The Association, acting through the Board or its agents, shall have the right to maintain a suit to foreclose any such lien, and there shall be added to the amount due the costs of said suit and other fees and expenses, together with legal interest and reasonable attorney's fees to be fixed by the court. Section 4. Discharge of Liens.

The Board may cause the Association to discharge any mechanic's lien or other encumbrances which in the opinion of the Board may constitute a lien against the property or the Common Elements, rather than a lien against only a particular Unit. When less than all the Unit Owners are responsible for the existence of any such lien, the Unit Owners responsible shall be jointly and severally liable for the amount necessary to discharge the same and for all costs and expenses, including attorney's fees, incurred by reason of such lien.

ARTICLE V

No Unit Owner shall display, hang, store or use any clothing, sheets, blankets, laundry, or other articles outside such Owner's Unit, or which may be visible from the outside of such Owner's Unit (other than draperies, curtains, or shades of a customary nature and appearance, subject to the rules and regulations of the Board), or paint or decorate or adorn the outside of such Owner's Unit, or install outside such Owner's Unit any canopy or awning, neon signs, or other equipment, fixtures or items of any kind unless the same shall be in keeping with the quality of the units as originally constructed. The foregoing restrictions as to use and occupancy shall not be construed to prohibit a Unit Owner from placing and maintaining outdoor furniture and decorative foliage of a customary nature and appearance on a patio or deck which is a Private Element. No owner of a Unit shall display, hang, store or use any signs or flags outside such Owner's Unit or which may be visible from the outside of such Owner's Unit (except for special events or sports flags for no longer than 48 hours at a time) without the prior written permission of the Board of the written permission of the Managing Agent, acting in accord with the Board's discretion. So long as Developer owns any Units, the Developer shall not require Board approval for signage it deems necessary for the marketing of the project.

No structure of a temporary character, trailer, motor home, boat, tent, shack, garage, barn, or other out-buildings shall be permitted on the Property at any time, temporarily or permanently, except with the prior written consent of the Board; provided, however, that temporary structures may be erected for use in connection with the repair or rebuilding of the Buildings or any portion thereof.

Section 2. Animals.

No animals shall be raised, bred, or kept in any Unit, except for dogs, household cats and small birds owned as household pets by a Unit Owner, provided that said pet is not kept for any commercial purpose, and provided that (a) said pet shall be kept in strict accordance with the administrative rules and regulations relating to household pets from time to time adopted or approved by the Board.

All dogs owned by Unit Owners and kept in a Unit shall be on leash or within the fenced area of a Unit's Limited Common Elements while outside the Unit. All such dogs shall be exercised by the Owner at places on the Property which do not interfere with the use and enjoyment of the same by other Owners.

Section 3. Trash.

Trash, garbage and other waste shall be kept only in sanitary containers, and shall be disposed of in a clean and sanitary manner as prescribed from time to time in rules and regulations of the Board.

Section 4. Use by Developer.

During the period of sale by the Developer of any Units, the Developer, and the Developer's agents, employees, contractors and subcontractors, and their respective agents and employees, shall be entitled to access, ingress to and egress from said Buildings and Property as may be required for purposes of said sale of Units. While the Developer owns any of the Units and until each unit sold by it is occupied by the purchasers, the Developer and its employees may use and show one or more of such unsold or unoccupied Units as a model Unit or Units and may use one or more of such unsold or unoccupied Units as a sales office, and may maintain customary signs in connection therewith.

Section 5. Storage.

Articles of personal property belonging to any Unit Owner, such as baby carriages, bicycles, wagons,

toys, furniture, clothing and other articles, shall not be stored in the front of the Units. Storage of boats, trailers, campers, and motor homes on the Property shall not be permitted, unless said items are not visible from the street or unless written permission is obtained by the Board or all other Unit Owners.

Section 6. Wiring.

No Unit Owner shall overload the electrical wiring in a Building, or operate any machines, appliances, accessories or equipment in such manner as to cause, in the judgment of the Board, an unreasonable disturbance to others.

Section 7. Architectural Control.

Any alteration and/or maintenance made by a Unit Owner to the exterior of his Unit shall be in conformity to the architectural design and scheme of the Unit as of the date of this instrument and shall be the same quality of the units as originally constructed. However, there shall be no alterations to the exterior of the units until all units are sold by the Developer.

Section 8. Patios.

All patios and decks shall be maintained by the owner to which area is assigned and shall be designated as a Private Element.

Section 9. Landscaping.
