By JOSEPH P. DAY, Clerk
Deputy

I, James Max Doyle, of Davidson County, Tennessee, being of sound mind and disposing memory, do hereby make, publish and declare this to be my Last Will and Testament, hereby revoking all wills and codicils heretofore made by me.

ARTICLE 1

I hereby nominate and appoint Dawn Michelle Gibson, as the Executrix of my Will. If she shall predecease me or fails to qualify, declines, or ceases to serve, for any reason, in this fiduciary capacity, I hereby nominate and appoint Dianne Goodiness as the first alternate Executrix of my Will.

No successor executor shall be liable for any act of any predecessor executor.

I further authorize my executor to administer and settle my estate without the necessity of filing an inventory or making any report or final settlement with any court to the extent permitted by law. I expressly waive appraisal of my estate in the event an appraisal shall be required by law.

ARTICLE 2

My Executrix is directed to pay all of my just debts, including but not limited to, funeral

expenses, unpaid charitable pledges, and the costs of administration of my estate as soon as practicable after my death.

My Executrix, in her sole discretion, is authorized to accelerate the payment of any debt or charitable pledge, payment of which may be due at some future date or which may be payable in installments, upon such terms, as to discount or otherwise, as she may deem advisable.

My Executrix, in her sole discretion, may pay from my domiciliary estate all or any portion of the costs of ancillary administration and similar proceedings in other jurisdictions.

In the event that any property or interest in property passing under this Will, by operation of law, or otherwise by reason of my death, shall be encumbered by mortgage or lien, or shall be pledged to secure any obligation, it is my intention that such indebtedness shall not be charged to or paid from my estate, but that the devisee, legatee, joint owner taking by survivorship, or beneficiary receiving such property or interest in property shall take it subject to all encumbrances existing at the time of my death.

ARTICLE 3

I direct that there shall be paid out of that portion of my residuary estate, without apportionment, all estate, inheritance, succession and other taxes, together with any penalties thereon, assessed by reason of my death, imposed by the government of the United States, or any state or territory thereof, or by any foreign government or political subdivision thereof in respect of all property required to be included in my gross estate for estate or like tax purposes by any of such governments, whether the property passes under this Will or otherwise, including property over which I have a taxable power of appointment, without contribution by any recipient of any such

property. If my residuary estate is insufficient to pay the expenses referenced in this Article, my Executrix shall pay such expenses from any proceeds of life insurance or annuity contracts payable to my estate, then from cash or liquid assets in my estate and shall not liquidate any items of personal or real property unless there all such cash and liquid assets have been exhausted.

ARTICLE 4

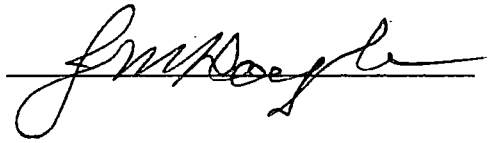

I vest my Executrix with full power and authority to sell, transfer and convey any property, real or personal, which I may own at the time of my death at such time and price and upon such terms and conditions (including credit) as she may determine and to do every other act and thing necessary or appropriate to the complete administration of this Will.

I authorize my Executrix, including any substitute or successor personal representative, in the exercise of reasonable discretion with respect to all property, real and personal, forming part of my estate, to exercise any or all of the powers set forth in Tennessee Code Annotated, Section 35-50-110, to the extent applicable, all of which provisions and powers are incorporated herein by reference as fully as if copied herein verbatim. These powers as set out in this statute on the date of the execution of this Will are granted, notwithstanding that said statute may be amended hereafter or repealed at the time of my death.

My Executrix shall incur no personal liability for any action taken by her in the good faith in accordance with either of the foregoing authorizations.

ARTICLE 6

All the rest, residue and remainder of the property which I may own at the time of my death, real, personal and mixed, tangible and intangible, of whatsoever nature and wheresoever situated, including all property which I may acquire or become entitled to after the execution of this Will, including all lapsed legacies and devises and all life insurance payable to my estate (but excluding any property over or concerning which I may have any power of appointment), I hereby bequeath and devise to my Trustee as set forth herein.

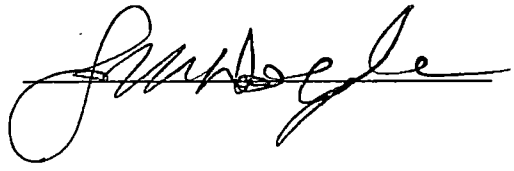

ARTICLE 7

I hereby appoint Dawn Michelle Gibson to be the Trustee of all trusts created herein. If she shall predecease me or fails to qualify, declines, or ceases to serve, for any reason, in this fiduciary capacity, I hereby nominate and appoint Dianne Goodiness as the Trustee of all trusts created herein.

No bond shall be required of any trustee appointed pursuant to my Will for the faithful performance of the trustee's duties in this capacity.

I authorize my Trustee (including any successor or substitute Trustee) in the exercise of reasonable discretion with respect to all property, real and personal, forming part of any trust, to exercise any or all of the powers set forth in Tennessee Code Annotated, Section 35-50-110, to the extent applicable, all of which provisions and powers are incorporated herein by reference as fully as if copied herein verbatim. administration of any trust created herein, but at least annually there shall be furnished to each income beneficiary of a trust a statement of receipts and disbursements, as well as a statement of the net value, of the trust.

ARTICLE 8

With respect to any property which I have bequeathed or devised to my Trustee, whether real, personal or mixed, and wheresoever situated, my Trustee shall hold, manage and control such property as a trust estate, with all rights and powers and subject to the limitations set forth hereinafter enumerated, as the Trinity Faith Victory-Doyle Trust for the following uses and purposes:

(A) The Trust shall be held and administered for the benefit of Trinity Faith Victory-Doyle, my granddaughter. It is my intention that she be the sole beneficiary of this trust even if there are other grandchildren or great-grandchildren that may be born or adopted by my son or grandson at any time.

(B) The primary purpose of this Trust is to provide a residence for Trinity Faith Victory-Doyle during the existence of the Trust. It is my intent that the Trustee use the Trust assets to provide and maintain a suitable residence for her and any legal guardians that may reside with her during the term of the Trust. The Trustee shall provide from the Trust for the costs of taxes, insurance, reasonable repairs and maintenance that are not covered by insurance, as well as necessary utilities for the operation of the residence.

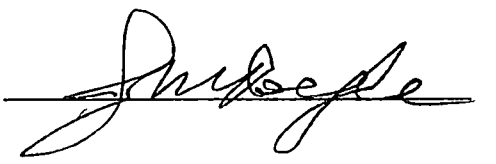

(C) The trust shall remain effect until Trinity Faith Victory-Doyle attains the age of twenty-one (21) years. As soon as reasonably possible after that date, the Trustee shall wind down the affairs of the trust and shall distribute all assets of the trust to her including executing a deed on any

residential real property conveying such property to Trinity Faith Victory-Doyle as her sole property. If Trinity Faith Victory-Doyle shall die prior to turning twenty-one (21) years old, then the trust shall terminate and the the Trustee shall wind down the affairs of the trust and shall distribute all assets of the trust to Keith Doyle, including executing a deed on any residential real property conveying such property to him as his sole property.

(D) I hereby authorize and empower the Trustee in her sole and absolute discretion, at any time and from time to time, to disburse from the income and/or principal of any of the Trust created under this Will (even to the point of completely exhausting same), for the purpose of paying to or for the benefit of the beneficiary thereof, her spouse and issue, such amounts as she may deem necessary or desirable to provide adequately and properly for their health, support, maintenance, and education, including, but not by way of limitation, expenses incurred by reason of illness, disability or funeral expenses. In determining the amounts of principal to be so disbursed, the Trustee shall take into consideration any other income or property which such income beneficiary or other persons may have from any other source, and the Trustee's discretion shall be conclusive as to the advisability of any such disbursement and the same shall not be questioned by anyone. Before any distributions are made to or for the use of my more remote issue, I would expect my Trustee to consider the possible effect of the Generation-Skipping Transfer Tax under the Internal Revenue Code, as amended, or similar tax, and I exonerate my Trustee from liability for any action taken or withheld based upon such consideration. For all sums so disbursed, the Trustee shall have full acquittance. All such disbursements from principal shall be charged against the trust fund from which they are made, and shall not be charged against any individual share of principal subsequently distributed to any beneficiary.

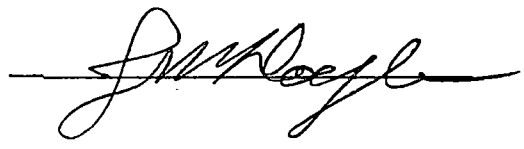

EFILED 07/17/25 09:24 AM CASE NO. 25P1422 Joseph P. Day, Clerk

(E) My Trustee, in the exercise of her discretion, may elect to impose and collect reasonable rent(s) from any guardians or custodians of Trinity Faith Victory-Dole that use any real estate owned by the Trust as a residence. In the event Trinity Faith Victory-Dole does not reside in the real estate for any reason, my Trustee shall have the discretion to rent the property to third parties under a lease or leases that does not extend past the expiration date of the trust and any such rents shall be added to the trust and any expenses incurred in the holding of the property shall be paid by the Trust unless said is paid by the tenants.

(F) If any beneficiary of any trust shall attempt to anticipate, pledge, assign, sell, transfer, alienate or encumber her interest, or if any creditor or claimant shall attempt to subject such interest to the payment of any debt, liability or obligation of such beneficiary, then thereupon the absolute right of such beneficiary to receive any disbursements shall terminate and thereafter the Trustee shall make such distribution(s) to or apply same for the maintenance and comfort of one or more of the following persons, namely (1) such beneficiary, (2) her spouse, and (3) her issue, in such manner and proportions as the Trustee in her sole discretion may determine, regardless of the equality of distribution; but in no event shall the Trustee be required or compelled to pay any part of the income to or for such beneficiary.

(G) If at anytime during the administration of any trust created herein, the Trustee in her absolute discretion deems a continuation thereof to be uneconomical or not in the best interest of my beneficiaries, the Trustee in her absolute discretion is authorized to terminate the trust and to distribute the assets thereof, free of the trust, to the beneficiaries who are then entitled to receive the income from said trust or trusts in the same proportion as they are entitled to such income.

ARTICLE 9

If there is no person qualified to receive my estate as set forth herein then, and in that event, my estate shall pass to those persons and in such shares as would have taken personal property owned by me had I died at that time intestate and domiciled in the State of Tennessee.

ARTICLE 10

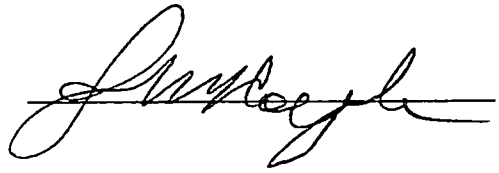

In the event that any beneficiary under this Will or codicil hereto shall die under such circumstances as to render it impossible or difficult to determine whether such beneficiary survives me, I direct that such beneficiary shall be conclusively presumed to have predeceased me and that the provisions of this Will and any codicil hereto shall be construed and governed accordingly.

ARTICLE 11

I direct that all life insurance policies on my life which are made payable to my estate or to the executor of my estate shall be administered under the terms of this my Last Will and not under the terms of Tennessee Code Annotated, Section 56-7-201, and such life insurance proceeds shall be added to my probate estate and used for the payment of claims, expenses, and taxes, as the need may arise, and the residue thereof shall be disposed of as property constituting a part of my probate estate.

ARTICLE 12

Anything in this Will to the contrary notwithstanding, no trust created hereunder shall

continue beyond twenty-one (21) years after the death of the last to die of those beneficiaries who were living at the time of my death; and upon the expiration of such period any such trust shall terminate and the assets thereof shall be distributed outright to those parties and in the same proportions as would take upon the termination thereof as set forth herein above.

ARTICLE 13

Throughout this Will, the masculine gender shall be deemed to include the feminine and the singular, the plural, and vice versa, as the context may so require.
