ASSESSMENTS

Section 4.01 Liability, Lien, and Enforcement. The Association is given the authority to administer the operation and the management of the Condominium Property, it being recognized that the delegation of such duties to one entity is in the best interest of the Owners of all Master Units. To provide the funds necessary for such proper operation, the Association is hereby granted the right to make, levy, and collect annual assessments against the Owners of all Master Units to pay Common Expenses and such other expenses which the Association is authorized to incur under the terms and conditions of this Master Deed. The Association is also authorized to make, collect, and levy assessments against Master Unit Owners for reimbursement of expenses the Association is caused to incur by reason of any act of the Owner, his family members, guests, invitees, or tenants for damages of any nature and for penalties for rule violations. In furtherance of said grant of authority to the Association to make, levy, and collect assessments to pay the cost and expenses for the operation and management of the Condominium Property, the following provisions shall be effective and binding upon the Owners of all Master Units.

Section 4.02 Assessments.

(a) All assessments for the payment of Common Expenses shall be levied annually against the Owners of all Master Units, and unless specifically otherwise provided for in the Master Deed, each Owner of a Master Unit and the Master Unit shall bear the same percentage share of such assessment as the percentage share of ownership for the undivided interest in the Common Elements appurtenant to such Master Unit. The assessments for Common Expenses shall be payable over the course of the year in advance monthly installments commencing for all Master Units on the date determined by Developer after the date of purchase of a Master Unit or in such other installments and at such times as may be determined by the Board of Directors of the Association. To the extent the initial assessment includes charges for utilities and other costs which will not be incurred by the Association until a Master Unit or Sub Unit is initially occupied, then the Association may make an equitable reduction in the amount of the regular assessment due from such Master Unit relating to such utility services and other costs as provided in Section 5.04.

(b) Assessments for the payment of Limited Common Expenses shall be levied against the Owners of those Master Units to which the Limited Common Elements are appurtenant unless the Board of Directors determines that it would be as equitable and more efficient to include certain Limited Common Expenses in Common Expenses. The assessments for Limited Common Expenses, if any, shall be payable in such installments and at such times as may be determined by the Board of Directors of the Association.

(c) The Association may assess the Owners of Master Units for the repair and maintenance of various components of the Common Elements or Limited Common Elements based on the usage of any component of the Common Elements or Limited Common Elements. Such assessments shall not be included in the assessment for Common

Expenses but shall be payable in such manner and at such times as may be determined by the Board of Directors of the Association.

(d) Assessments for the expenses for maintenance, repair, and operation of the Parking Lot (the "Parking Lot Costs") shall be levied against the Owners of the Master Units having access and use of such Parking Lot. Each Owner of the Master Unit or Master Units having use and access of the Parking Lot, shall bear the same percentage share of such assessment as the percentage share of ownership for the undivided interest in the Common Elements appurtenant to such Master Unit.

(e) In the event a Master Unit has been submitted to an additional master deed creating an additional condominium or horizontal property regime, all assessments assessed against a Master Unit shall be paid by the Sub Association created under such additional master deed.

Section 4.03 **Annual Budget.** Within sixty (60) days prior to the beginning of each calendar year, the Board of Directors of the Association shall adopt a proposed annual budget for such calendar year, and such budget shall project the amount of funds for the forthcoming year which may be required for the proper operation, management, and maintenance of the Condominium Property, including reasonable allowances for contingencies and reserves for replacements. The Association shall not be required to include reserves for repairs and replacement if the provision for such reserves will result in tax liability to the Association for such revenues in excess of expenses. The Association shall also have the right to refund any assessments in excess of actual expenditures to avoid tax liability on such excess amounts. The budget shall consider any projected anticipated income which is to be applied in reduction of the amounts required to be collected as an assessment each year. Within thirty (30) days after adoption of such annual budget by the Board of Directors of the Association, copies of the budget shall be made available to each Master Unit Owner.

Should the Board of Directors at any time determine in the sole discretion of the Board of Directors that the assessments levied are or may prove to be insufficient for any reason including emergencies and non-payment of any Owner's assessment, the Board of Directors shall have authority to levy such additional assessments as it shall deem necessary in accordance with the applicable provisions of the Condominium Documents and the Act.

Section 4.04 **Omission of Assessment.** The omission by the Association, before the expiration of any year, to fix the assessments for that or the next year shall not be deemed a waiver or modification in any respect of the provisions of this Master Deed, or a release of any Owner from the obligation to pay assessments or any installment thereof for that or any subsequent year, but the assessment fixed for the preceding year shall continue until a new assessment is fixed.

Section 4.05 **Detailed Records.** The Association shall keep detailed, accurate records in chronological order of the receipts and expenditures affecting the Common Elements, specifying and itemizing the maintenance and repair expenses of the Common Elements, Limited Common Elements, and any other expenses incurred. The Association shall make available to Owners, Mortgagees, and lenders on any Master Unit or Sub Unit the books, records, and financial statements of the Association. The Association shall make available to prospective purchasers the most recent annual audited financial statement of the Association, if such is prepared. "Available" means available for inspection upon request during normal business hours or under other reasonable circumstances.

Section 4.06 **Payment of Common Expenses and Limited Common Expenses by Unit Owners.** All Master Unit Owners shall be obligated to pay any assessment for Common Expenses and Limited Common Expenses adopted by the Board of Directors pursuant to the terms of this Article IV. No Master Unit Owner may exempt himself from liability for his contribution toward Common Expenses or Limited Common Expenses by waiver of the use or enjoyment of any of the Common Elements, Limited Common Elements, or by abandonment of his Unit. No Master Unit or Sub Unit Owner shall be liable for the payment of any part of the Common Expenses or Limited Common Expenses assessed against his Master Unit or Sub Unit subsequent to a sale or other conveyance by him of such Master Unit or Sub Unit. The purchaser of a Master Unit or Sub Unit shall be jointly and severally liable with the selling Master Unit or Sub Unit Owner for all unpaid assessments against the latter, up to the time of conveyance without prejudice to the purchaser's right to recover from the selling Master Unit or Sub Unit Owner the amounts paid by the purchaser therefor. Whenever any Master Unit or Sub Unit may be sold or mortgaged by the Owner thereof, which sale shall be concluded only upon compliance with the other provisions of this Master Deed, the Association, upon written request of the Owner or purchaser of such Master Unit or Sub Unit, shall furnish to the Owner, the purchaser, or any proposed Mortgagee a statement verifying the status of

the payment of any assessment which shall be due and payable to the Association by the Owner of such Master Unit or Sub Unit. Any purchaser or proposed Mortgagee may rely upon such statement in concluding the proposed lease, purchase, or mortgage transaction, and the Association shall be bound by such statement. In the event that a Master Unit or Sub Unit is to be sold or mortgaged when any assessment is outstanding against the Owner of such Master Unit or Sub Unit and such assessment due the Association is in default, the purchase or mortgage proceeds shall first be paid by the purchaser or Mortgagee to the payment of any delinquent assessment or installment due the Association before the payment of proceeds to or on behalf of the selling Master Unitor Sub Unit Owner. The provisions of this section shall not apply to Master Units or Sub Units owned by the Developer until a deed for such Master Unit or Sub Unit has been delivered to a purchaser other than Developer.

Section 4.07 Default in Payment of Assessments.

(a) The payment of any assessment or installment thereof due the Association shall be in default if such assessment or any installment thereof is not paid to the Association on or before the due date for such payment When in default, the delinquent assessment or delinquent installment due the Association shall bear interest at the greater of (i) the maximum legal rate on judgments or (ii) 12%, but not to exceed the maximum rate allowed under applicable law (the "Interest Rate"), and such late fees and penalties provided in the Rules and Regulations of the Association, until such delinquent assessment or installments and all interest due thereon has been paid in full. The Association shall have a lien against Master Units and Sub Units for delinquent assessments. Such lien shall secure and does secure the monies due for all assessments then or thereafter levied against the Master Units and Sub Units, and such lien shall also secure interest, if any, which may be due on the amount of any delinquent assessment owing the Association. Such lien shall also secure all costs and expenses, including late penalties and attorneys' fees incurred by the Association in collecting delinquent assessments and enforcing the lien upon any Master Unit or Sub Unit and its appurtenant undivided interest in the Common Elements. The lien granted to the Association may be foreclosed in the same manner as real estate mortgages in the State of Tennessee, but the Association shall give reasonable advance notice of its proposed action to the Master Unit or Sub Unit Owner, the Mortgagee, and all other lienholders of record of the Master Unit or Sub Unit. The lien granted to the Association shall further secure such advances for taxes and payment on account of superior mortgages, liens, or encumbrances which may be required to be advanced by the Association in order to protect and preserve its lien. The Association shall further be entitled to interest at the Interest Rate on any such advance made for such purpose. Subject to the provisions of Section 4.07(b), all persons, firms, or corporations who shall acquire, by whatever means, any interest in the ownership of any Master Unit or Sub Unit, or who may be given or may acquire a mortgage, lien, or other encumbrance thereon are hereby placed on notice of the lien rights granted to the Association and shall acquire such interest in any Master Unit or Sub Unit expressly subject to the lien.

(b) If any Master Unit has been submitted to an additional master deed resulting in the creation of Sub Units, the Association's lien for delinquent assessments and related expenses shall not attach to the Sub Unit of any Sub Unit Owner who makes timely payment of his share of the assessments assessed by the Association against the Master Unit containing such Sub Unit.

(c) The lien herein granted to the Association shall be effective upon the recording of this Master Deed in the Register's Office for Davidson County, Tennessee. No further recordation of any claim of lien for assessment under this section is required. Such lien shall include assessments, late fees, penalties, and other charges imposed by the Association for violations of this Master Deed, the By-Laws, and the Rules and Regulations and shall include interest, costs, attorneys' fees, advances to pay taxes, and prior encumbrances and interest thereon, all as above provided.

Section 4.08 Election of Remedies. Institution of a suit at law to collect payment of any delinquent assessments shall not be deemed to be an election by the Association which shall prevent it from thereafter seeking enforcement of the collection by foreclosure of any sums remaining owing to the Association. Nor shall proceeding by foreclosure to affect such collection be deemed to be an election precluding the institution of a suit at law to collect any sum then remaining owing to the Association. The Association shall be entitled to bid at any sale held in connection with the foreclosure of the assessment lien and may apply as a cash credit against its bid all sums secured by the lien enforced.

Section 4.09 Power of Sale to Enforce Assessment Lien.

(a) For and in consideration of the privileges, protections, mutual enjoyment and use of the Common Elements and the Limited Common Elements, the assumption of the obligations of Master Unit Owners as set forth in this Master Deed by Master Unit Owners, their successors and assigns, the receipt of which is hereby acknowledged, and to secure the payment of assessments for Common Expenses and other assessments assessed against a Master Unit Owner by the Association as provided in this Master Deed and By-Laws, interest, late charges, and attorney fees as provided herein, hereinafter collectively referred to as the "Secured Charges," a lien is expressly retained in favor of the Association on each and every Master Unit Owner's Unit and prorate interest in the Common Elements.

(b) For the purpose of better and more effectually securing the Secured Charges, rendering unnecessary court proceedings, for the enforcement of said lien, in the event of the nonpayment of the Secured Charges, and for the consideration of one dollar paid in cash, receipt of which is acknowledged, the Master Unit Owners, their heirs, successors, administrators, and assigns, hereinafter referred to as Trustors, hereby transfer and convey unto Wessley Inscoe, Trustee, a resident of Davidson County, Tennessee, his successors and assigns, their respective Master Units with the appurtenances, estate, title, and interest thereto belonging upon the uses and trusts set forth in this Section 4.09

(c) Trustors agree (i) to pay the Secured Charges when due, as provided in this Master Deed; (ii) to pay, discharge, or remove any and all liens (except a first mortgage or deed of trust) which may be hereafter placed against their Unit and which shall adversely affect the lien of this instrument of enforcement of the terms and provisions hereof, (iii) to keep their respective Master Units in good repair and preservation; (iv) to comply with all of the terms and conditions of this Master Deed and By-Laws and all rules and regulations of the Association; and (v) to pay, upon demand of Trustee or the Association, all the costs and expenses, together with reasonable attorneys' fees, of any court appearance or other proceedings required by Trustee, his successors, or the Association to enforce any provision of this Master Deed and By-Laws or any rule and regulation of the Association If any Trustor fails to do any of these things, then Trustee of the Association may do any or all of these things, and the amounts so paid shall bear interest at the highest rate allowed under applicable laws in effect, from time to time, from the day of payment and shall become a part of the Secured Charges secured hereby

(d) If a Trustor shall pay the Secured Charges when due, then this trust conveyance shall be of no further force or effect with respect to such Trustor's Master Unit. If the Secured Charges with respect to any Master Unit, or any portion thereof, are not paid promptly when due, this trust conveyance shall remain in full force and effect, and the said Trustee, or his successor in trust, is hereby authorized and empowered, upon giving twenty days' notice by three publications in any newspaper, daily or weekly, published in Davidson County, Tennessee, to sell said Master Unit, subject to the provisions of Section 4.07(b) hereof, at the front door of the Court House in said County to the highest bidder for cash, at public outcry, free from the statutory right of redemption, the equity of redemption, homestead, dower, and all exemptions and rights of every kind, which are hereby expressly waived; and the said Trustee, or his successor in trust, is authorized and empowered to execute and deliver a deed to the purchaser. The Association may bid at any sale under this trust conveyance. The Association may, at any time after default in the payment of any of the Secured Charges, enter and take possession of said property and shall only account for the net rents actually received by it. It is further agreed that in the event the Association fails, before instructing Trustee to sell said Master Unit, as herein provided, to enter and take possession thereof, the purchaser shall be entitled to immediate possession thereof upon the delivery to him by the Trustee of a deed for said property. In case of sale hereunder, the proceeds will be applied by the Trustee as follows:

(1) First, to the payment of all costs, charges, and expenses of executing this conveyance and enforcing said lien as herein provided, including reasonable attorneys' fees and expenses incurred for instituting or defending any litigation

which may arise on account of the execution of this conveyance, or the enforcement of said lien;

(2) Second, to the payment of all unpaid Secured Charges with respect to such Master Unit;

(3) Third, the residue, if any, will be paid to the Master Unit Owner of such Master Unit, his order, representatives, or assigns;

(e) In the case of the death, absence, inability, or refusal to act of said Trustee at any time when action under the foregoing power and trusts may be required or for any other reason, the Association is hereby authorized and empowered to name and appoint a successor to the Trustee by an instrument in the writing to be recorded in the Register's Office for Davidson County, Tennessee, and the title herein conveyed to the above named Trustee shall be vested in said successor.

To the extent that damages are inflicted on the Common Elements, Limited Common Elements, or any Master Unit or Sub Unit through which access is taken, the Master Unit Owner, Developer, or the Association, if it caused the same, shall be liable for the prompt repair thereof.

Section 6.04 **Limitation of Liability.** The Association shall not be liable for any failure of water or power supply, telephone, security, fire protection or other services to be obtained by the Association or paid for out of the Common Expense funds; for problems resulting from the operation or lack of operation of sewer lines servicing the Condominium property; or for injury or damage to a person or property caused by the natural elements or resulting from electricity, water, snow, or ice that may leak or flow from any portion of the Common Elements, Limited Common Elements, or any wire, pipe, drain, conduit, appliance, or equipment. The Association does not warrant security or control of access to the Condominium. No diminution or abatement of the Common Expense assessments, as herein elsewhere provided, shall be claimed or allowed for inconvenience or discomfort arising from the making of repairs or improvements to the Common Elements, the Limited Common Elements, any Master Unit or Sub Unit, from any action taken by the Association to comply with any law, ordinance, or the order or directive of any municipal, other governmental, or judicial authority; or the dispossession of the Master Unit Owner or Sub Unit Owner by reason of fire or other casualty, except to the extent covered by insurance.

Section 6.05 **Abatement of Violations.** The violation of any Rule or Regulation adopted by the Board of Directors of the Association or breach of the provisions of the Condominium Documents shall give the Developer, the Association, or any Master Unit Owner the right, in addition to any other right or remedy elsewhere available, to enjoin, abate, or remedy by appropriate legal proceedings, either at law or in equity, the continuance of any such breach. All expenses of such actions or proceedings against a defaulting Owner, including court costs, attorneys' fees, and other fees and expenses, and all damages, liquidated or otherwise, together with interest thereon at the highest lawful rate on judgments until paid, shall be charged to and assessed against such defaulting Owner, and the Association shall have a lien for all the same upon the Unit of such defaulting Owner. Nothing herein contained shall prevent an Owner from maintaining such an action or proceeding against the Association, and the expense of any action to remedy a default of the Association shall be a Common Expense if a court of competent jurisdiction finds the Association to be in default as alleged in such action or proceeding. If a Master Unit has been submitted to an additional Master Deed, any action permitted to be taken under this Master Deed by a Master Unit Owner shall be taken by the Sub Association

Section 6.06 **Failure of the Association to Insist on Strict Performance; No Waiver.** Failure of the Association to insist in any one or more instances upon the strict performance of any of the terms, covenants, conditions, or restrictions of this Master Deed, to exercise any right or option herein contained, to serve any notice, or to institute any action shall not be construed as a waiver or a relinquishment from the future performance of such term, covenant, condition, or restriction, but such term, covenant, condition, or restriction shall remain in full force and effect. The receipt by the Association of any assessment from an Owner with knowledge of the breach of any covenant hereof shall not be deemed to be a waiver of such breach, and no waiver by the Association of any provision hereof shall be deemed to have been made unless expressed in writing and approved by the action of the Board of Directors of the Association.

Section 6.07 **Use by Developer and Declarants Under Additional Master Deeds.**

(a) Subject to the rights of the Mortgagees hereunder, neither the Owners, the Board of Directors of the Association, nor their use of the Condominium Property or application of this Master deed shall interfere with the completion of the contemplated improvements and sales of the Master Units or any Sub Units in the Condominium. Section 7.02 **Rights of Inspection.** Mortgagees shall have the right to examine the Condominium Documents, the books and records of the Association or the Condominium Property, and to receive annual reports, other financial data, and, upon request, an annual audited statement within ninety (90) days following the end of any fiscal year of the Association. Such information shall be available for inspection upon request during normal business hours or under other reasonable circumstances. Additionally, upon the written request of the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, the Veteran's Administration, or the Department of House and Urban Development, the Association shall prepare and furnish, within a reasonable time, an audited financial statement of the Association for the immediately preceding fiscal year.

Section 7.03 **Priority of Mortgagees.**

(a) Any lien which is or may be created hereunder upon any Master Unit or Sub Unit, including, but not limited to, the lien created for assessments under Section 4.07 hereof and the right to foreclose the same, is and shall be subject and subordinate to and shall not affect the rights of the holder of the indebtedness secured by any first Mortgage upon such interest made in good faith and for value and recorded, provided that after the foreclosure of any such mortgage, there may be a lien created pursuant to Section 4 07 hereof on the interest of the purchaser as an Owner after the date of such foreclosure sale to secure all assessments hereunder. After the date of such foreclosure sale, said lien, if any, shall be claimed and shall have the same effect and be enforced in the same manner provided herein

Notwithstanding the above, the lien created pursuant to Section 4.07 hereof is prior to any first Mortgage to the extent of the Common Expense assessments based on the annual budget which would have become due in absence of acceleration during the six months immediately preceding institution of an action to enforce the lien. Also, such lien shall be prior to any Mortgage to the extent of amounts secured by such lien prior to the recording of the Mortgage.

(b) No provision of this Master Deed, the Charter, the By-Laws, or the Rules and Regulations shall be construed to grant to any Master Unit Owner, Sub Unit Owner, or to any other party any priority over any rights of the Mortgagees of the Master Units and Sub Units pursuant to their Mortgages in the case of distribution to Master Unit Owners or Sub Unit Owners of the insurance proceeds or condemnation awards for losses or a taking of Master Units, Sub Units, the Common Elements, the Limited Common Elements, or any portion thereof

(c) As provided in the Act, all assessments, property taxes, and other charges imposed by any taxing authority which may become liens prior to Mortgage shall be separately assessed against and collected on each Master Unit or Sub Unit as a single parcel and not on the Condominium Property as a whole.

(d) No breach of the covenants, conditions, or restrictions herein contained shall defeat or render invalid the lien of any Mortgage made in good faith for value, but all said covenants, conditions, and restrictions shall be binding upon and effective against any Owner whose title is derived through foreclosure or otherwise.

Section 7.04 Request for Protection by Mortgagees. Whenever the holder of any Mortgage desires the benefit of the provisions of this Article VII to be applicable to it, it shall serve written notice of such fact upon the Association by registered or certified mail. Said notice shall be addressed to the Association and actually mailed to its address stated herein identifying the Master Unit or Sub Unit upon which it holds a Mortgage or identifying any Master Units or Sub Units owned by it together with sufficient, pertinent facts to identify any Mortgage which may be held by it Said notice shall designate the place to which the notices are to be given by the Association to such Mortgagee.

ARTICLE VIII
CASUALTY LOSS AND INSURANCE

Section 8.01 Responsibility of Owners: Separate Insurance Coverage.

(a) The Owner of each Master Unit or Sub Unit may, at his expense, obtain insurance coverage for loss of or damage to any furniture, furnishings, personal effects, any improvements and additions to the Master Unit or Sub Unit made by such Owner after the initial sale of the Master Unit or Sub Unit, and other property belonging to such Owner and may, at his expense, obtain insurance coverage against personal liability for injury to the person or property of another while within such Owner's Unit or upon the Common Elements or Limited Common Elements. Risk of loss of or damage to any furniture, furnishings, and personal property belonging to or carried on the person of the Owner or which may be stored in any Master Unit or Sub Unit or in or upon Common Elements or Limited Common Elements shall be borne by the Owner of each Unit. All furniture, furnishings, and personal property constituting a portion of the Common Elements or Limited Common Elements and held for the joint use and benefit of all Owners of Master Units shall be covered by such insurance as shall be maintained in force and effect by the Association as hereinafter provided. Each Owner shall be required to notify the Association of all improvements made by the Owner to his Master Unit or Sub Unit the value of which is in excess of $1,000. All insurance obtained by the Owner of each Master Unit or Sub Unit shall, whenever such provisions shall be available, provide that the insurer waives its right of subrogation as to any claims against other Owners, the Association, Developer, and their respective servants, agents, employees, and guests.

(b) Any Owner who obtains an individual insurance policy covering any portion of the Condominium Property other than personal property belonging to such Owner shall be required to file a copy of such individual policy or policies with the Association within thirty (30) days after the purchase of such insurance. In the event casualty insurance maintained by an Owner causes a decrease in the amount of the insurance coverage

maintained by the Association for the benefit of all Owners on a casualty loss to the Condominium Property, by reason of proration or otherwise, the Owner so maintaining such insurance shall be deemed to have assigned to the Association the proceeds collected on such policy for loss or damage to the Condominium Property. Such proceeds shall be paid directly to the Association by the insurer. Any such insurance proceeds shall be applied and distributed by the Association in accordance with this Article VIII.

Section 8.02 Insurance to be Maintained by the Association.

(a) Hazard Insurance. The Association shall obtain and maintain at all times a policy or policies of multi-peril type hazard insurance, including insurance for such other risks of a similar or dissimilar nature as are or shall hereafter customarily be covered with respect to other condominium projects similar in construction, design, and use, insuring the Condominium Property against loss or damage by the perils of fire, lightning and those perils contained in extended coverage, vandalism, and malicious mischief endorsements. If the Condominium Property is located in an area identified by the Secretary of Housing and Urban Development as having special flood hazards, the Board shall, to the extent obtainable, insure the insurable property included in the Condominium Property against the perils of flood under the National Flood Insurance Act of 1968 and acts amendatory thereto. The amount of insurance coverage shall be determined on a replacement cost basis in an amount not less than 100% of the then current replacement cost of the improvements which constitute the Condominium Property, including the Common Elements, Limited Common Elements, Master Units and Sub Units as initially sold by Developer, or any Sub Declarant (but excluding land foundations, excavations, and other items usually excluded from such insurance coverage). Such insurance coverage shall be written in the name of, and the proceeds thereof shall be payable to, the Association or the Insurance Trustee (hereinafter defined) as trustee for the use and benefit of the Sub Associations, individual Owners (without naming them), and their Mortgagees as their interest may appear. Periodically, prior to the renewal of any such policy or policies of insurance, the Association may obtain an opinion or an appraisal from a qualified appraiser for the purpose of determining the full replacement cost of the Common Elements, the Limited Common Elements, and the Master Units for the amount of insurance to be obtained pursuant hereto. The cost of any such opinion or appraisal shall be a Common Expense. All such policies of insurance shall comply with the provisions of Section 8 03 hereof and shall (i) contain standard mortgagee clause endorsements in favor of the Mortgagee or Mortgagees of each Master Unit and Sub Unit, if any, as their respective interest may appear; and (ii) provide that the insurance shall not be invalidated by any act or neglect of any Owner

(b) Public Liability and Property Damage Insurance. The Association shall obtain and maintain at all times a comprehensive policy or policies of public liability and property damage insurance in such amount (but not less than $1,000,000) and in such form as shall be deemed appropriate by the Board of the Association to protect said Association and the Owners of all Master Units and Sub Units. Such policy shall provide coverage for bodily injury and property damage resulting from the operation, maintenance, or use of the Common Elements and Limited Common Elements and for legal liability resulting from employment contracts to which the Association is a party.

(c) Workmen's Compensation Insurance. If necessary, the Association shall obtain and maintain at all times a policy or policies of workmen's compensation insurance to meet the requirements of the laws of the State of Tennessee.

(d) Fidelity Bonds. The Association shall obtain and maintain fidelity bonds for any person who either handles or is responsible for funds held or administered by the Association, naming the Association as the obligee. The amount of the fidelity bond should cover the maximum funds that will be in the custody of the Association but not less than the sum of three months' assessments on all Master Units.

(e) Other Insurance. The Association shall obtain and maintain such other insurance coverage as the Board of Directors of the Association, in its sole discretion, may determine from time to time to be in the best interest of the Association and the Owners of all Master Units.

Section 8.03 **Governing Provisions.** All insurance obtained and maintained by the Association, as provided in Section 8.02 above, shall be governed by the following provisions:

(a) All policies shall (i) comply with the hazard and casualty insurance requirements of the Federal Home Loan Mortgage Corporation and the Federal National Mortgage Association as they shall apply to condominium loans; and (ii) be written with a company licensed to do business in the State of Tennessee having, to the extent practical and available, a financial rating of Class V or better and a general policyholders rating of "A" or better by Best's Insurance Reports or other then comparable rating. To the extent that the provisions of this Master Deed, with respect to the maintenance of insurance, shall conflict with the hazard and casualty insurance requirements of the Federal Home Loan Mortgage Corporation or the Federal National Mortgage Association, then the requirements of the Federal Home Loan Mortgage Corporation and the Federal National Mortgage Association shall control, and such requirements shall be complied with by the Association.

(b) Exclusive authority to adjust all claims under the policies hereafter in force on the Condominium Property shall be vested in the Association or its authorized representatives.

(c) In no event shall the insurance coverage obtained and maintained by the Association hereunder be brought into contribution with the insurance purchased by the individual Owners or their Mortgagees.

(d) The Association shall be required to make every effort to secure insurance policies that will provide for the following:

i. A waiver of subrogation by the insurer as to any claims against the Association, the Board of Directors, the Developer, or the Owners;

ii. An agreement by the insurer that the insurance coverage cannot be terminated or materially changed without thirty (30) days' prior written notice to the Association and the Mortgagee of each Master Unit or Sub Unit,

iii. The insurance coverage will be primary, even if a Master Unit Owner or Sub Unit Owner has other insurance that covers the same loss; and

iv. No act or omission by any Master Unit Owner or Sub Unit Owner, unless acting within the scope of his authority on behalf of the Association, will void the policy or be a condition to recovery under the policy.

Section 8.04 **Premiums and Deductibles.** Premiums for insurance policies purchased by the Association shall be paid by the Association, and the cost of all hazard insurance shall be allocated to the Master Units according to the respective cost of obtaining hazard insurance covering each Master Unit as determined by the Association. The cost of any other insurance shall be allocated to the Master Units on the basis of the respective cost of such insurance to the extent such allocation may be determined by the Association. The cost of hazard insurance relating to the Parking Lot shall be assessed as a Parking Lot Cost, as provided in Section 2.03. All other insurance costs shall be assessed as Common Expenses, except that the amount of increase over the usual premium occasioned by the use, misuse, occupancy, or abandonment of a Master Unit, Sub Unit, its appurtenances, the Common Elements, or Limited Common Elements by an Owner shall be assessed against that Owner Any deductible incurred by reason of a loss or claim under any insurance policy purchased under this Article VIII shall be paid by the Owners of the Master Unit affected by the loss. If the loss affects more than one Master Unit, such deductible shall be allocated between such Master Units in proportion to the size of their respective losses, as determined by the Association. All other deductibles shall be paid by the Association unless such loss or claim was caused by any Master Unit Owner or Sub Unit Owner, lessee, guest, or invitee thereof, or resulted from the use, misuse, occupancy, negligence, or abandonment of a Master Unit or Sub Unit or any portion thereof as determined by the Association. In such event, the Owner from whose Master Unit or Sub Unit Owner the cause originated will be responsible for the deductible under the Association's insurance policy.

Section 8.05 **Insurance Trustee.** The Association may engage the services of a bank or trust company authorized to do trust business in the State of Tennessee, having a capital and surplus of not less

than $50,000,000, to act on its behalf as an insurance trustee ("Insurance Trustee") and to receive and disburse the insurance proceeds in accordance with the provisions of this Master Deed. In the event the lowest of two bids from reputable contractors for making all repairs required by any such loss shall exceed $100,000, as increased by the CPI Factor, the Association, upon written demand of the Mortgagee of any Master Unit or Sub Unit, shall engage the services of a bank or trust company to act as Insurance Trustee as aforesaid. The Association, as a Common Expense, shall pay a reasonable fee to said Insurance Trustee for its services rendered hereunder and shall pay such costs and expenses as said Insurance Trustee may incur in the performance of any duties and obligations imposed upon it hereunder The Insurance Trustee shall be liable only for its willful misconduct, bad faith, or gross negligence and then for only such money which comes into the possession of the Insurance Trustee. Whenever the Insurance Trustee may be required to make distribution of insurance proceeds to Owners of Master Units, Sub Units, and their Mortgagees, as their respective interests may appear, or to any other party for repair, replacement, or reconstruction of property, the Insurance Trustee may rely upon a certificate of the President and Secretary of the Association, executed under oath, which will be provided to said Insurance Trustee upon request made to the Association. Such certificate is to certify unto said Insurance Trustee the name of the Owner of each such Unit, the name of the Mortgagee who may hold a Mortgage encumbering each such Unit, and the respective percentages of any distribution which may be required to be made to the Owner of any such Unit and his respective Mortgagee, as their respective interests may appear, or to certify the name of the party to whom payments are to be made for repair, replacement, or reconstruction of all or a portion of the Condominium Property. The rights of the Mortgagee of any such Unit under any standard mortgage clause endorsement to such policy shall, notwithstanding anything to the contrary therein or in any Mortgage contained, at all times be subject to the provisions hereof with respect to the application of insurance proceeds to reconstruction of the damaged Condominium Property. No provision hereof shall entitle an Owner or any other party to any priority over a Mortgagee with respect to the distribution of any insurance proceeds with respect to any such Unit.

Section 8.06 **Loss to Common Elements Only.** In the event of the loss of or damage to only Common Elements, real or personal, by reason of fire or other casualties, which loss or damage is covered by fire and casualty insurance, the proceeds paid to the Association or the Insurance Trustee, as the case may be, to cover such loss or damage shall be applied to the repair, replacement, or reconstruction of such loss or damage. If the insurance proceeds are in excess of the cost of the repair, replacement, or reconstruction of such Common Elements, then such excess insurance proceeds shall be paid by the Insurance Trustee to the Owners of all Master Units, the distribution to be separately made to the Owner of each Master Unit and his respective Mortgagee, as their interests may appear, in such proportion that the share of such excess insurance proceeds paid to the Owner of each Master Unit and his Mortgagee shall bear the same ratio to the total excess insurance proceeds as the undivided interest in the Common Elements appurtenant to each Master Unit bears to the total undivided interest in the Common Elements appurtenant to all Master Units If a Master Unit has been submitted to an additional master deed, then such excess insurance proceeds shall be paid to the Sub Association. If there is no insurance coverage for such loss or damage, or if it appears that the insurance proceeds covering the fire or casualty loss or damage payable to the Association or the Insurance Trustee are not sufficient to pay for the repair, replacement, or reconstruction of the loss or damage, or that the insurance proceeds when collected will not be so sufficient, then the Association shall pay, or shall deposit with the Insurance Trustee, as the case may be, a sum, which together with the insurance proceeds received or to be received, if any, will enable said Insurance Trustee or the Association, as the case may be, to completely pay for the repair, replacement, or reconstruction of any loss or damage, as the case may be. The Association may levy and collect an assessment against the Owners of all Master Units in an amount which shall provide the funds required to pay for said repair, replacement, or reconstruction.

Section 8.07 **Loss to Common Elements, Limited Common Elements, and/or Units.** In the event of loss of or damage to Common Elements, Limited Common Elements, or any Master Unit by reason of fire or other casualty, which loss or damage is covered by fire and casualty insurance, the proceeds paid to the Association or Insurance Trustee, as the case may be, to cover such loss or damage shall be first applied to the repair, replacement, or reconstruction of the Common Elements, then to the repair, replacement, or reconstruction of the Limited Common Elements. Any Remaining insurance proceeds shall be applied to the repair, replacement, or reconstruction of any Master Unit which may have sustained any loss or damage so covered. If the insurance proceeds are in excess of the cost of the repair, replacement, or reconstruction of the Common Elements, the Limited Common Elements, and any Master Units sustaining any loss or damage, then such excess insurance proceeds shall be paid and distributed by the Insurance Trustee to the Owners of all Master Units and to their Mortgagees, as their respective interests may appear. If a Master Unit has been submitted to an additional master deed, then such excess insurance proceeds shall be paid to the Sub Association. Such distributions are to be made in the manner and in the proportions as are provided for the distribution of insurance proceeds under Section 8.06 above. If there is no insurance coverage for such loss or damage, or if it appears that the insurance proceeds covering the fire and casualty

loss or damage payable to the Association or the Insurance Trustee, as the case may be, are not sufficient to pay for the repair, replacement, or reconstruction of the loss or damage, or that the insurance proceeds, when collected, will not be sufficient, then the Board of Directors of the Association shall, based on reliable and detailed estimates obtained by it from competent and qualified parties, determine and allocate the cost of repair, replacement, or reconstruction among the Common Elements, the Limited Common Elements, and any Master Units sustaining any loss or damage. If the proceeds of said fire or casualty insurance, if any, are sufficient to pay for the repair, replacements, or reconstruction of any loss of or damage to the Common Elements and Limited Common Elements but are not sufficient to repair, replace, or reconstruct any loss of or damage to any Master Units sustaining damage, then the Association shall levy and collect an assessment from the respective Owners of the Master Units sustaining any loss or damage, and the assessment so collected from said Owners shall be deposited with the Association or the Insurance Trustee, if applicable, so that the sum on deposit with said Insurance Trustee shall be sufficient to completely pay for the repair, replacement, or reconstruction of all Common Elements, Limited Common Elements, and Master Units. In said latter event, the assessment to be levied and collected from the Owners of the Master Units shall be apportioned among such Owners in such manner that the assessment levied against each Owner of a Master Unit shall bear the same proportion to the total assessment levied against all of said Owners of Master Units sustaining loss or damage as the cost of repair, replacement, or reconstruction of each Owner's Master Unit bears to the cost applicable to all Master Units sustaining loss or damage If the fire or casualty insurance proceeds, if any, payable to the Association or the Insurance Trustee are not an amount which will pay for the complete repair, replacement, or reconstruction of the Common Elements and Limited Common Elements, it being recognized that such insurance proceeds are to be first applied to the payment for repair, replacement, or reconstruction of said Common Elements and Limited Common Elements before being applied to the repair, replacement, or reconstruction of any Master Unit sustaining loss or damage, then the cost to repair, replace, or reconstruct said Common Elements and Limited Common Elements in excess of available fire and casualty insurance proceeds shall be levied and collected as an assessment from the Owners of all Master Units in the same manner as would be levied and collected had the loss or damage sustained been solely to the Common Elements and Limited Common Elements and the fire or casualty insurance proceeds had been insufficient to cover the cost of repair, replacement, or reconstruction The cost of repair, replacement, or reconstruction of each Master Unit sustaining loss or damage shall then be levied and collected by assessment against the Owners of the Master Units sustaining the loss or damage in the same manner as is above provided for the apportionment of such assessment between Owners of the Master Units sustaining loss or damage.

Section 8.08 **Estimates of Repair: Plans and Specifications; Payment of Assessments.** In the event of loss or damage to Condominium Property, the Association shall, within sixty (60) days after any such occurrence, obtain reliable and detailed estimates of the cost of restoring damaged property to a condition as good as that which prevailed before such loss or damage The estimate of repair shall be based upon the plans and specifications of the original buildings, as reflected on Exhibit D to this Master Deed as the same may from time to time be amended, or such other plans and specifications, as may be approved by the Board of Directors of the Association, by all of the Owners of the damaged Master Units, by not less than seventy-five percent (75%) of the Owners of all Master Units, including the Owners of damaged Master Units, and by the approval of Mortgagees representing fifty-one percent (51%) of the total allocated votes of the Master Units subject to Mortgages held by Mortgagees. If a Maser Unit has been submitted to an additional master deed, then the approval of the Sub Association shall constitute the approval of the Owner of a Master Unit. The Association shall be appointed as attorney-in-fact for each Master Unit Owner for the purpose of representing the Master Unit Owners in any proceeding, negotiation, settlement, or agreement arising from any loss or damage to the Condominium Property. Such estimates are to contain and include the cost of any professional fees and premiums for such bonds as the Board of Directors of the Association may deem to be in the best interest of the membership of said Association. Whenever it shall appear that the insurance proceeds payable for such loss or damage will not be sufficient to defray the cost of repair, replacement, or reconstruction thereof, the additional money required to completely pay for such repair, replacement, or reconstruction of said loss or damage, whether to be paid by all of the Owners of Master Units or only by the Owners of Master Units sustaining loss or damage, or both, as herein provided, shall be paid to the Association and deposited with the Insurance Trustee, if any, not later than thirty (30) days from the date on which the Association or the Insurance Trustee, as the case may be, shall receive the monies payable from the policies of fire and casualty insurance.

Section 8.09 **Reallocation of Interest in Common Elements After Partial Destruction.** No reallocation of ownership interests in the Common Elements resulting from a partial destruction of the Condominium Property may be affected without the approval of Mortgagees representing fifty-one percent (51%) of the total allocated votes of Master Units subject to Mortgages held by Mortgagees.

ARTICLE IX
CONDEMNATION

Section 9.01 **Condemnation Considered a Casualty Loss.** The taking of a portion of a Master Unit, the Common Elements, or the Limited Common Elements by eminent domain shall be deemed to be a casualty loss, and, except as otherwise provided in Section 9.02 below, the awards for such taking shall be deemed to be proceeds from insurance on account of the casualty and shall be applied and distributed by the Association in accordance with the provisions of Article VIII. Even though the awards may be payable to the Owners, the Owners shall deposit the awards with the Association or Insurance Trustee, as the case may be, and in the event of failure to do so, in the discretion of the Board of Directors of the Association, a special assessment shall be made against a defaulting Owner in the amount of his award, or the amount of such award shall be set off against the sums hereinafter made payable to such Owner. If any Master Unit, or portion thereof, is made the subject matter of any condemnation or eminent domain proceeding or is otherwise sought to be acquired by a condemning authority, the Mortgagee of such Master Unit shall be entitled to timely written notice of any such proceeding or proposed acquisition, as provided in Section 7.01, and no provision hereof shall entitle the Owner of such Master Unit or other party to priority over such Mortgagee with respect to the distribution of any award or settlement to the Owner of the Master Unit

Section 9.02 **Partial Condemnation.** In the event that the Condominium Property is not to be terminated and one or more Units are taken in part, the taking shall have the following effects:

(a) If the taking reduces the size of a Master Unit and the remaining portion of that Master Unit can be made tenantable, the award for the taking for a portion of the Master Unit shall be used for the following purposes in the order stated, and the following changes shall be affected in the Condominium Property:

i. The Master Unit shall be made tenantable, and if the cost of such work exceeds the amount of the award, the additional funds shall be assessed against the Owner of the Master Unit.

ii. The balance of the award, if any, shall be distributed to the Owner of the Master Unit and the Mortgagee of the Master Unit, as their respective interests may appear.

iii. If there is a balance of the award distributed to the Owner and the Mortgagee, the share of the Common Elements appurtenant to the Master Unit shall be equitably reduced. This shall be done by reducing such share by the proportion which the balance of the award so distributed bears to the market value of the Master Unit immediately prior to the taking and then recomputing the shares of all Owners in the Common Elements as percentages of the total of their shares as reduced by the taking.

(b) If the taking destroys or so reduces the size of a Master Unit so that it may not be made tenantable, the award for the taking of the Master Unit shall be used for the following purposes in the order stated, and the following changes shall be affected in the Condominium Property:

i. The market value of such Master Unit immediately prior to the taking shall be paid to the Owner of the Master Unit and to each Mortgagee of the Master Unit, as their respective interests may appear.

ii The remaining portion of such Master Unit, if any, shall become a part of the Common Elements and shall be placed in condition for use by all of the Owners in the manner approved by the Board of Directors of the Association; provided, however, that if the cost of such work shall exceed the balance of the fund from the award for the taking, such work shall be approved in the manner required further improvement of the Common Elements under Section 5.03 above.

iii. The shares in the Common Elements appurtenant to the Units which continue as a part of the Condominium Property shall be equitably

adjusted to distribute the ownership to the Common Elements among the reduced number of Owners. This shall be done by recomputing the shares of such continuing Owners in the Common Elements as percentages of the total of the shares of such Owners as they exist prior to the adjustment.

iv. If the amount of the award for taking is not sufficient to pay the market value of the condemned Master Unit to the Owner and to restore the remaining portion of the Master Unit in condition for use as a part of the Common Elements, the additional funds required for such purposes shall be raised by assessments against all of the Owners who will continue as Owners of the Master Units after the changes in the Condominium Property affected by the taking. Such assessment shall be made in proportion to the share of such Owners in the Common Elements after the changes affected by the taking.

(c) If the market value of a Master Unit prior to the taking cannot be determined by agreement between the Owner, the Mortgagee, and the Association within thirty (30) days after notice by any such party that agreement cannot be reached, such value shall be determined by three independent, qualified appraisers. One appraiser shall be selected by the Association, one appraiser shall be selected by the Owner and Mortgagee, and the third appraiser shall be selected by the two appraisers so appointed; and the fair market value of the Unit shall be deemed to be the average of the two appraisals of the fair market value of the Unit made by said appraisers having the least difference in amount. The cost of such appraisal shall be assessed against all Owners in the shares of the Owners in the Common Elements as they existed prior to the changes affected by the taking.

(d) Changes in the ownership of the Common Elements and in the share of liability for Common Elements which are affected by eminent domain shall be evidenced by an amendment of this Master Deed which needs to be approved only by a majority of the Board of Directors of the Association.

ARTICLE X
TERMINATION

Section 10.01 Destruction of the Condominium Property.

(a) Notwithstanding anything to the contrary contained in this Master Deed, if the Board of Directors shall determine that either of the following conditions exist;

i. Master Units with two-thirds (2/3) or more of the Common Elements appurtenant thereto shall have been destroyed or substantially damaged by fire or other casualty (including condemnation); or

ii. The Condominium Property has been in existence in the excess of forty (40) years and substantially all of the Units in the structure have substantially deteriorated and have been rendered substantially obsolete;

then the Board of Directors may call a meeting of the members of the Association to consider and vote upon whether to restore, repair, and/or rebuild the Condominium Property, and if not, whether to terminate the Master Deed and remove the Condominium Property from the provisions of the Act. If the termination of the Master Deed and the removal of the Condominium Property from the provisions of the Act is approved by the affirmative vote of at least eight percent (80%) of the votes of the Association and by Mortgagees of Master Units or Sub Units owning at least sixty-seven percent (67%) of the Common Elements after notice given, as provided in Section 7.01 hereof, the Master Deed and plan of condominium ownership established herein shall be subject to termination as provided in the Act, and the Association shall be authorized to file on behalf of and in the name of the Master Unit Owners a petition for such termination and removal with the Circuit Court of Davidson County, Tennessee. If less than eighty percent (80%) of the Owners of all Master Units and/or less than sixty-seven percent (67%) of the Mortgagees vote in

favor of terminating the Condominium Property as herein provided, the Condominium Property shall be restored, repaired, and/or rebuilt in accordance with the provisions of Sections 8 06, 8 07, and 8.08 above

(b) In the event that the Circuit Court of Davidson County shall grant the petition for termination of this Master Deed and the plan of condominium ownership, as provided in subparagraph (a) above, all of the Owners of Master Units shall be and become tenants in common as to ownership of the Land and any then remaining improvements thereon. The undivided interest in the Land and remaining improvements held by the Owner of each Master Unit shall be the same as the undivided interest in the Common Elements which were formerly appurtenant to such Master Unit, and the lien of any Mortgage or other encumbrance upon each Master Unit shall attach to the percentage of undivided interest of the Owner of a Master Unit in the Land and then remaining improvements as above provided. Upon termination of this Master Deed and the plan of condominium ownership established herein, the Owners of all Master Units and Sub Units still inhabitable shall, within sixty (60) days from the date of grant of the petition, deliver possession of their respective Units to the Association. Upon such delivery of possession, the Owners of inhabitable Units and their respective Mortgagees, as their interests may appear, shall become entitled to participate proportionately together with all Owners of uninhabitable Units in the distribution of proceeds in the possession of the Association or the Insurance Trustee. Upon such termination of this Master Deed and the plan of condominium ownership established herein, the Association or the Insurance Trustee, as the case may be, shall distribute any insurance indemnity which may be due under any policy of casualty insurance to the Owners of the Units and their Mortgagees, as their respective interests may appear, such distribution to be made to the Owner of each respective Unit in accordance with his then undivided interest in the Land and remaining improvements as herein provided. The Land and any remaining improvements thereon shall be subject to all easements of record, except the easements created in the Condominium Documents. The assets of the Association, upon termination of the plan of condominium ownership created by this Master Deed, shall then be distributed to the Owner of each respective Unit and his Mortgagee, as their respective interests may appear, in the same manner as is above provided for the distribution of any final insurance indemnity.

Section 10.02 Termination by Consent. Except in the event of this Master Deed and plan of condominium ownership established herein being terminated as provided above, this Master Deed and said plan of condominium ownership may only be otherwise terminated by the consent of all of the Owners of all Master Units and Sub Units and all parties holding Mortgages, liens, or other encumbrances against any of said Units in which event the termination of the Condominium Property shall be evidenced by a deed in compliance with the Act, executed in writing by all of the aforesaid parties in recordable form, and such instrument shall be recorded in the Register's Office for Davidson County, Tennessee.

Section 10.03 The Association Appointed as Attorney-In-Fact for Unit Owners. The Association shall be appointed as attorney-in-fact for each Master Unit Owner and each Sub Unit Owner for the purpose of representing such Unit Owners in any proceeding, negotiation, settlement, or agreement arising from the termination of this Master Deed and plan of condominium ownership established herein.

ARTICLE XI
AMENDMENT

Section 11.01 Amendments by Developer. Without limiting the rights of the Developer to alter the plans as described in Section 2.02 above, and notwithstanding any other provision herein contained, the following provisions shall be deemed to be in full force and effect.

(a) The Developer reserves the right to amend the By-Laws of the Association until such time as Developer relinquishes control of the Association as provided in Section 12.01 below.

(b) The Developer reserves the right to amend this Master Deed so long as there is no Master Unit Owner or Sub Unit Owner other than the Developer.

(c) The Developer reserves the right at any time to amend this Master Deed without the consent of the other Owners if required by any Mortgagee as a condition of making a loan secured by an interest in a Master Unit or a Sub Unit in order to meet the requirements of the Federal Home Loan Mortgage Corporation or the Federal National

Mortgage Association; provided that any such changes or amendments requested by a Mortgagee shall not materially affect the rights of the Master Unit Owners or Sub Unit Owners or the value of the Master Unit or Sub Unit or the undivided interest in the Common Elements attributable to each Master Unit Owner or Sub Unit Owner

Section 11.02 Amendments by Unit Owners. At such time as there is a Master Unit Owner or Sub Unit Owner other than the Developer, then, in addition to the amendments permitted under Section 11.01 above, the Master Deed may be amended in the following manner:

To the extent that the assessments and other cash income collected from the Master Unit Owners during the preceding years shall be more or less than the expenditures for such preceding year, the surplus or deficit, as the case may be, shall also be considered. The annual budget shall provide for a reserve for contingencies for the year in reasonable amounts as determined by the Board.

Section 2. Assessments. The estimated annual budget for each fiscal year shall be approved by the Board, and copies thereof shall be furnished by the Board to each Master Unit Owner and Sub Association, if applicable, not later than thirty (30) days prior to the beginning of such year. On or before the first day of the first month and of each succeeding month of the year covered by the annual budget, each Master Unit Owner shall pay, as his respective monthly assessment for the Common Expenses, on-twelfth (1/12) of his proportionate share of the Common Expenses for such year as shown by the annual budget. Except as provided in the Master Deed and in these By-Laws, such proportionate share for each Master Unit Owner shall be in accordance with his respective ownership interest in the Common Elements. The Board may determine different allocations with respect to a part of such charges whenever it appears to the Board that such an allocation would be unfair. The allocations shall be applied uniformly to all Owners of like situations. The allocation of the Board shall be final and binding upon all parties. The Board shall allocate Garage Costs, Limited Common Expenses, maintenance expenses, and insurance premium expenses as provided in the Master Deed In the event that the Board shall not approve an estimated annual budget or shall fail to determine new monthly assessments for any year, or be delayed in doing so, each

Master Unit Owner shall continue to pay each month the amount of his respective monthly assessment as last determined. Each Master Unit Owner shall pay his monthly assessment on or before the first day of each month to the Managing Agent or as may be otherwise directed by the Board. No Master Unit Owner shall be relieved of his obligation to pay his assessment by abandoning or not using his Master Unit, the Common Elements, or the Limited Common Elements. If a Master Unit has been submitted to an additional master deed, the assessments owed by such Master Unit shall be paid by the Sub Association as required by these By-Laws.

Section 3. Partial Year or Month. For the first fiscal year, the annual budget shall be as approved by the First Board. If such first fiscal year, or any succeeding fiscal year, shall be less than a full year, then the monthly assessments for each Unit Owner shall be proportionate to the number of months and days in such period covered by such budget. Commencing with the date of recording the deed to a Unit or any additional, each Unit Owner shall pay the assessment for the following month or fraction of a month and the number of months and days remaining of the period covered by the current annual budget and which assessment shall be as computed by the Board.

Section 4. Annual Report. Within forty-five (45) days after the end of each fiscal year covered by an annual budget, or as soon thereafter as shall be practicable, the Board shall cause to be furnished to each Unit Owner a statement for such year so ended showing the receipts and expenditures and such other information as the Board may deem desirable

Section 5. Supplemental Budget. In the event that during the course of any year it shall appear to the Board that the monthly assessments, determined in accordance with the estimated annual budget for such year, are insufficient or inadequate to cover the estimated common expenses and limited common expenses for the remainder of such year, then the Board shall prepare and approve a supplemental budget covering the estimated deficiency for the remainder of such year, copies of which supplemental budget shall be furnished to each Unit Owner, and thereupon a supplemental assessment shall be made to each Unit Owner for the proportionate share of such supplemental budget.

Section 6 Contracts The Board shall not enter into any contract for professional management without the right to cancel such contract upon ninety (90) days or less notice without penalty.

Section 7. Records and Statement of Account. Payment vouchers may be approved in such manner as the Board may determine.

The Board shall, upon receipt of ten (10) days' written notice to it or the association and upon payment of a reasonable fee, furnish to any Unit Owner or applicable Sub Association a statement of his account setting forth the amount of any unpaid assessments or other charges due and owing from such party

Section 8 Discharge of Liens. The Board may cause the Association to discharge any mechanic's lien or other encumbrance which, in the option of the Board, may constitute a lien against the Property or the Common Elements rather than a lien against only a particular Unit. When less than all the Master Unit Owners are responsible for the existence of any such lien, the Master Unit Owners responsible shall be jointly and severally liable for the amount necessary to discharge the same and for all costs and expenses, including attorneys' fees, incurred by reason of such lien.

Section 9 Holding of Funds All funds collected hereunder shall be held and expended for the purposes designated herein and (except for such special assessments as may be levied hereunder against less than all the Master Unit Owners and for such adjustments as may be required to reflect delinquent or prepaid assessments) shall be deemed to be held for the benefit, use, and account of all the Master Unit Owners.

ARTICLE V

EXHIBIT G

DEVELOPER RIGHTS REGARDING CONSTRUCTION

Notwithstanding any other terms to the contrary within the above Master Deed, the following terms and conditions are hereby incorporated into the terms of the Master Deed by this reference and shall control over any other inconsistent terms set forth therein. Unless otherwise defined below, all capitalized terms shall have the same meaning ascribed to them in the Master Deed and the Act.

ARTICLE I

Easement to Inspect and Right to Correct.

A. Easement.

Developer reserves for itself, General Contractor (defined below), and such other persons as each may designate perpetual, non-exclusive easements throughout the Property to the extent reasonably necessary for the purposes of access, inspecting, testing, redesigning, correcting, modifying, or improving any portion of the Property, including Master Units, the Common Elements, and the Limited Common Elements. Pursuant to this Section and any express warranty provided by either party, Developer and General Contractor shall have the unilateral right, at any time, to redesign, correct, modify, or improve any part of the Property, including Master Units, the Common Elements, and the Limited Common Elements to the extent reasonably necessary to correct any design defect, construction-related defect, or other construction-related problem, to improve the operational efficiency and structural integrity of any improvement located on the Property, and to otherwise provide a superior or enhanced housing product within the Property.

B. Right of Entry.

In addition to the above easement, Developer, for itself and General Contractor, reserves a right of entry into any Master Unit or Limited Common Elements upon reasonable notice to the Master Unit Owner; provided, however, notice shall not be required in an emergency. Entry into a Master Unit shall be only after Developer or General Contractor notifies the Master Unit Owner (or occupant) and agrees with the Master Unit Owner regarding a reasonable time to enter the Master Unit to perform such activities. Master Unit Owner agrees to cooperate in a reasonable manner with Developer and General Contractor in their exercise of the rights provided to it by this Section. Entry onto the Common Elements and into any improvements and structures thereon may be made by Developer or General Contractor at any time with advance notice to the Association; provided, however, in an emergency, such notice shall not be required, and Developer and General Contractor shall be permitted to enter upon any portion of the Property without advance notice or consent.

C. Notice Requirement.

Upon notice, observation, or suspicion of a design defect, construction-related defect, or other construction-related problem with any improvement located on the Property, including the Common Elements, the Limited Common Elements, and any Master Unit, the Association immediately shall notify Developer and General Contractor of such issue in writing and, in the case of a condition posing an imminent threat of damage to person or property, telephonically. Upon such notice, Developer or General Contractor shall have the right to come onto the Property to observe the defect or problem and unilaterally to undertake any corrective measures that it deems appropriate without the additional consent or participation of the Association or the Master Unit Owner(s). The rights of notice, inspection, and correction granted to Developer and General Contractor pursuant to this Section shall be provided by the Association and any affected Master Unit Owner prior to the Association and any affected Master Unit Owner consulting with, hiring, or retaining, in any capacity whatsoever, any third party to examine, correct, repair, or improve any design defect, construction-related defect, or other construction-related problem with the Property, any Common Element, Limited Common Element, or Master Unit. Failure by the Association or any Master Unit Owner to provide Developer and General Contractor with the above described notice, inspection, and cure rights granted to it by this Section automatically shall constitute an absolute and unconditional waiver of any legal claim or other claim or remedy whatsoever, including any warranty claims and any right to file a claim in arbitration, that the Association or the Master Unit Owner(s) otherwise may have regarding such defect or problem absent such waiver.

D. Damage.

Any damage to the Property, a Master Unit, the Limited Common Elements, or the Common Elements resulting from the exercise of the easement and right of entry described in the above subsections of this Section promptly shall be repaired by, and at the expense of, the party exercising this easement; provided, however, the obligation to repair shall be limited to restoring the affected area to the same approximate condition and state of repair which existed prior to the undertaking of the work permitted by this easement and after taking into account the nature of any corrective work or improvement so performed by Developer or General Contractor pursuant to this Section.

E. No Implied Warranty and Enforcement.

THE TERMS OF THIS SECTION SHALL NOT BE DEEMED TO PROVIDE ANY IMPLIED OR EXPRESS WARRANTY RIGHTS WHATSOEVER BY DEVELOPER AND GENERAL CONTRACTOR TO THE ASSOCIATION OR ANY OWNER, AND DEVELOPER AND GENERAL CONTRACTOR EXPRESSLY DISCLAIM ANY AND ALL IMPLIED WARRANTIES, INCLUDING, WITHOUT LIMITATION, WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, TO THE FULLEST EXTENT PERMITTED BY TENNESSEE LAW. Developer and General Contractor may seek enforcement of the rights afforded to each of them under this Section by filing an action at law or in equity, including specifically the remedy of specific performance, in the appropriate court of competent jurisdiction in the State of Tennessee and notwithstanding to the contrary any arbitration provision set forth in this Master Deed or any other instrument whatsoever.

F. General Contractor, Notices and Amendment.

As used in this Section, the term "General Contractor" shall mean Choate Construction Company, a Georgia corporation, its employees, officers, directors, agents, subsidiaries, affiliates, and assigns as well as all subcontractors hired by General Contractor (or subcontractors of such subcontractors) to perform work on the Property, the Common Elements, the Limited Common Elements, and any Master Unit. Notices to General Contractor shall be delivered as follows: Choate Construction Company, 8200 Roberts Drive, Suite 600, Atlanta, Georgia, 30350, as such notice address may be amended from time to time by General Contractor upon the filing of a new notice address in the appropriate land records where the Condominium is located with cross-reference to this Master Deed. General Contractor is an express beneficiary of the terms set forth in this Section, and the terms of this Section may not be amended in any manner whatsoever without General Contractor's prior written consent. Developer covenants with General Contractor that it immediately shall forward to General Contractor any notice whatsoever that Developer receives from the Association or any Master Unit Owner regarding any alleged design defect, construction-related defect, or other construction-related problems whatsoever, regardless of whether such notice also shall be addressed to General Contractor and regardless of whether or not Developer determines that such complaint is without merit.

ARTICLE II.

Arbitration and Actions Against the General Contractor and/or Developer.

A. Prerequisites to Actions Against Developer or General Contractor.

Prior to filing a civil action or arbitration claim of any nature whatsoever against Developer or General Contractor (as defined below), and prior to consulting with, retaining, or hiring, in any capacity whatsoever, any third party consultant, advisor, property inspector, architect, engineer, contractor, or repairmen to correct the problem or to examine, investigate, or advise the Association or any Master Unit Owner with respect to any suspected or reasonably inferable design defect, construction-related defect, or other construction-related problem with the Property, the Common Elements, the Limited Common Elements, and any Master Unit, the Association and Master Unit Owner shall first notify Developer and General Contractor of the alleged or suspected problem and shall first provide Developer and General Contractor with a reasonable opportunity to inspect and repair the problem pursuant to the terms of Section 1 above. For the purposes of this Section, a minimum of sixty (60) days from the first notice to Developer or General Contractor shall be deemed a reasonable opportunity for Developer and General Contractor to inspect and repair any alleged or suspected problem; provided, however, in certain circumstances, this period of time may be longer depending on the complexity of the condition and the length of time reasonably necessary to obtain parts and services from third parties as such additional time shall be communicated to the Association and Master Unit Owner by Developer or General Contractor.

After the above right to inspect and correct period elapses, the Association may bring an action against Developer or General Contractor to recover damages resulting from construction defects in any of the Common Elements or Limited Common Elements only. Such action may be maintained by the Association only after doing the following, including, but not limited to:

i. The Association obtains the written approval of each Master Unit Owner whose interest in the Common Elements or Limited Common Elements will be the subject of the action,

ii. The Association obtains the affirmative vote of the Master Unit Owners to which at least a majority of the votes of the members of the Association are allocated;

iii. The full Board of Directors and, as applicable, the General Contractor and Developer have met in person and conferred in a good faith attempt to resolve the Association's claim or the General Contractor and/or Developer has definitively declined or ignored the requests to meet with the Board of Directors.

At least three business days in advance of any vote to commence an action by the Association to recover damages resulting from construction defects in any of the Common Elements or Limited Common Elements, the attorney representing the Association shall provide to each Master Unit Owner a written statement that includes, in reasonable detail:

1. The defects and damages or injuries to the affected Common Elements or Limited Common Elements,

2. The Cause of the defects, if the cause is known;

3. The nature and the extent that is known of the damage or injury resulting from the defects;

4. The location of each defect within the affected Common Elements or Limited Common Elements, if known;

5. A reasonable estimate of the cost of the action or medication, including reasonable attorneys' fees and costs, expert fees, and the costs of testing; and

6. All disclosures that the Master Unit Owner is required to make upon the sale of the Master Unit.

The Association or an attorney for the Association shall not employ a person to perform destructive tests to determine any damage or injury to a Unit, Common Element, or Limited Common Element caused by a construction defect unless:

I. The person is licensed as a contractor pursuant to law;

II. The Association has obtained the prior written approval of each Master Unit Owner whose Master Unit or interest in the Common Element or Limited Common Element will be affected by such testing;

III. The person performing the tests has provided a written schedule for repairs;

IV. The person performing the tests is required to repair all damage resulting from such tests in accordance with state laws and local ordinances relating thereto;

V. The Association or the person so employed obtains all permits required to conduct such tests and to repair any damage resulting from such tests; and

VI. Reasonable prior notice and opportunity to observe the tests is given to Developer, General Contractor, and any other party against whom an action may be brought as a result of the tests.

The Association may commence an action only upon a vote or written agreement of the Master Unit Owners to which at least a majority of the votes of the members of the Association are allocated. In such a case, and at least 21 calendar days before the meeting, the Association shall provide written notice to the Master Unit Owner of each Master Unit of the meeting at which the commencement of an action is to be considered or action is to be taken.

The Association may, without giving notice to the Master Unit Owners, employ a contractor and such other persons as are necessary to make such immediate repairs to a Master Unit or Common Element as are required to protect the health, safety, and welfare of the Master Unit Owners and Occupants.

Similarly, prior to any Master Unit Owner(s) bringing any Claim against the Developer or General Contractor, the affected Master Unit Owner(s) shall first notify the Association of their intent to do so, shall meet with the Association's Board of Directors to discuss the nature and merit of their Claim and whether such Claim concerns the Common Elements, and shall provide the Association with at least sixty (60) days (if requested by the Board) to obtain the consent of the Master Unit Owners for the Association to join-in such Claim against the Developer or General Contractor with respect any affected Common Elements only.

B. Notice.

After first complying with the terms and conditions set forth above in subsection A, if the Association and/or Master Unit Owner(s) (singularly or collectively as the context requires, the "Claimant") desires to pursue a legal claim of any nature whatsoever against General Contractor and/or Developer (singularly or collective as the context requires, the "Respondent"), then the Claimant shall, no later than ninety (90) days before initiating an action against Respondent, provide service of written notice of claim on Respondent (the "Notice of Claim") The Notice of Claim shall state that the Claimant asserts a construction defect claim The Notice of Claim shall describe the claim of claims in detail sufficient to explain the nature of the alleged construction defects and the results of the defects. In addition, the claimant shall provide to the General Contractor or Developer any evidence that depicts the nature and cause of the construction defects, including expert reports, photographs, and videotapes, if that evidence otherwise would be discoverable under evidentiary rules.

For purposes of clarification of the above terms and conditions, a Master Unit Owner may file a Claim against Respondent for problems or deficiencies with his or her Master Unit only. A Master Unit Owner may not file a Claim against Respondent for problems or deficiencies with the Common Elements as all Master Unit Owners covenant and agree that all such Claim rights are exclusively those of the Association The Association only may file Claims against Respondent for problems or deficiencies affecting more than 10% of all Master Units in the Property, and, in such case, all Master Unit Owners covenant and agree that the Association shall serve in a representative capacity on behalf of all such affected Master Unit Owners should the Association elect to do so.

C. Negotiation and Mediation.

If the parties do not resolve the Claim amongst themselves in accordance with the notice and opportunity to cure provisions set forth above ("Termination of Negotiations"), then Claimant shall have thirty (30) additional days to submit the Claim to mediation under the auspices of an independent, mutually acceptable agent providing dispute resolution services in the Metropolitan Nashville, Tennessee area.

If Claimant does not submit the Claim to mediation within such time period or does not appear for mediation, Claimant shall be deemed to have absolutely, unconditionally, and forever waived the Claim, and Developer and General Contractor shall be released and discharged from any and all liability whatsoever to Claimant on account of such Claim.

Any settlement of the Claim through mediation shall be documented in writing by the mediator and signed by the parties. If the parties do not settle the Claim within thirty (30) days after submission of the matter to mediation, or such additional time as determined by the mediator, the mediator shall issue to all parties a written notice of termination of the mediation proceedings ("Termination of Mediation") The Termination of Mediation notice shall set forth that the parties are at an impasse and the date that such mediation was terminated.

Within five (5) days of the Termination of Mediation, the Claimant shall make a final written settlement demand ("Settlement Demand") to Respondent, and Respondent shall make a final written settlement offer ("Settlement Offer") to Claimant. If Claimant fails to make a Settlement Demand, Claimant's original Notice shall constitute the Settlement Demand. If Respondent fails to make a Settlement Offer, they shall be deemed to have made a "zero" or "take nothing" Settlement Offer.

D. Final and Binding Arbitration.

If parties do not agree in writing to a settlement of the Claim within fifteen (15) days of the Termination of Mediation, then the Claimant shall have fifteen (15) additional days thereafter (i.e., thirty (30) days from the date of Termination of Mediation) to submit the Claim to arbitration before the American Arbitration Association pursuant to the Construction Industry Arbitration Rules of the American Arbitration Association.

If not timely submitted to arbitration or if the Claimant fails to appear for the arbitration proceeding, then the Claim shall be deemed abandoned, Respondent shall be released and discharged from any and all liability whatsoever to Claimant arising out of such Claim.

This Section 2. is an agreement to arbitrate and is specifically enforceable under the applicable arbitration laws of the State of Tennessee. The arbitration award (the "Award") shall be final and binding, and judgment may be entered upon it to the fullest extent permitted under the laws of the State of Tennessee.

E. Allocation of Costs of Resolving Claims.

Each party (regardless of the outcome of the arbitration proceeding) shall bear its own costs, including attorneys' fees, arbitration filing fees, and arbitration case service fees. The parties shall share

equally in all arbitrator compensation and expenses and compensation of the mediator and mediation service Under no circumstances whatsoever shall one party be entitled to receive reimbursement from the other party for the above-described costs, expenses, and fees, including, but not limited to, attorneys' fees.

F. Enforcement of Resolution.

After resolution of any Claim, if any party fails to abide by the terms of any settlement agreement or Award, then any other party may file suit or initiate administrative proceedings to enforce such agreement or Award without the need to again comply with the procedures set forth above In such event, the party taking action to enforce the agreement or Award shall be entitled to recover from the non-complying party (or if more than one non-complying party, from all such parties jointly and severally) all costs incurred in enforcing such agreement or Award, including, without limitation, attorneys' fees and court costs.

G. General Contractor Beneficiary.

General Contractor is an express beneficiary of the terms set forth in this Section, and the terms of this Section may not be amended in any manner whatsoever without General Contractor's prior written consent. THE TERMS OF THIS SECTION SHALL NOT BE DEEMED TO PROVIDE ANY IMPLIED OR EXPRESS WARRANTY RIGHTS WHATSOEVER BY DEVELOPER AND GENERAL CONTRACTOR TO THE ASSOCIATION OR ANY OWNER, AND DEVELOPER AND GENERAL CONTRACTOR EXPRESSLY DISCLAIM ANY AND ALL IMPLIED WARRANTIES, INCLUDING, WITHOUT LIMITATION, WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, TO THE FULLEST EXTENT PERMITTED BY TENNESSEE LAW. Developer and General Contractor may seek enforcement of the rights afforded to it under this Section by filing an action at law or in equity, including specifically the remedy of specific performance, in the appropriate court of competent jurisdiction in the State of Tennessee and notwithstanding to the contrary any arbitration provision set forth in this Master Deed or any other instrument whatsoever.
