B. The amount so computed shall be held in Trust as set forth below. During such time, the Trustee shall pay or apply for my Wife's benefit, all of the net income from said Trust at quarterly or more frequent intervals. The Trustee may withdraw as much of the principal of the Trust as the Trustee deems necessary, or advisable for self support of my Wife. Additionally, the Trustee may withdraw so much of the principal as the Trustee deems necessary, or advisable for my Wife's support, maintenance, education, welfare and comfort, including reasonable luxuries, attendance at private educational institutions for which tuition must be paid, travel and for emergency needs, including illness, accidents, medical, and hospital and surgical expenses. No money shall be used for unnecessary luxuries or business investments.

ARTICLE V

Fiduciary Powers and Duties

My Executrix (hereinafter referred to as "fiduciary") shall have the following powers, duties, and discretion in addition to those now or hereafter conferred by law:

A. I incorporate by reference all the fiduciary powers contained in Tennessee Code Annotated § 35-50-110 as fully as is set out verbatim herein. These powers, as of the date of execution of this Will are granted, notwithstanding subsequent amendments or repeal of the statute at the time of my death.

B. Whenever my fiduciary is required to divide the estate or trust property into separate shares, or to make a distribution thereof, it is authorized in his/her sole discretion to make division or distribution wholly or partly in cash or kind, or assign undivided interests in any property or shares, and to make joint investment of funds belonging to my estate. The judgment of my fiduciary as to the values for such purposes shall be binding and conclusive on everyone.

C. When required to make a distribution or transfer of all or part of the assets of my estate, my Executrix may retain therefrom assets sufficient in his/her judgment to cover any liability which may then or later be imposed upon it, including, but not limited to, its liability for estate, income or other taxes, until such liability shall have been finally determined.

D. Whenever my Executrix shall have the right to elect (a) whether any item of expense connected with the administration of my estate shall be claimed as a deduction for federal income tax purposes or whether the same shall be claimed instead as a deduction for

EFILED 06/03/20 03:25 PM CASE NO. 20P703 Richard R. Rooker, Clerk

federal estate tax purposes, or (b) the value of my gross estate as of the date that causes larger death taxes to be payable than would have been payable if my Executrix had elected another date, I hereby authorize my Executrix to exercise any such right of election in any such manner as she may in her absolute discretion determine to be advisable, even though the manner in which any such election is exercised may result in an advantage or disadvantage to any beneficiary or beneficiaries hereunder. I further direct that no compensating adjustments between income and principal shall be required or made as a result of any such action.

E. Any successor fiduciary shall be clothed in and vested with all duties, rights and powers, whether discretionary or otherwise, as if originally named as such fiduciary. No successor fiduciary shall be liable or responsible in any way for any acts or defaults of any predecessor fiduciary, nor for any loss or expense from or occasioned by anything done or elected to be done by predecessor fiduciary, but such successor fiduciary shall be liable for his/her or its own acts or default in respect to property actually received by such successor fiduciary. The successor fiduciary may accept the accounts rendered and the assets and property delivered to such successor fiduciary by the predecessor fiduciary as a full and complete discharge to the predecessor fiduciary, and shall incur no liability by reason of so doing.

F. My fiduciary shall be charged with the duty of good faith and reasonable care in the management of the estate or trust, but shall not be responsible for losses, if any, resulting from honest mistakes of judgment.

G. My Executrix may begin making payment to the beneficiaries of my estate after beginning the administration of my estate and without waiting for the formal establishments of the trust created herein. My Executrix shall be given credit on its settlement for all disbursements made to the beneficiaries under the provisions of this power.

H. Any power granted to my fiduciary shall be void to the extent that its exercise shall cause my estate to lose all or any part of the tax benefit afforded by the marital deductions under Federal or State laws. In distributing assets to the beneficiaries hereof, my fiduciary is forbidden to use any basis for evaluation which, according to applicable law and regulations, would adversely affect the marital deduction status of the bequest for my Wife in Article III hereof, anything to the contrary in this Will notwithstanding.

I. If my fiduciary determines that any income or corpus shall be paid to a minor, or to a person under a legal disability, or to a person not adjudicated incompetent, but

EFILED 06/03/20 03:25 PM CASE NO. 20P703 Richard R. Rooker, Clerk

who, by reason of illness or mental or physical disability is, in the opinion of my fiduciary, unable properly to administer such funds, then such funds may be paid out by my fiduciary in any of the following ways it deems best: (1) directly to such beneficiary: (2) to the legally appointed guardian or conservator of such beneficiary; (3) by my fiduciary using such amounts directly for the benefit of such beneficiary; (4) to some relative or friend for the care, support, education and welfare of such beneficiary. The receipt of any such person shall discharge my fiduciary from any further responsibility with respect to any such funds. No recipient shall be required to furnish bond with respect to any such funds, nor make reports as to the disposition of the same.

J. My fiduciary is authorized to take the following actions in its sole and absolute discretion: to consent, as a shareholder, to any election by any corporation pursuant to the provisions of any federal or state tax statutes or regulations; to exercise such elections or options as may be available, as it may deem proper, in the preparation of submission of any federal or other estate or inheritance tax returns, or any income tax returns for myself, my estate or any trusts hereunder; and to impose such terms or conditions for the exercise of such consents, elections or options as it deems fit, and to determine in its sole discretion whether any person or persons shall be charged or otherwise compelled to account to any other person for any difference in estate of income or gift taxes resulting from the exercise of such authorities and powers, shall be required or made as a result of such action.

K. I leave to the discretion of the fiduciary hereunder the retention, continuance, sale, liquidations, or other disposition of any business or business interests, corporate or otherwise. The fiduciary is specifically empowered to take all steps which he may deem necessary or advisable in connection with any such business or business interests and is exempt from any liability for any loss whatsoever for its acts of decisions in good faith relative thereto. The fiduciary is authorized to loan or borrow money to or for such business or business interests or for any corporation representing the same and to vote the shares of stock in any such corporation in such manner as the fiduciary may deem advisable, including the power to select or vote for the appointment or election of persons as managers, officers, or employees of the fiduciary.

L. Pursuant to Tennessee Code Annotated § § 30-2-301 and 30-2-601, I excuse my Executrix from the requirement for making and filing an inventory and Court accounting of my probate estate but the Executrix shall do so on the request of any beneficiary under my Will.

ARTICLE VI

Spendthrift Provisions and Miscellaneous

A. As used herein, the neuter gender shall be deemed to include the feminine and masculine whenever necessary or appropriate and without distinction and the singular shall include the plural.

B. Presumption of Survivorship. Notwithstanding anything to the contrary contained in any statute or legal presumption, and unless otherwise provided in connection with any specific bequest contained in my Will, should my Wife and I die under such conditions that there is insufficient evidence to determine which of us died first, or that we died other than simultaneously, all of my property passing under my Will shall be disposed of as if my Wife had survived me.

ARTICLE VII

Not Mutual Wills

Although my Wife and I are executing our Wills at or about the same time, I desire to make it clear that there has been no contract between my Wife and me to make a mutual testamentary disposition of our property. It is my intention that, in the event my Wife survives me, she shall have full power and authority to execute a later Will or Wills, making such disposition of her estate as she may desire in her sole discretion, including any or all of the property passing to her under the provisions of this Will.
