specified in this Declaration through the Declarant, a self-insured for profit corporation, and reimburse the Declarant for the cost thereof. Insurance obtained by or through the Declarant shall satisfy all insurance responsibilities of the Board. The Board may (but shall not be required to) require of those performing any maintenance, repair, or other work on the Property for which the Association is responsible, such liability or other insurance, including workmen's compensation, as it deems reasonably necessary or desirable given the nature, circumstances, and amount of the work to be performed. Insurance obtained by or through the Declarant shall satisfy all insurance responsibilities of the Board.

a. Casualty Insurance – Association Property. To the extent deemed desirable by the Board, the Association shall obtain and keep in full force and effect at all times, to the extent reasonably obtainable, casualty, fire, and extended coverage insurance with respect to all Common Elements, Improvements and personal property owned by the Association.

b. Casualty Insurance – Units. The Board shall have the authority and shall obtain insurance for each Unit against loss or damage by fire, vandalism, malicious mischief, and such other hazards as are covered under standard extended coverage provisions for the full insurable replacement cost of such Units and against such other hazards and for such amounts as the Board may deem advisable. Insurable replacement cost shall be deemed the cost of restoring such Units, or any part thereof, to the specifications for the original construction of the Units. Such insurance coverage shall be written in the name of the Association, and the proceeds thereof shall be payable to the Board, as the trustee for the Association, and the policy shall include a standard mortgage clause or equivalent endorsement. The policy of insurance shall be a "blanket" or "master" type of policy and should also contain, if possible, a waiver of subrogation rights by the insurer against individual Owners of Units.

c. Liability Insurance. To the extent deemed desirable by the Board, the Association shall obtain and keep in full force and effect at all times, to the extent reasonably obtainable, broad form comprehensive liability insurance covering public liability for bodily injury and property damage.

d. Common Elements. The Board shall have the authority and shall obtain insurance for the Common Elements, against loss or damage by fire, vandalism, malicious mischief, and such other hazards as are covered under standard extended coverage provisions for the full insurable replacement cost of the Common Elements and against such other hazards and for such amounts as the Board may deem advisable. Insurable replacement cost shall be deemed the cost of restoring the Common Elements, or any part thereof, to substantially the same condition in which they existed prior to damage or destruction. Such insurance coverage shall be written in the name of the Association, and the proceeds thereof shall be payable to the Board, as the trustee for the Association, and the policy shall include a standard mortgage clause or equivalent endorsement. The policy of insurance shall be a "blanket" or "master" type of policy and should also contain, if possible, a waiver of subrogation rights by the insurer against individual Owners of Units.

e. Units and Private Elements. EACH UNIT OWNER (OR OCCUPANT AS THE CASE MAY BE) SHALL BE RESPONSIBLE FOR OBTAINING INSURANCE FOR ANY PERSONAL PROPERTY OF THE OWNER STORED IN THE UNIT OR ELSEWHERE ON THE PROPERTY. In addition, each Owner shall be responsible for obtaining his own insurance insuring said Owner personally from liability in connection with the ownership, possession, use, and occupancy of his Unit and the Private Elements. Such insurance shall not be the responsibility of the Association, and by acceptance of a deed to a Unit, each Unit Owner acknowledges that such insurance is and shall be the sole responsibility of said Unit Owner. Upon request by the Board, a Unit Owner shall deliver to the Board within ten (10) days a copy of the Certificate of Insurance covering such Owner's Unit, and including the Association, the Board, and its affiliates, officers, employees, and its manager as additional insured on a primary and non-contributory basis. Prior to any work commencing on the Owner's Unit, for which the Owner is responsible, the Owner shall provide and cause each contractor or subcontractor to provide evidence of insurance including the Association, the Board, and its affiliates, officers, employees, and its manager as additional insured, of such liability, casualty or other insurance with reasonable limits subject to the Board's approval, including workmen's compensation, given the nature, circumstances, and amount of the work to be performed. All such insurance policies of Owner, contractors and subcontractors shall include (i) a waiver of subrogation as to any claims against the Association's Board, its affiliates, officers, employees, and its manager and (ii) an endorsement requiring at least thirty (30) days' prior written notice to the Association of any cancellation, substantial modification, or non-renewal.

f. Fidelity Coverage. To the extent reasonably obtainable, the Association may obtain and keep in full force and effect at all times a fidelity policy or bond providing fidelity coverage against dishonest acts on the part of the Managing Agent, directors, officers, employees, and volunteers of the Association responsible for handling funds collected and held for the benefit of the Owners or otherwise belonging to or administered by the Association.

g. Coverage Sufficiency and Deductibles. The Association shall periodically review the sufficiency of insurance coverage. All Association policies shall provide for a certificate of insurance to be furnished to the Association and, upon written request, to any Member. The policies may contain a reasonable deductible. In the event of an insured loss of the Association, the deductible shall be treated as part of the Common Assessments. In the event of an insured loss of the Association, the deductible shall be treated as part of the Assessments. However, if the Board reasonably determines, after notice and an opportunity to be heard in accordance with the By-Laws, that the loss is the result of the negligence or willful misconduct of one or more Owners, their guests, invitees, or lessees, then the Board may levy an Assessment of the full amount of such deductible against such Owner(s) and their Units, as applicable. The Board is authorized to obtain the insurance policies and coverage(s) specified in this Declaration through the Declarant and reimburse the Declarant for the cost thereof.

h. Policy Requirements. All insurance coverage obtained by the Board shall: (i) be written with a company authorized to do business in the State of Tennessee, which satisfies the requirements of the Federal National Mortgage Association, or such other secondary mortgage market agencies or federal agencies as the Board deems appropriate; (ii) be written in the name of the Association as trustee for the Owners, who shall be insured under such policy to the extent of the Owners' interest; (iii) not be brought into contribution with insurance purchased by Owners, occupants, or their Mortgagees, individually; (iv) contain an inflation guard endorsement; and (v) include an agreed amount endorsement, if the policy contains a co-insurance clause.

i. Additional Requirements. In addition, the Board shall use reasonable efforts to secure insurance policies which list the Owners as additional insureds and provide: (i) an endorsement requiring at least thirty (30) days' prior written notice to the Association of any cancellation, substantial modification, or non-renewal; (ii) cross liability provision; and (iii) a provision vesting in the Board exclusive authority to adjust losses.

j. General Provisions. Insurance obtained by the Association may contain such deductible provisions as good business practice may dictate. Casualty insurance obtained by the Association shall, to the extent reasonably possible without undue cost, contain a waiver of rights of subrogation as against the Association and each Owner as against any officer, director, agent, or employee of any of the foregoing. To the extent reasonably possible, and provided Declarant reimburses the Association for any additional premium payable on account thereof, insurance obtained by the Association shall name Declarant and any Managing Agent as an additional insured and contain a waiver of rights of subrogation as against Declarant, the Managing Agent, and any officer, director, agent, or employee of Declarant or Managing Agent. Casualty, fire, and extended coverage insurance may be provided under blanket policies covering the Property and/or property of Declarant. Each Owner hereby irrevocably appoints the Association as attorney-in-fact for the purpose of purchasing and maintaining such insurance, including: (a) the collection and appropriate disposition of the proceeds thereof; (b) the negotiation of losses and execution of release of liability; (c) the execution of all documents; and (d) the performance of all other acts necessary to accomplish such purpose.

k. Premiums. The premiums for insurance procured pursuant to this Declaration shall be a Common Assessment. In addition the premiums for insurance procured pursuant to this Declaration in connection with the Common Elements of the Property shall be an Assessment.

4.13. Easements. The Association shall have the power to grant permits and licenses, as well as easements for access, utilities, drainage, water facilities, and other matters, in, on, over, across, or under Property and any Common Elements, as may be reasonably necessary or useful for the proper maintenance of the Property or otherwise benefit the Association.

a. Public and Private Utilities. Easements for installation and maintenance of public and private utilities and drainage facilities are reserved as shown by public records.

A blanket, perpetual, and non-exclusive easement in, upon, over, across, and through the Common Elements is hereby reserved for the purpose of the installation, maintenance, repair, service, and replacement of all sewer, water, power, telephone, cable television systems, pipes, mains, conduits, poles, or transformers as well as any and all other equipment or machinery necessary or incidental to the proper functioning of any utilities systems servicing the Property, which easement shall be for the benefit of the Declarant, the Association, and any governmental agency, utility company, or other entity (public or private) which requires same for the purpose of furnishing one or more of the foregoing services.

b. Declarant. During the Appointment Period, an easement is reserved to Declarant in, upon, over, under, across, and through the Common Elements in order to maintain such facilities and perform such operations as in the sole discretion of Declarant may be reasonably required, convenient, or incidental to the construction and maintenance of Improvements of any kind, including, without limitation, a business or sales office(s), storage area(s), construction yards and signs.

c. Association. A blanket, perpetual, and non-exclusive easement of unobstructed ingress and egress in, upon, over, across, and through the Common Elements, is hereby reserved to the Association, the Board, Managing Agent or their respective agents or employees for the purpose of maintaining, repairing, and replacing the Common Elements, or any equipment, facilities, or fixtures affecting or servicing same as well as to remedy any violations of the provisions of this Declaration or any Governing Documents; provided that requests for entry upon any Unit and its Private Elements are made in advance and that any such entry is at a time reasonably convenient to the Owner. In the case of an emergency or the Owner's uncooperative or untimely response to such request, the right of entry shall be immediate, whether the Owner is present at the time or not.

d. Construction and Sale Easement. Notwithstanding any provision contained in this Declaration or the Governing Documents, until the termination of the Appointment Period and thereafter so long as Declarant owns any property in the Property for development or sale, Declarant reserves an easement across the Property for Declarant and any builder or developer approved by Declarant to maintain and carry on development activities, upon such portion of the Property as Declarant may deem desirable or necessary. This reserved easement shall include an easement for such facilities and activities which, in the sole opinion of Declarant, may be required, convenient or incidental to the development, construction and sales activities related to property within or near the Property. This easement shall include, without limitation: (i) the right of access, ingress and egress for vehicular and pedestrian traffic and construction activities over, under, or in any portion of the Property as well as any Unit therein; (ii) the right to tie into any portion of the Property with driveways, parking areas and walkways; (iii); the right to tie into or otherwise connect and use (without a tap-on or any other fee for so doing), replace, relocate, maintain, and repair any device which provides utility or similar services; (iv) the right (but not the obligation) to construct recreational facilities on Common Elements; (v) the right to carry on sales and promotional activities in the Property; (vi) the right to place direction and marketing signs on any portion of the Property, including any Unit or Common

Elements; (vii) the right to construct and operate business offices, signs, construction trailers, model residences, and sales offices incidental to the construction, development and sales activities; and (viii) Declarant may use residences, offices, or other building owned or leased by Declarant or such builder or developer as model residences and sales offices, and may also use recreational facilities available for use by the Property as a sales office or for marketing purposes without charge. Rights exercised pursuant to such reserved easement shall be exercised with a minimum of interference to the quiet enjoyment of affected property, and reasonable steps shall be taken to protect such property from damage. Any damage shall be repaired by the Person causing the damage at its sole expense.

e. Association Maintenance, Safety and Security. The Association shall have the right, but not the obligation, to enter upon any Unit for emergency, security and safety reasons, to perform maintenance as further set forth in Article V herein, and to inspect for the purpose of ensuring compliance with the Governing Documents. Such right may be exercised by any member of the Board, the Association's officers, agents, employees, and managers, and all police officers, firefighters, ambulance personnel and similar emergency personnel in the performance of their duties. Except in an emergency situation, entry shall only be during reasonable hours and after notice to the Unit Owner. This right of entry shall include the right of the Association to enter upon any Unit to cure any condition which may increase the possibility of a fire, slope erosion or other hazard in the event a Unit Owner fails or refuses to cure the condition within a reasonable time after requested by the Board.

f. Declarant Inspect and Right to Correct. Declarant reserves for itself and others it may designate the right to inspect, monitor, test, redesign and correct any structure, improvement, or condition which may exist on any portion of the Property, including Units, and a perpetual, nonexclusive easement of access throughout the Property to the extent reasonably necessary to exercise such right. Except in an emergency, entry onto a Unit shall be only after reasonable notice to the Owner and no entry into a dwelling shall be permitted without the consent of the Owner. The Person exercising this easement shall promptly repair, at such Person's own expense, any damage resulting from such exercise.

g. Federal, State and Local Entity. An easement is hereby established for the benefit of any applicable federal, state, or local entity over all portions of the Property for the setting, removing, and reading of water meters; for maintaining and replacing water, sewage, and drainage facilities; for police protection, fire-fighting, and garbage collection; and rendering of such other services as are appropriate and necessary for the use and enjoyment of the Property.

h. Encroachment – Common Elements. If any portion of the Common Elements, including the Limited Common Elements, shall actually encroach upon any Unit or its Private Elements, or if any Unit or its Private Elements shall actually encroach upon any portions of the Common Elements as shown on the Site Plan due to engineering errors, errors in original construction, settlement, or shifting of a Building or any similar cause, there shall be deemed to be mutual easements in favor of the respective Unit Owners

involved to the extent of such encroachments so long as same exists; provided, however, in no event shall an easement for encroachment be created in favor of a Unit Owner, if said encroachment occurred due to the willful act of said Unit Owner.

i. Fence Easement. Declarant during the Appointment Period and thereafter the Board reserves an easement across any Private Element which borders upon or contains a portion of any pond, lake, dam, water facility, detention pond or retention pond for the purpose of access to such facility or pond, and for the purpose of erecting any fence which is either required by the subdivision development and construction plans or governmental regulation, rule, ordinance or plan approval requirement.

j. Electric Utility Easement. An perpetual, non-exclusive easement is hereby established and dedicated over and under the Common Elements for the benefit of the Nashville Electric Service for the purpose of installing, operating, and maintaining electric power distribution lines, as well as ingress and egress to and from such lines, as such power distribution lines may be appropriate and necessary for the use and enjoyment of the Property.

4.14. Condemnation.

a. Common Elements. If any Common Elements or interests therein are taken under exercise of the power of eminent domain or by purchase under threat thereof, the award in condemnation or the price payable shall be paid to the Association, except to the extent payable to any other Person with an interest in such property. The Association, by and through the Board, shall have the exclusive right to participate in such condemnation proceedings as they pertain to the Common Elements and to represent the interests of all Unit Owners in such proceedings. Each Unit Owner hereby irrevocably appoints the Association, by and through the Board and any such duly appointed trustee as such Unit Owner's attorney-in-fact for such purposes. All condemnation compensation, damages, or other proceeds received by the Association shall be payable to the Board for and on behalf of the Association. The Board shall disburse the net proceeds of such award on a fair and reasonable basis to the Mortgagees directly affected by the condemnation and the balance to the Unit Owners directly affected thereby. The decision of the Board as to the fairness and reasonableness shall be binding upon all parties, if such decision reasonably relates to the given facts.

b. Units. If a Unit or Units are acquired by a taking in condemnation or by eminent domain so as to leave the Unit Owner(s) with a remnant which may not practically or lawfully be used for any purpose permitted by this Declaration, upon acquisition by the condemning authority, unless the decree provides otherwise, each affected Unit shall thereafter be a Common Element and the Assessment related thereto shall be automatically reallocated to the remaining Units

4.15. Rules and Regulations. The Association, acting through the Board, or other appointed committee, may from time to time adopt, amend, repeal, and enforce Rules and Regulations as may be deemed necessary or desirable with respect to the interpretation and

implementation of this Declaration, the operation of the Association, and the use and enjoyment of the Property. Any such Rules and Regulations shall be uniformly applied, but the applicability of a particular rule to a particular situation shall be in the sole discretion of the Board. Each Owner shall comply with such Rules and Regulations. Notwithstanding anything to the contrary herein, no Rule or Regulation relating to leasing of Units shall be enforceable against Owners who did not consent in writing to such rule or regulation. In the event of any conflict between the Rules and Regulations and the provisions of this Declaration, the provisions of this Declaration shall prevail.

4.16. Enforcement. The Association, acting through the Board, shall have the power to enforce the provisions of this Declaration and the Governing Documents and shall take such action as the Board deems necessary or desirable to cause such compliance by each Owner by any one or more of the following means: (a) by commencing and maintaining actions and suits to restrain and enjoin any breach or threatened breach of the provisions of this Declaration or the Governing Documents, by mandatory injunction or otherwise; (b) by commencing and maintaining actions and suits to recover damages for breach of any of the provisions of this Declaration or the Governing Documents and for all expenses incurred in connection therewith, including reasonable attorney's fees; (c) by levying and collecting reasonable and uniformly applied fines and penalties established for breach of this Declaration or the Governing Documents; (d) by taking such action as reasonably necessary to bring a Unit and any Improvements thereon into compliance with this Declaration or the Governing Documents, the costs of which shall be at the Owner's sole expense; (e) by suspending the right to vote and/or the right to use and enjoy the recreational facilities; and (f) by exercising any remedy for nonpayment of Assessments as provided herein. The Association shall have a lien on any Unit and any Improvement thereon to secure payment of the amounts described in this Paragraph, and such lien may be enforced in the same manner and with the same priority as that of a lien for Assessments as provided herein. The Association, by contract or other agreement, may enforce county and city ordinances, if applicable, and local governments may enforce their ordinances within the Property.

4.17. No Waiver. The Association shall not be obligated to take action to enforce any covenant, restriction or rule which the Board reasonably determines is, or is likely to be construed as, inconsistent with applicable law, or in any case in which the Board reasonably determines that the position is not strong enough to justify taking enforcement action. Any such determination shall not be construed as a waiver of the right to enforce such provision under other circumstances or estop the Association from enforcing any other covenant, restriction or rule. The failure by the Declarant or the Board to enforce any covenant, restriction or Rule and Regulation provided in or by this Declaration or Governing Documents shall in no event be deemed a waiver of the right to do so thereafter.

4.18. Safety and Security. Each Owner and occupant of a Unit, and their respective guests and invitees, shall be responsible for their own personal safety and the security of their property within the Property. The Association may, but shall not be obligated to, maintain or support certain activities within the Property designed to enhance the level of safety or security which each Person provides for himself or herself and his or her property. Neither the Association, the Declarant nor their officers, agents, members or employees shall in any way be considered insurers or guarantors of safety or security within the Property, nor shall any of the foregoing be held liable for any loss or damage by reason of failure to provide adequate security or

ineffectiveness of security measures undertaken. The obligation to provide security lies with each Owner individually. **No representation or warranty is made that any security system or measures, including any mechanism or system for limiting access to the Property, cannot be compromised or circumvented, nor that any such systems or security measures undertaken will in all cases prevent loss or provide the detection or protection for which the system is designed or intended. Each Owner acknowledges, understands, and shall be responsible for informing its guests, invitees, tenants and all occupants of a Unit that the Association, its Board of Directors and committees, and the Declarant are not insurers or guarantors of safety or security and that each Person within the Property assumes all risks of personal injury and loss or damage to property, including Units, Improvements thereon and the contents within Units, resulting from acts of third parties.**

4.19. General Corporate Powers. The Association shall have all of the ordinary powers and rights of a Tennessee nonprofit corporation, including without limitation, the power and right to enter into partnerships and other agreements, subject only to such limitations upon such powers as may be set forth in this Declaration or in the Articles of Incorporation for either Association or the By-Laws. The Association shall also have the power to do any and all lawful things which may be authorized, required, or permitted to be done under this Declaration or under the Governing Documents, and to do and perform any and all acts which may be necessary or desirable for or incidental to, the exercise of any of the express powers or rights of the Association under this Declaration or under the Governing Documents.

Article V
PROPERTY MAINTENANCE

5.1. General Owner Use and Enjoyment Rights. Except as may be provided in this Declaration or the Governing Documents, every Owner shall have a right and easement of enjoyment in and to the Common Elements, which shall be appurtenant to and shall pass with the title to each Unit, subject to applicable law, the provisions contained in this Declaration, and the Governing Documents.

5.2. No Partition. No Owner shall have the right to partition or seek partition of the Property or any part thereof.

5.3. Owner Liability for Damage. Each Owner and any tenant, occupant, family member, guest, agent, servant, or invitee thereof shall be liable to the Association for any damage to the Property or for any expense or liability incurred by either Association, to the extent not covered by insurance, which may be sustained by reason of the negligence or willful misconduct of such Owner or tenant, occupant, family member, guest, agent, servant, or invitee of such Owner and for any violation by such Owner or tenant, occupant, family member, guest, agent, servant, or invitee of this Declaration or the Governing Documents. The Board shall have the power, as elsewhere provided in this Declaration to levy and collect Reimbursement Assessments against an Owner to cover the costs and expenses incurred by the Association on account of any such damage or any such violation of this Declaration or Governing Documents, or for any increased insurance premiums directly attributable to any such damage or any such violation.

5.4. Damage, Destruction, or Required Improvements. In the event of damage to Common Elements by fire or other casualty or in the event any governmental authority shall require any repair, reconstruction, or replacement of the Common Elements, the Association shall have the duty to repair, reconstruct, or replace the same. Any insurance proceeds payable by reason of damage or destruction of Common Elements by fire or other casualty shall be paid to the Association and shall be used and disbursed as provided herein. If funds from insurance proceeds or available reserves are insufficient to pay all costs of repair, reconstruction, or replacement of Improvements damaged or destroyed, or if the Association is required to make repairs, replacements, or Improvements by governmental authorities, the Association may, in order to make up any deficiency in the insurance proceeds or to pay for the required repair, replacement, or Improvement, levy a Special Assessment as provided herein, or if an Owner or group of Owners is liable or responsible for such damage, levy a Reimbursement Assessment against the Owner or group of Owners responsible therefor, to provide the additional funds necessary as elsewhere provided in this Declaration. Repair, reconstruction, or replacement of the Common Elements shall be done under such contracting and bidding procedures as the Board shall reasonably determine are appropriate.

5.5. Unit Damage or Maintenance. In the event of damage or destruction to any Improvement located on a Unit, the Board shall pay the affected Owner any casualty insurance proceeds for such Unit actually received by the Board pursuant to Section 4.12(b) above, and the respective Owner thereof agrees as follows:

a. In the event of total destruction, the Owner shall promptly clear the Unit of debris and leave same in a neat and orderly condition. To the extent the Owner desires to reconstruct the Improvement, any such reconstruction shall be accomplished in conformity with the Plans and specifications of the original structure so destroyed, subject to any changes or modifications as approved by the IRC.

b. In the case of partial damage or destruction, the Owner shall promptly clear the Unit of debris and cause the damage or destruction to be repaired and restored in a first class condition in accordance with the Plans and specifications of the original structure. Any change or alteration must be approved by the IRC. In no event, shall any damaged structure be left unrepaired and unrestored in excess of ninety (90) days.

c. If the correction of a maintenance or repair problem incurred on one Unit necessitates construction work or access on another Unit, the Owner shall have an easement on the property of the other Owner for the purpose of this construction. The Unit Owner performing said construction or repairs shall be responsible for the cost of restoration on any such Unit necessitated by the use of the easement thereon.

5.6. Property Damage or Maintenance. In the event of damage or destruction to any Improvement located on any Common Element, Unit Pad, Unit, Private Element or Limited Common Element, the following shall apply.

a. *Common Elements*. Except as otherwise provided herein, maintenance of, repairs to and replacements within the Common Elements shall be the responsibility of and

shall be furnished by the Association, the cost of which shall be part of the Assessment assessed to and paid by the Unit Owners benefitted thereby.

b. *Units, Private Elements, and Limited Common Elements*. Each Owner, at his own expense, shall furnish and be responsible for all maintenance of, repairs to and replacements within his Unit, as well as to the Private Elements and Limited Common Elements appurtenant to his Unit. If any Owner fails to maintain, repair, or replace any items required herein to be maintained, repaired, or replaced by said Owner, then the Board shall have the right, but not the duty, in its sole discretion, to carry out such maintenance, repair, or replacement, the cost of which shall become a Reimbursement Assessment attributable to such Unit.

c. Owner Liability for Damage. Each Owner and any tenant, occupant, family member, guest, agent, servant, or invitee thereof shall be liable to the Association for any damage to the Property or for any expense or liability incurred by the Association, to the extent not covered by insurance, which may be sustained by reason of the negligence or willful misconduct of such Owner or tenant, occupant, family member, guest, agent, servant, or invitee of such Owner and for any violation by such Owner or tenant, occupant, family member, guest, agent, servant, or invitee of this Declaration or the Governing Documents. The Board shall have the power, as elsewhere provided herein to levy and collect Reimbursement Assessments against a Unit Owner to cover the costs and expenses incurred by the Association or the Association on account of any such damage or any such violation of this Declaration or the Governing Documents, or for any increased insurance premiums directly attributable to any such damage or any such violation.

d. Damage Removal and Reconstruction. In the event of damage to Common Elements by fire or other casualty or in the event any governmental authority shall require any repair, reconstruction, or replacement of the Property, the Board shall promptly cause debris to be cleared and leave the same in a neat and orderly condition. The Board shall, in its sole and absolute discretion without intervention of any Owner, determine and arrange for prompt repair, restoration, and reconstruction of the damaged portion of such Common Elements and the Limited Common Elements in substantial accordance with the original plans and specifications therefore. Any change or alteration must be approved by the Board. Where the insurance indemnity is insufficient to cover the cost of such repairs, restoration and reconstruction, the deficit shall be paid by all Owners directly affected by the damage or destruction in a fair proportion as determined by the Board in its sole and absolute discretion. The Board shall not be responsible for the repair, replacement or restoration of any Unit, the Private Elements or any furnishings, fixtures, appliances, equipment, decorations, or landscaping installed in or for the sole benefit of a Unit by its Owner.

e. Non-Compulsory Reconstruction. Reconstruction shall not be compulsory where the whole or more than two-thirds (2/3rds) of any single Building is destroyed or damaged by fire or other casualty as determined by the Board. In such case and unless otherwise unanimously agreed upon by the Unit Owners directly affected by the casualty, the net proceeds of insurance policies shall be divided equally among such Owners and the

Mortgagees of the Units directly affected by the casualty as determined in the sole discretion of the Board, after paying from the share of each affected Owner or Mortgagee, as their interests may appear: (i) the costs of removing debris and returning the site to a condition compatible with the overall appearance of the Property, including without limitation, landscaping, and (ii) the just amount of any unpaid liens on any Unit in the order of priority of such liens. Provided, however, no such disbursement of the aforesaid insurance proceeds to any Owner or Mortgagee shall occur unless simultaneously with such disbursement each affected Owner delivers to the Board a recordable deed quit claiming his interest in his Unit and the Private Elements and Limited Common Elements appurtenant thereto to the Board, as trustee for the remaining Owners, and also delivers to the Board a recordable release of any liens on his Unit.

f. Withdrawal of Destroyed Unit(s). Upon recording of the deeds and releases referred to in the preceding paragraph as same relate to each such destroyed Unit, said Unit shall be deemed withdrawn and shall be thereafter deemed to be Common Elements. After the Board has effected any such withdrawal, the responsibility for the payment of future Assessments for any such withdrawn Unit shall cease.

5.7. Title to Association Properties upon Dissolution. In the event of the dissolution of the Association, the Property shall, to the extent reasonably possible, be conveyed or transferred to an appropriate public or governmental agency or agencies, or to a non-profit corporation, association, trust, or other organization, to be used, in any such event, for the common benefit of Owners for purposes similar to those for which the Property was held by the Association. To the extent the foregoing is not possible, the Property and the proceeds from the sale or disposition shall be distributed equally to the Owners.

Article VI
DECLARANT'S RIGHTS AND RESERVATIONS

6.1. Applicability and Term. Declarant shall have and hereby retains and reserves certain rights set forth in this Declaration with respect to the Association and the Property. Declarant's rights and reservations set forth herein shall be deemed excepted and reserved in each conveyance of property by Declarant to the Association, and in each deed or other instrument by which any property within the Property is conveyed, whether or not specifically stated therein. The rights, reservations, and easements of Declarant set forth in this Declaration during the Appointment Period may not, without Declarant's prior written consent, be modified, amended, rescinded, or affected by any amendment hereto, including any amendment of this Article. Declarant's consent to any such amendment shall not be construed as consent to any other or subsequent amendment. In the event of any conflict between the rights reserved to Declarant hereunder and any other provisions of this Declaration, then Declarant's rights shall control. In the event of Declarant default of its development loan or other financing related to the development of the Property that results in the transfer of ownership of the Property to the lender, then all of

Declarant's rights, duties, obligations, liabilities and any other responsibility set forth in this Declaration shall automatically be transferred and assigned to such lender.

6.2. Additional Improvements. Declarant shall have and hereby reserves the right, at any time and from time to time, but shall not have the obligation, to construct, at its expense, additional Improvements on Property which are for the betterment and enhancement thereof and for the benefit of the Association and the Owners. Declarant will convey or transfer such Improvements to the Association, which shall be obligated to accept title to, care for, and maintain the same as elsewhere provided herein.

6.3. Promotion and Marketing. Declarant shall have and hereby reserves the right to use the Property in connection with development, construction, promotion, marketing, sale and leasing of properties within the Property, by erecting and maintaining on any part of the Property such signs as Declarant, in its sole discretion, may deem desirable, necessary or proper in connection with the development, construction, promotion, marketing, sale and leasing of parcels of real property within the Property, and by permitting prospective purchasers of any of such parcels who are not Owners to enter upon Property; provided, however, that Declarant shall pay all costs occasioned by such use, including without limitation maintenance and repair expenses.

6.4. Development Completion. No provision of this Declaration shall be construed to limit the right of Declarant to or require Declarant to obtain approval: (a) to complete Improvements indicated on the Site Plan filed with this Declaration, as may be amended from time to time; (b) to create, add, withdraw, modify, alter, or redefine Units or Common Elements comprising the Property and, as applicable, the Townhouse Planned Unit Development; to subdivide Units or to convert Units into Common Elements; and to allocate Limited Common Elements to specific Units; (c) to make the Property part of a larger planned community or to subject same to a master association; (d) to excavate, cut, fill, or grade any property owned by Declarant or to construct, alter, remodel, demolish, or replace any Improvements on any Property; or (e) to require Declarant to seek or obtain the approval of the Association for any such activity or Improvement to property by Declarant on any Property. Nothing in this Paragraph shall limit or impair the reserved rights of Declarant as elsewhere provided in this Declaration.

6.5. Easements. Declarant shall have and hereby reserves the right to grant or create temporary or permanent easements and rights-of-way for access, utilities, water, drainage, and other purposes incident to development, construction, or sale within the Property, located in, on, under, over, and across Property, property owned by Declarant, provided that such easements and rights-of-way that are located within the Property do not unreasonably interfere with the rights of Owners.

6.6. Conveyance of Additional Property. Declarant shall have and hereby reserves the right, but shall not be obligated to, convey additional real property and improvements thereon to the Association at any time and from time to time in accordance with this Declaration.

Article VII
ASSESSMENTS

7.1. Covenant to Pay and Commencement. Each Owner, by acceptance of a deed to his Unit, whether or not it shall be so expressed in such deed, is thereby deemed to covenant and agree to pay to the Association: (a) Common Assessments, (b) Special Assessments, (c) Reimbursement Assessments, and (d) fines or charges which may be imposed against such Unit in accordance with the provisions of this Declaration. An Owner's obligation to pay Assessments and any other duly levied charge shall commence on the first day of the first month following the transfer or conveyance of an improved Unit for which a certificate of occupancy for residential use has been issued. The Assessments for the then current Assessment Year shall be prorated on the basis of the number of months remaining in such Assessment Year.

7.2. Common Assessment. The Board shall have the power and authority to levy a "Common Assessment" to fund the annual or other periodic costs of operating the Association, including expenses incurred in connection with any Administrative Function and other expenses duly incurred by or on behalf of the Association which are to be paid by each Owner to the Association. Expenses which may be duly incurred on behalf of the Association in connection with the performance of Administrative Functions include, without limitation, the following:

a. Expenses of maintenance, operation, repair, replacement, and security of the Common Elements, including, without limitation, costs of labor, equipment, and materials incurred in connection therewith.

b. Utility charges for utilities serving the Common Elements and for the lighting of streets throughout the Common Elements, as well as charges for other common services for the Property.

c. Expenses related to sprinkler systems, supplemental trash disposal, recycling collection, seasonal decorative lighting, and other seasonal landscaping.

d. Principal, interest, and other charges payable with respect to: *(i)* loans to the Association to provide funds to perform any Administrative Function or to pay any other obligation of the Association, including, without limitation, loans financing the construction of Improvements for the Property and *(ii)* loans from Declarant made to the Association to fund Association expenses prior to the time when Common Assessments payable by Owners other than Declarant are sufficient to fund the normal operating expenses of the Association.

e. Other expenses as may be determined from time to time by the Board to be incurred necessarily or appropriately for the performance of Administrative Functions, including, without limitation, taxes, insurance premiums, utility charges, and government charges not separately assessed against Units.

f. The establishment and maintenance of a reasonable reserve fund or funds for *(i)* maintenance, repair, and replacement of those portions of the Property and Improvements thereon that are the responsibility of the Association and that must be maintained, repaired, or replaced on a periodic basis; and *(ii)* to cover unforeseen operating contingencies or deficiencies arising from unpaid Assessments or liens, as well as from

emergency expenditures and other matters, all as may be authorized from time to time by the Board.

7.3. Common Assessment Calculation. Prior to commencement of each Assessment Year, the Board shall fix the amount of the Common Assessment by preparing a Budget for the Administrative Functions to be provided by the Association in the coming Assessment Year. The proposed Budget is to show the categories of expenses and the anticipated amounts of expenses for which Common Assessments are determined by the Board to be necessary or desirable, and shall reflect any expected income and estimated sources and amounts thereof of the Association for such Assessment Year, as well as any expected surplus from the prior Assessment Year. At the office of the Association or its agent, copies of the proposed Budget and the Budget for the current Assessment Year will be made available by the Association to any Person requesting a copy thereof upon payment of the reasonable expense of copying same. The Board shall allocate the Common Assessment equally among the Units.

7.4. Assessment Notice. Notice of any Assessment set forth herein shall be sent by prepaid U.S. Mail, FedEx, UPS, or other reputable private carrier, facsimile transmission, or electronic transmission at the address or other contact information provided to the Board by the Owner for notices provided herein or in the event no separate address or other contact information has been provided, then by prepaid U.S. Mail or hand delivery to the Owner's Unit. Such notice shall state the type of Assessment being levied, the amount to be paid, payment frequency (annual, quarterly, monthly, or as otherwise set by the Board), and the payment due date(s), as well as any other required information. Notices will be given to Owners in a reasonable period of time prior to the payment or first installment due date.

7.5. Delinquent Payment. All Assessments or other duly levied charge or fine under this Declaration shall be due and payable on date set forth in the notice related thereto. Any Assessment or any portion thereof not paid when due shall be deemed delinquent. Any Assessment delinquent for a period of more than ten (10) days shall incur a late charge in an amount as may be determined by the Board from time to time and shall bear interest from the date due at 10% per annum until paid, but in no event shall the interest charged be in excess of the Delinquency Interest Rate.

7.6. Failure to Establish Common Assessments. The failure by the Board to levy Common Assessments for any Assessment Year shall not be deemed a waiver or modification of any of the provisions of this Declaration or a release of liability of any Owner to pay Common Assessments, or any installment thereof, for that or any subsequent Assessment Year. In the event of such failure, the amount of the Common Assessment for that Assessment Year shall be, until subsequently modified by the Board, the same as for the most recent year for which Common Assessments shall have been levied.

7.7. Exempt Property. The Property or any portion thereof that is dedicated to and accepted by a local public authority, that is granted to or used by a utility company, or is designated as part of the Common Elements shall be exempt from Assessments.

7.8. Working Capital Fund Assessment. *Intentionally Deleted.*

7.9. Special Assessments. The Board may levy one or more Assessments to be known as "Special Assessments" for the purpose of raising funds, not provided by Common Assessments to: (a) construct or reconstruct, repair, remodel, replace, or maintain Improvements upon the Property, including necessary personal property related thereto, and to pay ad valorem taxes and insurance on the Property; (b) add to the Property; (c) provide for necessary facilities and equipment to offer the services authorized in this Declaration; (d) repay any loan made to the Association to enable it to perform any duty or function authorized in this Declaration; or (e) pay for any other cost or expense as determined by the Board. The amount of Special Assessment to be paid by each Owner shall be calculated in the same manner as Common Assessments and may be made payable in installments over a period that may extend beyond the Assessment Year in which the resolution was adopted. In addition to the other information required to be set forth in Assessment notices, a Special Assessment notice shall state the purpose of the Special Assessment.

7.10. Reimbursement Assessment. Subject to the provisions hereof, the Board may levy an Assessment, known as a "Reimbursement Assessment" against any Owner(s) to reimburse the Association for any loss sustained by reason of the willful or negligent failure of such Owner(s) to comply with this Declaration or the Governing Documents, which resulted in the expenditure of funds by the Association to remedy a problem or to cause such compliance. In addition to the other information required to be set forth in Assessment notices, a Reimbursement Assessment notice shall state the reason(s) therefor.

7.11. Declarant Responsibility. Until the termination of the Appointment Period, the Declarant shall not be liable for payment of assessments on its unsold Units. However, Declarant may, but shall not be obligated to, elect to contribute to the Association the difference between the amount of Assessments levied on all other Units subject to assessment and the amount of the Association's actual expenditures during the fiscal year (a "Subsidy"). Any Subsidy may be treated, in Declarant's discretion, as either: (a) voluntary contribution; (b) an advance against future Assessments (if any); or (c) a loan by Declarant to the Association. A Subsidy may be evidenced by one or more promissory notes from the Association in favor of Declarant or Declarant may cause the Association to borrow such amount from a commercial lending institution at the then prevailing rates for such a loan in the local area of the Property. Any Subsidy shall be disclosed as a line item in the Budget. The payment of a Subsidy in any year shall under no circumstances obligate Declarant to continue payment of such Subsidy in future years. In the event Declarant expends any of its own funds for Administrative Functions, Declarant shall be entitled to reimbursement from the Association or a credit for such sums against any Assessment that Declarant might be required to pay by virtue of being an Owner. Declarant will not be obligated to pay any operating fund deficiencies that are due to non-payment of Assessments by Owners other than Declarant, and nothing contained in this Paragraph shall be deemed to relieve or release any Owner from the obligation of that Owner to pay Assessments. The decision of Declarant to fund any deficit provided for herein may be satisfied in the form of a cash substitute or by "in kind" contribution of materials and substances or a combination thereof. All "in kind" contributions of services and materials shall be valued at the reasonable market value of such service or materials.

7.12. Enforcement: Liens and Personal Obligation. In order to secure payment of Assessments, fines, or other duly levied charges assessed against any Unit within the Property pursuant to this Declaration as same become due, there shall arise a continuing lien and equitable charge ("Assessment Lien") in favor of the Association for all such sums, together with court costs, reasonable attorney's fees, late charges, any other collection costs, and interest thereon as provided herein (collectively, "Noncompliance Damages"). If any Assessment, fine, or other duly levied charge remains unpaid for sixty (60) days from the original due date, the Association may, as the Board shall determine, institute suit to collect Noncompliance Damages, foreclose its Assessment Lien, or both. The Assessment Lien shall be in favor of the Association and each Owner, by acceptance of a deed to a Unit vests in the Association, or their agents, the right and power to sue or otherwise proceed against such Owner for the collection of Noncompliance Damages and/or to foreclose the Association's Assessment Lien. The Association shall have the power to bid on the Unit at any such foreclosure sale and to acquire, hold, lease, mortgage, and convey same except that the amount the Association may bid at any such sale may not exceed the total amount owed to the Association by the delinquent Owner. The Noncompliance Damages shall also be the personal obligation of the Person who was the Owner at the time the Assessment, fine, or other duly levied charge became due. Such personal obligation shall not pass to successors in title unless expressly assumed by them. Any sale or transfer described herein shall not relieve such Unit from liability for any Assessments accruing after such sale or transfer.

7.13. Priority of Assessment Lien. The Assessment Lien described in the preceding Paragraph shall be superior to all other liens and encumbrances on such Unit except for: (a) liens of ad valorem taxes; and (b) a lien for all sums unpaid on a first Mortgage, on any secondary purchase money Mortgage, or on any Mortgage to Declarant, and all amounts advanced pursuant to any such Mortgage and secured thereby in accordance with the terms of such instrument; provided, however, that the subordination of the Assessment Lien to the foregoing Mortgages shall apply only to Assessments that shall have become due and payable prior to a sale or transfer of such Unit pursuant to a foreclosure. Further, notwithstanding the foregoing, any Mortgage held by a party related to, affiliated with, or controlled by the Owner of the Unit on which such Mortgage exists shall not be entitled to such priority unless such Mortgagee obtains the written agreement of the Association that it will be entitled to such priority before making such Mortgage. All Persons acquiring other liens or encumbrances on any Unit after the recording of this Declaration shall be deemed to consent that such liens or encumbrances shall be inferior to such future equitable charges and liens for Assessments as provided herein, whether or not such prior consent shall be specifically set forth in the instruments creating such liens or encumbrances.

7.14. No Offsets. All Assessments shall be payable in the amounts specified in the notice related thereto, and no offsets or reductions thereof shall be permitted for any reason, including, without limitation, any claim of non-use of the Property or Improvements thereon or any claim that the Association, the Board, or any committee of the Board is not properly exercising its duties and powers under this Declaration.

7.15. Estoppel Certificate. Upon the payment of such reasonable fee as may be determined from time to time by the Board and upon the written request of any Owner or any Mortgagee or Person intending to acquire any right, title, or interest in the Unit of such Owner, the Association shall furnish a written statement setting forth the amount of any Assessments or other

amounts, if any, due and owing to the Association and then unpaid with respect to such Unit and/or the Owner thereof, as well as the amount of any Assessment levied against such Unit, which is not yet due and payable. Such statement shall, with respect to the Person to whom it is issued, be conclusive against the Association to establish that no greater or other amounts were then due or accrued and unpaid and that no other Assessments were then levied and unpaid against such Unit.

7.16. Records of Assessments. The Association shall cause to be maintained in the office of the Association or their Managing Agent a record of all Owners, their Unit(s) and the Assessments, fines, and/or other duly levied charges applicable thereto that shall be open to inspection by any Owner.

Article IX
IMPROVEMENTS AND ARCHITECTURAL STANDARDS

9.1. General. No structure shall be placed, erected or installed upon any Unit Pad, Unit or its Private Elements, and no Improvements (including staking, clearing, other site work, exterior alteration of existing improvements, painting or modifying fences, and planting or removal of landscaping materials) shall take place except in compliance with this Article and approval by the appropriate entity. Notwithstanding this, the Board may, by resolution, exempt certain activities from the application and approval requirements of this Article provided such activities are undertaken in strict compliance with the requirements of such resolution. Any Owner may remodel, paint, or redecorate the interior of structures on his Unit without approval. However, modifications to the interior of screened porches, patios, and similar portions of a Unit or upon a Unit visible from outside the Unit shall be subject to approval by the Board. No approval shall be required to repaint the exterior of a structure in accordance with the originally approved color scheme or to rebuild in accordance with originally approved plans and specifications. This Article shall not apply to the activities of Declarant, the Association.

9.2. Designation of Committee. The Association may have an Improvement Review Committee ("IRC"), which shall consist of no more than five (5) members. During the Appointment Period, the Declarant shall appoint the members of the IRC, who shall be subject to removal at any time by Declarant. Declarant in its sole discretion, may alone constitute the IRC and until the IRC is so appointed, all references herein to the IRC shall mean the Declarant. After the termination of the Appointment Period, the members of the IRC shall be appointed and shall be subject to removal at any time by the Board. After the termination of the Appointment Period, the Board alone may constitute the IRC and until the IRC is so appointed, all references herein to the IRC following the termination of the Appointment Period shall mean the Board. The IRC shall designate an individual as its secretary, and all communications with the IRC shall be conducted through the secretary.

9.3. Function of IRC. No Improvement shall be erected, constructed, placed, maintained, or permitted to remain on any portion of the Property until the Plans and specifications therefor showing the nature, kind, shape, height, materials, color, location, and any other information required by the IRC have been submitted to and approved in writing by the IRC. The IRC shall determine in its sole discretion whether or not the proposed Improvement, and all features thereof, is consistent with the overall development scheme for Hays Hill Townhouses and otherwise

compatible with other Improvements constructed within the Property. The IRC shall be the sole judge and arbiter of such consistency and compatibility. As a prerequisite to consideration for such approval, and prior to commencement of proposed work, the Owner, Builder, or any agent thereof shall make the necessary submissions as required by the IRC, together with the applicable fee(s), if any, to be charged by the IRC to defray its costs incurred in considering and acting upon any proposed Plans that may require changes for approval, including costs incurred in relation to an architect's review of the proposed Plans, if necessary. The IRC may refuse approval of any Plans that in its sole judgment are inconsistent with the overall purpose and aesthetic values of the Property or the architectural standards described herein and in the Design Guidelines, if any. The IRC shall be the sole arbiter of submitted Plans and may withhold its approval for any reason, including purely aesthetic reasons. The IRC has the authority to waive the requirements set forth in this Article or any portion thereof, as well as to pre-approve Plans and specifications for Builders constructing Improvements upon multiple Units.

9.4. Design Guidelines. The IRC may, in its discretion, promulgate Design Guidelines specifying acceptable architectural styles, permissible materials, and acceptable locations for the construction of all Improvements within the Property. All Plans for Improvements must be consistent with such Design Guidelines, which may be amended from time to time by the Declarant during the Appointment Period and thereafter the Board. Copies of the current Design Guidelines, if any, may be purchased at a reasonable cost.

9.5. Submission of Plans. Any Owner, Builder, or any agent thereof desiring to construct an Improvement upon any Unit Pad, or Unit shall first have detailed Plans prepared for such Improvement, which shall be prepared by a licensed architect or approved home designer acceptable to the IRC. The scaled Plans to be submitted for IRC review shall include at a minimum the following: (a) plot plan, survey or copy of the recorded plat showing the dimensions of the Unit, the proposed location of all Improvements to be placed upon the Unit, including but not limited to any detached structures such as sheds, garages, swimming pools, pool houses, guest houses, walls and/or fences; and the relationship of all such Improvements to the front, rear, and side property lines; (b) elevation drawings of the front, sides, and rear of any new structure included within the Improvements, together with all exterior color selections / schemes and building materials to be used; (c) a landscaping plan, including all driveways, sidewalks, and terraces; and (d) such other information as may be necessary or otherwise requested by the IRC.

9.6. Approval of Plans. The IRC will certify its approval or disapproval of the Plans within thirty (30) days of the IRC's acknowledged receipt of the Plans, specifications, review fee, and/or other requested information and/or materials. In its sole and uncontrolled discretion, the IRC may grant or withhold its approval of the Plans. By the purchase of property within the Property, every Owner shall be conclusively presumed to have consented to the exercise of discretion by the IRC. The IRC's approval of Plans for any Improvement shall be effective for a period of six (6) months only; and if construction of the proposed Improvements shall not have commenced within that time period, the approval shall no longer be valid. In the event written approval is not received within thirty (30) days after the Plans, specifications, review fee, and all requested additional information have been submitted and acknowledged as received by the IRC, then the request for approval shall be deemed DENIED.

9.7. Approval of Contractors. In order to minimize confusion and the complications which may result from the construction of a number of Improvements upon different Unit Pads or Units within the Property at the same time and in order to insure performance of high quality of construction, no construction shall be commenced upon any Unit Pad or Unit until the Declarant during the Appointment Period and thereafter the Board has given written approval of the Owner's contractor(s); provided, however, no liability shall accrue to the Declarant or the Board on account of such approval. Such contractors shall be licensed under the laws of the State of Tennessee and shall be sufficiently insured for the construction to be undertaken by such contractor.

9.8. Construction Compliance. If the IRC approves Improvement Plans, the Owner shall make a construction compliance security deposit or post a bond, letter of credit, or other acceptable collateral in such amount in the sole discretion of the IRC ("Construction Deposit") in order to insure compliance with the Plans by the Owner, his representatives and/or agents. Upon Owner's completion of construction, including the removal of all trash and debris, Owner shall notify the Board of same so that the completed construction and clean-up may be inspected, confirmed, and approved. Once the completed construction and clean-up have been inspected and approved, the Construction Deposit shall be refunded or released to the Owner; provided, however, the Board shall be entitled to deduct from the Construction Deposit any costs incurred by Declarant the Association to repair any damage to Common Elements or other Improvements within the Property and otherwise to maintain same in a clean and orderly fashion free of mud, dirt, or other debris. Further, the Board shall be entitled to deduct from the Construction Deposit the full amount of any fine assessed against the Owner by the Board for non-compliance with the approved Plans and/or covenants set forth herein.

9.9. Construction of Improvements. Once the IRC approves the Plans and the Owner has made the Construction Deposit, the Owner, Builder, or any agent thereof shall construct the Improvements in substantial conformity with the approved Plans. Actual construction shall be the responsibility of the Owner and shall commence before the expiration of the IRC's approval as provided herein above. At all times during the construction of any Improvement, the Declarant during the Appointment Period and thereafter the Board or an authorized agent thereof shall have access to same for the purpose of inspection and confirmation that the construction is in substantial accordance with the Plans as approved by the IRC and in compliance with this Declaration or other Governing Documents. If the construction is found not to be in substantial accordance with the Plans as approved by the IRC and/or in compliance with this Declaration, then the Declarant during the Appointment Period and thereafter the Board or an authorized agent thereof shall give written notice to the Owner of such non-compliance and the basis therefor. If the violation is not brought into compliance or a satisfactory resolution is presented in writing by the Owner and accepted by the Declarant during the Appointment Period and thereafter the Board within five (5) business days of the delivery of such written notice, then the Declarant during the Appointment Period and thereafter the Board shall be authorized: (a) to stop construction and all activities related thereto concerning any Improvement until same is made compliant; (b) to assess reasonable fines related to the non-compliance; and (c) to make the necessary corrections or to take necessary action to make the Improvements compliant at the Owner's expense.

9.10. Limited Effect of Plan Approval. The approval by the IRC of an Owner's Plans for the construction of an Improvement is not intended to be an approval of the structural stability,

integrity, or design of a completed Improvement, the safety of any component therein, or the compliance thereof with the regulatory requirements or any federal, state, or local law, regulation, or ordinance. This approval by the IRC is required solely for the purpose of insuring compliance with the covenants contained herein and further to insure the harmonious and orderly architectural and aesthetic development and improvement of the Property. Notice is hereby given to any future Owner and/or occupant of any completed Improvement and all invitees and other persons who may from time to time enter or go on or about such completed Improvement that no permission or approval granted by the IRC, the Declarant, or the Association with respect to the construction of any Improvement pursuant to this Declaration shall constitute or be construed as an approval of the structural stability, integrity, or design of a completed Improvement, the safety of any component therein or the compliance thereof with the regulatory requirements or any federal, state, or local law, regulation, or ordinance. As such, no liability shall accrue to the Declarant, the IRC, or to the Association in the event that any such construction shall subsequently prove to be defective or not in compliance with such requirements.

9.11. Compliance and Penalty. Failure to comply with any provision of this Article, Declarant during the Appointment Period and thereafter the Board may take such action as necessary to achieve compliance therewith, including, without limitation, assessment of fines that may be debited against the Construction Deposit. The Owner shall, upon demand, immediately reimburse Declarant or other performing party for all expenses incurred in so doing, including reasonable attorney's fees. Declarant and thereafter the Association shall have a lien on the Unit and the Improvements thereon to secure the repayment of such amounts. Such lien may be enforced in the same manner and with the same priority that the lien for Assessments may be enforced.

Article X
IMPROVEMENT RESTRICTIONS

10.1. General. The construction or installation of Improvements upon the Property shall comply with notes on the Site Plan, as may be amended from time to time; shall comply with all requirements set forth on the overall development plan for the Property, if any and as may be amended from time to time; and shall comply with all other applicable laws, ordinances, and regulations of governmental agencies (federal, state and local). In addition, the following provisions shall govern the construction and installation of all Improvements upon the Unit Pads, Units or Private Elements within the Property.

10.2. Unit Combination and Re-subdivision. If one or more contiguous Units are owned by the same Owner, they may be combined subject to compliance with applicable subdivision laws and regulations upon consent of Declarant during the Appointment Period and thereafter the Board for the purpose of placing approved Improvements thereon. Once combined, however, they shall retain their status as individual Units for purposes of Voting and Assessments.

10.3. Roofs. The roof of the dwelling or other approved structure shall be constructed or covered with asphalt or composition type shingles unless otherwise approved by the IRC. To the greatest extent possible, all roof stacks and plumbing vents shall be located on the rear slopes of the roof, and any alternative placement must be approved by the IRC.

10.4. Driveways and Sidewalks. The IRC shall approve the location, construction, design, and types of materials for all driveways and sidewalks. 10.5. Mailboxes. The IRC shall have the power to designate a specific, uniform type of mailbox for the Property or any subsection thereof. In the event that the specific, uniform mailbox required herein is not reasonably available, the IRC shall select the replacement mailbox to be used.

10.6. Fencing, Walls, and Hedges. Location, style, type, and materials of fencing, walls, and/or hedges must be approved by the IRC. No fence nor wall shall be shall be erected or maintained nearer to the front lot line than the rear of the dwelling, and for corner lots, not nearer to the lot line facing the more minor side street than the side the dwelling. Hedges, shrubbery or evergreens may be located nearer to the lots lines than fencing and walls, but their location must be approved by the IRC. No fence, wall, or hedge shall be allowed in any drainage easements that may exist on a Private Element. No fence, wall or hedge shall be more than six (6) feet in height, unless otherwise approved. Chain link and wire fences are specifically prohibited.

10.7. Yards. Private Elements are to be landscaped and maintained in an attractive manner that is compatible with neighboring Private Elements and respectful of views and privacy of adjacent Owners. Flowers, hedges, shrubs, trees, and other vegetation may be planted in the rear yard without IRC approval; however, Owners shall replace in a diligent manner any vegetation on their Private Elements that should die. If approved by the IRC, once a Unit Owner encloses his Private Elements with a fence, the maintenance of such enclosed area shall be the responsibility of such Unit Owner.

10.8. Grading and Drainage. No Owner shall excavate earth from any Private Element for any business purpose, except for the construction of the approved Improvements thereon, and no elevation changes will be permitted that could materially affect the surface grade of the Private Element without the consent of the IRC, which must also approve the nature, manner, and methods of the earthwork. Drainage of each Private Element shall conform to the general drainage plans for the Property. No storm water drain, roof down-spout, or ground water shall be introduced into the sanitary sewage system.

10.9. Compliance and Penalty. Failure to comply with any provision of this Article, Declarant during the Appointment Period and thereafter the Board may take such action as necessary to achieve compliance therewith, including, without limitation, assessment of fines or corrective action to bring such violation into compliance. The Owner shall, upon demand, immediately pay the fine and/or reimburse Declarant or other performing party for all costs incurred, including reasonable attorney's fees. Declarant and thereafter the Association shall have a lien on the Unit and Improvements thereon to secure payment of fines and/or reimbursement for such costs. Such lien may be enforced in the same manner and with the same priority that the lien for Assessments may be enforced.

Article XI
USE RESTRICTIONS

11.1. General. The following use restrictions apply to all Units, Private Elements and Improvements constructed thereon within the Property.

11.2. Residential Use. No Unit or Private Element shall be used for any purpose other than private, single family residential purposes and purposes incidental and necessary thereto. The foregoing restriction shall not, however, be construed in such a manner as to prohibit an Owner from: (a) keeping his personal business or professional records or accounts; or (b) handling his personal business or professional calls or correspondence from his Unit or Private Element. Such uses are expressly declared customarily incidental to the principal residential use and not in violation of said restriction. Further, the foregoing restriction shall not preclude real estate sales offices and construction trailers from being maintained on Units or Private Elements by or on behalf of Declarant for purposes of construction, development, and sale of same.

Failure to comply with this Declaration shall be a default under each such lease. No Owner may lease less than the whole of a dwelling. 11.8. Outside Recreation Equipment. All playground and recreational equipment (e.g. swings, slides, trampolines, playhouses, basketball hoops / backboards) shall be approved by the IRC prior to installation and must be used, erected, placed, or maintained to the rear of the Private Element. In no event, may such equipment be in the front of any Private Element or be visible from the roads. No flag poles or flag mounting structure or devise may be located on a Private Element without the approval of the IRC as to location and size.

11.10. Solar Panels. Solar panels, if approved by the IRC, shall not face the street and shall be compatible with the adjoining surface upon which they are mounted. The type, size, and location of any such solar panels shall be shown on Plans related to such Improvement and shall be subject to approval of the IRC, in its sole discretion.

11.11. Temporary Structures. No trailer, camper, garage, tent, shack, barn, shed, carport, or other outbuilding shall be erected, moved onto, stored or used on any Private Element as a residence, temporarily or permanently, nor shall any residence of a temporary character be permitted. Any detached structure must be located in the rear yard.

11.12. Detention Pond. Any detention pond or detention area, which encroaches on or lies wholly or partially within any Private Element shall not be filled, disturbed, or altered in any way by the Owner. The visible areas of these detention ponds or detention areas will be maintained and mowed within the boundaries of same as shown on the Site Plan. A perpetual easement is reserved to Declarant or any successor, assignee, or appointee of Declarant and/or the Board across any Private Element to repair or maintain such areas.

11.13. Curb Cuts and Damage. Any Owner or Builder who makes a curb cut or damages any Common Element shall be responsible for repairing same at his sole expense and at the direction and to the satisfaction of Declarant during the Appointment Period and thereafter the Board. Any such Owner or Builder shall reimburse Declarant or the Association for the cost of any such repairs, if Declarant or the Board repairs the damages.

11.14. Garage / Yard Sales. Garage sales or any other similar private or public sale of goods, personal property, or services shall not be allowed except for Association sponsored sales to be authorized by the Board and held only on specified days and at specified times on a community wide basis and in accordance with any Rules and Regulations to be established by the Board in connection therewith.

11.15. Garbage Disposal. Trash, garbage, or other waste shall be kept in sanitary containers and shall be disposed of in a clean and sanitary manner. 11.17. Vehicle Service. Junk vehicles, inoperable vehicles, unlicensed vehicles not for immediate use, or vehicles of any kind in disrepair, may not be kept or parked on any street or in public view within the Property. Notwithstanding the foregoing, any easements granted pursuant hereto are and shall be perpetual, except to the extent, if any, otherwise provided in the creation of any such easement, and except that any dedication to and acceptance by an appropriate governmental authority or any conveyance or grant to any appropriate public utility of the facilities that are the subject of any such easements shall terminate those easements if such dedication, conveyance, or grant so provides.

14.2. Notice to Owners. Notice to any Owner set forth herein shall be sent by prepaid U.S. Mail, FedEx, UPS, or other reputable private carrier, facsimile transmission, or electronic transmission at the address or other contact information provided to the Board by the Owner or in the event no separate address or other contact information has been provided, then by prepaid U.S. Mail or hand delivery to the Owner's Unit. Notices addressed as above shall be delivered in person with written acknowledgment of the receipt thereof or sent by prepaid U.S. Mail, FedEx, UPS, or other reputable private carrier, receipt signature required.

14.4. Statute of Limitation. No action in contract, tort, or otherwise against the Association, the Board, or the Declarant for any action or inaction by the same or to challenge the validity of this Declaration or any duly adopted amendment may be brought more than one (1) year after the occurrence of such action or inaction or the date this Declaration or other instrument is recorded.

14.6. Right To Mortgage Information. Each Owner hereby authorizes any Mortgagee holding a Mortgage on such Owner's Unit to furnish information to the Board concerning the status of such Mortgage and the loan which it secures, to the extent such information is appropriate to assist the Board in determining if such loan is a valid first Mortgage or secondary purchase money Mortgage.

14.7. Limitation on Liability. The Association, the Board, the IRC, any other committee established by the Board, the Declarant, and any member of the Board or any committee, officer, agent, or employee of any of them (collectively the "Indemnitees") shall not be liable to any Person for any mistake of judgment, whether negligent or otherwise, or for any action or any failure to act under this Declaration. In addition, the Board and the officers of the Association shall have no personal liability with respect to any contract or other commitment made by them, on behalf of the Association (except to the extent that such directors or officers may also be Owners). The Association, as an Administrative Function, shall indemnify, hold harmless, and defend the Board and such officers from any and all expense, loss, or liability to others on account of any such contract or commitment. In addition, the Indemnitees shall be indemnified and held harmless by the Association, as an Administrative Function, from any expense, loss, or liability to others by reason of having served in such capacity, against all expenses, losses, and liabilities, including court costs and reasonable attorney's fees incurred by or imposed upon such Person in connection with any proceeding to which he may be a party or may have become involved by reason of holding such position, whether or not he holds such position at the time such expenses are incurred, except in cases in which the expenses, losses, and liabilities arise from a proceeding in which such Person is adjudicated guilty of willful misfeasance, gross negligence, or bad faith in the performance of his duties and for which indemnification is prohibited by law under the Tennessee Not For Profit Corporation Act. In the event of a settlement of any such proceedings, the indemnification provided hereby shall apply only when the Board approves such settlement and reimbursement as being in the best interests of the Association. Any right of indemnification provided in this Paragraph shall not be exclusive of any other rights to which an Indemnitee may be entitled.

14.8. Perpetuities and Restraints on Alienation. If any of the options, privileges, covenants or rights created by this Declaration shall be unlawful, void or voidable for violation of the rule against perpetuities, then such provision shall continue only until twenty-one (21) years after the death of the survivor of the now living descendants of the President of the United States in office as of the date of the Recording of this Declaration.

14.9. Land Outside the Property. The restrictions created by this Declaration benefit and burden only the Property and no other land whatsoever. Notwithstanding any possible sharing of present or future facilities by other land, whether developed by Declarant or others, the general plan created by the restrictions of this Declaration extends only to the Property, and such restrictions are not intended to benefit any Persons other than those having an interest in the Property. No Person owning land or having an interest in land outside of the Property shall have any right whatsoever to enforce this Declaration for the benefit of such land, and neither the Association nor any Owner shall have the right to extend the enforcement of this Declaration to

any real property not within the Property. Provided, however, nothing contained herein shall in any way preclude or limit the applicable governing bodies from enforcing the terms of this Declaration and the Governing Documents.

14.10. General Development Information. Any brochures, maps, models, handouts, schematics, plans, and facilities provided or available in connection with the Property or the development, construction, promotion, sale, marketing, or leasing of Property or Improvements thereon: (a) are provided for general information purposes only; (b) are subject to change and deletion without notice by Declarant or by public or governmental authorities; and (c) shall not obligate Declarant to develop, construct, promote, market, sell, or lease any such property or Improvements whatsoever or in any particular manner, or to add to the Property.

14.11. Governing Law. This Declaration shall be construed, governed, and enforced under and in accordance with the laws of the State of Tennessee.

14.12. Interpretation. The Board shall have the right, power, and authority to determine all questions arising under or in connection with this Declaration and the Governing Documents and to construe and interpret its provisions, and any determination, construction, or interpretation made in good faith by the Board shall be binding on all Owners. In all cases, the provisions set forth in this Declaration shall be construed, in the opinion of the Board, to best effect the intent of the general purposes of this Declaration. The provisions hereof shall be liberally interpreted to effectuate the purposes set forth herein, and, if necessary, they shall be so extended or enlarged by implication as to make them fully effective.

14.13. Remedies Cumulative. The rights, powers and remedies provided in this Declaration shall be cumulative and not restrictive of other remedies at law or in equity, and the exercise by a Person of any particular right, power, or remedy shall not be deemed an election of remedies or to preclude such Person's resort to other rights, powers, or remedies available to it.

14.14. Partial Invalidity. Invalidation of any one or more of the provisions of this Declaration by judgment or court order shall not affect any other provision not expressly held to be void or the provisions so void in circumstances or applications other than those expressly invalidated, and all such remaining provisions shall remain in full force and effect together with the provisions ruled upon as they apply to circumstances other than those expressly invalidated.

14.15. Severability. If any provision of this Declaration, the Governing Documents or any section, sentence, clause, phrase, word or the application thereof in any circumstance is held invalid; the validity of the remainder of this Declaration and the Governing Documents and of the application of any such provision, section, sentence, clause, phrase or word in any other circumstances shall not be affected thereby, and the remainder of this Declaration or the Governing Documents shall be construed as if such invalid part was never included therein and shall be enforced to the greatest extent permitted by law.

14.16. Captions and Gender. The captions herein are inserted only as a matter of convenience, and in no way define, limit or describe the scope of these provisions or the intent of any provision hereof. The use of the masculine gender in this Declaration and in the Governing

Documents shall be deemed to include the feminine and neuter references, and the use of the singular shall be deemed to include the plural whenever the context so requires.

14.17. Exoneration of Declarant. Each Owner or any other party having an interest in any portion of the Property expressly agree that no duty or obligation is imposed upon the Declarant to enforce or attempt to enforce any of the covenants or restrictions contained herein, nor shall the Declarant be subject to any liability of any kind or nature whatsoever in respect to any claim that the Declarant has failed to enforce same.

14.18. Conflicts in Legal Documents. In case of conflicts between the provisions in this Declaration and the Governing Documents this Declaration shall control.

14.19. Effective Date of Declaration. The effective date of this Declaration shall be the date of its recording in the Register's Office for Davidson County, Tennessee.

14.20. Attorney's Certificate. The attorney's opinion as required under the terms of Tennessee Code Annotated § 66-27-103 is attached hereto as **Exhibit E** and made a part hereof.

BY ACCEPTANCE OF A DEED TO THE PROPERTY OR UNIT THEREON, EACH OWNER ACKNOWLEDGES THAT HE OR SHE HAS SOUGHT AND RECEIVED SUCH AN OPINION OR HAS MADE AN AFFIRMATIVE DECISION NOT TO SEEK SUCH AN OPINION. THE DECLARANT AND BUILDERS ARE RELYING ON EACH OWNER CONFIRMING IN ADVANCE OF ACQUIRING THE PROPERTY OR A UNIT

THEREON THAT THIS DECLARATION IS VALID, FAIR AND ENFORCEABLE. SUCH RELIANCE IS DETRIMENTAL TO THE DECLARANT AND BUILDER; ACCORDINGLY, AN ESTOPPEL AND WAIVER EXISTS PROHIBITING EACH OWNER FROM TAKING THE POSITION THAT ANY PROVISION OF THIS DECLARATION IS INVALID IN ANY RESPECT. THIS RELEASE AND WAIVER IS INTENDED TO BE AS BROAD AND INCLUSIVE AS PERMITTED BY THE LAWS OF THE STATE OF TENNESSEE.

EACH BUYER OF THE PROPERTY, ANY PORTION THEREOF OR ANY UNIT THEREON ("BUYER") ACKNOWLEDGES AND AGREES THAT, TO THE GREATEST EXTENT PERMITTED BY APPLICABLE LAW, DECLARANT SHALL HAVE NO LIABILITY WHATSOEVER TO BUYER OR ITS SUCCESSORS IN INTEREST, INCLUDING ANY SUBSEQUENT OWNERS OF ANY HOMES OR IMPROVEMENTS, FOR ANY ACTUAL OR ALLEGED DEFECT OR DEFICIENCY IN THE QUALITY, DESIGN, MATERIALS, ENGINEERING, ARCHITECTURE, DEVELOPMENT OR CONSTRUCTION (OR ANY SIMILAR CLAIM) WITH RESPECT TO ANY HOME (EACH, A "CONSTRUCTION DEFECT"). BUYER ACKNOWLEDGES AND AGREES THAT, TO THE GREATEST EXTENT PERMITTED BY APPLICABLE LAW, DECLARANT SHALL HAVE NO OBLIGATION OR LIABILITY WHATSOEVER IN CONNECTION WITH ANY CONSTRUCTION DEFECT. BUYER ACKNOWLEDGES AND AGREES THAT IN NO EVENT SHALL DECLARANT HAVE ANY LIABILITY WHATSOEVER TO BUYER IN CONNECTION WITH ANY IMPROVEMENT, INCLUDING ANY ACTUAL OR ALLEGED DEFECT WITH RESPECT THERETO, AND BUYER IRREVOCABLY WAIVES ANY RIGHT TO SUE OR OTHERWISE TAKE ANY ACTION AGAINST DECLARANT IN CONNECTION WITH ANY IMPROVEMENT.

14.23. Arbitration of Claims.

(a) IF THE ASSOCIATION OR ANY UNIT OWNER ASSERTS A CAUSE OF ACTION THAT:

(i) INVOLVES IN WHOLE OR IN PART ANY ASPECT OF THE DESIGN, CONSTRUCTION, SALE MAINTENANCE, HABITABILITY OR CONDITION OF THE PROPERTY AND/OR THE IMPROVEMENTS, INCLUDING WITHOUT LIMITATION, ANY UNIT, THE COMMON ELEMENTS OR THE LIMITED COMMON ELEMENTS OF THE TOWNHOUSE PLANNED UNIT DEVELOPMENT;

(i) THE FOREGOING AGREEMENT TO ARBITRATE SHALL BE ENFORCEABLE UNDER THE PREVAILING TENNESSEE ARBITRATION LAW.

ARTICLE III
MEMBERS AND MEMBERSHIP PRIVILEGES

1. Eligibility and Membership. The Members of the Association shall consist of the Owners of a Unit within the Property. If an Owner is a trust, then the Member shall be a beneficiary of such trust; and if an Owner or such a beneficiary is a corporation or partnership, the Member may be an officer, partner, or employee of such Owner or beneficiary. No Member shall be required to pay any consideration whatsoever solely for membership in the Association.

2. Succession. The membership of each Owner shall terminate when he ceases to be an Owner, and upon sale, transfer, or other disposition of his ownership interest in the Property, his membership in the Association shall automatically be transferred to the new Owner succeeding to such ownership interest.

ARTICLE IV
MEETINGS OF MEMBERS

1. Annual Meetings. The first regular annual meeting of the Members may be held,

subject to the terms hereof on any day, at the option of the Board; provided, however, that the first meeting may (if necessary to comply with Federal Regulations) be held no later than the earlier of the following events: (a) four (4) months after all but five (5) of the Units collectively within the Property have been sold by the Declarant and/or its affiliates or (b) such earlier time as the Declarant may terminate the Appointment Period under the Declaration as evidenced in writing signed by the Declarant. Each subsequent regular annual meeting of the Members shall be held within twenty-five (25) days of the anniversary of the first regular annual meeting each year thereafter at such time as set by the Board.

2. Special Meeting. Following the Appointment Period, special meetings of the Members, for any purpose or purposes, may be called by the president, a majority of the Board, or by Members having not less than sixty-seven percent (67%) of the total Vote entitled to be cast at such meeting, except as otherwise required by Tennessee statute, the Declaration, or these By-Laws. Business transacted at all special meetings shall be confined to the business stated in the notice of such meeting. During the Appointment Period, special meetings of the Members, for any purpose or purposes, may only be called by the Declarant.

3. Place and Time of Meetings. Meetings of the Members of the Association and the Townhouse Association may be held at a place and at such time to be determined by the Board within Davidson County, Tennessee as specified in the written notice of such meeting.

4. Notice. By or at the direction of the Declarant, the president, the secretary, or the officer or Person authorized to call the meeting, written notice shall be sent to every Member of the Association entitled to Vote at such meeting by prepaid U.S. Mail, FedEx, UPS, or other reputable private carrier, or facsimile or electronic transmission to the address or other contact information provided to the Board by the Owner or in the event no separate address or other contact information has been provided, then by prepaid U.S. Mail or hand delivery to the Owner's Unit not less than ten (10) nor more than sixty (60) days prior to the date of such meeting. Said notice shall state the place, day, and hour of the meeting and in the case of a special meeting, the purpose(s) for which the meeting is called.

5. Quorum. The presence in person or by proxy of at least thirty-five percent (35%) of the Votes entitled to be cast at a meeting of the Members shall constitute a quorum at all meetings of the Members for the transaction of business. If, however, the Members entitled to Vote in person or represented by proxy present at a meeting fail to satisfy a quorum, the Members present shall have the power to adjourn the meeting, without notice other than announcement at the meeting, until a quorum shall be present or represented. Further, if a quorum is not present, a subsequent meeting may be called, and the required quorum shall be reduced by half at such meeting. Such procedure may be repeated until a quorum is established, although in no event may the required quorum be less than ten percent (10%) of the Votes entitled to be cast at a meeting of the Members.

6. Majority Vote; Withdrawal of Quorum. When a quorum is present at any meeting, the majority Vote of Members present, in person or by proxy, and entitled to Vote shall decide any question brought before such meeting, unless the question is one upon which by express provision

of an applicable Tennessee statute, the Declaration, or these By-Laws, a different Vote is required, in which case such express provision shall govern and control the decision of such question. The Members present at a duly organized meeting may continue to transact business until adjournment, notwithstanding withdrawal of enough Members to leave less than a quorum.

7. Method of Voting; Proxies. Each Member shall be entitled to cast one (1) Vote for each Unit owned by such Member as further provided in the Declaration. The Vote of each Member may only be cast by such Member or by a proxy duly executed and given by such Member to his authorized representative as set forth on such proxy. No proxy shall be valid for more than one meeting and shall bear the signature of the Member making the proxy, the date of the meeting to which the proxy relates, and the name of the authorized representative to Vote on behalf of the Member. Such proxy may not be revoked except by actual notice to the Person presiding over the meeting for which the proxy relates; and such proxy is void, if it is not dated or purports to be revocable without notice. Such proxy shall be filed with the secretary prior to or at the time of the meeting. If title to any property ownership interest in a Unit of the Property entitling the Member to Voting rights as provided in the Declaration is in the name of two or more Persons as co-owners, all such Persons shall be Members of the Association, referred to herein as a "Joint Member." Any such Joint Member is entitled to one unanimous Vote per entitled Member as provided in the Declaration at any meeting of the Members of the Association, and such Vote shall be binding upon the Joint Member until written notice to the contrary has been received by the Board identifying the authorized manner in which the Joint Member's unanimous Vote is to be cast (in person or by proxy). In the event of disagreement among such Joint Member to cast a Vote, such Joint Member shall not be recognized, and such Vote shall not be counted.

8. Assessment Default: No Owner who is in default in the payment of any Assessment or other duly levied charge shall be entitled to exercise his right to Vote until he has cured such default. An Owner may protest the amount of any Assessment or other duly levied charge, but it still must be paid during the pendency of his protest to the Association or its agent.

9. Action Taken Without a Meeting. The Members shall have the right to take any action in the absence of a meeting which they could take at a meeting by obtaining the written consent of the number of members which would otherwise be required to approve such action. For instance, if an action required the approval of Members holding a majority of the total Voting rights of the members, then a writing signed by Members holding a majority of the total Voting rights of the Members would be effective as if such approval was given at a meeting duly called for such purpose. Any action so approved shall have the same effect as though taken at a properly called meeting of the Members.

ARTICLE V
BOARD OF DIRECTORS

1. Board Authority and Number. The affairs of the Association shall be managed by a Board of Directors. During the Appointment Period, the members of the Board, who need not be Members of the Association, shall be appointed by the Declarant and shall serve at the pleasure of the Declarant. After the Appointment Period, the Board shall consist of not less than three (3)

nor more than five (5) directors each of whom must individually be a member of the Association or be the Declarant, its assignee or officer, agent, or representative thereof.

2. Election. After the Appointment Period, the election of the members of the Board to be elected for a particular year shall occur at the annual meeting of the Members. The election of the Board by the Owners shall be based on the number of Persons receiving the highest number of Votes for as many candidates as there are Directors being elected at a meeting of the Owners at which a quorum is present. Cumulative Voting is not permitted.

3. Nomination. Nomination for election to the Board shall be made by a Nominating Committee. Nomination may also be made from the floor at the annual meeting. The Nominating Committee shall consist of a Chairman who shall be a member of the Board and two or more Members of the Association. The Nominating Committee shall be appointed by the Board prior to each annual meeting of the Members to serve from the close of such annual meeting until the close of the next annual meeting, and such appointment shall be announced at each annual meeting. The Nominating Committee shall make as many nominations for election to the Board as it shall in its discretion determine, but not less than the number of vacancies that are to be filled.

4. Term of Office. Directors shall be elected for terms of two (2) years or until their successor is elected. Provided, however, the initial Directors elected by the Members after the Appointment Period shall be grouped into two (2) separate classes so that approximately one-half of total number of initially elected Directors are up for re-election each year. Thus, as to such initial Directors elected by the Members, the one-half of the Directors (or the minority if there is an odd number of Directors) receiving the fewest number of Votes will serve for a one (1) year term, and the other one-half of the Directors (or the majority if there is an odd number of Directors) receiving the highest number of Votes will serve for a one a two (2) year term.

5. Vacancies. If any vacancy occurs in the Board, caused by death, removal from office, retirement, resignation or disqualification, a successor(s) shall be elected by majority vote of the remaining Directors for the unexpired term of his predecessor in office. Any Director who ceases to be a Member of the Association during such Director's term in office shall cease being a Director effective with such change, and such Director's successor shall be selected by the remaining Members of the Board.

6. Director Removal by Board Members. Any Director may be removed from office with or without cause by the majority vote of the Directors, who shall elect a successor Director for the unexpired term of his predecessor in office by majority vote.

7. Director Removal by Members. Notwithstanding any provision to the contrary in the Declaration or these By-Laws, any member of the Board other than a member appointed by the Declarant may be removed with or without cause by majority Vote of all the Members of the Association.

8. Place of Meetings. The Board shall hold their meetings, both regular and special, in Davidson County, Tennessee or such other location as may be selected by unanimous consent

of the Directors then elected and serving. Regular meetings of the Board may be held without notice at such time and place as shall from time to time be determined by the Board. Special meetings of the Board may be called by the president or a majority of the Directors upon three (3) days written notice to each Director, either personally, by mail, by facsimile, or by other electronic transmittal. Except as may be otherwise expressly provided by Tennessee statute, the Declaration, or these By-Laws, neither the business to be transacted nor the purpose of any special meeting need be specified in a notice or waiver of notice.

9. Quorum. At all meetings of the Board, the presence of a majority of the Directors shall be necessary and sufficient to constitute a quorum for the transaction of business. The act of a majority of the Directors present at any such meeting at which there is a quorum shall be the act of the Board. If a quorum shall not be present at any meeting of the Directors, the Directors present may adjourn the meeting by announcement at the meeting without notice until a quorum shall be present.

10. Action Taken Without a Meeting. The Directors shall have the right to take any action in the absence of a meeting which they could take at a meeting by obtaining the written approval of all the Directors. Any action so approved shall have the same effect as though taken at a meeting of the Directors.

11. Compensation. No Director shall receive compensation for any service he may render to the Association. However, any Director may be reimbursed for his actual expenses incurred in the performance of his duties.

12. Agents and Delegation of Powers. Except as otherwise prohibited by statute, the Declaration, or these By-Laws, the Board may delegate any of its powers to other Persons or Management Agent. Any such delegated powers shall be identified in writing maintained in the records of the Association.

ARTICLE VI

However, any such change, modification, or amendment that would change or delete any right, remedy, benefit, or privilege afforded to the Declarant under these By-Laws shall require the consent of the Declarant in order to be effective.

5. Indemnification. The Association shall indemnify any current or former Director, officer, or employee of the Association against expenses actually and necessarily incurred by him and any amount paid in satisfaction of judgments, in connection with any action, suit or

proceeding, whether civil or criminal in nature, in which he is made a party by reason of being or having been such a Director, officer or employee (whether or not a Director, officer or employee at the time such costs or expenses are incurred by or imposed upon him) except in relation to matters in which he shall have been adjudged in such action, suit or proceeding to be liable for gross negligence or willful misconduct in the performance of his duty. The Association may also reimburse to any Directors, officer, or employee the reasonable costs of settlement of any such action, suit, or proceedings; if it shall be found by a majority of the Directors not involved in the matter of controversy, whether or not a quorum, that it was in the interest of the Association that such settlement be made and that such Director, officer, or employee was not guilty of gross negligence or willful misconduct. Such rights of indemnification and reimbursement shall not be deemed exclusive of any other rights to which such Director, officer, or employee may be entitled by law or under by-law, agreement, Vote of Members, or otherwise.

6. Inconsistencies. In the event, these By-Laws shall be inconsistent with the Declaration, then the Declaration shall be controlling.

RE: Attorney Opinion Related to the Townhouse Planned Unit Development
Commonly Known as Hays Hill Townhouses

Dear Mr. Lamping:

It is our opinion that all legal documents required by the Horizontal Property Act as codified at Tennessee Code Annotated § 66-37-101 et seq (the "Act") for the creation of a Planned Unit Development have been prepared in connection with the above-referenced development and substantially comply with said provisions of the Act. As such, a Townhouse Planned Unit Development, a horizontal property regime with private elements, has been created under the Act.

Sincerely,

WORMAN LAW GROUP, PLLC
