LAST WILL AND TESTAMENT

OF

FRANCOIS TRAWALTER

I, FRANCOIS TRAWALTER, domiciled in the Town of Old Saybrook, County of Middlesex and State of Connecticut, being of lawful age and of sound and disposing mind, memory and judgment, do hereby make, publish and declare this to be my Last Will and Testament hereby revoking any and all previous Wills and Codicils made by me.

FIRST: DEBTS AND EXPENSES. I direct my Executor, hereinafter named, to pay from my estate as soon as reasonably convenient after my death, the expenses of my last illness and burial, all just claims and demands against my estate except those secured by a mortgage and all expenses of the settlement of my affairs.

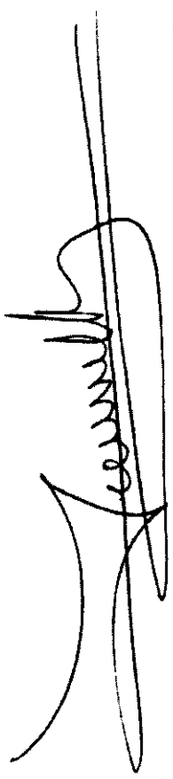

SECOND: TAXES. I hereby direct that any and all taxes known as inheritance, succession, transfer, legacy or estate taxes, or by any equivalent name, whether Federal or State, which shall become payable because of my death or by reason of any transfers made during my lifetime, or by reason of insurance on my life which shall be construed taxable, or by reason of jointly-owned property, whereby upon the death of one joint owner or co-owner, the survivor becomes entitled to the whole thereof, shall be paid out of the residue of my estate and be allowed as an item of expense of the administration thereof.

THIRD: PERSONAL PROPERTY. If my former wife, COLLEEN DELANEY, survives me, I give, devise and bequeath to her all household furniture and furnishings, jewelry, wearing apparel, automobiles and any other tangible personal property which I may own at the time of my death; but if she does not survive me, these items will pass into my residuary estate. Without imposing any legal obligation on her to do so, it is my hope that my former wife will make such distribution as will accord with any wishes I may have expressed to her in this regard during my life. I may leave a

memorandum expressing my wishes with respect to the disposition of certain articles of my tangible personal property. It is my hope and expectation that any wishes so expressed will be followed although I understand that no such memorandum will change the nature of this bequest, which is absolute. Should no such memorandum be located within a period of thirty (30) days after my demise, it shall be conclusively presumed that no such document exists.

FOURTH: REAL PROPERTY. I desire that, any and all interest that I may own at the time of my death in and to any real property held solely in my name at the time of my death to my former wife, COLLEEN DELANEY if she shall survive me. In the event that said real property shall be encumbered by mortgage or lien or shall be pledged to secure any obligation (whether the property or interest in property so encumbered or pledged shall be owned by me jointly or individually), it is my intention that such indebtedness shall not be charged to or paid from my estate but that my said former wife, COLLEEN DELANEY, shall take such property or interest in property subject to all encumbrances existing at the time of my death. In the event Colleen shall not survive me, this gift shall lapse and pass as part of the residue of my estate.

FIFTH: RESIDUARY ESTATE. I give, devise and bequeath all the rest, residue and remainder of my property, real and personal, of whatever nature and wherever situate to my former spouse, COLLEEN DELANEY. Should she not survive me, I give, bequeath and devise the rest, residue and remainder of my estate to my brother, Bertrand Trawalter and my sister, Valerie Trawalter, both currently living in France.

I HAVE PURPOSEFULLY OMITTED ANY MENTION OF MY FATHER, GILBERT TRAWALTER FROM THIS, MY LAST WILL AND TESTAMENT. I HAVE NO LOVING AND AFFECTIONATE FAMILY RELATIONSHIP WITH HIM AND DO NOT WANT ANY PORTION OF MY ESTATE PASSING TO HIM.

SIXTH: EXECUTOR. I hereby nominate and appoint my former wife, COLLEEN DELANEY, to be my Executrix of this, my Last Will and Testament. If she shall predecease me or for any reason shall fail to qualify or decline to serve as Executrix hereunder (or having qualified, shall die, resign or for any other reason be

unable to continue as Executrix), then in such event I nominate and appoint as alternate remaining Executrix my former mother in law, Kimberly Guyer, currently of Marlboro, Connecticut in the same manner and with the same powers.

I hereby direct that no bond or other security shall be required for the qualification, discharge and performance of the duties of any Executrix or successor Executrix named herein in the courts of this or any other state and any successor Executrix named herein shall have all powers and authority herein granted to my first-named Executrix.

SEVENTH: EXECUTORS' POWERS. I authorize my Executrix to sell, pledge, lease, mortgage, transfer, exchange, convert or otherwise dispose of, or grant options with respect to any and all property at any time forming a part of my estate in such a manner, at such time or times, for such prices and upon such terms, credits and conditions as my Executrix may deem advisable and to make any division or distribution of my property which may be necessary to carry the foregoing provision of this Will into effect, in addition to all powers under Connecticut General Statutes, Section 45a-234, all without court order.

EIGHTH: MISCELLANEOUS PROVISIONS.

A. The birth to me or legal adoption by me of a child or children subsequent to the execution hereof shall not operate to revoke this, my Last Will and Testament.

C. The underlined captions set forth in this Will at the beginning of the various articles are for convenience of reference only and shall not be deemed to define or limit the provisions contained in said articles or to affect, in any way, their construction or application.

NINTH: INTERPRETATION. In the event that any question arises at any time with regard to the interpretation of this Will or any part thereof, I authorize my Executrix to accept and act upon the written opinion as to such interpretation of the law office of LAUREN S. GISTER, 4 Water Street, Chester, Connecticut where this Will was drawn; or if no longer available for this purpose, of the attorney then acting for the fiduciary and in making the interpretation, I authorize and empower said attorney to consider any facts that come to her/his attention and seem to her/him to have a bearing upon the interpretation whether or not evidence of such facts would be admissible in the courts.
