6. Association of Townhome Owners and Administration and Operation of the Property.

(a) There has been or will be formed an Association having the name 405A and 405B St. Francis Avenue Townhomes Owner Association, a Tennessee not-for-profit corporation, which Association shall be the governing body for all of the Townhome Owners and shall be operated to provide for the maintenance, repair, replacement, administration, operation and care of the Property as provided in the Act, this Declaration, and the Bylaws. The Townhome Owners shall each be members of the Association, with each Townhome holding an undivided membership interest in the Association, which shall be appurtenant to such Townhome, each such membership interest appurtenant to a Townhome being in equal share, subject to the provisions concerning voting hereinafter set forth. The Board of Directors of the Association shall be elected and shall serve in accordance with the provisions of the Bylaws. The fiscal year of the Association shall be determined by the Board, and may be changed from time to time, as the Board deems advisable. The Association shall not be deemed to be conducting a business of any kind. Any activities undertaken by the Association shall be for the use and benefit of Townhome Owners in accordance with the provisions of the Act, this Declaration and the Bylaws. Each Townhome Owner shall be a member of the Association so long as such Owner is a Townhome Owner. A Townhome Owner's membership shall automatically terminate when such Owner ceases to be a Townhome Owner. Upon the conveyance or transfer of a Townhome Owner's ownership interest to a new Townhome Owner, the new Townhome Owner shall automatically succeed to the former Townhome Owner's membership in the Association. The aggregate number of votes for all members of the Association shall be divided among the respective Townhome Owners with one (1) vote granted to each Townhome (except that the

Developer shall have five (5) votes per Townhome as provided in Section (b) below).

(b) Voting Membership. Class A. Class A members shall be all Townhome Owners, with the exception of the Developer, as long as Developer is a Class B Member, and shall be entitled to one (1) vote for each Townhome owned. When more than one (1) person holds an interest in any Townhome, all such persons shall be members. The vote for such Townhome shall be exercised as they determine, but in no event shall more than one (1) vote be cast with respect to any Townhome.

Class B. The Class B member shall be the Developer and shall be entitled to five (5) votes for each Townhome owned. The Class B membership shall cease and be converted to Class A membership on the happening of either of the following events, whichever occurs earlier:

(i) when one hundred percent (100%) of the Townhomes have been conveyed to Townhome Owners;

(ii) when, in its discretion, the Developer so determines.

(c) Management of Property. The Board shall have the authority to engage the services of an agent (herein sometimes referred to as the "Managing Agent") to maintain, repair, replace, administer and operate the Property, or any part thereof, to the extent deemed advisable by the Board, subject to the provisions of subsection (d) below. The Board shall require that such Managing Agent have fidelity bond coverage on its employees handling Association funds. The cost of such services shall be a common expense, as defined in section 11 below.

(d) Initial Management Contract. The First Board, appointed as provided herein, shall ratify and approve the Management Agreement between the Developer, on behalf of the Association, and a management company, to act as Managing Agent for the Property, for a term as approved by said First Board, but not to exceed one (l) year.

(e) Use by Developer. During the period of sale by the Developer (and/or any Builder(s)) of any Townhomes, the Developer (and/or any Builder(s)), and their agents, employees, contractors and subcontractors, and their respective agents and employees, shall have easements for access, ingress to and egress from the Buildings and Property as may be required for purposes of construction and sale of the Townhomes and for the development of the Common Elements and work to be performed thereon. While the Developer (and/or any Builder(s)) owns any of the Townhomes and until each sold by it is occupied by the purchasers, the Developer (and/or any Builder(s)) and its employees may use and show one or more of such unsold or unoccupied Townhomes as a model Townhome or Townhomes, or as a sales office, and may maintain customary signs in connection therewith.

(f) Non-Liability of the Directors, Board, Officers and Developer. Neither the Directors, Board, Officers of the Association, nor the Developer shall be personally liable to the Townhome Owners for any mistake of judgment or for any other acts or omissions of any nature whatsoever as such directors, Board, officers, or Developer, except for any acts or omissions found by a court to constitute gross negligence or fraud. The Townhome Owners shall indemnify and hold harmless each of the Directors, Board, Officers, or Developer, and their respective heirs, executors, administrators, successors and assigns in accordance with the Charter of the Association and Bylaws.

(g) Interest of Association in Common Elements. Ownership of the Common Elements shall be vested in the Association pursuant to a conveyance of said Common Elements from the Developer to the Association.

7. <u>Board's Determination Binding.</u> In the event of any dispute or disagreement between any Townhome Owners relating to the Property, or any questions of interpretation or application of the provisions of this Declaration or the Bylaws,

the determination thereof by the Board shall be final and binding on each and all such Townhome Owners.

8. Ownership of Interests in the Association. Subject to the provisions concerning voting rights hereinabove contained, each Townhome shall be allocated an equal percentage ownership in the Association. The percentages of ownership interests shall remain constant unless hereafter changed by recorded amendment to this Declaration. Said ownership interest shall be an undivided interest, and the undivided membership interests in the Association shall be owned by the Townhome Owners as tenants in common in accordance with their respective percentages of ownership. The ownership of each Townhome shall not be conveyed separate from the percentage of ownership in the Association corresponding to said Townhome. The undivided percentage of ownership in the Association corresponding to any Townhome shall be deemed conveyed or encumbered with that Townhome, even though the legal description in the instrument conveying or encumbering said Townhome may refer only to the title to that Townhome.

9. Use of the Common Elements. Except as hereinafter set forth, each Townhome Owner shall have the right to use the Common Elements (except the Private Elements) in common with all other Townhome Owners, and shall have easements for the purposes of access, ingress to, egress from, use, occupancy and enjoyment of the respective Townhome owned by such Townhome Owner. Such right to use the Common Elements shall extend to each Townhome Owner, and such Owner's agents, servants, Tenants, family members, customers, invitees and licensees. However, each Townhome Owner shall have the right to the exclusive use and possession of the Private Elements and limited common elements attributable to the Townhome. Such rights to use the Common Elements shall be subject to and governed by the provisions of the Act, Declaration, Bylaws and any rules and regulations established by the Association. In addition, the Association shall have the authority to lease, grant concessions or grant easements with respect to parts of the Common Elements, subject to the provisions of this Declaration and the Bylaws. Any income derived by the Association from leases, concessions or other sources shall be held and used for the benefit of the members of the Association, pursuant to such rules, resolutions or regulations as the Board may adopt or prescribe.

10. Storage Areas and Parking Spaces. Any storage areas on the Property, except those inside the Townhomes and those, which are Private Elements, shall be used by such Townhome Owners in such manner and subject to such rules and regulations as the Board may prescribe. Parking spaces within the Parcel shall be used by such Townhome Owners in such manner and subject to such rules and regulations as the Board may prescribe.

11. Common Expenses and Assessments.

(a) Common Expenses. The Association shall be responsible for the "Common Expenses" as defined herein. Each Townhome Owner shall be assessed an equal share of the Common Expenses as described below. Common Expenses shall consist of the following:

> (i) The cost of administration of the Association, and the administration, repair, maintenance, replacement and operation of the Common Elements; and
>
> (ii) Each Townhome is separated by a party wall. Townhome Owners are responsible for the maintenance and repair of their Townhome and the limited common element serving their Townhome. The Association shall repair and maintain the common element. In the event that a Townhome Owner fails to satisfy his or her maintenance obligations as herein defined, the Association may make such repairs in accordance with paragraph 15.

(iii) Any other expenses determined by the Board to be Common Expenses. The Board may elect to provide for maintenance and repair of any part of the elements as a common expense.

(b) Lien of Assessment. In order to secure payment of assessments, both monthly or annual and special, as the same become due, there shall arise a continuing lien and charge against each Townhome, the amount of which shall include interest at the rate of (10%) Ten percent per annum, costs of collection, and reasonable attorney's fees. Each such assessment, together with such interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the Townhome Owner of the Townhome at the time the assessment became due; provided that this personal obligation shall not pass to successors in title unless expressly assumed by them. The lien provided for herein, however, shall be subordinate to the lien of any first Deed of Trust (sometimes hereinafter called "mortgage") on any Townhome. The sale or transfer of any Townhome shall not affect any assessment lien. The sale or transfer of any Townhome that is subject to any first mortgage, pursuant to a foreclosure thereof or under power of sale or any proceeding in lieu of obligation of any former title holder, as to payments that became due prior to such sale or transfer and subsequent to the recordation of the first mortgage that has been foreclosed assessments shall not take priority over the first Deed of Trust, but the Association shall have a lien upon the proceeds from foreclosure or of sale junior only to the lien of the foreclosed first mortgage. No sale or transfer shall relieve such Townhome from liability for any assessment thereafter becoming due or from the lien thereof.

(c) Levy of Assessments. The amount of the initial annual assessment will be set by the Board prior to the sale of any Townhomes. Thereafter, monthly or annual assessments shall be levied by the Board, by action taken on or before December of each year for the ensuing year. The Board, in its discretion, may provide for the periodic payment of such assessments at some intervals other than monthly. Special assessments may be levied in any year for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Elements or such other portion of the Property for which the Association is obligated to maintain and repair, if any, including fixtures and personal property related thereto; provided that the same are approved by the Board of Directors of the Association, by a two-thirds (2/3) vote at a meeting of the Board duly held for that purpose. A twenty-day written notice of the Board meeting to consider subsequent monthly, annual or special assessment shall be mailed (by U.S. first class mail) to every Townhome Owner subject thereto. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Townhome have been paid and the amount of any delinquencies. The Association shall not be required to obtain a request for such certificate signed by the Townhome Owner, but may deliver such certificate to any party who in the Association's judgment has a legitimate reason for requesting the same.

(d) Annual Assessment and Capital Assessment.

(1) Except as specifically provided otherwise herein, each Townhome Owner shall be responsible for paying his equal proportionate share of the expenses of the administration and operation of the Common Elements and of any other expenses incurred in conformance with this Declaration and By-Laws (which expenses are herein sometimes referred to as "Common Expenses"), including, but not limited to, the maintenance and repair of the Property and any and all replacements and additions thereto. The payment of Common Expenses shall be in such amounts and shall be payable at such times as determined by the Board. No Townhome Owner shall be exempt from payment of his equal share of the Common Expenses by waiver or nonuse of enjoyment of the Common or Limited Common Elements or by abandonment of his Townhome.

(2) The Board may establish an initial capital assessment on each Townhome at the time of purchase in order to provide funding for the Association.

(e) Rate of Assessment. All Townhomes in the development shall commence to bear their assessments upon the initial sale of the Townhome, except that Townhomes owned by the Developer do not accrue liability for assessments of any nature while owned by the Developer.

(f) Effect of Non-Payment of Assessments and Remedies of the Association. In addition to any other remedy available to the Association under this Declaration or applicable law, any assessment not paid within thirty (30) days after the due date shall be subject to a monthly late fee equal to the greater of ten dollars ($10.00) or ten percent (10%) of the outstanding balance owed. Unpaid assessments shall also bear interest from the due date at Ten percent (10%) per annum. The Association, its agent or representative, may bring an action at law against the Townhome Owner personally obligated to pay the same or foreclose the lien against the Townhome to which the assessment relates, and interest, costs, and reasonable attorney's fees for such action or foreclosure shall be added to the amount of such assessment. No Townhome Owner may avoid liability for the assessments provided for herein by non-use of the Common Elements or abandonment of his Townhome.

(g) Mortgage and Deed of Trust Protection. The lien for common expenses payable by a Townhome Owner shall be subordinate to the lien of a recorded First Mortgage or First Deed of Trust on the interest of such Townhome Owner, except for the amount of the proportionate share of common expenses which become due and payable from and after the date on which the mortgagee or beneficiary thereunder either takes possession of the Townhome encumbered thereby, accepts a conveyance of any interest therein (other than as security) or forecloses its mortgage or deed of trust. This subsection (c) shall not be amended, changed, modified or rescinded without the prior written consent of all mortgagees and Deed of Trust beneficiaries of record.

12. Mortgages and Deeds of Trust. Each Townhome Owner shall have the right, subject to the provisions herein, to make separate mortgages and deeds of trust for such Townhome Owners' respective Townhome, including such Townhome Owners respective ownership interest in the Association. No Townhome Owner shall have the right or authority to make or create, or cause to be made or created, from the date hereof, any mortgage, Deed of Trust or other lien on or affecting the Property or any part thereof, except only to the extent of such Owners Townhome and the interest in the Association corresponding thereto.

13. Separate Real Estate Taxes. Real estate taxes shall be separately taxed to each Townhome Owner for such Owner's Townhome and including the corresponding percentage of ownership in the Association, as provided in the Act. In the event that such taxes for any year are not separately taxed to each Townhome Owner, but rather are taxed on the Property as a whole, then each Townhome Owner shall pay such Owner's proportionate share thereof in accordance with such Owner's respective percentage of ownership interest in the Association, and, in said event, such taxes shall be a Common Expense.

14. Insurance. The Board may insure all improvements against fire, liability and casualty loss or it may require each Townhome Owner and Occupant be responsible for obtaining his own insurance covering his own Townhome building including each Owner's proportionate share of replacing the party wall and all alterations, additions, improvements and betterments to any Townhome unless insured by the Board. Each Townhome Owner shall also insure all improvements located on the limited common element serving such Townhome, in addition to all contents, decorations, furnishings and personal property within his Townhome, and any personal property stored elsewhere on the Property unless insured by the Board. Each Townhome Owner and or Occupant shall also obtain a liability policy covering damage or injury occurring in his own Townhome unless insured by the Board. The policy of insurance covering such Townhome building shall afford, as a minimum protection against loss or damage by fire or other perils normally covered by the "HO-3" or "HO-5", or their then nearest current equivalent, where such is available, and such policy shall be in an amount equal to

one hundred percent (100%) of current replacement cost of such individual Townhome building and all alterations, additions, improvements or betterments thereto and such Townhome's other improvements serving such Townhome located in the limited common element. In addition, in the event a Townhome Owner desires to insure against his personal liability and loss or damage by fire or other hazards above and beyond the extent that his liability loss or damage is covered by the liability insurance and insurance against loss or damage by fire and such other hazards obtained by the Board for the benefit of all the Townhome Owners as part of the common expenses as provided herein, said Townhome Owner may at his option and expense, obtain additional insurance.

It is anticipated the Townhome owners will insure all improvements against fire and loss. If the association has or acquires a property interest to insure, the Board is authorized to maintain insurance for the Common Elements against loss or drainage by fire, vandalism, malicious mischief and such other hazards are covered under standard extended coverage provisions for the full insurable replacement cost of the Common Elements, and against such other hazards and for such amounts as the Board may deem advisable. Insurable replacement cost shall be deemed to be the cost of restoring the Common Elements to substantially the same condition in which they existed prior to the damage or destruction. Such insurance coverage shall be written in the name of, and the proceeds thereof shall be payable to, the Association, as the trustee for each of the Townhome Owners. The policy of property insurance shall list the Townhome Owners and their mortgagees as additional insured. The premiums for such insurance shall be a common expense. However, at the option of the Board, and upon written notice to all Townhome Owners, premiums for such insurance may be separately billed to each Townhome Owner and each Townhome Owner shall be responsible for payment of the product obtained by multiplying such premiums by such Townhome Owner's Ownership Percentage.

The Board shall not be responsible for, and the policy of insurance maintained by the Board shall not include coverage for any individual Townhome building, the personal property of the Townhome Owner or Occupant nor such Owner or Occupants' improvements or betterments located on the limited common element serving such Townhome nor any other personal property located anywhere on the Property owned by a Townhome Owner or Occupant unless the Board specifically approved such responsibility, in writing, and thus specifically includes such property, improvements or betterments in its policy of insurance. The Board in its sole discretion shall determine if such coverage is to be extended.

In the event of damage to or destruction of any part of the Property as a result of fire or other casualty covered by insurance maintained by the Board pursuant hereto, the Board shall, in its sole and absolute discretion, determine whether repair, replacement or restoration shall be done to the damaged or destroyed property, without intervention of any Townhome Owner. If the Board determines that such repair, replacement or restoration is to be made, then the Board shall arrange for the prompt repair, replacement or restoration of the damage property in accordance with the original plans and specifications therefore, with such changes as may be required by applicable laws or as the Board may approve. Where the insurance proceeds are insufficient to cover the cost of such repairs, replacement or restoration, the deficit shall be paid by all Townhome Owners in proportion to each such Townhome Owner's Ownership Percentage.

Notwithstanding the foregoing, reconstruction and repair shall not be compulsory where the whole or more than two-thirds of all the Townhomes are destroyed or damaged by fire or other casualty. In such case and unless otherwise agreed upon by no less than sixty-seven percent (67%) of all Townhome Owners, the insurance proceeds shall be delivered to the Townhome Owners or their mortgagees, as their interest may appear, in the proportion to the Ownership Percentage of each Townhome Owner in the Common Elements, and the Board, as soon as it is reasonably practicable and as agent for the Townhome Owners, shall sell the Property, in its then condition, free from the effect of this Declaration, which shall terminate upon such sale, on terms satisfactory to the Board, and the net proceeds of such sale and all insurance policies shall thereupon be distributed to the Townhome Owners of their mortgagees, as their interests

may appear, in proportion to the Ownership Percentage of each Townhome Owner. If the Board fails to consummate a sale pursuant to this paragraph within twenty-four (24) months after the destruction or damage occurs, then the Manager or the Board shall, or if it does not, any Townhome Owner or mortgagee may, record a sworn declaration setting forth such decision and reciting that under the provisions of the Declaration the prohibition against judicial partition provided for in this Declaration has terminated and that judicial partition of the Property may be obtained pursuant to the laws of the State of Tennessee. Upon final judgment of a court of competent jurisdiction decreeing such partition, the Declaration shall terminate.

The Board shall also maintain comprehensive public liability insurance, in such amounts as it deems desirable and worker's compensation insurance and other liability insurance as it deems desirable or as required by law, insuring each Townhome Owner, the mortgagee(s) of Record, if any, Association, its officers, directors, board and employees, developer and any manager, from (i) liability in connection with the property, and (ii) liability arising out of legal proceedings relating to employment contracts to which the Association is a party (to the extent such insurance is reasonably available). The premiums for such insurance shall be a common expense; however, at the option of the board, and upon written notice to all Townhome Owners, premiums for such insurance may be separately billed to each Townhome Owner, each Townhome Owner shall be responsible for payment of the product obtained by multiplying such premiums by such Townhome Owner's Ownership Percentage. The board shall retain in safekeeping any such public liability policy for six (6) years after the expiration date of the policy.

The board, in its sole discretion, also shall have authority to and may obtain such other insurance and bonds as it deems desirable, in such amounts, from such sources and in such forms as it deems desirable, insuring the property and each member of the board and officer of the Association, and each member of any committee appointed pursuant to the Bylaws of the Association, from liability arising from the fact that said person is or was director or officer of the Association, or a member of any such committee. The premiums for such insurance and bonds shall be a common expense.

In the event a Townhome Owner desires to insure against his personal liability and loss or damage by fire or other hazards above and beyond the extent that is liability loss or damage is covered by the liability insurance and insurance against loss or damage by fire and such other hazards obtained by the Board for the benefit of all the Townhome Owners as part of the common expenses, as above provided, said Townhome Owner may at his option and expense, obtain addition insurance.

The Board of Directors may, at its sole discretion, require that all officers and employees (including with limitation any management agent) of the corporation handling or responsible for corporate funds shall be covered by blanket fidelity bonds. The premiums on such bonds shall be paid by the Association as a common expense of the Association.

15. Maintenance, Repairs and Replacements.

(a) Obligations of Townhome Owners. Each Townhome Owner, at such Owner's expense, shall furnish and be responsible for all maintenance of, repairs to and replacements of such Owner's Townhome and other improvement located within the limited common element servicing such Townhome and the Townhome owner's proportionate share of maintenance and repair of the party wall. In the event that a Townhome Owner fails to satisfy his maintenance obligations as herein defined, the Association may after approval by two-thirds vote of the Board, enter into said Townhome and perform such necessary maintenance, repair or replacement. The cost of such work will be added to and become a part of the assessment to which said Townhome is subject. Provided, however, that a Townhome Owner against whose Townhome such an assessment is levied shall be entitled to ten (10) days' notice, a hearing before the Board and a reasonable

opportunity to perform the necessary maintenance or repair work prior to the Board causing such work to be performed and the Townhome being levied with such an assessment. A Townhome Owner may not make changes in colors, materials or appearance of the exterior of his Townhome without prior approval of the architectural control committee. The general rules of laws regarding party walls shall apply.

(b) Obligations of Association. The Association shall be responsible for the maintenance repairs and replacements within the Common Elements. The cost of the maintenance, repairs and replacements, which are the responsibility of the Association, shall be part of the Common Expenses.

(c) Loss Attributable to Townhome Owner. Notwithstanding any provision of this Declaration to the contrary, if the need for maintenance or repair that would otherwise result in a Common Expense that was the obligation of the Association is caused by the willful or negligent conduct or act of a Townhome Owner, his household pet, family, guest, invitees or other Person using or occupying said Townhome Owner's Townhome with express or implied permission, the cost of such repair or maintenance shall be assessed against such Townhome Owner and shall be due and payable thirty (30) days from the date of notice thereof, such assessment to be collected and enforced as provided in this Declaration for the collection of assessments. Such assessment shall not require approval of any of the Members; provided, however, that a Townhome Owner against whose Townhome such an assessment is levied shall be entitled to ten (10) days' notice, a hearing before the Board and a reasonable opportunity to perform the necessary maintenance or repair work prior to being levied with such an assessment.

(d) Access to Townhomes. The authorized representative of the Association, Board or of the Managing Agent with approval of the Board shall be entitled to reasonable access to the individual Townhomes and Private Elements as may be required in connection with the preservation of any individual Townhome or Private Elements in the event of an emergency, or in connection with maintenance of, repairs or replacements within the Common Elements, Private Elements or any equipment, facilities or fixtures affecting or serving the other Townhomes, Common Elements or Private Elements or to make any alteration required by any governmental authority.

16. <u>Architectural Control, Alterations, Additions or Improvements.</u>

(a) Architectural Control. No structure may be erected, placed or altered on any Private Elements, and no building permit may be obtained, until the construction plans and building specifications and a plan showing: (i) the location of improvements on the Private Elements; (ii) the grade elevation (including rear, front and side elevations); (iii) the type of exterior material and roof material (including delivery of samples thereof); (iv) the color of paint or stain to be applied to any exterior surfaces and the color of the roof material (including delivery of samples thereof); and (v) the location and size of any wood deck or patio (which shall be broom finish concrete, unless otherwise approved by Developer), shall have been approved in writing by the Architectural Control Committee which shall be appointed (a) by the Developer until such time as the Developer has sold and developed all of its Townhomes and thereafter (b) be designated by the Board.

(b) Alterations, Additions or Improvements. Except as provided specifically herein, no alteration of any Common Elements or Private Elements, or any additions or improvements thereto, or any change in the exterior appearance shall be made by any Townhome Owner without the prior written approval of the Board after review and approval by the Architectural Control Committee. The Board may authorize and charge as common expenses alterations, additions, and improvements of the Common Elements as provided in the Bylaws. The expense of such charges shall be paid out of the reserves established in the Association's annual budget, which shall be funded by a portion of the annual assessments applicable to each Townhome. Any Townhome Owner may make non-structural

alterations, additions or improvements within the Townhome of the Townhome Owner without the prior written approval of the Board, but such Townhome Owner shall be responsible for any damage to other Townhomes, the Common Elements, the Private Elements, the Property, or any part thereof, resulting from such alterations, additions or improvements.

17. Encroachments and Easements. If any portions of the Common Elements shall actually encroach upon any Townhome or Private Elements, or if any Townhome or Private Elements shall actually encroach upon any portions of the Common Elements, or if any Townhome or Private Elements shall actually encroach upon another Townhome or Private Elements, as the Common Elements, Townhomes and Private Elements are shown by the Plat, there shall be deemed to be mutual easements in favor of the owners of the Common Elements and the respective Townhome Owners involved, to the extent of such encroachments, so long as the same shall exist.

The Association shall have the right to grant permits, licenses, and easements over the Common Elements for utilities, roads, and other purposes reasonably necessary or useful for the proper maintenance or operation of the horizontal property regime.

18. Association's Right to Purchase at a Foreclosure Sale. The Board shall have the power and authority to bid and purchase, for and on behalf of any Townhome, or interest therein at sale pursuant to a Deed of Trust or mortgage foreclosure, a foreclosure of the lien for common expenses under the Act, or an order or direction of a court, or at any other involuntary sale, upon the consent or approval of Townhome Owners owning not less than seventy five percent (75%) of the total votes of the Townhome Owners. Such consent shall set forth a maximum price, which the Board or its duly authorized agent may bid and pay for said Townhome.

The Board shall have authority to make such mortgage arrangements and special assessments proportionately among the respective Townhome Owners, and other such financing arrangements as the Board may deem desirable, in order to close and consummate the purchase or lease of a Townhome, or interest therein, by the Association. However, no such financing arrangement may be secured by an encumbrance on any interest in the Property other than the Townhome, or interest therein, to be purchased or leased, and the percentage interest in the Association appurtenant thereto.

19. Use and Occupancy Restrictions. Subject to the provisions of the Bylaws, no part of the Property may be used for purposes other than housing and the related common purposes for which the Property was designed and as allowed by municipal zoning laws. A home office may be maintained, which does not generate vehicular or pedestrian traffic, and (not in violation of municipal zoning laws).

No Townhome or Common Elements may be used in violation of the restrictions and provisions contained in the Bylaws. No building or other structure shall be erected, altered, or permitted to remain as part of any Townhome except in conformance with this Declaration.

The Common Elements shall be used only by the Townhome Owners and their agents, servants, Tenants, family members, customers, invitees and licensees for access, ingress to and egress from the respective Townhomes and for such other purposes incidental to use of the Townhomes; provided, however, that any areas designed for a specific use shall be used for the purposes approved by the Board. The use, maintenance and operation of the Common Elements shall not be obstructed, damaged or unreasonably interfered with by any Townhome Owner, and shall be subject to any lease, concession or easement, presently in existence or entered into by the Board at some future time, affecting any part or all of said Common Elements.

In addition to the above, the following restrictions shall apply:

(a) Approval of Plans. No construction. Reconstruction, remodeling, alteration, or addition of or to any structure, building, fence, wall or improvement of any nature shall be constructed without obtaining prior written approval of the Architectural Control Committee established as provided in Section 16 (a) as to the location, plans, and specifications therefore. As a prerequisite to consideration for approval and prior to the commencement of the contemplated work, two (2) complete sets of building plans and specifications shall be submitted. The Architectural Control Committee shall be the sole arbiter of such plans and may withhold its approval for any reasons, including purely aesthetic reasons. It is expressly acknowledged that construction undertaken by (i) the Developer and (ii) any Builder who purchases Townhome(s) from the Developer shall be conclusively deemed to comply with the foregoing, it being declared that construction of Townhomes) by (i) the Developer and (ii) any Builder who purchases Townhome(s) from the Developer shall be exempt from Architectural Control Committee review and from any limitations on construction existing under this Declaration or the Association's Bylaws. Upon giving approval, construction shall be started and prosecuted to completion promptly and in strict conformity with such plans.

At such time as Developer divests itself of all Townhomes within the development, and Developer has not assigned its right to a successor, the right of approval of plans for further construction, reconstruction, remodeling, alterations, and additions shall thereafter rest exclusively in the Association and in its Board of Directors, which Board shall thereafter appoint the membership of the Architectural Control Committee.

Developer, and the Architectural Control Committee and the individual members thereof shall not be liable for any act or omission in performing or purporting to perform the functions delegated hereunder. In the event that the Architectural Control Committee fails to indicate its approval or disapproval within sixty (60) days after the receipt of the required documents, approval will not be required and the related covenants set out herein shall be deemed to have been fully satisfied. Approval or disapproval by the Architectural Control Committee shall not be deemed to constitute any warranty or representation by it including, without limitation, any warranty or representation as to fitness, design or adequacy of the proposed construction or compliance with applicable statutes, codes and regulations. Anything contained in this section, or elsewhere in this Declaration to the contrary notwithstanding, Developer and the Architectural Control Committee are hereby authorized and empowered, at their sole and absolute discretion, to make and permit reasonable modifications or deviations from any of the requirements of this Declaration relating to the type, kind, quantity or quality of the building materials to be used in the construction of any building or improvement on any Townhome and of the size and location of such building or improvement when, in their sole and final judgment, such modifications and deviations in such improvements will be in harmony with existing structures and will not materially detract from the aesthetic appearance of the Properties and the improvements as a whole; provided, however, such modifications and deviations must remain within all applicable ordinances and regulations established by the governing authority.

In so doing, the Association shall not be subject to any liability for trespass or otherwise. All costs incurred in any such repair, maintenance, restoration or removal shall be charged against the Owner of such Townhome as the personal obligation or such Owner and as a lien upon the Townhome, enforceable and collectible in the same manner and to the same extent as a maintenance assessment. (v) Hobbies and Activities. The pursuit of any inherently dangerous activity or hobby, including, without limitation, the assembly and disassembly of motor vehicles or other mechanical devices, the shooting of firearms, fireworks, or pyrotechnic devices of any type or size, and other such activities shall not be pursued or undertaken on any part of any Townhome or Private Element or upon the Common Elements without the consent of the Association.

(w) Governmental Restrictions. Each Owner shall observe all governmental building codes, health regulations, zoning restrictions, and other regulations applicable to his Townhome. In the event of any conflict between any provision of any such governmental code, regulation or restriction and any provisions of this Declaration, the more restrictive provision shall apply.

21. Remedies. In the event of any violation of the provisions of the Act, this Declaration, the Bylaws or the rules and regulations of the Board or Association by any Townhome Owner (either by the Townhome Owner's own conduct or by the conduct of any other Occupant of such Owners Townhome) the Association, or its successors or assigns, or the Board, or its agent, and any Townhome Owner(s) shall have each and all of the rights and remedies which may be provided for in the Act, this Declaration, the Bylaws, or said rules and regulations, or which may be available at law or in equity, and may prosecute an action or other proceeding against such defaulting Townhome Owner and/or others for enforcement of any lien and the appointment of a receiver for the Townhome and ownership interest of such Townhome Owner, for damages or injunction or specific performance, to have vehicles and/or other personal property parked or stored in violation of the Declaration or Rules and Regulations to be towed or removed from the property, or for judgment for payment of money and collection thereof, or the right to sell the Townhome through judicial process as provided hereinbefore, or for any combination of remedies, or for any other relief. All expenses of the Association in connection with any such actions or proceedings, including court costs and attorneys' fees and other fees and expenses and all damages, liquidated or otherwise, together with interest thereon at the rate of ten (10%) percent per annum until paid, shall be charged to and assessed against such defaulting Townhome Owner, and shall be added to and deemed part of such Owner's respective share of the common expenses, and the Board shall have a lien for all of the same, as well as for nonpayment of the Townhome Owner's respective share of the common expenses, upon the Townhome and ownership interest in the Association of such defaulting Townhome Owner and upon all of such Owner's additions and Improvements thereto and upon all of such Owner's personal property in such Owners Townhome or located elsewhere on the Property, provided, however, that such lien shall be subordinate to the lien of a recorded First Mortgage or First Deed of Trust on the interest of such Townhome Owner, except for the amount of the proportionate share of said common expenses which become due and payable from and after the date on

which the said mortgage or deed of trust owner or holder either takes possession of the Townhome, accepts a conveyance of any interest therein (other than as a security) or files suit to foreclose its mortgage or Deed of Trust. In the event of any such default by any Townhome Owner, the Board and the manager or Managing Agent, if so authorized by the Board, shall have the authority to correct such default, and to do whatever may be necessary for such purpose and all expenses in connection therewith shall be charged to and assessed against such defaulting Townhome Owner. Any and all such rights and remedies may be exercised at any time and from time to time, cumulatively or otherwise, by the Board.

The violation of any restriction or condition or regulation adopted by the Board or the breach of any covenant or provision herein contained, shall give the Board the right, after 10 days' notice to the Townhome owner in addition to any other rights provided for in this Declaration; (a) to enter (either peaceably or forcibly without liability to such Townhome Owner for such entry) upon the Townhome, or any portion of the Property upon which, or as to which such violation or breach exists and to summarily abate and remove, at the expense of the defaulting Townhome Owner, any structure, thing or condition that may exist thereon contrary to the intent and meaning of the provisions hereof, and the Board, or its employees or agents, shall not thereby be deemed guilty in any manner of trespass; or (b) to enjoin, abate or remedy by appropriate legal proceedings, either at law or in equity, the continuance of any breach; or (c) to take possession (either peaceably or forcibly without liability to such Townhome Owner for such entry) of such Townhome Owner's interest in the Property and to maintain an action for possession of such Townhome in the manner provided by law.

In addition to the other remedies provided for herein, in the event of a default by a Townhome Owner in the payment of such Townhome Owner's respective share of the common expenses which default continues for a period of ninety (90) days, the Board shall have the power and authority to place such Townhome Owners name on a list of delinquent Townhome Owners, which list may be posted at a place designated by the Board for notices.

22. Amendments. Except as to Developer rights and as specifically stated otherwise elsewhere herein, provisions of this Declaration may be changed, modified or rescinded by an instrument in writing, setting forth such change, modification or rescission, approved by Townhome Owners owning not less than two-thirds (2/3) of the total Townhomes, provided, however, all lien holders of record, where rights may be affected, have been notified by certified mail of such change, modification or rescission, and an affidavit by the secretary of the Association certifying to such mailing is made a part of such instrument.

However, if the Act, the Declaration or the Bylaws require the consent or agreement of all Townhome Owners or of all lien holders for any action specified in the Act or in this Declaration, then any instrument changing, modifying or rescinding any provision of this Declaration with respect to such action shall be approved by all Townhome Owners or all lien holders or both as required by the Act or this Declaration. The change, modification or rescission, whether accomplished under the provisions of the preceding section, shall be effective upon recording of such instrument in the office of the Register of Deeds of Davidson County, Tennessee; provided, however, that no provision in this Declaration may be changed, modified or rescinded so as to conflict with the provisions of the Act.

Notwithstanding the above, the Developer shall have the right to make and record any necessary amendment to this instrument for the express purpose of completion of development or correction of clerical errors, or as may be required to obtain FHA/VA, FNMA, FHLMC or other desired approval for the horizontal property regime.

23. Notices. Notices provided for in the Act, Declaration or Bylaws shall be in writing, and shall be addressed if to a Townhome Owner, to the address of such Owner's Townhome, and if to the Association or Board, as the case may be, to the registered office, as set forth in the Charter of the Association or to such other

address as may be designated by the Association or Board from time to time, or at such other address as may be hereinafter provided. The Association or Board may designate a different address or addresses for notices to them, respectively, by giving written notice of such change of address to all Townhome Owners. Any Townhome Owner may designate a different address for notices by giving written notice to the Association. Notices addressed as above shall be deemed delivered when mailed by United States registered or certified mail, or when delivered in person with written acknowledgment of the receipt thereof.

Upon written request to the Board, the holder of any recorded mortgage or Trust Deed encumbering any Townhome shall be given a copy of all notices permitted or required by this Declaration to be given to the Owner or Owners whose Townhome is subject to such mortgage or Trust Deed.

24. Severability. If any provision of the Declaration or Bylaws, or any section, sentence, clause, phrase, word, or the application thereof in any circumstance, is held invalid, the validity of the remainder of this Declaration and the Bylaws and of the application of any such provision, section, sentence, clause, phrase or word in any other circumstances shall not be affected thereby and the remainder of this Declaration or the Bylaws shall be construed as if such invalid part was never included therein.

25. Perpetuities and Restraints on Alienation. If any of the options, privileges, covenants or rights created by this Declaration shall be unlawful, void or voidable for violation of the rule against perpetuities, then such provision shall continue only until twenty-one (21) years after the death of the survivor of the now living descendants of the Governor of the State of Tennessee on the date of this Declaration.

26. Rights and Obligations. Each grantee of the Developer, by the acceptance of a deed of conveyance, accepts the same subject to all restrictions, conditions, covenants, reservations, liens and charges, and the jurisdiction, rights and powers created or reserved by this Declaration. All future Townhome Owners and Occupants shall be subject to and shall comply with the provisions of this Declaration. All rights, benefits and privileges of every character hereby imposed shall be deemed and taken to be covenants running with the land, and shall bind any person having at any time an interest or estate in said land, and shall inure to the benefit of such grantee in like manner as though the provisions of this Declaration were recited and stipulated at length in each and every deed of conveyance or contract for conveyance.

All present and future Townhome Owners, Tenants and Occupants of a Townhome shall be subject to, and shall comply with, the provisions of the Bylaws and they may be amended from time to time. The acceptance of a Deed of conveyance, devise or of a lease to a Townhome, or the entering into occupancy of any Townhome shall constitute an agreement that the provisions of this Declaration, the Bylaws and any rules and regulations promulgated thereunder, as they may be amended from time to time, are assumed, accepted and ratified by such Townhome Owner, Tenant or Occupant, and all of such provisions shall be deemed and taken to be covenants running with the land and shall bind any person having at any time any interest or estate in such Townhome, as though such provisions were recited and stipulated at length in each and every deed, conveyance or lease thereof.

The terms and conditions of this Declaration, the Bylaws and the rules and regulations may be incorporated by reference in, and become part of, the agreement between any mortgagee and any present or future Townhome Owner who enters into such an agreement with a mortgagee. When so incorporated, any default in the terms and conditions of the Declaration, Bylaws and rules and regulations may be considered as a default by the mortgagee, whereupon said mortgagee, after exercising its option to declare a default, shall then have all of the rights and privileges arising as a result of a default under its agreement with said Townhome Owner.

202310180081730

27. Trustee as Townhome Owner. In the event title to any Townhome is conveyed to a land title holding trust, under the terms of which all powers of management, operation and control of the Townhome remain vested in the trust beneficiary or beneficiaries, then the beneficiaries thereunder shall be considered Townhome Owners for all purposes and they shall be responsible for payment of all obligations, liens, or indebtedness and for the performance of all agreements, covenants, and undertakings chargeable or created under this Declaration against such Townhome. No claim shall be made against any such title holder trustee personally for payment of any lien or obligation hereunder created and the trustee shall not be obligated to sequester funds or trust property to apply in whole or in part against such lien or obligation. The amount of any such lien or obligation shall continue to be a charge or lien upon the Townhome and the beneficiaries of such trust, notwithstanding any transfers of the beneficial interest of any such trust or any transfer of title to such Townhome.

28. Condemnation. In the event of a taking in condemnation or by eminent domain of a part of the Common Elements, the award made for such taking shall be payable to the Board for and on behalf of the Association and all mortgagees affected. If a majority of the Board in their discretion, with written consent of a majority of the mortgagees affected, approves the repair and restoration of such Common Elements, the Board shall disburse the proceeds of such award to the contractors engaged in such repair and restoration in appropriate progress payments. In the event that the Board and the mortgagees do not approve the repair and commence restoration of such Common Elements within one hundred twenty (120) days after taking by the public or private authority, the Board shall disburse the net proceeds of such award on the basis of such Townhomes percentage of ownership in the Association to the Townhome Owners and the mortgagees as their Interests may appear.

29. Rights Reserved. The Townhome Owners right of enjoyment in the property commonly owned by the Association as herein created shall be subject to:

(a) The right of the Association to suspend the enjoyment rights of any member for any period during which any assessment remains unpaid, and for such period as it considers appropriate for any infraction of its published rules and regulations; and

(b) The right of the Association to charge reasonable fees for the use of the parts of the Common Elements; and

(c) The right of the Association to diminish in any way or to dedicate or transfer all or any part of the Common Elements to any public agency or authority for such purposes and subject to such conditions as may be agreed to by the members entitled to vote thereon, provided that no such diminution, dedication or transfer, or determination as to the purposes or as to the conditions thereof, shall be effective unless the Developer (its successors or assigns) and members of the Association entitled to cast seventy-five percent (75%) of the total votes of members have been recorded, agreeing to such act.

(d) The Developer's reservation of right to unilaterally amend set out in Section 5.

(e) The right of the Association to grant such easements and rights-or-way to such utility companies or public agencies or authorities as it shall deem necessary for the proper servicing and maintenance of the Common Elements and the Townhomes.
