ARTICLE V. COMMON EXPENSES AND ENFORCEMENT

1. **Common Expenses**. Each Unit Owner, other than the Declarant or a Builder, by acceptance of a deed therefore and commencing with the date of ownership of his Unit, is deemed to covenant and shall pay his equal share of the Common Expenses, which are to be assessed at least annually based upon a

budget adopted at least annually by the Board, as well as any Imposition or other duly levied charge of the Association. It shall be the duty of the Board, at least thirty (30) days but not more than one hundred twenty (120) days before the beginning of each fiscal year, to prepare a budget covering the estimated Common Expenses, Impositions, or other duly levied charge of the Association during the coming year. The budget may include a capital contribution establishing a reserve fund in accordance with a capital budget separately prepared. The assessments to be levied for the coming year against each Unit subject to assessment shall be in such amount as reasonably determined by the Board to cover the budgeted Common Expenses, Impositions, or other duly levied charge of the Association for the coming year. The Board shall cause a copy of the Common Expense budget and notice of the amount of assessment to be levied against each Unit for the following year to be delivered to each Unit Owner prior to the beginning of the fiscal year. Such budget and assessment shall become effective unless disapproved at a meeting of the Members by the vote of Members representing at least a majority of the total Class "A" votes in the Association, and by the Class "B" Member, if such exists. There shall be no obligation to call a meeting for the purpose of considering the budget except on petition of the Members representing at least a majority of the total vote in the Association and the written consent of the Class "B" Member, if such exists. Notwithstanding the foregoing, however, in the event the proposed budget is disapproved or the Board fails for any reason so to determine the budget for any year, then and until such time as a budget shall have been determined as provided herein, the budget in effect for the immediately preceding year shall continue for the current year.

No Unit Owner, other than the Declarant or a Builder shall be exempt from payment of his equal share of the Common Expenses, Impositions and other duly levied charges of the Association by waiver or non-use of enjoyment of the Common Elements or by abandonment of his Unit. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the Common Expenses, Impositions or other duly levied charges on a specified Unit have been paid. A properly executed certificate of the Association as to the status of the Common Expenses, Impositions or other duly levied charges on a Unit is binding upon the Association as of the date of its issuance.

2. Commencement and Allocation. The Board shall set the time and manner by which the Common Expenses, Impositions or other duly levied charges are paid. Written notice of the Common Expenses, any Imposition and other duly levied charges shall be sent to every Unit Owner subject thereto. Except as otherwise set by the Board, all such Common Expenses are payable in MONTHLY INSTALLMENTS due on the FIRST DAY of each MONTH and delinquent as of the TENTH DAY of the month. Any Impositions or other duly levied charges shall be due as provided on the notice related thereto and shall be deemed delinquent as of the TENTH DAY following the due date. Any delinquent Common Expense, Imposition or other duly levied charge shall be subject to a late payment fee of TEN PERCENT (10%) of the amount owed per annum until paid. The first Common Expenses, Impositions and other duly levied charge, if any, to be paid by a Purchaser shall be adjusted according to the number of months remaining in the calendar year. Declarant shall not be liable for the payment of assessments on its unsold Units. However, until the expiration of the Development Period, Declarant shall be obligated for the difference between the amount of assessments levied on all Units subject to assessment and the amount of actual expenditures required to operate the Association during the fiscal year, and any such payments by Declarant shall be considered a subsidy to the Association (a "Subsidy"). Any Subsidy may be treated, in the Declarant's discretion, as either (i) a voluntary contribution, or (ii) a loan from the Declarant to the Association. A Subsidy may be evidenced by one or more promissory notes from the Association in favor of the Declarant. With respect to Unit Pad(s), the Common Expenses, Impositions and other duly levied charges, if any, shall commence as to each Unit Pad(s) upon conveyance of such Unit Pad(s) by Declarant to a Purchaser except for Unit Pad(s) owned by a Builder. In addition, no assessments shall be levied on Units owned by any other Builder.

3. Special Assessments. In addition to the Common Expenses authorized herein, the Board may levy a Special Assessment or Special Assessments in addition to Common Expenses applicable to a particular year; provided, however, that such assessment shall have the affirmative vote or written consent of Unit

Owners representing at least fifty-one (51%) percent of the total votes of the Association and the written consent of the Class "B" Member, if such exists. In the event the Association incurs an unexpected expense, the Association may levy a special assessment without the affirmative vote or written consent of the Unit Owners representing at least fifty-one (51%) percent of the total votes of the Association and the written consent of the Class "B" Members, if such exists, for said expense, but only up to an amount equal to one half (1/2) of the annual Common Expenses. Special Assessments shall be payable in such manner and at such times as determined by the Board, and may be payable in installments extending beyond the fiscal year in which the Special Assessment is approved, if the Board so determines. Special Assessments shall be due and payable on the date which is fixed by the resolution authorizing such Special Assessment, and each Unit Owner shall be responsible for paying his equal share of the Special Assessment. Special Assessment shall be due as provided on the notice related thereto and shall be deemed delinquent as of the TENTH DAY following the due date. Any delinquent Special Assessment shall be subject to a late payment fee of TEN PERCENT (10%) of the amount owed per annum until paid.

The Board may also levy a Special Assessment against any Unit Owner, without the necessity of a vote of the Unit Owners, to reimburse the Association for costs incurred in bringing a Unit Owner and his or her Unit into compliance with the provisions of the Declaration, any amendments thereto, the Charter, the Bylaws, and the Association rules, which Special Assessment may be levied upon the vote of the Board after notice to the Unit Owner and an opportunity for a hearing.

4. **Working Capital Fund**. In conjunction with the acquisition of record title to any Unit by the purchaser thereof, other than the Declarant or a Builder, a contribution shall be made by or on behalf of the purchaser at the closing to the working capital of the Association, in an amount as determined in the Board's discretion, but in any event, shall not be greater than an amount that is equal to twice the Annual Assessment per Unit as determined by the Board for the year in which the respective closing occurs. Notwithstanding the foregoing, in conjunction with the acquisition of record title to any Unit by a Builder thereof, a contribution shall be made by or on behalf of the Builder at the closing to the working capital of the Association, in an amount agreed upon by Declarant and Builder pursuant to a separate purchase agreement in writing. The amounts paid to the working capital fund by each Unit Owner and Builder upon the closing of the sale of the Unit to such Unit Owner shall not be considered as advance payment of any Common Expenses, Impositions or other duly levied charges. The working capital fund shall be held and disbursed for the following purposes in the order of priority:

a. To fund costs of maintenance of the Common Elements and administration of the Association that cannot be defrayed by assessments.

b. To reimburse the Declarant for all amounts loaned by Declarant to the Association to fund any operating deficits.

c. To assure that the Association will have cash available to meet unforeseen expenditures or to acquire additional equipment or services deemed necessary or desirable by the Board.

5. **Unit Transfer Fee**. In conjunction with the acquisition of record title to a Unit by the purchaser thereof, other than the Declarant or any Builder, a reasonable contribution shall be made by or on behalf of the purchaser at the closing of the purchase of the Unit to the management company or Association, as applicable, to cover certain administrative costs related to establishing the new Unit Owner's account with the Association.

6. **Reserve Fund**. An adequate reserve fund for the maintenance, repair and replacement of items to be maintained, repaired or replaced by the Association pursuant to this Declaration and the By-Laws shall be established by the Board and funded by the Common Expenses.

7. **Use of Common Expenses**. The Board shall have the power and authority to levy Assessments and other Impositions against all Members:

a. To promote the recreation, health, safety and welfare of the Unit Owners.

b. To provide for the maintenance, cleaning, painting, repair, replacement of, and additions to the Common Elements.

c. To pay taxes, insurance premiums for hazard insurance pursuant to Article XV, Section 1 herein and insurance premiums for liability insurance protecting the Board, officers and the Declarant for any mistake of judgment or for any other acts or omissions of any nature whatsoever as such Declarant, Board member or officer, except for any acts or omissions found by a court to constitute gross negligence or actual fraud. Unit Owners and the Association shall indemnify and hold harmless the Declarant, the Board and the officers and their respective heirs, executors, administrators, successors and assigns.

d. To pay bills, if any, related to the management of the affairs and maintenance of the Association.

e. To pay the fees of any Management Agent that the Association may employ to manage the affairs of the Association.

f. To pay such other reasonable and necessary expenses of the Association required by or reasonably related to effectuating the rights, duties and responsibilities of the Association as provided by the Act, this Declaration or the By-Laws.

8. **Creation of Lien**. The Association shall have a lien on a Unit for any Common Expense assessment or Imposition, including fines imposed against the Unit Owner, and such lien may be foreclosed by judicial action and shall have priority as to all other liens and encumbrances on a Unit except (a) liens and encumbrances recorded before the recordation of the Declaration, (b) a first mortgage or deed of trust recorded before the date on which the Common Expense assessment or Imposition sought to be enforced became delinquent; and (c) liens for real estate taxes and other governmental assessments or charges against the Unit. The Recording of this Declaration constitutes record notice and perfection of the lien, and no further recordation of any claim of lien for Common Expense assessments or Impositions is required. The lien for unpaid Common Expense assessments or Impositions is extinguished unless proceedings to enforce the lien are instituted within SIX (6) years after the date the lien for same becomes effective (i.e. due and unpaid). Such lien shall bear interest at the Delinquency Interest Rate, together with any reasonable late charge established by the Board and all costs, including reasonable attorney's fees in the collection thereof or in the enforcement of the lien.

9. **Personal Obligation**. The Common Expenses and other Impositions, together with such interest, attorney's fees and costs shall also be the personal obligation of the Person who was the Unit Owner at the time same became due. Such personal obligation shall not pass to successors in title unless expressly assumed by them. The Association may bring an action at law against the Unit Owner personally obligated to pay same. If the lien is not paid prior to any sale or transfer of the encumbered Unit, then the lien shall remain against the Unit and shall be payable by the new Unit Owner thereof.

10. **Separate Real Estate Taxes.** Real estate taxes shall be separately taxed to each Unit Owner for his Unit and the Private Elements and Limited Common Elements appurtenant thereto. In the event that

such taxes for any year are not separately taxed to each Unit Owner, but rather are taxed on the Townhome Property as a whole, then each Unit Owner shall pay his equal share thereof.

11. Separate Utility Charges. Utility services for Units shall be separately metered, and all utility charges for the Units shall be assessed to and shall constitute the sole responsibility of the respective Unit Owners thereof. In the event that such utility charges are not separately metered and charged to each Unit Owner, but rather are charged on the Townhome Property as a whole, then each Unit Owner shall pay his equal share thereof.

ARTICLE VI. USE OF COMMON ELEMENTS

1. Common Elements. Each Unit Owner shall have the right and easement to use the Common Elements, except for Private Elements and Limited Common Elements, in common with all other Unit Owners and as may be required for the purposes of access, ingress, egress, use, occupancy and enjoyment of the Unit owned by such Unit Owner.

2. Private Elements. Each Unit Owner shall have the right to the exclusive ownership, use and possession of the Private Elements appurtenant to his Unit.

3. Limited Common Elements. Each Unit Owner shall have the sole and exclusive right and easement to the use, benefit, occupancy and enjoyment of the Limited Common Elements serving his Unit alone.

4. Delegation of Rights. Such rights to use the Common Elements, Private Elements and the Limited Common Elements shall extend not only to each Unit Owner but also to his family members, invitees, agents, representatives, tenants and licensees.

5. Declarant Use. During the Development Period, the Declarant and its agents, employees, contractors and subcontractors, and their respective agents and employees, shall be entitled to such access, ingress to and egress from the Units, their Private Elements and the Townhome Property as may be required for purposes of the construction and sale of Units. While the Declarant or Builder owns any Unit(s), the Declarant and Builder, and its employees and agents, may use and show any unsold or unoccupied Unit as a model Unit and may use such unoccupied Unit as a construction or sales office.

6. Limitation on Use. The rights to use the Units, Private Elements, Common Elements, Limited Common Elements, the Townhome Property or any portion thereof as provided for herein shall be subject to and governed by the provisions of the Act, this Declaration, By-Laws and Rules and Regulations adopted by the Board from time to time.

ARTICLE VII. ALTERATIONS AND IMPROVEMENTS

1. Common Elements. No Unit Owner shall make any alteration, addition or improvement to, or place any Improvement upon the Common Elements, or any portion thereof, without the prior written approval of the Declarant, during the Development Period, and thereafter, the Board. The Declarant, during the Development Period, and thereafter, the Board may authorize and charge as part of the Common Expenses any such alteration, addition or improvement.

2. Units, Private Elements and Limited Common Elements. Unit Owners shall be permitted to make any alteration, addition or improvement to the INTERIOR of his Unit without the prior written approval of the ARC for so long as such alteration, addition or improvement does not impair the structural integrity or mechanical systems thereof. However, such Unit Owner shall be responsible for any damage to

other Units, the Private Elements and Limited Common Elements appurtenant thereto, the Common Elements, the Townhome Property or any part thereof resulting from such alteration, addition or improvement. After the original construction of the Unit, any alteration, addition, improvement or maintenance made by a Unit Owner to the EXTERIOR of his Unit, its Private Elements and the Limited Common Elements attributable thereto: (a) shall be in strict conformity with the Architectural Guidelines and design of the Unit as originally constructed and shall be compatible with other improvements constructed on the Townhome Property as determined by the ARC in its sole discretion; and (b) shall not be constructed, placed, or maintained on the Townhome Property until the Plans and specifications therefor showing the nature, kind, shape, height, materials, color, location and any other information required by the ARC have been submitted to and approved in writing by the Declarant, during the Development Period, and thereafter, the ARC. Notwithstanding the foregoing, Unit Owners may not alter (increase or decrease) the size of the deck or patio of the Unit without the written approval by the Declarant, during the Development Period, and thereafter, the ARC.

3. **Limited Effect of Plan Approval.** The approval by the Declarant, during the Development Period, and thereafter, the ARC of a Unit Owner's Plans for the construction of an Improvement is not intended to be an approval of the structural stability, integrity or design of a completed improvement, the safety of any component therein, or the compliance thereof with DAVIDSON COUNTY regulatory requirements or any federal, state or local law, regulation or ordinance. This approval by the Declarant, during the Development Period, and thereafter, the ARC is required solely for the purpose of insuring compliance with the covenants contained herein and to insure the harmonious and orderly architectural and aesthetic development and improvement of the Townhome Property. Notice is hereby given to any future Unit Owner, occupant and all invitees and other persons who may from time to time enter such completed Improvement that no permission or approval granted by the Declarant, the Board, the ARC, or the Association with respect to the construction of any Improvement pursuant to this Declaration shall constitute or be construed as an approval of the structural stability, integrity or design of a completed Improvement, the safety of any component therein or the compliance thereof with DAVIDSON COUNTY regulatory requirements or any federal, state or local law, regulation or ordinance. As such, no liability shall accrue to the Declarant, the Board, the ARC, or to the Association in the event that any such construction shall subsequently prove to be defective or not in compliance with such requirements.

4. **Declarant / Association.** Improvements made and/or work performed by the Builder, Declarant or Association shall not be subject to the provisions of this Article. Notwithstanding anything to the contrary set forth elsewhere in this Declaration, Declarant and the Association shall not be responsible for the maintenance, repair and replacement of any construction, installation, alterations or additions not made in compliance with the provisions of this Article.

ARTICLE VIII. USE AND OCCUPANCY RESTRICTIONS

1. **General.** The following restrictions on the use and occupancy of the Townhome Property, or any part thereof, are made a part of this Declaration to which each Unit Owner shall be subject.

2. **Residential Unit**. Each Unit shall only be used for residential purposes and purposes incidental and necessary thereto consistent with this Declaration, and not otherwise. The foregoing restriction shall not, however, be construed in such a manner as to prohibit a Unit Owner from: (i) keeping his personal business or professional records or accounts; or (ii) handling his personal business or professional calls or correspondence from his Unit. Such uses are expressly declared customarily incident to the principal residential use and not in violation of said restriction. Further, the foregoing restriction shall not preclude real estate sales offices and construction trailers from being maintained on the Townhome Property by or on behalf of the Declarant or Builder for purposes of construction, development and sale of the Townhome Property and the Units located or to be located thereon.

3. **Unit Leasing**. Subject to Unit Owners complying with the terms of this Section, it is the specific intent of the Declarant and this Declaration to allow Unit Owners to rent their Units so long as the Units are leased for a term of at least one (1) year and no more than ten percent (10%) of the Units for which certificates of occupancy have been approved for lease by the Declarant, subject to Declarant's sole approval in accordance with applicable laws, during the Development Period, and thereafter, the Board of Directors. Single night or short-term rentals less than one (1) year are not permitted. Unit Owners desiring to lease their Unit must make application to the Declarant, during the Development Period, and thereafter, the Board of Directors for approval to the lease their Unit and provide the Association a copy of the proposed written lease. If no more than ten percent (10%) of the Units for which certificates of occupancy have been issued have been approved for lease by the Declarant, during the Development Period, and thereafter, the Board of Directors, the Declarant, during the Development Period, and thereafter, the Board of Directors shall grant the approval to lease the property so long as the lease complies with this Declaration. Any approval to lease a Unit is only valid for a period of six (6) months. If a Unit is not leased within six (6) months of the approval by the Declarant, during the Development Period, and thereafter, the Board of Directors, the approval shall terminate and the Unit Owner will have to re-apply for permission to lease if the Unit Owner still desires to lease the Unit. If more than ten percent (10%) of the Units for which certificates of occupancy have been issued have been approved by the Declarant, during the Development Period, and thereafter, the Board of Directors to be leased, the Declarant, during the Development Period, and thereafter, the Board of Directors may only approve additional leases in cases of hardship approved by the Declarant, during the Development Period, and thereafter, the Board of Directors in its sole discretion, such as loss of employment, relocation for employment, or illness. Once ten percent (10%) of the Units for which certificates of occupancy have been issued have been approved to be leased, the Declarant, during the Development Period, and thereafter, the Board of Directors shall maintain a waiting list for Unit Owners who desire to lease their Unit and the applications will be granted in chronological order. Unit Owners desiring to renew leases for an additional term must re-apply for permission to lease. Once leased, the Unit Owner must provide the Association with the tenant's contact name, cell phone number and email within thirty (30) days of execution of the lease. The Association may charge a fee not to exceed an amount equal to two (2) months of the Annual Assessments applicable to the Unit subject to the Lease to handle administration related to the lease. All tenants will be subject to the terms of this Declaration and rules of the Association. A Unit Owner is not permitted to lease their Unit unless the Unit Owner complies with the terms of this Section. The Association shall have the right to adopt additional rules and regulation regarding the approval of leases not inconsistent with the terms of this Section.

4. **Lot Ownership Restriction**. The Declarant intends and plans to develop a primarily owner-occupied community, and except for the Declarant and any Builder during the Development Period, no Person or Affiliate shall have an ownership interest in more than two (2) Units at any given time. As used in this Section 4, the term "Affiliate" means, with respect to any person or entity, any other person or entity that, directly or indirectly, controls, is controlled by or is under common control with a Unit Owner. For purposes of this definition, "control" means possessing the power to direct or cause the direction of the management of the entity, whether through the ownership of voting securities of the entity, by contract or otherwise.

5. **Good Condition and Order**. Each Unit Owner shall maintain his Unit and the Private Elements and Limited Common Elements appurtenant thereto in good condition and in good order and repair, at his own expense. Each Unit Owner shall not do or allow anything to be done or kept within his Unit, the Private Elements and Limited Common Elements appurtenant thereto or the Common Elements which may increase the cost or cause the cancellation of insurance on other Units, the Private Elements and Limited Common Elements appurtenant thereto or the Common Elements.

6. **Nuisances.** No unlawful, noxious or offensive activities shall be carried on or in any Unit, the Private Elements and Limited Common Elements appurtenant thereto; the Common Elements; or elsewhere within the Townhome Property. Nothing shall be done therein or thereon, which may be or may become a nuisance or which shall in the judgment of the Declarant, during the Development Period, and thereafter, the Board cause unreasonable noise and disturbance to others.

7. **Animals**. No animals, livestock or poultry of any kind shall be raised, bred or kept on or within the Townhome Property; except that dogs, cats or other household pets not to exceed a total of two (2) may be kept, provided they are confined to the Units, the Private Elements and Limited Common Elements appurtenant thereto. However, such dogs, cats or other household pets shall not be kept, bred or maintained for any commercial purposes, and they shall not be kept in such numbers as to become a nuisance to others. It is the responsibility of the pet owner to clean and dispose of any waste produced by the pet. Further, such dogs, cats or other household pets shall be kept in strict accordance with any Rules and Regulations relating to household pets from time to time may be adopted by the Association.

8. **Garbage Disposal**. The Townhome Property shall not be used or maintained as a dumping ground for rubbish. Trash, garbage or other waste shall not be kept except in sanitary containers and shall be disposed of in a clean and sanitary manner. Garbage shall be disposed of by the individual Unit Owner and said Unit Owner shall utilize the third party garbage and trash collection and disposal company provided by the Association, until such time as the Association determines to relinquish said responsibility. No garbage cans, trash containers, recycling bins nor any other such garbage receptacle shall be permitted in public view except for a twenty-four (24) hour period surrounding the designated date and time for pickup as set by the provider of said service and unless stored in structures approved by the Architectural Review Committee.

9. **Clotheslines and Lighting.** No clotheslines, clothes hanging devices or the like upon any Unit or its Private Elements shall be permitted. Outside lights at eaves and door entrances, flood lights and spotlights shall be permitted; provided, however, these lights must be adjusted so that the rays of any beam or floodlight shall not interfere with neighboring Units and their Private Elements. Exterior flashing lights or spot/flood lights on the exterior that shine on or into adjacent Units and their Private Elements shall be prohibited. Walkway, driveway or landscape lighting shall be of low intensity. Seasonal decorative lighting shall be permitted only during the holiday season. Any lighting inconsistent with these restrictions must be approved by Declarant, during Development Period, and thereafter, the Board.

10. **Codes.** Each Unit Owner shall observe all governmental building codes, health restrictions, zoning restrictions and other regulations applicable to his Unit and its Private Elements. In the event of any conflict between any provision of such governmental code, regulation or restriction and this Declaration, the more restrictive provision shall apply.

11. **Parking and Vehicles.** All vehicles must be parked in garages, driveways, or designated parking spaces located upon the Common Elements, or other areas authorized in writing by the Declarant, during the Development Period, and thereafter, the Board, and shall not be parked on any lawn, yard or private street, except for the designated parking spaces located upon the Common Elements. There may also be designated parking spaces located upon the Common Elements, which may be utilized for guest parking as well as special parking permits issued by the Declarant, during the Development Period, and thereafter, the Board. Parking upon any public streets or dedicated right-of-ways of the Townhome Property shall be in compliance with applicable laws, ordinances, codes, and regulations of Davidson County. The Declarant, during the Development Period, and thereafter, the Board may also adopt reasonable rules and regulations regarding parking within the Townhome Property, which shall be in compliance with this Section.

Garage doors shall remain closed at all times, except for necessary use, ingress, and egress. Each garage should be maintained in such a manner that parking for the maximum number of motor vehicles for which it was originally designed to hold is allowed and possible with the exception of a garage temporarily converted to a sales center by the Declarant or any Builder.

No vehicle that does not have a current license tag or is inoperable may be parked on or within the Townhome Property. In addition, no vehicle may be parked upon or within any portion of the Townhome Property for a period of thirty (30) consecutive days or more without being driven during said period, unless prior written permission has been obtained from the Declarant, during the Development Period, and thereafter, the Board of the Association. Boats, trailers, jet-skis and trailers for same, panel trucks, buses, trucks with a load capacity of one (1) ton or more, vans (excluding vans used by handicapped persons, mini-vans or sport utility vehicles used as passenger vehicles and receiving a "cars' or "passenger vehicle" classification by the Tennessee Department of Motor Vehicles), recreational vehicles (RVs and motor homes), vehicles used primarily for commercial purposes, and vehicles with commercial writings on their exteriors are also prohibited from being parked upon any portion of the Townhome Property, except in areas, if any, that may be designated by the Declarant, during the Development Period, and thereafter, the Board as parking areas for particular types of vehicles. Notwithstanding the foregoing, commercial motor vehicles may be parked or otherwise located upon the Townhome Property as follows: (i) any light-duty or medium-duty vehicle, as classified by the Federal Highway Administration and having a gross weight vehicle rating less than 16,000 lbs., with or without commercial writings and/or logos on the exterior of said vehicle, that is owned or operated by a Unit Owner or occupant, for use in such Person's employment or business ventures, may be parked in such Unit Owner's driveway or in the garage, if applicable; provided, however, that such vehicle shall not have an exterior rack, tools, or equipment attached to the vehicle, unless it is located in the garage at all times when parked on the Unit; (ii) commercial vehicles shall be allowed temporarily on a Unit or the Common Elements during normal business hours for the purpose of serving any Unit or the Common Elements; provided, however, no such vehicle shall remain on a Unit or the Common Elements overnight or for any purpose unless prior written consent of the Declarant, during the Development Period, and thereafter, the Board is first obtained; and (iii) all emergency response and local, state, and federal law enforcement vehicles may be parked on the Townhome Property so long as they are either owned by a Unit Owner or occupant or they are parked on the Townhome Property in furtherance of emergency response or law enforcement purposes.

If any vehicle is parked on any portion of the Townhome Property in violation of this subsection or in violation of the Association's rules and regulations, a Board member or other agent of the Association may place a notice on the vehicle specifying the nature of the violation and stating that after twenty-four (24) hours the vehicle may be towed or booted. The notice shall include the name and telephone number of the person or entity that will do the towing or booting and the name and telephone number of a person to contact regarding the alleged violation. If twenty-four (24) hours after such notice is placed on the vehicle the violation continues or thereafter occurs again within six (6) months of such notice, the Declarant, during the Development Period, and thereafter, the Board or other agent of the Association may have the vehicle towed or booted in accordance with the notice, without further notice to the Unit Owner or user of the vehicle. If a vehicle is parked in a fire lane or a space designated for handicapped parking, is blocking another vehicle or access to another parking space, is obstructing the flow of traffic, or otherwise creates a hazardous condition or is an obstruction to the safety or health of other persons on the Townhome Property, no notice shall be required and the Declarant, during the Development Period, and thereafter, the Board or agent of the Association may have the vehicle towed immediately. If a vehicle is towed or booted in accordance with this subsection or if a vehicle is seized or towed by any other Person that is not an employee or agent of the Association, then neither the Association nor any officer or agent of the Association shall be liable to any person for any claim of damage as a result of the seizure or towing activity. Also, the Association, and its officers or agents, shall not be liable for any vehicle that is stolen or otherwise unlawfully removed from property within the Townhome Property by a third party. Notwithstanding

anything to the contrary herein, the Declarant, during the Development Period, and thereafter, the Board may elect to impose fines or use other available sanctions under the rules and regulations or remedies at law or in equity, rather than exercise its authority to tow or boot.

12. Use of Common Elements. The Common Elements shall be used by Unit Owners and their family members, invitees, agents, representatives, tenants and licensees for such purposes incidental to the use of the Units, provided, however, areas designed for a specific use shall be used for the purposes so designated as approved by the Declarant, during the Development Period, and thereafter, the Board. The use, maintenance and operation of the Common Elements shall not be obstructed, damaged or unreasonably interfered with by any Unit Owner.

13. Personal Property. Articles of personal property belonging to any Unit Owner and their family members, invitees, agents, representatives, tenants and licensees, such as bicycles, wagons, toys, furniture, clothing and other articles shall be stored or kept in the Unit.

14. Additional Prohibited Activities. The Declarant, during the Development Period, and thereafter, the Board may from time to time reasonably prohibit certain activities on or within the Townhome Property and such prohibition shall be final and binding on all Unit Owners.

15. Binding Determination. In the event of any dispute or disagreement between any Unit Owners relating to the Townhome Property, the use, right to use or maintenance of any Common Elements, or any other questions of interpretation or application of the provisions of this Declaration or the By-Laws, the determination thereof by the Declarant, during the Development Period, and thereafter, the Board shall be final and binding on each and all such Unit Owners and Occupants.

16. Basketball Goals. Portable basketball hoops, permanent basketball hoops, backboards and poles shall not be permitted to be installed upon any Private Element within the Townhome Property, unless prior approval has been obtained from the Declarant, during the Development Period, and thereafter, the Board. Basketball hoops attached or affixed to the residence shall not be permitted upon any portion of the Townhome Property.

17. Guns. The discharge of firearms within the Townhome Property is prohibited. The term "firearms" includes "B-B" guns, pellet guns, and other firearms of all types.

18. Antennas and Satellite Dishes. All television antennas, satellite dishes, dishes which receive video programming services via multipoint distribution services and any other device used for the reception of television broadcast signals, direct broadcast satellite services or multi-channel multipoint distribution (wireless cable) services must be twenty-four (24) inches or less in diameter, must be located to the rear of the Unit or Private Element and not visible from the street (unless such location would preclude reception of an acceptable quality signal). Television antennas must be located to the rear of the roof ridgeline, cable or centerline of the principal dwelling. Freestanding antennas must be attached to and located behind the rear wall of the main residential structure. No antenna may be erected on a wooden pole. Any deviation from this policy must be approved in advance by the Declarant, during the Development Period, and thereafter, Board of Directors. To the extent that any of the foregoing provisions of this Declaration or provisions of the rules and regulations adopted by the Declarant, during the Development Period, and thereafter, the Board with respect to satellite dishes and antennas is not permitted under the Federal Communications Commission ("FCC") rules and regulations, the remaining portion of this Section 17 shall survive independently to the extent permissible under the FCC rules and regulations.

19. Playground Equipment. No playground equipment shall be allowed to be erected or located upon any Common Element or Private Element within the Townhome Property.

20. **Artificial Vegetation; Yard and/or Outdoor Decorations.** No artificial vegetation shall be permitted on the exterior of any portion of the Townhome Property. No decorative appurtenances, including, but not limited to, sculptures, birdhouses, birdbaths, fountains or other similar decorative embellishments shall be placed on or in any front yard or on any part of the Private Element visible from any street, unless the placement and design of such embellishments has been approved by the Declarant, during the Development Period, and thereafter, the Board.

21. **Window Treatments.** Any drapes or window treatments in any Unit which can be seen from the exterior of a Unit shall be lined or backed with material which is white, off-white or neutral so that no other color other than these hereinabove set out can be seen on the window treatment from the exterior, except as may be approved by the Architectural Review Committee.

22. **Signs.** No sign of any kind shall be erected or placed within the Townhome Property without the written consent of the Declarant, during the Development Period, and thereafter, the Board of Directors, except (i) that a Unit Owner may place one (1) sign on such Unit Owner's Unit Pad advertising the sale thereof; (ii) for political or campaign posters or signs as permitted pursuant to under the "Tennessee Freedom of Speech Act of 2017" as codified under Tenn. Code Ann. § 2-7-143, as may be subsequently amended, or any other applicable federal, state, or local laws; and (iii) as otherwise permitted with respect to Declarant and Builder. Notwithstanding the foregoing, the Declarant, during the Development Period, and thereafter, the Board of Directors shall have the right to erect signs as it, in its sole discretion, deems appropriate.

ARTICLE IX. MAINTENANCE

1. **Common Elements**. Except as otherwise provided herein, maintenance of, repairs to and replacements within the Common Elements shall be the responsibility of and shall be furnished by the Association, the cost of which shall be part of the Common Expenses assessed to and paid by all Unit Owners.

2. **Units, Private Elements and Limited Common Elements**. Each Unit Owner, at his own expense, shall furnish and be responsible for all maintenance of, repairs to and replacements within his Unit as well as to the Private Elements and Limited Common Elements appurtenant to his Unit. If any Unit Owner fails to maintain, repair or replace any items required herein to be maintained, repaired or replaced by said Unit Owner, then the Association shall have the right, but not the duty, in its sole discretion, to carry out such maintenance, repair or replacement, the cost of which shall be added to and become a part of the Common Expense attributable to such Unit.

3. **Unit Owner Responsibility for Damage**. If the negligent act or inaction of a Unit Owner or of his family members, invitees, agents, representatives, tenants, licensees or household pet causes damage to or necessitates the maintenance, repair or replacements of the Common Elements, which would otherwise be a part of the Common Expenses, then such Unit Owner shall pay for such damage or such maintenance, repair and replacement, as may be determined by the Declarant, during the Development Period, and thereafter, the Board, to the extent not covered by the Association's insurance. If the act or inaction of a Unit Owner or of his family members, invitees, agents, representatives, tenants or licensees that causes damage to or necessitates the maintenance, repair or replacements of Common Elements is intentional, reckless or grossly negligent, then such Unit Owner shall pay for such damage or maintenance, repair and replacement as may be determined by the Declarant, during the Development Period, and thereafter, the Board irrespective of the extent of the Association's insurance coverage.

4. **Decorations and Cleaning.** Each Unit Owner, at his own expense, shall furnish and be responsible for all decorating and routine cleaning and maintenance within his Unit, as may be required from time to

time, including painting, wallpapering, washing, cleaning, paneling, carpeting, floor covering, draperies, window shades and curtains, lighting/plumbing fixtures and other furnishings/decorating. Each Unit Owner shall be entitled to the exclusive use of the interior surfaces of the perimeter walls, floors and ceilings of his Unit, and such Unit Owner shall maintain said interior surfaces in good condition at his sole expense. Said maintenance and use of interior surfaces shall be subject to the Rules and Regulations of the Association, but each Unit Owner shall have the right, at his sole expense, to decorate such interior surfaces from time to time as he may see fit. All windows, doors and screens, including storm windows and doors, forming part of a perimeter wall of a Unit shall be cleaned and washed, and any damage thereto repaired, at the expense of the Unit Owner of that Unit.

5. Chart of Maintenance Responsibilities. Specific maintenance responsibilities and the costs attributable thereto shall be more particularly described pursuant to the Chart of Maintenance Responsibilities attached as Exhibit "E" hereto.

ARTICLE X. REMEDIES AND ENFORCEMENT

1. General. In the event of any violation of the provisions of the Act, this Declaration, the By-Laws and/or the Rules and Regulations of the Association by any Unit Owner by his own conduct or by the conduct of any family member, invitee, agent, representative, tenant or licensee, the Association, its successors or assigns, any Unit Owner aggrieved thereby and the Declarant shall have each and all of the rights and remedies which may be provided for in this Declaration, the By-Laws, the Rules and Regulations and any right that may be available at law or in equity. The Association, its successors or assigns, and the Declarant may prosecute an action or other proceeding against such defaulting Unit Owner and/or others for the enforcement of any right or remedy; the enforcement of any lien; for damages, injunction or specific performance; for judgment for payment of money and collection thereof; for any combination of remedies; or for any other relief available and appropriate. Any action in tort or contract alleging wrongdoing by the Association must be brought against the Association and not against any Unit Owner.

2. Violation and Non-compliance Fines. In the event of any violation of the provisions of the Act, this Declaration, the By-Laws or the Rules and Regulations of the Association by any Unit Owner or any family member, invitee, agent, representative, tenant or licensee of his Unit, the Declarant, during the Development Period, and thereafter, the Board or an authorized agent thereof shall give written notice to the Unit Owner of such non-compliance and the basis therefor. If the violation or non-compliance is not brought into compliance or a satisfactory resolution is presented in writing by the Unit Owner and accepted by the Declarant, during the Development Period, and thereafter, the Board within TEN (10) business days of the delivery of this written notice, then the Declarant, during the Development Period, and thereafter, the Board shall be authorized: (a) to assess reasonable fines related to the violation and/or non-compliance; and/or (b) to make the necessary corrections or to take necessary action to achieve compliance at the Unit Owner's expense. In the event of multiple or continuing violations, fines may be assessed against the Unit Owner without further notice or opportunity to cure, and the Declarant, during the Development Period, and thereafter, the Board may make the necessary corrections or to take necessary action to achieve compliance at the Unit Owner's expense.

3. Enforcement Costs. All expenses of the Association and the Declarant in connection with any such actions or proceedings, including court costs and reasonable attorney's fees and other fees and expenses and all damages, liquidated or otherwise, together with interest thereon at the Delinquency Interest Rate or such other uniform lawful rate as the Declarant, during the Development Period, and thereafter, the Board shall determine, until paid, shall be charged to, assessed against and paid by such defaulting Unit Owner. All such expenses of the Association, if not paid, shall be added to and deemed part of the Unit Owner's respective share of the Common Expenses, and the Association shall have a lien on the Unit and the Private Elements and Limited Common Elements appurtenant thereto.

4. **No Waiver.** The failure by the Declarant, the Board or any Unit Owner to enforce any covenant, restriction or Rule and Regulation provided in this Declaration, the By-Laws or the Act shall in no event be deemed a waiver of the right to do so thereafter.

ARTICLE XI. DECLARANT AND DEVELOPMENT RIGHTS

1. **General.** In addition to all other rights reserved by or otherwise provided in favor of the Declarant in this Declaration, as may be amended from time to time, and the Act, the Declarant during the Development Period, shall have the following rights:

a. To complete Improvements indicated on Plats and Plans filed with this Declaration, as may be amended from time to time.

b. To add real property to the Townhome Property subjecting same to the Townhome Planned Unit Development created hereby, or to withdraw real property from the Townhome Property removing same from this Townhome Planned Unit Development and the covenants, restrictions and conditions created hereby.

c. To create, add, withdraw, modify, alter or redefine Units or Common Elements comprising the Townhome Planned Unit Development; to subdivide Units or convert Units into Common Elements; and to allocate Limited Common Elements to specific Units.

d. To make the Townhome Planned Unit Development part of a larger planned community or to make the Townhome Planned Unit Development subject to any other master association.

e. To grant licenses to Persons who are not Unit Owners to use portions of the Common Elements, subject to an obligation to pay an equitable share of the Common Expenses attributable to such licensed Common Elements.

f. To maintain sales and carry on upon portions of the Townhome Property, including any Unit, such facilities and activities as, in the sole opinion of Declarant, may be reasonably required, convenient, or incidental to the construction or sale of such Units, including, but not limited to, business offices, signs, model homes, and sales offices or trailers, and the Declarant and any Builders shall have an easement for access to such facilities. The right to maintain and carry on such facilities and activities shall include specifically the right of Declarant to use designated portions of the Common Elements and Units owned by the Declarant and the right of any Builder to use Units owned by such Builder as models and sales offices or trailers, respectively.

Any or all of the special rights and obligations of the Declarant set forth in this Declaration or its Bylaws may be transferred or assigned in whole or in part to any other Person, provided that the transfer shall not reduce an obligation nor enlarge a right beyond that contained herein, and provided further, no such transfer shall be effective unless it is in a written instrument signed by the Declarant and duly recorded in the Register's Office of Davidson County, Tennessee.

No Person shall (1) institute legal or equitable proceedings involving the alleged defective design or construction of any Unit, structure, infrastructure, or other improvements within the Townhome Property or (2) retain an expert for the purpose of inspecting the design or construction of any Unit, structure, infrastructure, or other improvements within the Townhome Property in connection with or in anticipation of any potential or pending claim, demand, or litigation involving such design or construction, unless Declarant and the respective Builder of said Unit have been first notified in writing and given an opportunity

to meet with the Unit Owner to discuss the Unit Owner's concerns and conduct their own inspection(s). Declarant and the respective Builder(s) reserve the right for themselves and others designated to inspect, monitor, test, redesign and correct any Unit, improvement or condition which may exist on any portion of the Townhome Property, including the Units and Common Elements, and a perpetual easement of access through the Townhome Property for such purposes. No entry into a Unit shall be permitted without the express consent of the Unit Owner. Any Person exercising this right shall promptly repair, at such Person's expense, any damage resulting from the exercise thereof.

So long as Declarant continues to have rights under this Section, no Person shall record any declaration of covenants, conditions and restrictions, or similar instrument affecting any portion of the Townhome Property without Declarant's review and written consent thereto, and any attempted recordation without compliance herewith shall result in such declaration of covenants, conditions and restrictions, or similar instrument being void and of no force and effect unless subsequently approved by recorded consent signed by the Declarant.

2. Rights Reserved. In addition to any rights reserved elsewhere in this Declaration, the right and easement of use and enjoyment of the Common Elements provided for by this Declaration shall be subject to:

a. The right of the Declarant and thereafter the Association to suspend the use and enjoyment rights of any Unit Owner for any period during which any Common Expense, Imposition or other duly levied charge remains unpaid and for such period of time as it considers appropriate for any infraction of the Associations published Rules and Regulations.

b. The right of the Declarant and thereafter the Association to charge reasonable fees for the use of any part or parts of the Common Elements or other amenity owned by the Association or otherwise available for use by the Unit Owners.

c. The right of the Declarant and thereafter the Association, at its sole expense, to construct, expand, enlarge or relocate sewers, utility lines or service connections in order to serve the existing Units.

d. The right of the Declarant and thereafter the Association to grant such easements and rights-of-way to such utility companies or public agencies or authorities as it shall deem necessary for the proper servicing and maintenance of the Common Elements and Units.

e. The right of the Declarant and thereafter the Association to subject the Townhome Property to such cross easements for ingress, egress, access and utilities as may be necessary or as may be required by appropriate governmental agency/authority to serve the Townhome Property and Units.

3. Builder's Rights. In addition to all other rights reserved by or otherwise provided in favor of the Builder in this Declaration, as may be amended from time to time, and the Act, the Builder shall have the following rights:

a. To complete Improvements indicated on Plats and Plans filed with this Declaration, as may be amended from time to time.

b. To maintain sales or management offices, models and signs advertising the development on the Townhome Property.

4. **Amendment.** This Article may not be amended, and the rights contained herein may not be terminated, waived, or released, without the express written consent of the Declarant and any Builder, as long as such Builder(s) owns any Units within the Townhome Property with such consent in writing to be recorded in the Register's Office of Davidson County, Tennessee.

ARTICLE XII. RIGHTS AND OBLIGATIONS

1. **General.** Each grantee of a Unit, by the acceptance of a deed of conveyance, accepts the same subject to all restrictions, conditions, covenants, reservations, liens and charges and subject to the jurisdiction, rights and powers created or reserved by this Declaration and the By-Laws. All present and future Unit Owners shall be subject to and shall comply with the provisions of this Declaration and the By-Laws. All restrictions, conditions, covenants, liens, reservations, charges, rights, benefits and privileges hereby imposed: (a) shall be deemed and taken to be covenants running with the land; (b) shall bind any Person having at any time any interest or estate in said land; and (c) shall be binding upon and inure to the benefit of such Person in like manner as though the provisions of this Declaration were recited and stipulated at length in each and every deed of conveyance or contract for conveyance.

2. **By-Laws.** All present and future Unit Owners of a Unit shall be subject to and shall comply with the provisions of the By-Laws attached hereto and recorded herewith, as they may be amended from time to time. The acceptance of a deed of conveyance or devise or the entering into occupancy of any Unit shall constitute an agreement that the provisions of the By- laws and any Rules and Regulations, as may be amended from time to time, are assumed, accepted and ratified by such Unit Owner. All such provisions shall be deemed and taken to be covenants running with the land and shall bind any person having at any time any interest or estate in such Unit, as though such provisions were recited and stipulated at length in each and every deed, conveyance or lease thereof.

3. **Mortgagee.** The terms and conditions of this Declaration, the By-laws and the Rules and Regulations of the Association may be incorporated by reference in and become part of the agreement between any Mortgagee of a Unit and any present or future Unit Owner who enters into such an agreement with a Mortgagee of his Unit. When so incorporated, any default in the terms and conditions of this Declaration, the By-Laws and the Rules and Regulations may be considered by the Mortgagee of a Unit as a default, whereupon said Mortgagee after exercising its option to declare a default shall then have all of the rights and privileges arising as a result of a default under its agreement with said Unit Owner.

ARTICLE XIII. MORTGAGEE RIGHTS AND PROTECTIONS

1. **Actions Requiring Mortgagee Approval.** Except as otherwise provided in the Act, without the prior written consent at least FIFTY-ONE PERCENT (51%) of all recorded first Mortgagees of Units or beneficiaries thereunder (based upon one vote for each Unit upon which a Mortgage is owned), who have requested such notice, the Association shall not be entitled to:

a. By act or omission, seek to abandon or terminate the Townhome Planned Unit Development established hereby or to seek to abandon or terminate the restrictions herein.

b. Change the formula for determining each Unit's Common Expense Liability or allocating distributions of hazard insurance proceeds or condemnation awards.

c. By act or omission, seek to abandon, partition, subdivide, encumber, sell or transfer the Common Elements; provided that, the granting of easements for public utilities or for other public purposes consistent with the intended use of the Common Elements by the Townhome Property shall not be deemed to transfer within the meaning of this clause.

d. Use hazard insurance proceeds for losses to any Common Element for other than the repair, replacement or reconstruction of such Improvements, except as provided by statute

2. **Voting Rights.** In addition to the required Votes of the Unit Owners necessary to approve a proposed amendment as set forth in this Declaration, unless a higher percentage Vote is required elsewhere in this Declaration or by the Act, written consent of at least FIFTY-ONE PERCENT (51%) of all recorded first Mortgagees of Units or the beneficiaries thereunder (based upon one vote for each Unit upon which a Mortgage is owned), who have requested such notice, shall be required to approve any amendment to this Declaration or the By-Laws which would materially affect or change:

a. A Unit Owners' voting rights, rights to use Common Elements or the right to sell or transfer a Unit

b. The method of assessment of Common Expenses or the priority of the lien of the Association for unpaid Common Expenses, Impositions or other duly levied charges.

c. The boundaries of a Unit or the method of determining when property will be reconstructed or repaired in the event of partial destruction or the conversion of a Unit to Common Elements or vice versa.

d. Any provision of this Declaration which expressly benefits any Mortgagee, insurer or guarantor.

3. **Insurance Policy.** Mortgagees shall have the right, upon written request, to receive notice from the Association of any lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Association.

4. **Condemnation and Casualty Loss.** Mortgagees shall be entitled to timely written notice of any condemnation or casualty loss that affects either a material portion of the Common Elements or the Unit securing the Mortgagee's Mortgage, and no Unit Owner or any other party shall have priority over any rights of Mortgagees in the case of a distribution to Unit Owners of insurance proceeds or condemnation awards related to Units and/or Common Elements.

5. **Mortgagee Consent**. Mortgagees shall also have the right, upon written request, to receive written notice from the Association of any proposed action that requires the consent of a specified percentage of Mortgagees.

6. **Mortgagor Default.** Mortgagees, upon written request, shall be notified by the Association in writing of any default by the mortgagor of a Unit in the performance of such mortgagor's obligations under the Townhome Property documents which is not cured within SIXTY (60) days from the date of such default.

7. **Unit Disposition.** This Horizontal Property Declaration, the By-Laws or any other constituent documents of the Townhome Property shall not impair the rights of any Mortgagee to: (a) foreclose or take title to a Unit pursuant to remedies provided in the Mortgage; (b) accept a deed (or assignment) in lieu of foreclosure in the event of default by a mortgagor; or (c) sell a Unit acquired by the Mortgagee.

8. **Reserve Fund.** Common Expenses shall include an adequate reserve fund for maintenance, repair and replacement of those Common Elements, if any, that must be replaced on a periodic basis and shall be payable in regular installments rather than by Special Assessments.

9. **General Notice.** Mortgagees shall request notice of the matters set forth herein by making written request to the Association upon becoming a Mortgagee hereunder and requesting that the name and address of such Mortgagee and the Unit so encumbered be identified by the records of the Association to be established and maintained pursuant to the By-laws. Any notice requesting approval of any Mortgagee as required herein shall advise said Mortgagee that failure to respond within SIXTY (60) days of said notice shall be deemed to be approval by said Mortgagee of the matter for which approval is being sought.

ARTICLE XIV. EASEMENTS AND ENCROACHMENTS

1. **Common Elements.** Each Unit Owner shall have a perpetual and non-exclusive easement for ingress and egress to his Unit and in, upon, over, under, across and through the Common Elements.

2. **Public and Private Utilities.** Easements for installation and maintenance of public and private utilities and drainage facilities are reserved as shown on the Site Plan and as otherwise shown by the public records. A blanket, perpetual and non-exclusive easement in, upon, over, under, across and through the Common Elements, including over, under and across the Private Elements and Limited Common Elements, for the purpose of the installation, maintenance, repair, service and replacement of all sewer, water, stormwater drainage, power, telephone, cable television systems pipes, lines, mains, conduits, poles or transformers as well as any and all other equipment or machinery necessary or incidental to the proper functioning of any utilities systems servicing the Townhome Property is hereby reserved, which easement shall be for the benefit of the Declarant, the Association and any governmental agency, utility company or other entity (public or private) which requires same for the purpose of furnishing one or more of the foregoing services.

3. **Declarant.** During the Development Period, an easement is reserved to Declarant in, upon, over, under, across and through the Common Elements, including the Private Elements and the Limited Common Elements, in order to maintain such facilities and perform such operations as in the sole opinion of the Declarant may be reasonably required, convenient or incidental to the construction and maintenance of the Units, the Private Elements, the Limited Common Elements and the Common Elements, including, without limitation, a business or sales office, storage area, construction yards and signs.

4. **Encroachment.** If any portions of the Common Elements, including the Limited Common Elements, shall actually encroach upon any Unit or its Private Elements, or if any Unit or its Private Elements shall actually encroach upon any portions of the Common Elements as shown on the Site Plan due to engineering errors, errors in original construction, settlement or shifting of a Building or any similar cause, there shall be deemed to be mutual easements in favor of the respective Unit Owners involved to the extent of such encroachments so long as same exists; provided, however, in no event shall an easement for encroachment be created in favor of a Unit Owner, if said encroachment occurred due to the willful act of said Unit Owner.

5. **Association.** A blanket, perpetual and non-exclusive easement of unobstructed ingress and egress in, upon, over, across and through the Common Elements, including the Private Elements and the Limited Common Elements, is hereby reserved to the Association, the Board, Managing Agent or their respective agents or employees for the purpose of maintaining, repairing, and replacing the Common Elements, the Limited Common Elements or any equipment, facilities or fixtures affecting or servicing or the Common Elements as well as to remedy any violations of the provisions of this Declaration, the By-Laws or any Rule and Regulation of the Association; provided that requests for entry are made in advance and that any such entry is at a time reasonably convenient to the Unit Owner. In the case of an emergency or the Unit Owner's uncooperative or untimely response to such request, the right of entry shall be immediate, whether the Unit Owner is present at the time or not.

6. **Federal, State and Local Entity.** An easement is hereby established for the benefit of any applicable federal, state or local entity over all portions of the Townhome Property for the setting, removing and reading of water meters; for maintaining and replacing water, sewage and drainage facilities; for police protection, firefighting and garbage collection; and the rendering of such other services as are appropriate and necessary for the use and enjoyment of the Townhome Property. In no case shall any such entity be responsible for failing to provide any such emergency or regular fire, police or other public service to the Townhome Property or to any of its occupants, when such failure is due to the lack of access to such area as a result of inadequate design or construction, blocking of access routes, or any other factors within the control of the Declarant, the Association or any Unit Owner.

7. **Entrance Signage and Landscaping Easement.** The Declarant reserves the right to build the entrance signage and landscaping at the entrance(s) for the Townhome Property, together with any utility or water lines serving the entrance features. Once constructed, the entrance sign and landscaping and utility or water lines shall become the property of the Association, together with the sole liability for maintenance, repair and replacement thereof. The Declarant reserves all rights of ingress and egress onto said Common Elements as may be necessary to construct said entrance signage. Additionally, the Association shall have an easement over any portion of a Unit on which any entrance feature, including, but not limited to, the Townhome Property sign and landscaping are located, including utility and waterlines across the Unit to the entrance features.

ARTICLE XV. INSURANCE AND CASAULTY LOSSES

1. **Insurance.** The Association's Board of Directors, or its duly authorized agent, shall have the authority to and shall obtain blanket all-risk insurance, if reasonably available, for all insurable improvements on the Common Elements. If blanket all-risk coverage is not reasonably available, then at a minimum an insurance policy providing fire and extended coverage shall be obtained, including coverage for vandalism and malicious mischief. Insurance shall be in an amount sufficient to cover one hundred (100%) percent of the replacement cost of any repair or reconstruction of said improvements in the event of damage or destruction from any insured hazard.

In addition to casualty insurance on the Common Elements, the Association shall, as a Common Expense, obtain and continue in effect adequate blanket all-risk casualty insurance, if reasonably available, and if not reasonably available, fire and extended coverage, in such form as the Board of Directors deems appropriate for one hundred (100%) percent of the replacement cost of the Units, excluding the replacement of any fixtures, cabinets, appliances, flooring, or other interior finishes inside of the sheetrock and subflooring or personal property of the Unit Owners, or their tenants, guests, and invitees located within said Units.

The Board shall also obtain a public liability policy covering the Common Elements, the Association and its Members for all damage or injury caused by the negligence of the Association or any of its Members or agents. The public liability policy shall have at least a One Million ($1,000,000.00) Dollar single person limit as respects bodily injury and property damage, a Two Million ($2,000,000.00) Dollar limit per occurrence, if reasonably available, and a Five Hundred Thousand ($500,000.00) Dollar minimum property damage limit. Furthermore, the Association shall obtain workers compensation insurance and employer's liability insurance if and to the extent required by law, with fidelity insurance covering all Persons responsible for handling Association funds.

Premiums for all insurance shall be Common Expenses of the Association and shall be included in the Annual Assessment, as defined in Article II and as more particularly described in Article V. The policy may contain a reasonable deductible, and, in the case of casualty insurance, the amount thereof shall be added to the face amount of the policy in determining whether the insurance at least equals the full

replacement cost. The deductible shall be a maintenance expense to be paid by the Person or Persons who would be liable for the loss or repair in the absence of insurance. If the loss affects more than one Unit, the cost of the deductible may be apportioned equitably by the Board among the parties suffering loss in proportion to each affected party's portion of the total cost of repair, or otherwise as the Board determines equitable. Notwithstanding this, if the insurance policy provides that the deductible will apply to each Unit separately or to each occurrence, each Unit Owner shall be responsible for paying any deductible pertaining to his or her Unit. If any Unit Owner fails to pay the deductible when required hereunder, then the Association may pay the deductible and assess the cost to the Unit Owner. Notwithstanding anything to the contrary herein, in the event of an insured loss under the Association's policy for which the Association receives from the insurer payment for a loss sustained by a Unit Owner who is delinquent in the payment of any assessment or charge owed to the Association, then the Association may retain and apply such proceeds to the delinquency. Any surplus remaining after application of the proceeds to any delinquency shall be paid by the Association to the affected Unit Owner.

All insurance coverage obtained by the Board of Directors shall be written in the name of the Association as trustee for the respective benefitted parties, as further identified in (b) below. Such insurance shall be governed by the provisions hereinafter set forth:

a. All policies shall be written with a company licensed to do business in Tennessee which holds a Best's rating of A or better and is assigned a financial size category of XI or larger as established by A. M. Best Company, Inc., if reasonably available, or, if not available, the most nearly equivalent rating.

b. All policies shall be for the benefit of the Association and its Members and their Mortgagees, as their interests may appear.

c. Exclusive authority to adjust losses under policies obtained by the Association on the Townhome Property shall be vested in the Association's Board of Directors provided, however, no Mortgagee having an interest in such losses may be prohibited from participating in the settlement negotiations, if any, related thereto.

d. In no event shall the insurance coverage obtained and maintained by the Association's Board of Directors hereunder be brought into contribution with insurance purchased by individual Unit Owners, occupants, or their Mortgagees, and the insurance carried by the Association shall be primary.

e. All casualty insurance policies shall have an inflation guard endorsement, if reasonably available, and an agreed amount endorsement with an annual review by one or more qualified persons, at least one of whom must be in the real estate industry and familiar with construction in the Davidson County, Tennessee, area.

f. The Association's Board of Directors shall be required to make every reasonable effort to secure insurance policies that will provide for the following:

i. a waiver of subrogation by the insurer as to any claims against the Association's Board of Directors, its manager, the Unit Owners, and their respective tenants, servants, agents, and guests;

ii. a waiver by the insurer of its rights to repair and reconstruct, instead of paying cash;

iii. a statement that no policy may be cancelled, invalidated, suspended, or subject to nonrenewable on account of the actions of any one or more individual Unit Owners;

iv. a statement that no policy may be cancelled, invalidated, suspended, or subject to

nonrenewal on account of the conduct of any director, officer, or employee of the Association or its duly authorized manager without prior demand in writing delivered to the Association to cure the defect and the allowance of a reasonable time thereafter within which the defect may be cured by the Association, its manager, any Unit Owner, or Mortgagee;

v. that any "other insurance" clause in any policy exclude individual Unit Owners' policies from consideration; and

vi. that the Association will be given at least thirty (30) days' prior written notice of any cancellation, substantial modification, or non-renewal.

In addition to the other insurance required by this Section, the Board shall obtain, as a Common Expense, worker's compensation insurance, if and to the extent required by law, directors' and officers' liability coverage, if reasonably available, a fidelity bond or bonds on directors, officers, employees, and other Persons handling or responsible for the Association's funds, if reasonably available, and flood insurance, if required. The amount of fidelity coverage shall be determined in the directors' best business judgment but, if reasonably available, may not be less than three (3) months' assessments on all Units, plus reserves on hand. Bonds shall contain a waiver of all defenses based upon the exclusion of persons serving without compensation and shall require at least thirty (30) days' prior written notice to the Association of any cancellation, substantial modification, or non-renewal.

2. Individual Insurance. Each Unit Owner shall, at such Unit Owner's expense, obtain insurance coverage for loss of or damage to any fixtures, cabinets, appliances, flooring, or other interior finishes inside of the sheetrock and subflooring or personal property of the Unit Owners, or their tenants, guests, and invitees located within said Unit, Private Elements, Limited Common Elements, or upon the Unit Pad, and each Unit Owner shall carry liability insurance covering the Unit Owner's Unit, Private Elements, Limited Common Elements, or Unit Pad for all damage or injury, including bodily injury, death, and property damage, arising from any condition or occurrence on the Unit Owner's Unit, Private Elements, Limited Common Elements, or Unit Pad. The Board shall upon request make available for review by Unit Owners a copy of the Association's insurance policies to allow Units Owners to assess their personal insurance needs. All insurance obtained by the Unit Owner of each Unit shall, whenever such provisions shall be available, provide that the insurer waives its right of subrogation as to any claims against other Unit Owners, the Association or Declarant, and their respective servants, agents, employees and guests.

3. Damage and Destruction.

a. Immediately after damage or destruction by fire or other casualty to all or any part of the Townhome Property covered by insurance written in the name of the Association, the Board of Directors or its duly authorized agent shall proceed with filing and adjusting all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed portion of the Townhome Property. Repair or reconstruction, as used in this Section, means repairing or restoring the Townhome Property to substantially the same condition in which they existed prior to the fire or other casualty, allowing for any changes or improvements necessitated by changes in applicable building codes.

b. If, after a fire or other casualty causing damage to the Units, the proceeds of the insurance are not sufficient to defray the estimated costs of reconstruction and repair, as determined by the Board, or if at any time during the reconstruction and repair or upon completion of reconstruction and repair the funds for the payment of the costs thereof are insufficient, the additional costs shall be assessed against the Unit Owners of the Units damaged in proportion to the damage suffered. If there are surplus funds after repair and reconstruction is completed, such funds shall be common

funds of the Association to be used as directed by the Board. Any such reconstruction or repair shall be substantially in accordance with the plans and specifications under which the Townhome Property was originally constructed, except where changes are necessary to comply with current applicable building codes or where improvements not in accordance with the original plans and specifications as approved by the Board. To the extent insurance proceeds are available, the Association may reconstruct or repair Unit Owner improvements damaged as a result of fire or other casualty.

c. Encroachments upon or in favor of Unit Pads which may be created as a result of such reconstruction or repair shall not constitute a claim or basis for any proceeding or action by the Unit Owner upon whose Unit Pad such encroachment exists, provided that such reconstruction was substantially in accordance with the architectural plans under which the Townhome Property was originally constructed. Such encroachment shall be allowed to continue in existence for so long as the reconstructed structure shall stand.

d. Notwithstanding any provision in the Documents to the contrary, if the damage or destruction to the Common Elements is to be repaired or reconstructed, and such proceeds are not sufficient to defray the cost thereof, the Board of Directors shall, without the necessity of a vote of the Members levy a Special Assessment against all Unit Owners on the same basis as provided for Annual Assessments. Additional Assessments may be made in like manner at any time during or following the completion of any repair or reconstruction.

4. Disbursement of Proceeds. If the damage or destruction for which the proceeds of insurance policies are paid is to be repaired or reconstructed, the proceeds, or such portion thereof as may be required for such purpose, shall be disbursed in payment of such repairs or reconstruction as herein provided. Any proceeds remaining after defraying such costs of repair or reconstruction to the Common Elements shall be retained by and for the benefit of the Association and placed in a capital improvements account. In the event no repair or reconstruction is made to any portion of the Common Elements, any proceeds remaining, after making such settlement as is necessary with the Mortgagee, shall be retained by and for the benefit of the Association and placed in a capital improvements account. In the event no repair or reconstruction is made to any Unit Pad or Unit, any proceeds remaining, after making such settlement as is necessary with the Mortgagee, shall be paid to the respective Unit Owner(s).

5. Construction Fund. The net proceeds of the insurance collected on account of a casualty and the funds collected by the Association from Assessments against Unit Owners on account of such casualty shall constitute a construction fund which shall be disbursed in payment of the cost of reconstruction and repair as set forth in this Article to be disbursed by the Association in appropriate progress payments to such contractor(s), supplier(s), and personnel performing the work or supplying materials or services for the repair and reconstruction designated by the Board.

ARTICLE XVI. CONDEMNATION

1. Common Elements. In the event of a taking in condemnation or by eminent domain of a part of the Common Elements, the award made for such taking shall be payable to the Board for and on behalf of the Association. Any and all notices related to or concerning such taking in condemnation or by eminent domain of a part of the Common Elements shall be addressed and sent to the Association, at the attention of the Board. If the Board in its sole and absolute discretion approves the repair and restoration of such Common Elements, the Board shall arrange for the repair and restoration of such Common Elements, and the Board shall disburse the proceeds of such award to the contractors engaged in such repair and restoration in appropriate progress payments. In the event that the Board does not approve the repair and commence restoration of such Common Elements within ONE HUNDRED TWENTY (120) days after receipt of the

award, the Board shall disburse the net proceeds of such award on a fair and reasonable basis to the Mortgagees directly affected by the condemnation and the balance to the Unit Owners directly affected thereby. The decision of the Board as to the fairness and reasonableness shall be binding upon all parties, if such decision reasonably relates to the given facts.

2. Units. If a Unit or Units are acquired by a taking in condemnation or by eminent domain so as to leave the Unit Owner(s) with a remnant which may not practically or lawfully be used for any purpose permitted by this Declaration, upon acquisition by the condemning authority, unless the decree provides otherwise, each affected Unit or Units' Common Expense Liability shall be automatically reallocated to the remaining Units. Any remnant of a Unit remaining shall thereafter be a Common Element.

ARTICLE XVII. AMENDMENTS

1. Amendment.

a. Prior to the conveyance of the first Unit, Declarant may unilaterally amend this Declaration. After such conveyance, the Declarant may unilaterally amend this Declaration so long as it has the unilateral right to add real property to the Townhome Property pursuant to Article XI, Section 1b of this Declaration and so long as the amendment has no material adverse effect upon any right of any Unit Owner. Thereafter and otherwise, this Declaration may be amended only by the affirmative vote (in person or by proxy) or written consent, or any combination thereof, of Members representing sixty-seven percent (67%) of the total votes of the Association, and the written approval of the Class "B" Members so long as the Class "B" membership exists. However, the percentage of votes necessary to amend a specific clause shall not be less than the prescribed percentage of affirmative votes required for action to be taken under that clause.

b. If a Unit Owner consents to any amendment to this Declaration or the Bylaws, it will be conclusively presumed that such Unit Owner has the authority so to consent and no contrary provision in any Mortgage or contract between the Unit Owner and a third party will affect the validity of such amendment.

c. No amendment may remove, revoke, or modify any right or privilege of Declarant without the written consent of Declarant or the assignee of such right or privilege.

d. Notwithstanding any provision to the contrary in this Section 1, amendments of a material nature must be approved by Unit Owners who represent at least sixty-seven (67%) percent of the total allocated votes in the Association, by fifty-one (51%) percent of Mortgagees, and the written approval of the Class "B" Members so long as the Class "B" membership exists. A change to any of the provisions governing the following will be considered an amendment of a material nature:

i. Voting rights;

ii. Increases in assessments that raise the previously assessed amount by more than 25%, assessment liens, or the priority of assessment liens;

iii. Reductions in reserves for maintenance, repair, and replacement of Common Elements;

iv. Responsibility for maintenance and repairs of the Common Elements;

v. Convertibility of Units into Common Elements or vice versa;

vi. Hazard, liability or fidelity insurance requirements;

vii. A decision by the Association to establish self-management if professional management had been required previously by the Declaration, Bylaws, or by a holder of a Mortgage with respect to a Unit.

viii. Restoration or repair of the project (after damage or partial condemnation) in a manner other than that specified in the Declaration, or Bylaws; or

ix. Any provisions that expressly benefit holders, insurers, or guarantors of a Mortgage with respect to a Unit.

The failure of a Mortgagee to respond within sixty (60) days after notice of any written request of the Association for approval of an addition or amendment to the Declaration or Bylaws has been provided shall constitute an implied approval of the addition or amendment.

e. A copy of each amendment shall be certified by the Association as having been duly adopted and shall be effective when recorded in the Register's Office of DAVIDSON COUNTY, Tennessee.

2. Duration. The covenants and restrictions of this Declaration shall run with and bind the land, for a term of TWENTY (20) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of TEN (10) years unless a properly approved and executed instrument has been recorded prior to the expiration of said 20-year period or any said 10-year period, as the case may be, agreeing to terminate said covenants.

3. Termination. Revocation of this Declaration and the Townhome Planned Unit Development created hereby shall require: (a) the affirmative Vote of SEVENTY-FIVE PERCENT (75%) of all the Members of the Association entitled to Vote at a duly called meeting of the Association or the affirmative written consent of such percentage of the Members at which a quorum is present; and (b) the affirmative Vote of SEVENTY-FIVE PERCENT (75%) of Mortgagees having first mortgage liens on any Unit(s), however, any such Mortgagee is deemed to have approved the termination, if notice is sent to the last address of such Mortgagee on file with the Association and no objection is received within THIRTY (30) days thereafter.

4. Discrimination. No amendment shall discriminate against any Unit Owner or against any Unit or group of Units, unless the Unit Owner(s) so affected shall consent.

5. Statute of Limitation. No action to challenge the validity of an amendment adopted by the Association may be brought more than ONE (1) year after the amendment is recorded.

6. Perpetuities and Restraints on Alienation. If any of the options, privileges, covenants or rights created by the Declaration shall be unlawful, void or voidable for violation of the rule against perpetuities, then such provision shall continue only until twenty-one (21) years after the death of the survivor of the now living descendants of the President of the United States, Joseph R. Biden, Jr.

ARTICLE XVIII. ARCHITECTURAL STANDARDS

Unless prior written approval has been obtained from the Architectural Review Committee, no Unit Owner, occupant of a Unit Owner's Unit, or any other Person, other than the Declarant, may: (i) make any exterior

change, alteration, modification, or construction on a Unit; or (ii) erect, place or post any thing or object which may affect the appearance of a Unit. The Board of Directors shall have the authority and standing, on behalf of the Association, to enforce in courts of competent jurisdiction decisions of the Architectural Review Committee established in Section 1 of this Article XVIII. This Article may not be amended without the Declarant's written consent so long as the Declarant owns any land subject to this Declaration or subject to annexation to this Declaration.

The Declarant at the time of sale and/or the plat is recorded for each phase/section of Williams Station has the right to establish additional restrictions and/or design-standards with respect to improvements constructed upon the Units in that particular phase/section of Williams Station.

1. Architectural Review Committee. The Architectural Review Committee ("ARC") shall have exclusive jurisdiction over all original construction on any portion of the Townhome Property as well as modifications, additions, or alterations made on or to existing Units or structures and improvements thereon, as well as the Common Elements. The ARC shall prepare and, on behalf of the Board of Directors, shall promulgate design and development guidelines and application and review procedures (the "Architectural Guidelines"). Copies shall be available from the ARC for review. The Architectural Guidelines shall be those of the Association, and the ARC shall have sole and full authority to prepare and to amend the Architectural Guidelines. It shall make said Architectural Guidelines available to Unit Owners, Builders, and developers who seek to engage in development of or construction upon all or any portion of the Townhome Property and such Unit Owners, Builders and developers shall conduct their operations strictly in accordance therewith. Until one hundred (100%) percent of the Units in the Townhome Property have been developed and conveyed to purchasers in the normal course of development and sale, the Declarant retains the right to appoint all members of the ARC, which shall consist of at least three (3), but no more than five (5), persons. There shall be no surrender of this right prior to that time except in a written instrument in recordable form executed by Declarant. Upon the expiration of such right, the Board of Directors shall appoint the members of the ARC.

In addition to the foregoing, plans and specifications showing the nature, kind, shape, color, size, materials, and location of any initial construction, modifications, additions, or alterations, for all improvements on the Units, including, but not limited to, any structure, building, fence, wall, driveway, path, or landscaping shall be submitted, prior to any construction, to the ARC for its written approval as to quality of workmanship and design and as to harmony of external design with existing structures, location in relation to surrounding structures, topography, and finish grade elevation. Prior to the formation of the ARC, such approval shall be granted by the Declarant and any approval granted by the Declarant shall be binding on the Association. The Board, the ARC, or the Association may establish a reasonable processing and review fee related to the consideration of any submitted architectural review requests. No permission or approval shall be required to repaint in accordance with an originally approved color scheme, or to rebuild in accordance with originally approved plans and specifications. Nothing contained herein shall be construed to limit the right of a Unit Owner to remodel the interior of the residence located upon such Unit Owner's Unit, or to paint the interior of such Unit Owner's residence any color desired. In the event that the ARC fails to approve or to disapprove such plans or to request additional information reasonably required within sixty (60) days after submission, the plans shall be deemed approved, unless such construction, modification or improvement otherwise is in violation of the Declaration, the Bylaws, the Architectural Guidelines, the Association's rules and regulations, or applicable zoning ordinances. Furthermore, the ARC shall have the option to set the following construction deadlines as a requirement to providing plan approvals: (i) the construction of Units or any related improvements on the Unit Pads must be commenced by a certain date, and/or (ii) the construction of any Units or any related improvements on the Unit Pads must be completed by a certain date. In the event said construction deadlines are not met by a Unit Owner or Builder, the ARC may revoke its plan approvals and require a Unit Owner or Builder to resubmit such plans for the ARC's written approval.

The ARC shall be the sole arbiter of the application and may withhold approval for any reason whatsoever, including purely aesthetic considerations. The Association, acting through the Board shall be entitled to stop any construction or modification which is not in conformance with approved plans. In the event that the ARC disapproves any application or part thereof, a Unit Owner shall have the right to appeal the ARC's decision to the Board of Directors, in writing by certified mail. Said notice of appeal must be received by the Board within fourteen (14) days from the date of the ARC's notice to Unit Owner of its decision, otherwise the decision of the ARC shall be final. The Board shall rule on the appeal with thirty (30) days of receiving written notice requesting an appeal from the Unit Owner; and all decisions of the Board shall be final.

Neither the Board nor the ARC shall bear any responsibility for ensuring the design, quality, structural integrity or soundness of approved construction or modifications, nor for ensuring compliance with building codes, zoning regulations and other governmental requirements. Neither the Declarant, Association, the Board, the ARC or any member of any of the foregoing shall be held liable for any injury, damages or loss arising out of the manner, design, or quality of approved construction on or modifications to any Unit, nor may any action be brought against the Declarant, Association, the Board, the ARC, or any member thereof, for any such injury, damage or loss.

2. **No Waiver of Future Approvals**. The approval of the ARC of any proposals or plans and specifications or drawings for any work done or proposed, or in connection with any other matter requiring the approval and consent of such Committee, shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any similar proposals, plans and specifications, drawings, or matters whatever subsequently or additionally submitted for approval or consent.

3. **Variance**. The ARC may authorize variances from compliance with any of the provisions of its guidelines and procedures when circumstances such as topography, natural obstructions, hardship, aesthetic, or environmental considerations require, but only in accordance with duly adopted rules and regulations. Such variances may only be granted, however, when unique circumstances dictate and no variance shall (a) be effective unless in writing, (b) be contrary to the restrictions set forth in the body of this Declaration, or (c) stop the Committee from denying a variance in other circumstances. For purposes of this Section, the inability to obtain approval of any governmental agency, the issuance of any permit, or the terms of any financing shall not be considered a hardship warranting a variance.

4. **Enforcement of Architectural Standards**. Any construction, alteration, or other work done in violation of this Article, the Declaration, the Bylaws, the design standards or any applicable zoning ordinances, codes, or regulations shall be deemed non-conforming, and upon written request from the Board, such non-conforming construction, alteration, or other work shall be removed at the sole expense of the Unit Owner and the Unit shall be restored to substantially the same condition as existed prior to such construction, alteration or work. Should the Unit Owner fail to do so, the Board or its designees shall have the right, in addition to other remedies provided under this Declaration as well as the rules and regulations of the Association, to enter the Unit and remove the violation and restore the Unit, or obtain a court order compelling the violating Unit Owner to do so. All costs thereof, including reasonable attorney's fees, may be assessed against such Unit, regardless of whether or not litigation is filed. The remedies under this Section 4 shall be in addition to, and not in substitution for, any other remedies provided under the Documents, or at law or in equity.

ARTICLE XIX. GENERAL PROVISIONS

1. **Notices.** Notices to the Association or the Declarant set forth in this Declaration, the By-Laws or in the Act, shall be in writing and shall be addressed to the Association or the Declarant at such address as

may be provided from time to time. The Association and the Declarant may designate a different address for notices to it by giving written notice of such change of address to all Unit Owners. Notices shall be deemed delivered when mailed by U.S. registered or certified mail or when delivered in person to the Association or Declarant with written acknowledgment of the receipt thereof.

2. Trustee as Unit Owner. In the event title to any Unit is conveyed to a land title-holding trust, under the terms of which all power of management, operation and control of the Unit remain vested in the trust beneficiary or beneficiaries, then the beneficiaries thereunder shall be considered Unit Owners for all purposes and they shall be responsible for payment of all Common Expenses, obligations, liens or indebtedness and for the performance of all agreements, covenants and undertakings chargeable or created under this Declaration against such Unit. No claim shall be made against any such title-holding trustee personally for payment of any lien or obligation hereunder created, and the trustee shall not be obligated to sequester funds or trust property to apply in whole or in part against such lien or obligation. The amount of any such lien or obligation shall continue to be a charge or lien upon the Unit and the beneficiaries of such trust, notwithstanding any transfers of the beneficial interest of any such trust or any transfer of title to such Unit.

3. Governing Document Conflict. Except to the extent otherwise expressly provided herein, to the extent that any provision of this Declaration conflicts with the provisions of the Bylaws, or the Charter, all as amended and supplemented from time to time, the provisions of this Declaration, the Bylaws, and the Charter in that order, shall control.

4. Severability. All provisions of this Declaration and the By-Laws shall be severable. Invalidation of any provision of this Declaration by judgment or court order shall not affect any other provision not expressly held to be void under the specific facts and circumstances giving rise thereto, and all such remaining provisions shall remain in full force and effect together with the provisions ruled upon as they apply to facts and circumstances other than those expressly invalidated.

5. Gender. The use of the masculine gender in this Declaration and in the By-Laws shall be deemed to include the feminine and neuter references and the use of the singular shall be deemed to include the plural whenever the context so requires.

6. Captions. The captions herein are inserted only as a matter of convenience, and in no way define, limit or describe the scope of these provisions or the intent of any provision hereof.

7. Exoneration of Declarant. Each Unit Owner or any other party having an interest in any portion of the Townhome Property expressly agree that no duty or obligation is imposed upon the Declarant to enforce or attempt to enforce any of the covenants or restrictions contained herein, nor shall the Declarant be subject to any liability of any kind or nature whatsoever in respect to any claim that the Declarant has failed to enforce same.

8. Use of the Words "Williams Station". No Person shall use the words "Williams Station", or any derivative thereof in any printed or promotional material without the prior written consent of the Declarant. However, Unit Owners may use the terms, "Williams Station", in printed or promotional matter where such term is used solely to specify that particular property is located within the Townhome Property. Notwithstanding the foregoing, Builders are specifically permitted to use the words “Williams Station” in any business, sales, marketing or planning documents and activities.

9. Social Media and Websites. Each Unit Owner upon purchasing a Unit within the Townhome Property agrees that the Association shall have the sole right to set up, sponsor, host, post, or develop a website or social media page for Williams Station and the Association. No Unit Owner shall set up,

organize, arrange, host, sponsor, post, develop or establish in any way any social media page or website regarding the Townhome Property or the Association.

10. **Disclosures.** Each Unit Owner acknowledges the following:

a. The Townhome Property is located adjacent to thoroughfares that may be affected by traffic and noise from time to time and may be improved and/or widened in the future.

b. The views from a Unit Owner's Unit may change over time due to, among other circumstances, additional development and the removal or addition of landscaping.

c. No representations are made regarding the zoning of adjacent property, or that the category to which adjacent property is zoned may not change in the future.

d. No representations are made regarding the schools that currently or may in the future serve the Townhome Property or any Unit.

e. Since in every neighborhood, there are conditions that different people may find objectionable, it is acknowledged that there may be conditions outside of the Townhome Property that a Unit Owner may find objectionable and that it shall be the sole responsibility of the Unit Owners to become acquainted with neighborhood conditions that could affect the Unit.

f. All Unit Owners acknowledge and understand that Declarant and Builders will be constructing/renovating portions of the Townhome Property and engaging in other construction activities related to the construction of Common Elements and improvement of Units. Such construction activities may, from time to time, produce certain conditions on the Townhome Property, including, without limitation: noise or sound that is objectionable because of its volume, duration, frequency or shrillness; smoke; noxious, toxic, or corrosive fumes or gases; obnoxious odors; dust, dirt or flying ash; unusual fire or explosion hazards; temporary interruption of utilities; and/or other conditions that may threaten the security or safety of persons on the Townhome Property. Notwithstanding the foregoing, all Unit Owners agree that such conditions on the Townhome Property resulting from renovation and construction activities shall not be deemed a nuisance and shall not cause Declarant and its agents to be deemed in violation of any provision of the Declaration.

Section 2. Principal Office. The initial principal office of the Association in the State of Tennessee shall be located in the County of Davidson. The Association may have such other offices, either within or outside the State of Tennessee, as the Board of Directors may determine or as the affairs of the Association may require.

Section 3. Definitions. Unless otherwise defined herein, capitalized words used in these Bylaws shall have the same meaning as set forth in that Declaration of Covenants, Conditions, and Restrictions for Williams Station, a Townhome Planned Unit Development (A Horizontal Property Regime with Private Elements), (said Declaration, as amended, renewed, or extended from time to time, is hereinafter sometimes referred to as the "Declaration"), unless the context shall prohibit.

Article II

Association: Membership, Meetings, Quorum, Voting, Proxies

Section 1. Membership. The Association shall have two (2) classes of membership, Class "A" and Class "B", as is more fully set forth in the Declaration, the terms of which pertaining to membership are specifically incorporated herein by reference.

Section 2. Place of Meetings. Meetings of the Association shall be held at the principal office of the Association or at such other suitable place convenient to the Members as may be designated by the Board of Directors either within the Townhome Property or as convenient thereto as possible and practical. At the discretion of the Board and subject to the same notice, quorum, proxy, voting, and all other requirements within the Declaration, By-Laws, and Tennessee Law, meetings of the Association may be conducted by virtual means, as long as the identity of each Member may be authenticated and the vote of each Member at such meeting can be verified as being cast by such Member during the meeting. If a meeting is conducted by virtual means, each Member whose identify can be verified and who can simultaneously hear and see the meeting is deemed to be present in person at the meeting.

Section 3. Annual Meetings. The first annual meeting of the Association shall be held within sixty (60) days from the expiration of the Development Period, as provided under Article IV, Section 6 of the Declaration. Annual meetings shall be set by the Board so as to occur at least thirty (30) but not more than one hundred twenty (120) days before

202104200052421

the close of the Association's fiscal year on a date and at a time set by the Board of Directors.

Section 4. Special Meetings. The President may call special meetings. In addition, it shall be the duty of the President to call a special meeting of the Association if so directed by the resolution of a majority of a quorum of the Board of Directors or upon a petition signed by Members representing at least twenty-five (25%) percent of the total votes of the Association. The notice of any special meetings shall state the date, time, and place of such meeting and the purpose thereof. No business shall be transacted at a special meeting except as stated in the notice.

Section 5. Notice of Meetings. Written or printed notice stating the place, day, and hour of any meetings of the Members shall be delivered, either personally or by regular or electronic mail, to each Member entitled to vote at such meeting, by or at the direction of the President or the Secretary or the officers or persons calling the meeting.

In the case of a special meeting or when required by statute or these Bylaws, the purpose or purposes for which the meeting is called shall be stated in the notice. No business shall be transacted at a special meeting except as stated in the notice.

If sent by regular mail, the notice of a meeting shall be deemed to be delivered when deposited in the United States mail addressed to the Member at his address as it appears on the records of the Association, with postage thereon prepaid. If sent by electronic mail, the notice of a meeting shall be deemed to be delivered upon receipt of a delivery receipt notice by the sender.

Section 6. Waiver of Notice. Waiver of notice of a meeting of the Members shall be deemed the equivalent of proper notice. Any Member may, in writing, waive notice of any meeting of the Members, either before or after such meeting. Attendance at a meeting by a Member shall be deemed waiver by such Member of notice of the time, date, and place thereof, unless such Member specifically objects to lack of proper notice at the time the meeting is called to order. Attendance at a special meeting shall also be deemed waiver of notice of all business transacted thereat unless objection to the calling or convening of the meeting, of which proper notice was not given, is raised before the business is put to a vote.

Section 7. Adjournment of Meetings. If any meeting of the Association cannot be held because a quorum is not present, a majority of the Members who are present at such meeting, either in person or by proxy, may adjourn the meeting to a time not less than five (5) nor more than thirty (30) days from the time the original meeting was called. At the reconvened meeting, if a quorum is present, any business which might have been transacted at the previously adjourned meeting shall be on the agenda for said meeting. If a time and place for reconvening the meeting is not fixed by those in attendance at the original meeting or if for any reason a new date is fixed for reconvening the meeting after adjournment, notice of the time and place for reconvening the meeting shall be given to Members in the manner prescribed for regular meetings.

The Members present at a duly called or held meeting at which a quorum is present may continue to do business until adjournment, notwithstanding the withdrawal of enough Members to leave less than a quorum, provided that Members or their alternates representing at least fifteen (15%) percent of the total votes of the Association remain in attendance, and provided further that any action taken is approved by at least a majority of the Members required to constitute a quorum.

Section 8. Voting. The voting rights of the Members shall be as set forth in the Declaration, and such voting rights provisions are specifically incorporated herein.

Section 9. Proxies. Members may vote by proxy, provided the proxy is signed, dated and filed with the Secretary prior to the meeting for which it is valid.

Section 10. Majority. As used in these Bylaws, the term "majority" shall mean those votes, owners, or other group as the context may indicate totaling more than fifty (50%) percent of the total number.

Section 11. Quorum. Except as otherwise provided in these Bylaws or in the Declaration, the presence in person or by proxy of Members representing twenty percent (20%) of the total vote of the Association shall constitute a quorum at all meetings of the Association, and the votes of a majority of the Members, present or by proxy, at a meeting at which a quorum is present shall constitute the decision of the Members on all business voted upon at such meeting, unless a higher percentage of Members' votes is required under the Declaration or these Bylaws. Any provision in the Declaration concerning quorums is specifically incorporated herein.

Section 12. Conduct of Meetings. The President shall preside over all meetings of the Association, and the Secretary shall keep the minutes of the meeting and record in a minute book all resolutions adopted at the meeting, as well as a record of all transactions occurring at the meeting.

Section 13. Action Without A Meeting. Any action required by law to be taken at a meeting of the Members, or any action which may be taken at a meeting of the Members, may be taken without a meeting if written consent setting for the action so taken is signed by all of the Members entitled to vote with respect to the subject matter thereof, and any such consent shall have the same force and effect as a unanimous vote of the Members.

Article III

Board of Directors: Number, Powers, Meetings

A. Composition and Selection

Section 1. Governing Body, Composition. The affairs of the Association shall be governed by a Board of Directors, each of whom shall have one (1) vote. Except with respect to directors appointed by the Declarant, the Directors shall be Members or spouses of such Members; provided, however, no person and his or her spouse may serve on the

202104200052421

Board at the same time. In the case of a Unit Owner which is a corporation or partnership, the person designated in writing to the secretary of the Association as the representative of such corporation or partnership shall be eligible to serve as a director.

Section 2. Directors During Development Period. The Directors shall be selected by the Class "B" Member acting in its sole discretion, subject only to Article III, Section 6, hereof, and shall serve at the pleasure of the Class "B" Member until the first to occur of the following:

(a) Six (6) months following the date when one hundred (100%) percent of the Units planned with respect to all phases of Williams Station have been conveyed to Persons other than the Declarant or Builders;

(b) Twenty (20) years after the conveyance of the first Unit to a Unit Owner other than Declarant or Builders; or

(c) When, in their discretion, the Class "B" Members so determines.

Within sixty (60) days thereafter, the Class "B" Member shall cause the Board to call a meeting, as provided in Article II, Section 3, of these Bylaws for an annual meeting, to advise the membership of termination of the Development Period and to elect Directors from Class "A" Members.

Section 3. Declarant Participation/Control of Board and Architectural Review Committee. This Section 3 may not be amended without the express, written consent of the Declarant.

(a) As provided under Article XVIII, Section 1 of the Declaration, until one hundred (100%) percent of the Units with respect to all phases and sections have been developed and conveyed to purchasers in the normal course of development and sale, the Declarant retains the right to appoint all members of the ARC. There shall be no surrender of this right prior to that time except in a written instrument in recordable form executed by Declarant. Upon the expiration of such right, the Board of Directors shall appoint the members of the ARC.

(b) After termination of the Development Period, the Declarant shall have the right to participate in the decision-making process and the right to disapprove all actions of the Board, as is more fully provided in this Section if such action by the Board will increase the obligations of the Declarant. These rights shall be exercisable only by the Declarant, its successors, and assigns that specifically take this power in a recorded instrument, and shall terminate one (1) year from the date of termination of the Development Period. During this one-year period, no action authorized by the Board of Directors shall become effective, nor shall any action, policy, or program be implemented until and unless the Declarant has been allowed to participate as follows:

(b) Twenty (20) years after the conveyance of the first Unit to a Unit Owner other than Declarant or Builders; or

(c) When, in their discretion, the Class "B" Members so determines.

Within sixty (60) days thereafter, the Class "B" Member shall cause the Board to call a meeting, as provided in Article II, Section 3, of these Bylaws for an annual meeting, to advise the membership of termination of the Development Period and to elect Directors from Class "A" Members.

Section 3. Declarant Participation/Control of Board and Architectural Review Committee. This Section 3 may not be amended without the express, written consent of the Declarant.

(a) As provided under Article XVIII, Section 1 of the Declaration, until one hundred (100%) percent of the Units with respect to all phases and sections have been developed and conveyed to purchasers in the normal course of development and sale, the Declarant retains the right to appoint all members of the ARC. There shall be no surrender of this right prior to that time except in a written instrument in recordable form executed by Declarant. Upon the expiration of such right, the Board of Directors shall appoint the members of the ARC.

(b) After termination of the Development Period, the Declarant shall have the right to participate in the decision-making process and the right to disapprove all actions of the Board, as is more fully provided in this Section if such action by the Board will increase the obligations of the Declarant. These rights shall be exercisable only by the Declarant, its successors, and assigns that specifically take this power in a recorded instrument, and shall terminate one (1) year from the date of termination of the Development Period. During this one-year period, no action authorized by the Board of Directors shall become effective, nor shall any action, policy, or program be implemented until and unless the Declarant has been allowed to participate as follows:

(i) The Declarant shall have been given written notice of all meetings and proposed actions approved at meetings of the Board or any committee thereof by certified mail, return receipt requested, or by personal delivery at the address it has registered with the Secretary of the Association, as it may change from time to time, which notice complies as to the Board of Directors meetings with Article III, Sections 8, 9, and 10, of these Bylaws and which notice shall, except in the case of the regular meetings held pursuant to the Bylaws, set forth in reasonable particularity the agenda to be followed at said meeting; and

(ii) The Declarant shall be given the opportunity at any such meeting to join in or to have its representatives or agents join in discussion from the floor of any prospective action, policy, or program to be implemented by the Board, any committee thereof, the Association, or the Board. The Declarant, its representatives or agents shall make its concerns, thoughts and suggestions known to the members of the subject committee and/or the Board. The Declarant shall have the right to disapprove any policy or program authorized by the Board of Directors or any committee thereof, and any action to be taken by the Board, any committee thereof, the Association, or any individual member of the Association, if Board, committee, or Association, or any individual member of the Association approval is necessary for such action. This right may be exercised by the Declarant, its representatives, or agents at any time within ten (10) days following the meeting held pursuant to the terms and provisions hereof. Notwithstanding any provision herein to the contrary, the Declarant shall not have the right to require any action or counteraction on behalf of any committee, the Board or the Association, and shall not exercise its rights hereunder to reduce the level of services which the Association is obligated to provide or to prevent capital repairs or any expenditure required to comply with applicable laws and regulations.

Section 4. Number of Directors. There shall be either three (3) or five (5) directors in the Association.

Section 5. Nomination of Directors. Except with respect to directors selected by the Class "B" Member, nominations for election to the Board of Directors shall be made by a Nominating Committee. The Nominating Committee shall consist of a Chairman, who shall be a member of the Board of Directors, and three (3) or more Members of the Association. The nominating Committee shall be appointed by the Board of Directors not less than thirty (30) days prior to each annual meeting of the Members to serve a term of one (1) year or until their successors are appointed, and such appointment shall be announced at each such annual meeting. The Nominating Committee shall make as many nominations for election to the Board of Directors as it shall in its discretion determine, but in no event less than the number of positions to be filled. Nominations shall also be permitted from the floor.

Section 6. Election and Term of Office. Notwithstanding any other provision contained herein:

(i) The Declarant shall have been given written notice of all meetings and proposed actions approved at meetings of the Board or any committee thereof by certified mail, return receipt requested, or by personal delivery at the address it has registered with the Secretary of the Association, as it may change from time to time, which notice complies as to the Board of Directors meetings with Article III, Sections 8, 9, and 10, of these Bylaws and which notice shall, except in the case of the regular meetings held pursuant to the Bylaws, set forth in reasonable particularity the agenda to be followed at said meeting; and

(ii) The Declarant shall be given the opportunity at any such meeting to join in or to have its representatives or agents join in discussion from the floor of any prospective action, policy, or program to be implemented by the Board, any committee thereof, the Association, or the Board. The Declarant, its representatives or agents shall make its concerns, thoughts and suggestions known to the members of the subject committee and/or the Board. The Declarant shall have the right to disapprove any policy or program authorized by the Board of Directors or any committee thereof, and any action to be taken by the Board, any committee thereof, the Association, or any individual member of the Association, if Board, committee, or Association, or any individual member of the Association approval is necessary for such action. This right may be exercised by the Declarant, its representatives, or agents at any time within ten (10) days following the meeting held pursuant to the terms and provisions hereof. Notwithstanding any provision herein to the contrary, the Declarant shall not have the right to require any action or counteraction on behalf of any committee, the Board or the Association, and shall not exercise its rights hereunder to reduce the level of services which the Association is obligated to provide or to prevent capital repairs or any expenditure required to comply with applicable laws and regulations.

Section 4. Number of Directors. There shall be either three (3) or five (5) directors in the Association.

Section 5. Nomination of Directors. Except with respect to directors selected by the Class "B" Member, nominations for election to the Board of Directors shall be made by a Nominating Committee. The Nominating Committee shall consist of a Chairman, who shall be a member of the Board of Directors, and three (3) or more Members of the Association. The nominating Committee shall be appointed by the Board of Directors not less than thirty (30) days prior to each annual meeting of the Members to serve a term of one (1) year or until their successors are appointed, and such appointment shall be announced at each such annual meeting. The Nominating Committee shall make as many nominations for election to the Board of Directors as it shall in its discretion determine, but in no event less than the number of positions to be filled. Nominations shall also be permitted from the floor.

Section 6. Election and Term of Office. Notwithstanding any other provision contained herein:

(a) At the first annual meeting of the membership after the termination of the Development Period and at each annual meeting of the membership thereafter, the directors shall be selected by vote of the membership. Each Class "A" Member shall be entitled to cast one (1) vote with respect to each vacancy to be filled. The directors elected by the Class "A" Members shall not be subject to removal by the Declarant acting alone and a majority of such open Board positions shall be elected for a term of one (1) year and the remainder shall be elected for a term of two (2) years.

(b) At the expiration of the initial term of office of each member of the Board of Directors, a successor shall be elected to serve for a term of two (2) years. The directors elected by the Members shall hold office until their respective successors have been elected by the Association. Directors may be elected to serve any number of consecutive terms.

(c) If a Board position is open due to the expiration of such member's term and such position cannot be filled because a quorum cannot be obtained pursuant to Article II, Section 10 to conduct a meeting in order to have an election after two (2) consecutive attempts to hold a meeting, then the Board may appoint a Member to fill such vacant position until an election can be held by the Members at a meeting in which a quorum is present.

Section 7. Removal of Directors and Vacancies. Any director elected by the Class "B" Members may be removed, with or without cause, at any time by the Class "B" Members. Any director elected by the Class "A" Members may be removed, with or without cause, by the vote of the Class "A" Members representing a majority of the votes entitled to be cast for the election of such director. Any director whose removal is sought shall be given notice prior to any meeting called for that purpose. Upon removal of a director, a successor shall then and there be elected by the Class "A" Members entitled to elect the director so removed to fill the vacancy for the remainder of the term of such director.

Any director elected by the Class "A" Members who has three (3) consecutive unexcused absences from Board meetings or who is delinquent in the payment of any assessment or other charge due the Association or in violation of any restrictions under the Documents for more than sixty (60) days may be removed by a majority of the directors present at a regular or special meeting, at which a quorum is present, and a successor may be appointed by the Board to fill the vacancy for the remainder of the term. In the event of the death disability, or resignation of a director, a vacancy may be declared by the Board and it may appoint a successor to serve the remainder of the term of such director.

The waiver of notice or consent need not specify the purpose of the meeting. Notice of a meeting shall also be deemed given to any director who attends the meeting without protesting before or at its commencement about the lack of adequate notice.

Section 12. Quorum of Board of Directors. At all meetings of the Board of Directors, a majority of the directors shall constitute a quorum for the transaction of business, and the votes of a majority of the directors present at a meeting at which a quorum is present shall constitute the decision of the Board of Directors. Directors may participate in all meetings of the Board of Directors by, or conduct the meeting through the use of, any means of communication by which all directors participating may simultaneously hear each other during the meeting. A director participating in a meeting by said means of communication is deemed to be present in person at the meeting. A meeting at which a quorum is initially present may continue to transact business, notwithstanding the withdrawal of directors, if any action taken is approved by at least a majority of the required quorum for that meeting. If any meeting of the Board cannot be held because a quorum is not present, a majority of the directors who are present at such meeting may adjourn the

meeting to a time not more than thirty (30) days from the date the original meeting was called. At the reconvened meeting, if a quorum is present, any business which might have been transacted at the meeting originally called may be transacted without further notice.

The President shall preside over all meetings of the Board of Directors, and the Secretary shall keep a minute book of meetings of the Board of Directors, recording therein all resolutions adopted by the Board of Directors and all transactions and proceedings occurring at such meetings.

Section 15. Action Without a Formal Meeting. An action to be taken at a meeting of the directors or any action that may be taken at a meeting, of the directors may be taken without a meeting if a consent in writing, setting forth the action so taken, shall be signed by all of the directors, and such consent shall have the same force and effect as a unanimous vote.
