LAST WILL

OF

PAUL BRENT ROBERTSON

I, PAUL BRENT ROBERTSON, of St. Charles County, Missouri, declare this to be my Last Will. I revoke my prior Wills and codicils.

I declare that I am single and have no children.

FIRST: Payment of Debts, Expenses and Taxes. I direct my Personal Representative to pay, out of my residuary estate, all debts, expenses and claims against my estate which are, in the sole opinion of my Personal Representative, allowable (other than those secured by a deed of trust or mortgage on real estate in which I have an interest), including the expense of my last illness, funeral, burial and a suitable grave marker or memorial and the expenses of administering estate (including any ancillary administration).

I further direct my Personal Representative to pay, without contribution or reimbursement, out of my residuary estate, all estate taxes, inheritance taxes and succession duties (including interest and penalties) assessed by the United States, any state, or any foreign government against my estate, predicated upon my death as the taxable event. My Personal Representative, however, shall not pay any taxes attributable to the inclusion of the value of power of appointment property in my estate for tax purposes when I was granted the power of appointment by someone other than myself. Such taxes as my Personal Representative is directed to pay shall not be charged against or deducted from the share of any person receiving property as a result of my death.

Notwithstanding the foregoing, no such debts, expenses, claims, or taxes shall be payable from assets which are part of an account, plan or instrument, distributions from which are subject to Section 401(a)(9) of the Code ("Qualified Retirement Benefits").

SECOND: Tangible Personal Property. I give each item of tangible personal property described in a written statement or list executed by me pursuant to the terms of RSMo. 474.333 to the person designated in such statement or list to receive such item. If such person does not

survive me, or if such statement or list is not legally effective to govern the disposition of such item, or if such statement or list has not come to the attention of my Personal Representative within sixty days of issuance of Letters Testamentary, such item or items shall be distributed as though this Article were not contained in this Will.

THIRD: Disposition of the Remainder of My Estate. The remainder of my estate (meaning my entire estate, including lapsed gifts and any property received by my Personal Representative from any source after my death, reduced by any payments previously made for debts, taxes, administrative expenses or prior bequests) shall be distributed to my mother DEANNA JEAN LAWRENCE, if she survives me. If she does not survive me, the remainder of my estate shall be distributed to my sister CATHERINE ANN FISCHER, if she survives me. If she does not survive me, the remainder of my estate shall be distributed to my father KENT ELDON ROBERTSON. If I am not survived by any of my mother, sister or my father, the remainder of my estate shall be distributed to my heirs as determined under Missouri law in effect at the time of my death.

FOURTH: Incapacity. If any beneficiary of my estate shall be under any legal disability, or, in the opinion of the Personal Representative, shall be unable properly to administer such distributions, the Personal Representative may make such distributions in any one or more of the following ways as the Personal Representative may deem advisable, namely:

(a) Directly to such beneficiary;

(b) To the legal guardian or conservator of such beneficiary;

(c) To a custodian for such beneficiary under the Missouri Transfers to Minors Law or Personal Custodian Law; or

(d) To any adult relative of such beneficiary to be expended by such relative for the health, education, and support of such beneficiary provided Qualified Retirement Benefits shall be distributed pursuant to this clause (d).

The receipt of any such person shall be a complete release of my Personal Representative.

FIFTH: Personal Representative. I appoint my sister CATHERINE ANN FISCHER as Personal Representative of my estate, and I direct that no bond shall be required of my Personal

Representative or her successors. In the event that she dies, resigns or is or becomes unable to serve for any reason, then I appoint my mother DEANNA JEAN LAWRENCE as my Personal Representative. In the event that she dies, resigns or is or becomes unable to serve for any reason, then I appoint my father KENT ELDON ROBERTSON as my Personal Representative.

SIXTH: Personal Representative Powers. In addition to any other powers my Personal Representative may have, I give my Personal Representative the following powers and discretions:

1. Estate Tax. If my Personal Representative in good faith decides that there is uncertainty as to the inclusion of particular property in my gross estate for federal estate tax purposes, my Personal Representative shall exclude such property from my gross estate in the estate tax return. My Personal Representative shall not be liable for any loss to my estate or to any beneficiary if such loss results from my Personal Representative's decision made in good faith.

The decision of my Personal Representative as to the date which should be selected for the valuation of property in my gross estate for federal estate tax purposes shall be conclusive on all concerned.

When a choice is available as to whether certain deductions shall be taken as income tax deductions or estate tax deductions, the decision of my Personal Representative in this regard shall be conclusive on all concerned and no adjustment of income and principal accounts in the estate shall be made as a result of such decision.

2. Distributions. My Personal Representative is authorized to make partial or complete distributions to estate beneficiaries from time to time during administration; to distribute unequal amounts to similar beneficiaries from time to time during administration; and to make such other distributions during administration as my Personal Representative may determine. Nothing contained in this paragraph shall be construed as authorizing my Personal Representative to vary the dispositive provisions in this Will.

I authorize my Personal Representative to advance such amounts of income to or for a beneficiary during the administration of my estate as my Personal Representative determines such beneficiary shall be ultimately entitled to receive, provided, my Personal Representative adjusts such amounts when the share of a beneficiary or a trust for a beneficiary is finally determined.

3. Sell Property. I authorize my Personal Representative to sell any real or personal property which I may own at my death and which is not specifically bequeathed by this Will without order of court, and for that purpose to return and pay brokers and agents.

4. Independent Administration. I authorize my Personal Representative, in my Personal Representative's discretion, to administer my estate independently without adjudication, order or direction of court.

5. Ancillary Administration. I authorize my Personal Representative to select and compensate any ancillary administrator who qualifies that may be necessary without domiciliary probate court approval.

6. Tax Elections. I authorize my Personal Representative to make or not to make tax elections available to my estate.

SEVENTH: Application of Participation Agreement, Custody Agreement and Certificate of Incorporation to Shares of Common Stock of MiTek, Inc. All shares of common stock, par value $.01 per share, of MiTek, Inc., a Delaware corporation (the "Company"), owned by me (the "Shares") are subject to the provisions, conditions, obligations and restrictions set forth in (i) that certain Equity Participation Agreement (the "Participation Agreement"), by and among the Company, Berkshire Hathaway Inc., myself, and the other individuals named therein, (ii) a related Custody Agreement among the custodian named therein, the Company, Berkshire Hathaway, myself, and the other individuals named therein (the "Custody Agreement"), and (iii) the Certificate of Incorporation of the Company, as it may be amended from time to time (the "Certificate"). All of the provisions, conditions, obligations and restrictions set forth in the Participation Agreement, the Custody Agreement and the Certificate shall be binding on my heirs and the Executor or Personal Representative of my estate for all purposes, and the Executor or Personal Representative is hereby instructed to abide by, and to act at all times in accordance with, such provisions, conditions, obligations, and restrictions.

This Article shall take precedence over any other provision of the Will that may be interpreted to be in conflict with or contrary to the provisions of this Article.

Signed this 26th day of August, 2005.
