WHEREAS, Section 1402(a) of the Water Resources Development Act of 2016 directs that the portion of the specifically authorized Mill Creek, Tennessee project consisting of measures within the Mill Creek Basin be carried out pursuant to Section 205 of the Flood Control Act of 1948, as amended (33U.S.C 701s) (hereinafter "Section 205").

WHEREAS, the Flood Risk Management program of the U. S. Such uses may include: parks for outdoor recreational activities; wetlands management; nature reserves; cultivation; grazing; camping (except where adequate warning time is not available to allow evacuation); unimproved, unpaved parking lots; buffer zones; and other uses consistent for open space acquisition.

    b. Structures. No new structures or improvements shall be erected on the Property other than:

        i. A public facility that is open on all sides and functionally related to a designated open space or recreational use;

        ii. A public rest room; or
