5. **Property and Facilities Transferred by Declarant.** The Association shall accept title to any property, including any Improvements thereon and personal property, transferred to the Association by Declarant, together with the responsibility to perform any and all Administrative Functions associated therewith, provided that such property and Administrative Functions are not inconsistent with the provisions contained in this Declaration. 11. **Property Management and Care.** The Association shall manage, operate, care for, and oversee the maintenance and repair of all Development Property for the use and enjoyment of the Owners. The cost of such services shall be a Common Assessment incurred by the Association, and each Owner shall pay his proportionate share thereof in accordance with Exhibit "C". The Association shall have a reasonable right of entry upon all Development Property and any portion thereof, including Units to make emergency repairs and to do other work reasonably necessary under this Declaration or under any applicable Supplemental Declaration for the proper performance of its duties hereunder and the proper maintenance and operation of the Development Property. In

12. **Limitation on Liability.** The Association, the Board, any other committee established by the Board, the Declarant, and any member of the Board or any committee, officer, agent, or employee of any of them (collectively the "Indemnitees") shall not be liable to any Person for any mistake of judgment, whether negligent or otherwise, or for any action or any failure to act under this Declaration, any Supplemental Declaration or the Governing Documents. In addition, the Board and the officers of the Association shall have no personal liability with respect to any contract or other commitment made by them, on behalf of the Association (except to the extent that such directors or officers may also be Owners) and the Association, as an Administrative Function, shall indemnify, hold harmless and defend the Board and such officers from any and all expense, loss, or liability to others on account of any such contract or commitment. a. *Common Elements*. The Association, acting through its Board of Directors or its duly authorized agent, shall have the authority to and shall obtain blanket "all risk" property insurance, if

reasonably available, for all insurable improvements on the Common Elements (exclusive of the Units and Limited Common Elements appurtenant thereto). If blanket "all risk" coverage is not generally available at reasonable cost, then at a minimum an insurance policy providing fire and extended coverage, including coverage for vandalism and malicious mischief, shall be obtained. The face amount of such insurance shall be sufficient to cover the full replacement cost of any repair or reconstruction in the event of damage or destruction from any insured peril.

The Board also shall obtain a commercial general liability policy covering occurrences commonly insured against arising out of or in connection with the use, ownership, or maintenance of the Area of Common Responsibility. If generally available at reasonable cost, the commercial general liability policy shall have at least a One Million and 00/100 Dollar ($1,000,000.00) combined single limit as respects bodily injury and property damage and at least a Two Million and 00/100 Dollar ($2,000,000.00) limit per occurrence and in the aggregate. The liability insurance obtained by the Association pursuant to this Declaration shall cover the Association and its officers, directors, agents and employees, the Owners, and their respective Mortgagees. The Association shall be designated as the named insured, individually and as agent for the Owners collectively, without naming them individually, and as agent for their respective Mortgagees.

The policies may contain a reasonable deductible and the amount thereof shall not be subtracted from the face amount of the policy in determining whether the insurance at least equals the coverage required hereunder. In the event of an insured loss, the deductible shall be treated as a Common Expense in the same manner as the premiums for the applicable insurance coverage. However, if the Board reasonably determines, after notice and an opportunity to be heard in accordance with the Bylaws, that the loss is the result of the negligence or willful conduct of one or more Owners or Occupants, then the Board may specifically assess the full amount of such deductible against such Owner(s) and their Lots pursuant to Section 13(f) of this Declaration.

All insurance coverage obtained by the Board of Directors shall be governed by the following provisions:

(i) All policies shall be written with a company authorized to do business in the State of Tennessee.

(ii) Exclusive authority to adjust losses under policies obtained by the Association shall be vested in the Association's Board of Directors; provided, however, no Mortgagee having an interest in such losses may be prohibited from participating in the settlement negotiations, if any, related thereto.

(iii) In no event shall the insurance coverage obtained and maintained by the Association be brought into contribution with insurance purchased by individual Owners, Occupants, or their Mortgagees.

(iv) All property insurance policies shall have an inflation guard endorsement, if reasonably available.

(v) If the policy contains a co insurance clause, it shall also have an agreed amount endorsement.

(vi) The Association shall arrange for an annual review of the sufficiency of insurance coverage by one or more qualified persons, at least one of whom must be in the real estate industry and familiar with construction in and around the county in which the Community is located.

(vii) The Board of Directors shall be required to use reasonable efforts to secure insurance policies that will provide the following:

(A) a waiver of subrogation by the insurer as to any claims against the Association's Board of Directors, officers, employees, and its manager, the Owners and their tenants, servants, agents, and guests;

(B) a waiver by the insurer of its rights to repair and reconstruct instead of paying cash;

(C) a statement that no policy may be cancelled, invalidated, suspended, or subjected to nonrenewal on account of any one or more individual Owners;

(D) a statement that no policy may be cancelled, invalidated, suspended, or subjected to nonrenewal on account of any curable defect or violation without prior demand in writing delivered to the Association to cure the defect or violation and the allowance of a reasonable time thereafter within which it may be cured by the Association, its manager, any Owner, or Mortgagee;

(E) a statement that any "other insurance" clause in any policy excludes individual Owners' policies from consideration; and

(F) a statement that the Association will be given at least thirty (30) days' prior written notice of any cancellation, substantial modification, or non renewal.

In addition to other insurance required by this Section 13, the Association shall obtain, as a Common Expense, worker's compensation insurance if and to the extent required by law, directors' and officers' liability coverage, if reasonably available, and flood insurance, if advisable.

In addition to the other insurance required by this Section 13, the Board may obtain a fidelity bond or bonds on directors, officers, employees, and other persons handling or responsible for the Association's funds. The amount of fidelity coverage shall be determined by the Board using its best business judgment.

b. *Units, Limited Common Elements, and Private Elements.* **EACH OWNER SHALL BE RESPONSIBLE FOR OBTAINING INSURANCE FOR THAT OWNER'S UNIT (INCLUDING THE CONTENTS THEREIN), LIMITED COMMON ELEMENTS, AND THE PRIVATE ELEMENTS**, the ownership, possession, enjoyment, benefit, and use of which are reserved exclusively to such Owner against loss or damage by fire, vandalism, malicious mischief, and such other hazards as are covered under standard extended coverage provisions for the full insurable replacement cost of the Unit, the Limited Common Elements, the Private Elements, if applicable, and any personal property of the Owner stored in the Unit or elsewhere on the Development Property. In addition, each Owner shall be responsible for obtaining his own insurance insuring said Owner personally from liability in connection with the ownership, possession, use, and occupancy of his Unit. **SUCH INSURANCE SHALL NOT BE THE RESPONSIBILITY OF THE ASSOCIATION AND BY ACCEPTANCE OF A DEED TO A UNIT, EACH OWNER ACKNOWLEDGES THAT SUCH INSURANCE IS AND SHALL BE THE SOLE RESPONSIBILITY OF SAID OWNER.**

c. *Casualty Insurance.* To the extent deemed desirable by the Board, the Association shall obtain and keep in full force and effect at all times, to the extent reasonably obtainable, casualty, fire, and extended coverage insurance with respect to all Common Elements, Improvements, and personal property owned by the Association.

d. *Liability Insurance.* To the extent deemed desirable by the Board, the Association shall obtain and keep in full force and effect at all times, to the extent reasonably obtainable, broad form comprehensive liability insurance covering public liability for bodily injury and property damage.

e. *Fidelity Coverage.* To the extent deemed desirable by the Board, the Association may obtain and keep in full force and effect at all times a fidelity policy or bond providing fidelity coverage against dishonest acts on the part of the Managing Agent, directors, officers, employees, and volunteers of

the Association responsible for handling funds collected and held for the benefit of the Owners or otherwise belonging to or administered by the Association.

f. *Coverage Sufficiency and Deductibles.* The Association shall periodically review the sufficiency of insurance coverage. All Association policies shall provide for a certificate of insurance to be furnished to the Association and, upon written request, to any Member. The policies may contain a reasonable deductible. In the event of an insured loss of the Association, the deductible shall be treated as part of the Common Assessment. However, if the Board reasonably determines that the loss is the result of the negligence or willful misconduct of one or more Owners, their guests, invitees, or lessees, then the Board may levy an Assessment of the full amount of such deductible against such Owner(s) and their Unit(s). The Board is authorized to obtain the insurance policies and coverage(s) specified in this Declaration through the Declarant and reimburse the Declarant for the cost thereof.

g. *Policy Requirements.* All insurance coverage obtained by the Board for the Association shall: (i) be written with a company authorized to do business in the State of Tennessee, which satisfies the requirements of the Federal National Mortgage Association, or such other secondary mortgage market agencies or federal agencies as the Board deems appropriate; (ii) be written in the name of the Association as trustee for the Owners, who shall be insured under such policy to the extent of the Owners' interest; (iii) not be brought into contribution with insurance purchased by Owners, occupants, or their Mortgagees, individually; (iv) contain an inflation guard endorsement; and (v) include an agreed amount endorsement, if the policy contains a co-insurance clause.

h. *Additional Requirements.* In addition, the Board shall use reasonable efforts to secure insurance policies which list the Owners as additional insureds and provide: (i) a waiver of subrogation as to any claims against the Association's Board, officers, employees, and its manager, and the Owners and their tenants, servants, agents, and guests; (ii) an endorsement precluding cancellation, invalidation, suspension, or non-renewal by the insurer on account of anyone or more individual Owners, or on account of any curable defect or violation without prior written demand to the Association to cure the defect or violation and allowance of a reasonable time to cure; (iii) an endorsement requiring at least thirty (30) days' prior written notice to the Association of any cancellation, substantial modification, or non-renewal; (iv) a cross liability provision; and (v) a provision vesting in the Board exclusive authority to adjust losses.

i. *General Provisions.* Insurance obtained by the Association may contain such deductible provisions as good business practice may dictate. To the extent reasonably possible, and provided Declarant reimburses the Association for any additional premium payable on account thereof, insurance obtained by the Association shall name Declarant and any Managing Agent as an additional insured and contain a waiver of rights of subrogation as against Declarant, the Managing Agent, and any officer, director, agent, or employee of Declarant or Managing Agent. Casualty, fire, and extended coverage insurance may be provided under blanket policies covering the Development Property and/or property of Declarant. Each Owner hereby irrevocably appoints the Association as attorney-in-fact for the purpose of purchasing and maintaining such insurance, including: (i) the collection and appropriate disposition of the proceeds thereof; (ii) the negotiation of losses and execution of release of liability; (iii) the execution of all documents; and (iv) the performance of all other acts necessary to accomplish such purpose.

j. *Premiums.* The premiums for insurance procured by the Association pursuant to this Declaration for the benefit of all Owners shall be a Common Assessment unless stated otherwise in this Declaration. If any policy or coverage or portion thereof, benefits a specific Unit Owner or Unit Owners to the exclusion of other Unit Owners, then the premium related thereto or portion thereof, in the Boards sole but reasonable discretion shall only be assessed to the Unit Owners benefiting from the insurance coverage.

14. **Easements.** The Association shall have the power to grant permits and licenses, as well as easements for access, utilities, stormwater drainage and detention, water facilities, and other matters, in, on, over, across, or under Development Property and any Common Elements, as may be reasonably necessary or useful for the proper maintenance of the Development Property or otherwise benefit the Association.

a. *Public and Private Utilities.* Easements for installation and maintenance of public and private utilities and drainage facilities are reserved as shown on any Plat concerning Development Property and as otherwise shown by public records. A blanket, perpetual, and non-exclusive easement in, upon, over, across, and through the Common Elements, as well as the Private Elements and Limited Common Elements if deemed reasonably necessary by the utility provider, is hereby reserved for the purpose of the installation, maintenance, repair, service, and replacement of all sewer, water, power, telephone, cable television systems, pipes, mains, conduits, poles, or transformers, as well as any and all other equipment or machinery necessary or incidental to the proper functioning of any utilities systems servicing the Development Property, which easement shall be for the benefit of the Declarant, the Association, and any governmental agency, utility company, or other entity (public or private) which requires same for the purpose of furnishing one or more of the foregoing services.

b. *Declarant.* During the Period of Declarant Control, a blanket, perpetual, non-exclusive easement is reserved to Declarant in, upon, over, under, across, and through the Common Elements, as well as the Private Elements and Limited Common Elements if deemed reasonably necessary by Declarant, in order to maintain facilities and perform such operations as in the sole discretion of Declarant may be convenient, necessary, desired, or incidental to the construction and maintenance of Improvements of any kind.

c. *Association.* A blanket, perpetual, non-exclusive easement is reserved to the Association, the Board, Managing Agent or their respective agents or employees in, upon, over, across, and through the Common Elements, as well as the Private Elements and Limited Common Elements, if deemed reasonably necessary by the Board, for the purpose of maintaining, repairing, and replacing the Common Elements or any equipment, facilities, or fixtures affecting or servicing same, as well as to remedy any violations of the provisions of this Declaration or any Governing Documents; provided that requests for entry upon any Unit are made in advance and that any such entry is at a time reasonably convenient to the Owner. In the case of an emergency or the Owner's uncooperative or untimely response to such request, the right of entry shall be immediate, whether the Owner is present at the time or not.

d. *Construction and Sale Easement.* Notwithstanding any provision contained in this Declaration or the Governing Documents, until the termination of the Period of Declarant Control and thereafter so long as Declarant owns any property within the Development Property for development or sale, Declarant reserves an easement across the Development Property for Declarant and any builder or developer approved by Declarant to maintain and carry on development activities, upon such portion of the Development Property as Declarant may deem desirable or necessary. This reserved easement shall include an easement for such facilities and activities which, in the sole opinion of Declarant, may be required, convenient or incidental to the development, construction and sales activities related to property within or near the Development Property. This easement shall include, without limitation: (i) the right of access, ingress and egress for vehicular and pedestrian traffic and construction activities over, under, or in any portion of the Development Property; (ii) the right to tie into any portion of the Development Property with driveways, parking areas and walkways; (iii); the right to tie into or otherwise connect and use (without a tap-on or any other fee for so doing), replace, relocate, maintain, and repair any device which provides utility or similar services; (iv) the right (but not the obligation) to construct recreational facilities on Common Elements; (v) the right to carry on sales and promotional activities in the Development Property; (vi) the right to place direction and marketing signs on any portion of the Development Property; (vii) the right to construct and operate business offices, signs, construction trailers, model residences, and sales offices incidental to the construction, development and sales activities; and (viii) Declarant and any such builder or developer may use residences, offices, or other building owned or leased by Declarant or such builder or developer as model residences and sales offices, and may also use recreational facilities available for use by the Development Property as a sales office or for marketing purposes without charge. Rights exercised pursuant to such reserved easement shall be exercised with a minimum of interference to the quiet enjoyment of affected property, and reasonable steps shall be taken to protect such property from damage. Any damage shall be repaired by the Person causing the damage at its sole expense.

e. *Association Maintenance, Safety and Security.* The Association shall have the right, but not the obligation, to enter upon any Unit for emergency, security and safety reasons, to perform

maintenance as further set forth in this Declaration, and to inspect for the purpose of ensuring compliance with the Governing Documents. Such right may be exercised by any member of the Board, the Association's officers, agents, employees, and managers, and all police officers, firefighters, ambulance personnel and similar emergency personnel in the performance of their duties. Except in an emergency situation, entry shall only be during reasonable hours and after notice to the Owner. This right of entry shall include the right of the Association to enter upon any Private Element or Unit to cure any condition which may increase the possibility of a fire, slope erosion or other hazard in the event an Owner fails or refuses to cure the condition within a reasonable time after requested by the Board.

f. *Declarant Inspect and Right to Correct*. Declarant reserves for itself and others it may designate the right to inspect, monitor, test, redesign and correct any structure, improvement, or condition which may exist on any portion of the Development Property, and a perpetual, nonexclusive easement of access throughout the Development Property to the extent reasonably necessary to exercise such right. Except in an emergency, entry onto a dwelling shall be only after reasonable notice to the Owner and no entry into a dwelling shall be permitted without the Owner's consent. The Person exercising this easement shall promptly repair, at such Person's own expense, any damage resulting from such exercise.

g. *Federal, State and Local Entity*. An easement is hereby established for the benefit of any applicable federal, state, or local entity over all portions of the Development Property for the setting, removing, and reading of water meters; for maintaining and replacing water, sewage, and drainage facilities; for police protection, firefighting, and garbage collection; and rendering of such other services as are appropriate and necessary for the use and enjoyment of the Development Property.

h. *Encroachment - Common Elements*. If any portion of the Common Elements, including the Limited Common Elements, shall actually encroach upon any Unit or its Private Elements, or if any Unit or its Private Elements shall actually encroach upon any portions of the Common Elements as shown on the Site Plan due to engineering errors, errors in original construction, settlement, or shifting of a Building or any similar cause, there shall be deemed to be mutual easements in favor of the respective Owners involved to the extent of such encroachments so long as same exists; provided, however, in no event shall an easement for encroachment be created in favor of an Owner, if said encroachment occurred due to the willful act of said Owner.

15. **Condemnation.**

a. *Common Elements*. If any Common Elements or interests therein are taken under exercise of the power of eminent domain or by purchase under threat thereof, the award in condemnation or the price payable shall be paid to the Association, except to the extent payable to any other Person with an interest in such property. The Association, by and through the Board, shall have the exclusive right to participate in such condemnation proceedings as they pertain to the Common Elements and to represent the interests of all Owners in such proceedings. Each Owner hereby irrevocably appoints the Association, by and through the Board and any such duly appointed trustee as such Owner's attorney-in-fact for such purposes. All condemnation compensation, damages, or other proceeds received by the Association shall be payable to the Board for and on behalf of the Association. The Board shall disburse the net proceeds of such award on a fair and reasonable basis to the Mortgagees directly affected by the condemnation and the balance to the Owners directly affected thereby. The decision of the Board as to the fairness and reasonableness shall be binding upon all parties, if such decision reasonably relates to the given facts.

b. *Units*. If a Unit or Units are acquired by a taking in condemnation or by eminent domain so as to leave the Owner(s) with a remnant which may not practically or lawfully be used for any purpose permitted by this Declaration, upon acquisition by the condemning authority, unless the decree provides otherwise, each affected Unit shall thereafter be a Common Element and the Assessments related thereto shall be automatically reallocated to the remaining Units.

16. **Rules and Regulations.** The Association, acting through the Board, or other appointed committee, may from time to time adopt, amend, repeal, and enforce Rules and Regulations as may be deemed necessary or desirable with respect to the interpretation and implementation of this Declaration or any Supplemental

Declaration, the operation of the Association and the use and enjoyment of Development Property. Any such Rules and Regulations shall be uniformly applied, but the applicability of a particular rule to a particular situation shall be in the sole discretion of the Board. Each Owner shall comply with such Rules and Regulations. In the event of any conflict between the Rules and Regulations and the provisions of this Declaration, the provisions of this Declaration shall prevail.

17. **Enforcement.** The Association, acting through the Board, shall have the power to enforce the provisions of this Declaration, any Supplemental Declaration, and the Governing Documents and shall take such action as the Board deems necessary or desirable to cause such compliance by each Owner by anyone or more of the following means: (a) by commencing and maintaining actions and suits to restrain and enjoin any breach or threatened breach of the provisions of this Declaration, any Supplemental Declaration or the Governing Documents, by mandatory injunction or otherwise; (b) by commencing and maintaining actions and suits to recover damages for breach of any of the provisions of this Declaration, any Supplemental Declaration, or the Governing Documents and for all expenses incurred in connection therewith, including reasonable attorney's fees; (c) by levying and collecting reasonable and uniformly applied fines and penalties established for breach of this Declaration, any Supplemental Declaration, or the Governing Documents; (d) by taking such action as reasonably necessary to bring a Unit and any Improvements thereon into compliance with this Declaration, any Supplemental Declaration, or the Governing Documents, the costs of which shall be at the Owner's sole expense; (e) by suspending the right to Vote and/or the right to use and enjoy the recreational facilities; and (f) by exercising any remedy for nonpayment of Assessments as provided herein. The Association shall have a lien on any Unit and any Improvement thereon to secure payment of the amounts described in this Paragraph, and such lien may be enforced in the same manner and with the same priority as that of a lien for Assessments as provided herein. The Association, by contract or other agreement, may enforce county and city ordinances, if applicable, and local governments may enforce their ordinances within the Development Property.

18. **No Waiver.** The Association shall not be obligated to take action to enforce any covenant, restriction or rule which the Board reasonably determines is, or is likely to be construed as, inconsistent with applicable law, or in any case in which the Board reasonably determines that the position is not strong enough to justify taking enforcement action. Any such determination shall not be construed as a waiver of the right to enforce such provision under other circumstances or estop the Association from enforcing any other covenant, restriction or rule. The failure by the Declarant or the Board to enforce any covenant, restriction or Rule and Regulation provided in or by this Declaration, Supplemental Declaration or Governing Documents shall in no event be deemed a waiver of the right to do so thereafter.

19. **Safety and Security.** Each Owner and/or occupant of a Unit, and their respective guests and invitees, shall be responsible for their own personal safety and the security of their property within the Development Property. The Association may, but shall not be obligated to, maintain or support certain activities within the Development Property designed to enhance the level of safety or security which each Person provides for himself or herself and his or her property. Neither the Association, the Declarant nor their officers, agents, members or employees shall in any way be considered insurers or guarantors of safety or security within the Development Property, nor shall any of the foregoing be held liable for any loss or damage by reason of failure to provide adequate security or ineffectiveness of security measures undertaken. The obligation to provide security lies with each Owner individually. No representation or warranty is made that any security system or measures, including any mechanism or system for limiting access to the Development Property, cannot be compromised or circumvented, nor that any such systems or security measures undertaken will in all cases prevent loss or provide the detection or protection for which the system is designed or intended. Each Owner acknowledges, understands, and shall be responsible for informing its guests, invitees, tenants and all occupants of a Unit that the Association, its Board of Directors and committees, and the Declarant are not insurers or guarantors of safety or security and that each Person within the Development Property assumes all risks of personal injury and loss or damage to property, including Units, Improvements thereon and the contents upon Private Elements or within Units, resulting from acts of third parties.

20. **General Corporate Powers.** The Association shall have all of the ordinary powers and rights of a Tennessee nonprofit corporation, including without limitation, the power and right to enter into partnerships and other agreements, subject only to such limitations upon such powers as may be set forth in this Declaration or in the Articles of Incorporation for the Association or the By-Laws. The Association shall also have the power to do any

and all lawful things which may be authorized, required, or permitted to be done under this Declaration, under any Supplemental Declaration, or under the Governing Documents, and to do and perform any and all acts which may be necessary or desirable for or incidental to, the exercise of any of the express powers or rights of the Association under this Declaration, under any Supplemental Declaration, or under the Governing Documents.

ARTICLE V.
PROPERTY MAINTENANCE

1. **General Owner Use and Enjoyment Rights.** Except as may be provided in this Declaration, Supplemental Declaration or the Governing Documents, every Owner shall have a right and easement of enjoyment in and to the Development Property, which shall be appurtenant to and shall pass with the title to each Unit, subject to applicable law, the provisions contained in this Declaration, any Supplemental Declaration, or the Governing Documents. All Owners may use the Development Property, unless otherwise provided by law or in this Declaration or unless provided in Supplemental Declarations governing the Unit of such Owner.

2. **No Partition.** No Owner shall have the right to partition or seek partition of the Development Property or any part thereof.

3. **Common Elements.** Except as otherwise provided herein, maintenance of, repairs to and replacements within the Common Elements shall be the responsibility of and shall be furnished by the Association, the cost of which shall be part of the Common Assessment assessed to and paid by Owners benefitted thereby.

4. **Units, Private Elements, and Limited Common Elements.** Each Owner, at his own expense, shall furnish and be responsible for all maintenance of, repairs to and replacements within his Unit, as well as to the Private Elements and Limited Common Elements appurtenant to his Unit. If any Owner fails to maintain, repair, or replace any items required herein to be maintained, repaired, or replaced by said Owner, then the Association shall have the right upon ten (10) business days' notice, but not the duty, in its sole discretion, to carry out such maintenance, repair, or replacement, the cost of which shall become a Reimbursement Assessment attributable to such Unit.

5. **Owner Liability for Damage.** Each Owner and any tenant, occupant, family member, guest, agent, servant, or invitee thereof shall be liable to the Association for any damage to the Development Property or for any expense or liability incurred by the Association, to the extent not covered by insurance, which may be sustained by reason of the negligence or willful misconduct of such Owner or tenant, occupant, family member, guest, agent, servant, or invitee of such Owner and for any violation by such Owner or tenant, occupant, family member, guest, agent, servant, or invitee of this Declaration, any Supplemental Declaration, and the Governing Documents. The Association shall have the power, as elsewhere provided herein to levy and collect Reimbursement Assessments against an Owner to cover the costs and expenses incurred by the Association on account of any such damage or any such violation of this Declaration and the Governing Documents, or for any increased insurance premiums directly attributable to any such damage or any such violation.

6. **Damage Removal and Reconstruction.** In the event of damage to Common Elements by fire or other casualty or in the event any governmental authority shall require any repair, reconstruction, or replacement of any Development Property, the Board shall promptly cause debris to be cleared and leave the same in a neat and orderly condition. The Board shall, in its sole and absolute discretion without intervention of any Owner, determine and arrange for prompt repair, restoration, and reconstruction of the damaged portion of such Common Elements in substantial accordance with the original plans and specifications therefore. Any change or alteration must be approved by the Board. Where the insurance indemnity is insufficient to cover the cost of such repairs, restoration and reconstruction, the deficit shall be paid by all Owners directly affected by the damage or destruction in a fair proportion as determined by the Board in its sole and absolute discretion. The Board shall not be responsible for the repair, replacement or restoration of any Unit, the Private Elements or any furnishings, fixtures, appliances, equipment, decorations, or landscaping installed in or for the sole benefit of a Unit by its Owner.

7. **Non-Compulsory Reconstruction.** Reconstruction shall not be compulsory where the whole or more than two-thirds (2/3rds) of any single Building is destroyed or damaged by fire or other casualty as determined by the Board. In such case and unless otherwise unanimously agreed upon by the Owners directly affected by the casualty, the net proceeds of insurance policies shall be divided equally among such Owners and the Mortgagees of the Units directly affected by the casualty as determined in the sole discretion of the Board, after paying from the share of each affected Owner or Mortgagee, as their interests may appear: (a) the costs of removing debris and returning the site to a condition compatible with the overall appearance of the Development Property, including without limitation, landscaping, and (b) the just amount of any unpaid liens on any Unit in the order of priority of such liens. Provided, however, no such disbursement of the insurance proceeds to any Owner or Mortgagee shall occur unless simultaneously with such disbursement each affected Owner delivers to the Board a recordable deed quitclaiming his interest in his Unit and the Private Elements and Limited Common Elements appurtenant thereto to the Board, as trustee for the remaining Owners, and also delivers to the Board a recordable release of any liens on his Unit.

8. **Withdrawal of Destroyed Unit and Percentage Interest Reallocation.** Upon recording of the deeds and releases referred to in the preceding paragraph as same relate to each such destroyed Unit, said Unit shall be deemed withdrawn and shall be thereafter deemed to be Common Elements. After the Board has affected any such withdrawal, the responsibility for the payment of future Common Assessments for any such withdrawn Unit shall cease.

9. **Party Walls.** Any Unit sharing an exterior party wall with another Unit shall maintain that portion of the wall to the centerline of the wall. No Owner shall remove any portion of a party wall or otherwise adversely affect the structural integrity of a party wall.

ARTICLE VI.
DECLARANT'S RIGHTS AND RESERVATIONS

1. **Applicability and Term.** Declarant shall have and hereby retains and reserves certain rights set forth in this Declaration with respect to the Association and the Development Property. Declarant's rights and reservations set forth herein shall be deemed excepted and reserved in each recorded Supplemental Declaration, in each conveyance of property by Declarant to the Association and in each deed or other instrument by which any property within the Development Property is conveyed, whether or not specifically stated therein. The rights, reservations, and easements of Declarant set forth in this Declaration during the Period of Declarant Control may not, without Declarant's prior written consent, be modified, amended, rescinded, or affected by any amendment hereto, including any amendment of this Article. Declarant's consent to any such amendment shall not be construed as consent to any other or subsequent amendment. In the event of any conflict between the rights reserved to Declarant hereunder and any other provisions of this Declaration, then Declarant's rights shall control. In the event of Declarant default of its development loan or other financing related to the development of the Development Property that results in the transfer of ownership of the Development Property to the lender, then all of Declarant's rights, duties, obligations, liabilities and any other responsibility set forth in this Declaration shall automatically be transferred and assigned to such lender.

2. **Additional Improvements.** Declarant shall have and hereby reserves the right, at any time and from time to time, but shall not have the obligation, to construct, at its expense, additional Improvements on Development Property which are for the betterment and enhancement thereof and for the benefit of the Association and the Owners. Declarant will conveyor transfer such Improvements to the Association, which shall be obligated to accept title to, care for, and maintain the same as elsewhere provided herein.

3. **Promotion and Marketing.** Declarant shall have and hereby reserves the right to use the Development Property in connection with development, construction, promotion, marketing, sale and leasing of properties within the Development Property, by erecting and maintaining on any part of the Development Property such signs as Declarant, in its sole discretion, may deem desirable, necessary or· proper in connection with the development, construction, promotion, marketing, sale and leasing of parcels of real property within the Development Property, and by permitting prospective purchasers of any of such parcels who are not Owners to enter

upon Development Property; provided, however, that Declarant shall pay all costs occasioned by such use, including without limitation maintenance and repair expenses.

4. **Development Completion.** No provision of this Declaration shall be construed to limit the right of Declarant to or require Declarant to obtain approval: (a) to complete Improvements indicated on Plats, Site Plans and/or Plans filed with this Declaration, as may be amended from time to time; (b) to create, add, withdraw, modify, alter, subdivide or redefine Units, Private Elements, Limited Common Elements, or Common Elements, comprising the Development Property; (c) to make the Development Property part of a larger planned community or to subject same to a master association; (d) to excavate, cut, fill, or grade any property owned by Declarant or to construct, alter, remodel, demolish, or replace any Improvements on any Development Property; or (e) to require Declarant to seek or obtain the approval of the Association for any such activity or Improvement to property by Declarant on any Development Property. Nothing in this Paragraph shall limit or impair the reserved rights of Declarant as elsewhere provided in this Declaration.

5. **Easements.** Declarant shall have and hereby reserves the right to grant or create temporary or permanent easements and rights-of-way for access, utilities, water, drainage, and other purposes incident to development, construction, or sale within the Development Property, located in, on, under, over, and across Development Property, property owned by Declarant, provided that such easements and rights-of-way that are located within the Development Property do not unreasonably interfere with the rights of Owners.

6. **Conveyance of Additional Property.** Declarant shall have and hereby reserves the right, but shall not be obligated to, convey additional real property and improvements thereon to the Association at any time and from time to time in accordance with this Declaration.

ARTICLE VII.
ASSESSMENTS

1. **Covenant to Pay and Commencement.** Each Owner, with exception of the Declarant owned pool house, pickleball court, and fitness center, by acceptance of a deed to his Unit, whether or not it shall be so expressed in such deed, is thereby deemed to covenant and agree to pay to the Association: (a) Common Assessments, (b) Working Capital Fund Assessments; (c) Special Assessments, (d) Supplemental Assessments, (e) Reimbursement Assessments, and (f) fines or charges which may be imposed against such Unit in accordance with the provisions of this Declaration. An Owner's obligation to pay Assessments and any other duly levied charge shall commence on the first day of the first month following the transfer or conveyance of a Unit to a person or entity other than the Declarant or an affiliated company of Declarant. The Assessments for the then current Assessment Year shall be prorated on the basis of the number of months remaining in such Assessment Year.

2. **Common Assessment.** The Board shall have the power and authority to levy a "Common Assessment" to fund the annual or other periodic costs of operating the Association, including expenses incurred in connection with any Administrative Function and other expenses duly incurred by or on behalf of the Association which are to be paid by each Owner to the Association. Expenses which may be duly incurred on behalf of the Association in connection with the performance of Administrative Functions include, without limitation, the following:

a. Expenses of maintenance, operation, repair, replacement, and security of the Common Elements, including, without limitation, costs of labor, equipment, and materials incurred in connection therewith.

b. Utility charges for utilities serving the Common Elements and for the lighting of streets throughout the Common Elements, as well as charges for other common services for the Development Property.

c. Expenses related to sprinkler systems, supplemental trash disposal, recycling collection, seasonal decorative lighting, and other seasonal landscaping.

d. Principal, interest, and other charges payable with respect to: (i) loans to the Association to provide funds to perform any Administrative Function or to pay any other obligation of the Association, including, without limitation, loans financing the construction of Improvements for the Development Property and on loans from Declarant made to the Association to fund Association expenses prior to the time when Common Assessments payable by Owners other than Declarant are sufficient to fund the normal operating expenses of the Association.

e. Other expenses as may be determined from time to time by the Board to be incurred necessarily or appropriately for the performance of Administrative Functions, including, without limitation, taxes, insurance premiums, utility charges, and government charges not separately assessed against Units.

f. The establishment and maintenance of a reasonable reserve fund or funds for (i) maintenance, repair, and replacement of those portions of the Development Property and Improvements thereon that are the responsibility of the Association and that must be maintained, repaired, or replaced on a periodic basis; and (ii) to cover unforeseen operating contingencies or deficiencies arising from unpaid Assessments or liens, as well as from emergency expenditures and other matters, all as may be authorized from time to time by the Board.

3. **Common Assessment Calculation.** Prior to commencement of each Assessment Year, the Board shall fix the amount of the Common Assessment by preparing a Budget for the Administrative Functions to be provided by the Association in the coming Assessment Year. The proposed Budget is to show the categories of expenses and the anticipated amounts of expenses for which Common Assessments are determined by the Board to be necessary or desirable and shall reflect any expected income and estimated sources and amounts thereof of the Association for such Assessment Year, as well as any expected surplus from the prior Assessment Year. At the office of the Association or its agent, copies of the proposed Budget and the Budget for the current Assessment Year will be made available by the Association to any Person requesting a copy thereof upon payment of the reasonable expense of copying same. The Board shall allocate the Common Assessment equally among the Units, as further set forth on Exhibit "C" hereto.

4. **Assessment Notice.** Notice of any Assessment set forth herein shall be sent by prepaid U.S. Mail, FedEx, UPS, or other reputable private carrier, facsimile transmission, or electronic transmission at the address or other contact information provided to the Board by the Owner for notices provided herein or in the event no separate address or other contact information has been provided, then by prepaid U.S. Mail or hand delivery to the Owner's Unit. Such notice shall state the type of Assessment being levied, the amount to be paid, payment frequency (annual, quarterly, monthly, or as otherwise set by the Board), and the payment due date(s), as well as any other required information. Notices will be given to Owners in a reasonable period of time prior to the payment or first installment due date.

5. **Delinquent Payment.** All Assessments or other duly levied charge or fine under this Declaration shall be due and payable on date set forth in the notice related thereto. Any Assessment or any portion thereof not paid when due shall be deemed delinquent. Any Assessment delinquent for a period of more than ten (10) days shall incur a late charge in an amount as may be determined by the Board from time to time and shall bear interest from the date due at 10% per annum until paid, but in no event shall the interest charged be in excess of the Delinquency Interest Rate.

6. **Failure to Establish Common Assessments.** The failure by the Board to levy Common Assessments for any Assessment Year shall not be deemed a waiver or modification of any of the provisions of this Declaration or a release of liability of any Owner to pay Common Assessments, or any installment thereof, for that or any subsequent Assessment Year. In the event of such failure, the amount of the Common Assessment for that Assessment Year shall be, until subsequently modified by the Board, the same as for the most recent year for which Common Assessments were levied.

7. **Exempt Property.** Development Property or any portion thereof that is dedicated to and accepted by a local public authority, that is granted to or used by a utility company or is designated as part of the Common Elements shall be exempt from Assessments.

8. **Working Capital Fund Assessment.** Declarant, during the Period of Declarant Control, and thereafter the Board may charge a "Working Capital Fund Assessment" in an amount as determined by the Board at the closing of the sale of the completed dwelling to someone other than the Declarant. The Working Capital Fund Assessment, if applicable, will apply to the first sale of a Unit and to every subsequent sale of such Unit. The Working Capital Fund Assessment shall not be considered as advance payment of any Assessment or other duly levied charge. The Working Capital Fund Assessment shall be held and disbursed for the following purposes in the order of priority:

a. To fund costs of maintenance of the Common Elements and the Administrative Functions of the Association that cannot be funded by Assessments.

b. To reimburse the Declarant for all amounts loaned or otherwise expended by Declarant to the Association to fund any operating deficits.

c. To assure that the Association will have cash available to meet unforeseen expenditures or to acquire additional equipment or services deemed necessary or desirable by the Board.

9. **Special Assessments.** The Board may levy one or more Assessments to be known as "Special Assessments" for the purpose of raising funds, not provided by Common Assessments to: (a) construct or reconstruct, repair, remodel, replace, or maintain Improvements upon Development Property, including necessary personal property related thereto, and to pay ad valorem taxes and insurance on Development Property; (b) add to the Development Property; (c) provide for necessary facilities and equipment to offer the services authorized in this Declaration; (d) repay any loan made to the Association to enable it to perform any duty or function authorized in this Declaration; or (e) pay for any other cost or expense as determined by the Board. The amount of Special Assessment to be paid by each Owner shall be calculated in the same manner as Common Assessments and may be made payable in installments over a period that may extend beyond the Assessment Year in which the resolution was adopted. In addition to the other information required to be set forth in Assessment notices, a Special Assessment notice shall state the purpose of the Special Assessment.

10. **Supplemental Assessments.** In any Assessment Year, if the Board determines that the important and essential functions of the Association may not be fully funded by the Common Assessment received or receivable for that Assessment Year, the Board may levy one or more Assessments to be known as "Supplemental Assessments," applicable to that year only, by resolution authorizing same. The amount of Supplemental Assessment to be paid by each Owner shall be calculated in the same manner as Common Assessments and may be made payable in installments over a period that may extend beyond the Assessment Year in which the resolution was adopted. In addition to the other information required to be set forth in Assessment notices, a Supplemental Assessment notice shall state the amount of the deficit and the reasons therefor.

11. **Reimbursement Assessment.** Subject to the provisions hereof, the Board may levy an Assessment, known as a "Reimbursement Assessment" against any Owner(s) to reimburse the Association for any loss sustained by reason of the willful or negligent failure of such Owner(s) to comply with this Declaration, any Supplemental Declaration the Governing Documents, which resulted in the expenditure of funds by the Association to remedy a problem or to cause such compliance. In addition to the other information required to be set forth in Assessment notices, a Reimbursement Assessment notice shall state the reason(s) therefor.

12. **Developer Responsibility.** Until the termination of the Period of Declarant Control, the Declarant shall not be liable for payment of Assessments on its unsold Units. However, Declarant may, but shall not be obligated to, elect to contribute to the Association the difference between the amount of Assessments levied on all other Units subject to assessment and the amount of the Association's actual expenditures during the fiscal year (a "Subsidy"). Any Subsidy may be treated, in Declarant's discretion, as either: (a) voluntary contribution; (b) an advance against future Assessments (if any); or (c) a loan by Declarant to the Association. A Subsidy may be evidenced by one or more promissory notes from the Association in favor of Declarant, or Declarant may cause the Association to borrow such amount from a commercial lending institution at the then prevailing rates for such a loan in the local area of the Development Property. Any Subsidy shall be disclosed as a line item in the Budget. The payment of a Subsidy in any year shall under no circumstances obligate Declarant to continue payment of such Subsidy in future years. In the event Declarant expends any of its own funds for Administrative Functions, Declarant

shall be entitled to reimbursement from the Association or a credit for such sums against any Assessment that Declarant might be required to pay by virtue of being an Owner. Declarant will not be obligated to pay any operating fund deficiencies that are due to non-payment of Assessments by Owners other than Declarant, and nothing contained in this Paragraph shall be deemed to relieve or release any Owner from the obligation of that Owner to pay Assessments. The decision of Declarant to fund any deficit provided for herein may be satisfied in the form of a cash substitute or by "in kind" contribution of materials and substances or a combination thereof. All "in kind" contributions of services and materials shall be valued at the reasonable market value of such service or materials.

13. **Enforcement: Liens and Personal Obligation.** In order to secure payment of Assessments, fines, or other duly levied charges assessed against any Unit within the Development Property pursuant to this Declaration as same become due, there shall arise a continuing lien and equitable charge ("Assessment Lien") in favor of the Association for all such sums, together with court costs, reasonable attorney's fees, late charges, any other collection costs, and interest thereon as provided herein (collectively, "Non-compliance Damages"), If any Assessment, fine, or other duly levied charge remains unpaid for sixty (60) days from the original due date, the Association may, as the Board shall determine, institute suit to collect Noncompliance Damages, foreclose its Assessment Lien, or both. The Assessment Lien shall be in favor of the Association and each Owner, by acceptance of a deed to a Unit vests in the Association or their agents, the right and power to sue or otherwise proceed against such Owner for the collection of Noncompliance Damages and/or to foreclose the Association's Assessment Lien. The Association shall have the power to bid on the Unit at any such foreclosure sale and to acquire, hold, lease, mortgage, and convey same except that the amount the Association may bid at any such sale may not exceed the total amount owed to the Association by the delinquent Owner. The Noncompliance Damages shall also be the personal obligation of the Person who was the Owner at the time the Assessment, fine, or other duly levied charge became due. Such personal obligation shall not pass to successors in title unless expressly assumed by them, Any sale or transfer described herein shall not relieve such Unit from liability for any Assessments accruing after such sale or transfer.

14. **Priority of Assessment Lien.** The Assessment Lien described in the preceding Paragraph shall be superior to all other liens and encumbrances on such Unit except for: (a) liens of ad valorem taxes; and (b) a lien for all sums unpaid on a first Mortgage, on any secondary purchase money Mortgage, or on any Mortgage to Declarant, and all amounts advanced pursuant to any such Mortgage and secured thereby in accordance with the terms of such instrument; provided, however, that the subordination of the Assessment Lien to the foregoing Mortgages shall apply only to Assessments that shall have become due and payable prior to a sale or transfer of such Unit pursuant to a foreclosure. Further, notwithstanding the foregoing, any Mortgage held by a party related to, affiliated with, or controlled by the Owner of the Unit on which such Mortgage exists shall not be entitled to such priority unless such Mortgagee obtains the written agreement of the Association that it will be entitled to such priority before making such Mortgage. All Persons acquiring other liens or encumbrances on any Unit after the recording of this Declaration shall be deemed to consent that such liens or encumbrances shall be inferior to such future equitable charges and liens for Assessments as provided herein, whether or not such prior consent shall be specifically set forth in the instruments creating such liens or encumbrances.

15. **No Offsets.** All Assessments shall be payable in the amounts specified in the notice related thereto, and no offsets or reductions thereof shall be permitted for any reason, including, without limitation, any claim of non-use of Development Property or Improvements thereon or any claim that the Association, the Board, or any committee of the Board is not properly exercising its duties and powers under this Declaration.

16. **Estoppel Certificate.** Upon the payment of such reasonable fee as may be determined from time to time by the Board and upon the written request of any Owner or any Mortgagee or Person intending to acquire any right, title, or interest in the Unit of such Owner, the Association shall furnish a written statement setting forth the amount of any Assessments or other amounts, if any, due and owing to the Association and then unpaid with respect to such Unit and/or the Owner thereof, as well as the amount of any Assessment levied against such Unit, which is not yet due and payable. Such statement shall, with respect to the Person to whom it is issued, be conclusive against the Association to establish that no greater or other amounts were then due or accrued and unpaid and that no other Assessments were then levied and unpaid against such Unit.

17. **Records of Assessments.** The Association shall cause to be maintained in the office of the Association or its Managing Agent a record of all Owners, their Unit(s) and the Assessments, fines, and/or other duly levied charges applicable thereto that shall be open to inspection by any Owner.

ARTICLE VIII.
ALTERATIONS AND IMPROVEMENTS

1. **Common Elements.** No Owner shall make any alteration, addition, or improvement to, or place any Improvement upon the Common Elements, or any portion thereof, without the prior written approval of the Declarant and thereafter the Board. The Declarant and thereafter the Board may authorize and charge as part of the Common Assessments any such alteration, addition, or improvement.

2. **Units.** Owners shall be permitted to make any alteration, addition, or improvement to the INTERIOR of their Unit without the prior written approval of the Board, for so long as such alteration, addition, or improvement does not impair the structural integrity or mechanical systems thereof. However, such Owner shall be responsible for any damage to other Units, the Private Elements and Limited Common Elements appurtenant thereto, the Common Elements, the Development Property or any part thereof resulting from such alteration, addition, or improvement.

3. **Private Elements, and Limited Common Elements.** No Owner shall make any material (as determined in the sole discretion of the Board) alteration, addition, or improvement (e.g. alternative exterior building materials, significant exterior color substitutions, solar panels, additional decks/patios/awnings, fencing, hedges, other vegetation, etc.) to the EXTERIOR of his Unit, Private Elements (if applicable) or the Limited Common Elements attributable to his Unit without the prior written approval of the Declarant and thereafter the Board. Notwithstanding the foregoing, an Owner may add vegetation and reasonable landscape improvements within the Limited Common Elements located immediately around the Owners Unit without having Board approval.

4. **Limited Effect of Plan Approval.** The approval by the Declarant or the Board of any Plans for the construction of any Improvement on the Development Property is not intended to be an approval of the structural stability, integrity, or design of a completed improvement, the safety of any component therein, or the compliance thereof with the Davidson County regulatory requirements or any federal, state, or local law, regulation, or ordinance. This approval by the Declarant or the Board is required solely for the purpose of insuring compliance with the covenants contained herein and to insure the harmonious and orderly architectural and aesthetic development and improvement of the Development Property. As such, no liability shall accrue to the Declarant, the Board, or to the Association in the event that any such construction shall subsequently prove to be defective or not in compliance with such requirements.

5. **Improvements.** Improvements made and/or work performed by the Declarant or the Association shall not be subject to the provisions of this Article.

6. **Noncompliant Improvements.** Notwithstanding anything to the contrary set forth elsewhere in this Declaration, neither the Declarant nor the Association shall be responsible for the maintenance, repair, and replacement of any construction, installation, alterations, or additions not made in compliance with the provisions of this Article.

The terms "business" and "trade," as used in this provision, shall be construed to have their ordinary, generally accepted meanings, and shall include, without limitation, any occupation, work, or activity undertaken on an ongoing basis which involves the provision of goods or services to persons other than the provider's family and for which the provider receives a fee, compensation, or other form of consideration, regardless of whether: (i) the activity is engaged in full or part time; (ii) the activity is intended to or does generate a profit; or (iii) a license is required for the activity. Neither the Declarant, the Association, nor the Board shall be liable to the owner of such vehicle for trespass, conversion, or otherwise, nor be guilty of any criminal act by reason of such towing. 3. **Other Offices.** The Association may also have offices at such other places both within and outside the State of Tennessee as the Board may from time to time determine or the business of the Association may require.

ARTICLE III.
MEMBERS AND MEMBERSHIP PRIVILEGES

1. **Eligibility and Membership.** The Members of the Association shall consist of the Owners of a Unit within the Development Property. If an Owner is a trust, then the Member shall be a beneficiary of such trust; and if an Owner or such a beneficiary is a corporation or partnership, the Member may be an officer, partner, or employee of such Owner or beneficiary. No Member shall be required to pay any consideration whatsoever solely for membership in the Association.

2. **Succession.** The membership of each Owner shall terminate when he ceases to be an Owner, and upon sale, transfer, or other disposition of his ownership interest in the Development Property, his membership in the Association shall automatically be transferred to the new Owner succeeding to such ownership interest.

ARTICLE IV.
MEETINGS OF MEMBERS

1. **Annual Meetings.** The first regular annual meeting of the Members may be held, subject to the terms hereof on any day, at the option of the Board; provided, however, that the first meeting may (if necessary to comply with Federal Regulations) be held no later than the earlier of the following events: (a) four (4) months after all the Units within the Development Property have been sold by the Declarant or (b) five (5) years following conveyance of the first Unit within the Development Property by the Declarant. Each subsequent regular annual meeting of the Members shall be held, to the extent possible, within twenty-five (25) days of the anniversary of the first regular annual meeting each year thereafter at such time as set by the Board.

2. **Special Meeting.** Following the Period of Declarant Control, special meetings of the Members, for any purpose or purposes, may be called by the president, a majority of the Board, or by Members having not less than twenty-five percent (25%) of the total Vote entitled to be cast at such meeting, except as otherwise required by Tennessee statute, the Declaration, or these By-Laws. Business transacted at all special meetings shall be confined to the business stated in the notice of such meeting. During the Period of Declarant Control, special meetings of the Members, for any purpose or purposes, may only be called by the Declarant.

3. **Place and Time of Meetings.** Meetings of the Members of the Association may be held at a place and at such time to be determined by the Board within Davidson County, Tennessee as specified in the written notice of such meeting. Meetings shall also be allowable via video such as Zoom.

4. **Notice.** By or at the direction of the Declarant, the president, the secretary, or the officer or Person authorized to call the meeting, written notice shall be sent to every Member of the Association entitled to Vote at such meeting by prepaid U.S. Mail, FedEx, UPS, or other reputable private carrier, or facsimile or electronic transmission to the address or other contact information provided to the Board by the Owner or in the event no separate address or other contact information has been provided, then by prepaid U.S. Mail or hand delivery to the Owner's Unit not less than ten (10) nor more than sixty (60) days prior to the date of such meeting. Said notice shall state the place, day, and hour of the meeting and in the case of a special meeting, the purpose(s) for which the meeting is called.

5. **Quorum.** The presence in person or by proxy of at least twenty-five percent (25%) of the Votes entitled to be cast at a meeting of the Members shall constitute a quorum at all meetings of the Members for the transaction of business. If, however, the Members entitled to Vote in person or represented by proxy present at a meeting fail to satisfy a quorum, the Members present shall have the power to adjourn the meeting, without notice other than announcement at the meeting, until a quorum shall be present or represented. Further, if a quorum is not present, a subsequent meeting may be called, and the required quorum shall be reduced by half at such meeting,

6. **Majority Vote; Withdrawal of Quorum.** When a quorum is present at any meeting, the majority Vote of Members present, in person or by proxy, and entitled to Vote shall decide any question brought before such meeting, unless the question is one upon which by express provision of an applicable Tennessee statute, the Declaration, or these By-Laws, a different Vote is required, in which case such express provision shall govern and control the decision of such question. In the event of a tie Vote concerning any matter coming before the Members, the President of the Association shall decide same. The Members present at a duly organized meeting may continue to transact business until adjournment, notwithstanding withdrawal of enough Members to leave less than a quorum.

7. **Method of Voting; Proxies.** Each Member shall be entitled to cast one (1) Vote for each Unit owned by such Member as further provided in the Declaration. The Vote of each Member may only be cast by such Member or by a proxy duly executed and given by such Member to his authorized representative as set forth on such proxy. No proxy shall be valid for more than one meeting and shall bear the signature of the Member making the proxy, the date of the meeting to which the proxy relates, and the name of the authorized representative to Vote on behalf of the Member. Such proxy may not be revoked except by actual notice to the Person presiding over the meeting for which the proxy relates; and such proxy is void, if it is not dated or purports to be revocable without notice. Such proxy shall be filed with the secretary prior to or at the time of the meeting. If title to any property ownership interest in a Unit of the Development Property entitling the Member to Voting rights as provided in the Declaration is in the name of two or more Persons as co-owners, all such Persons shall be Members of the Association referred to herein as a "Joint Member." Any such Joint Member is entitled to one unanimous Vote per entitled Member as provided in the Declaration at any meeting of the Members of the Association, and such Vote shall be binding upon the Joint Member until written notice to the contrary has been received by the Board identifying the authorized manner in which the Joint Member's unanimous Vote is to be cast (in person or by proxy). In the event of disagreement among such Joint Member to cast a Vote, such Joint Member shall not be recognized, and such Vote shall not be counted.

8. **Assessment Default.** No Owner who is in default in the payment of any Assessment or other duly levied charge shall be entitled to exercise his right to Vote until he has cured such default. An Owner may protest the amount of any Assessment or other duly levied charge, but it still must be paid during the pendency of his protest to the Association or its agent.

9. **Action Taken Without a Meeting.** The Members shall have the right to take any action in the absence of a meeting which they could take at a meeting by obtaining the written consent of the number of members which would otherwise be required to approve such action. For instance, if an action required the approval of Members holding a majority of the total Voting rights of the members, then a writing signed by Members holding a majority of the total Voting rights of the Members would be effective as if such approval was given at a meeting duly called for such purpose. Any action so approved shall have the same effect as though taken at a properly called meeting of the Members.

ARTICLE V.
BOARD OF DIRECTORS

1. **Board Authority and Number.** The affairs of the Association shall be managed by a Board of Directors. During the Period of Declarant Control, the members of the Board, who need not be Members of the Association shall be appointed by the Declarant and shall serve at the pleasure of the Declarant. After the Period of Declarant Control, the Board shall consist of three (3) directors each of whom must individually be a member of the Association or be the Declarant, its assignee or officer, agent, or representative thereof.

Any Director who ceases to be a Member of the Association during such Director's term in office shall cease being a Director effective with such change, and such Director's successor shall be selected by the remaining Members of the Board.

5. **Director Removal by Board Members.** Any Director may be removed from office with or without cause by the majority vote of the Directors, who shall elect a successor Director for the unexpired term of his predecessor in office by majority vote.

6. **Director Removal by Members.** Notwithstanding any provision to the contrary in the Declaration or these By-Laws, any member of the Board other than a member appointed by the Declarant may be removed with or without cause by majority Vote of all the Members of the Association.

7. **Place of Meetings.** The Board shall hold their meetings, both regular and special, in Davidson County, Tennessee or such other location as may be selected by unanimous consent of the Directors then elected and serving. Regular meetings of the Board may be held without notice at such time and place as shall from time to time be determined by the Board. Special meetings of the Board may be called by the president or a majority of the Directors upon three (3) days written notice to each Director, either personally, by mail, by facsimile, or by other electronic transmittal. Except as may be otherwise expressly provided by Tennessee statute, the Declaration, or these By-Laws, neither the business to be transacted nor the purpose of any special meeting need be specified in a notice or waiver of notice.

8. **Quorum.** At all meetings of the Board, the presence of a majority of the Directors shall be necessary and sufficient to constitute a quorum for the transaction of business. The act of a majority of the Directors present at any such meeting at which there is a quorum shall be the act of the Board. If a quorum shall not be present at any meeting of the Directors, the Directors present may adjourn the meeting by announcement at the meeting without notice until a quorum shall be present.

9. **Action Taken Without a Meeting.** The Directors shall have the right to take any action in the absence of a meeting which they could take at a meeting by obtaining the written approval of all the Directors. Any action so approved shall have the same effect as though taken at a meeting of the Directors.

10. **Compensation.** No Director shall receive compensation for any service he may render to the Association. However, any Director may be reimbursed for his actual expenses incurred in the performance of his duties.

11. **Agents and Delegation of Powers.** Except as otherwise prohibited by statute, the Declaration, or these By-Laws, the Board may delegate any of its powers to other Persons or Management Agent.
