree, and if not, by my Independent Executor.

IN WITNESS WHEREOF, I have subscribed my name below, this 5 day of January, 2017.
