THIS DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS has been made and entered into by **D&M Development, LLC**, a Tennessee limited liability company, for convenience hereinafter referred to as the "Developer", as of the date set forth alongside the signature below.

W I T N E S S E T H:

WHEREAS, the Developer is the owner and/or developer of certain real property located in the County of Davidson, State of Tennessee, and described on Exhibit A attached hereto (the "Parcel"); and

WHEREAS, the Developer intends to and does hereby submit the above-described parcel of real estate together with all buildings, structures, improvements and other permanent fixtures of whatsoever kind thereon, and all rights and privileges belonging or in any way pertaining thereto (the "Property") to the provisions of the Tennessee Horizontal Property Act, Tenn. Code Ann. § 66-27-101 et seq., for the express purpose of establishing thereon a horizontal property regime with private elements to be known as The New Cumberland, Lot B; and

WHEREAS, the Developer further desires to establish said horizontal property regime with private elements for its own benefit and for the mutual benefit of all future owners or occupants of the Property or any part thereof, and intends that all future owners, occupants, mortgagees, and any other persons hereinafter acquiring any interest in the Property, shall hold such interest subject to certain rights, easements and privileges in, over and upon the Property and certain mutually beneficial restrictions and obligations with respect to the proper use, conduct and maintenance thereof, as hereinafter set forth, all of which are declared to be in furtherance of a plan to promote and protect the cooperative aspects of residence on the Property, and are established for the purpose of enhancing the value, desirability and attractiveness of the Property.

(u) "Unit" means a portion of the Property as shown and designated in the Plat for separate ownership and shall include the Private Elements and the residence and improvements now or hereafter located thereon. The Units are identified by number on the Plat and may be held and conveyed by reference to such number. Conveyance of a Unit shall automatically convey the undivided membership of each Unit Owner in the Association. Each Unit is numbered as shown on the Plat. Any Unit may be jointly or commonly owned in any estate recognized under applicable law. The term "Unit" as used in this Declaration shall have the same meaning as the term "Apartment" as used in the Act.

(v) "Unit Owner" means the person or persons whose estates or interests, individually or collectively, aggregate fee simple ownership of a Unit, and shall be deemed the same as a "co-owner" under the Act. Unless specifically provided otherwise herein, the Developer shall be deemed a Unit Owner so long as the Developer is the title holder of any Unit.

2. **Submission of Property to the Act.** The Developer, by recording this Declaration, does hereby submit and subject the Parcel and the Property to the provisions of the Act and hereby establishes a horizontal property regime with private elements as authorized and described in the Act and to be hereafter known as The New Cumberland, Lot B.

3. **Plat.** The Plat sets forth the numbers, areas, locations, and other data as required by the Act.

4. **Units.** The legal description of each Unit shall consist of the identifying letter or number of such Unit as shown on the Plat. Every deed, lease, mortgage, deed of trust or other instrument shall legally describe a Unit by its identifying letter or number as shown on the Plat, and every such description shall be deemed good and sufficient for all purposes, as provided in the Act. Except as provided by the Act, no Unit Owner shall, by deed, plat, court decree or otherwise, subdivide or in any other manner cause such Owner's Unit to be separated into any tracts or parcels different from the whole Unit as shown on the Plat.

5. **(a) Association of Unit Owners and Administration and Operation of the Property.** There has been or will be formed an Association having the name The New Cumberland, Lot B Association, Inc., a Tennessee not-for-profit corporation, which Association shall be the governing body for all of the Unit Owners and shall be operated to provide for the maintenance, repair, replacement, administration, operation and care of the Property as provided in the Act, this Declaration and Bylaws. The Unit Owners shall each be members of the Association, with each Unit holding an undivided membership interest in the Association which shall be appurtenant to such Unit, each such membership interest appurtenant to a Unit being in an equal share, subject to the provisions concerning voting hereinafter set forth. The Bylaws for the Association shall be the Bylaws attached to this Declaration as Exhibit "B" and made a part hereof. The Board of Directors of the Association shall be elected and shall serve in accordance with the

provisions of the Bylaws. The fiscal year of the Association shall be determined by the Board, and may be changed from time to time as the Board deems advisable. The Association shall not be deemed to be conducting a business of any kind. All activities undertaken by the Association shall be for the use and benefit of Unit Owners in accordance with the provisions of the Declaration and Bylaws. Each Unit Owner shall be a member of the Association so long as such Owner is a Unit Owner. A Unit Owner's membership shall automatically terminate when such Owner ceases to be a Unit Owner. Upon the conveyance or transfer of a Unit Owner's ownership interest to a new Unit Owner, the new Unit Owner shall automatically succeed to the former Unit Owner's membership in the Association. The aggregate number of votes for all members of the Association shall be divided among the respective Unit Owners with one (1) vote granted to each Unit.

(b) **Voting Membership.** The Members shall be all Unit Owners and shall be entitled to one (1) vote for each Unit owned. When more than one (1) person holds an interest in any Unit, all such persons shall be members. The vote for such Unit shall be exercised as they determine, but in no event shall more than one (1) vote be cast with respect to any Unit.

(c) **Management of Property.** The Board shall have the authority, but not the requirement, to engage the services of an agent (herein sometimes referred to as the "Managing Agent") to maintain, repair, replace, administer and operate the Property, or any part thereof, to the extent deemed advisable by the Board, subject to the provisions of subparagraph (d) below. The Board shall require that any such Managing Agent have fidelity bond coverage on its employees handling Association funds. The cost of such services shall be a common expense, as defined in paragraph 10 below. Any vote of the Board to adopt any form of management of the Property without the services of a professional property management company shall be subject to the prior approval of a majority of all first mortgagees of Units.

(d) **Use by Developer.** During the period of sale by the Developer of any Units, the Developer, and the Developer's agents, employees, contractors and subcontractors, and their respective agents and employees, shall be entitled to access, ingress to and egress from the Buildings and Property as may be required for purposes of sale of the Units. While the Developer owns any of the Units and until each Unit sold by it is occupied by the purchasers, the Developer and its employees may maintain customary signs in connection therewith.

(e) **Non-Liability of the Directors, Board and Officers.** Neither the directors, Board, nor officers of the Association, shall be personally liable to the Unit Owners for any mistake of judgment or for any other acts or omissions of any nature whatsoever as such directors, Board or officers, except for any acts or omissions found by a court to constitute gross negligence or fraud. The Unit Owners shall indemnify and hold harmless each of the directors, Board or officers, and their respective heirs, executors, administrators, successors and assigns in accordance with the Charter of the Association and Bylaws.

(f) **Interest of Association in Common Elements.** Ownership of the Common Elements shall be vested in the Association.

6. **Board's Determination Binding.** In the event of any dispute or disagreement between any Unit Owners relating to the Property, or any questions of interpretation or application of the provisions of the Declaration or Bylaws, the determination thereof by the Board shall be final and binding on each and all such Unit Owners.

7. **Ownership of Interests in the Association.** Subject to the provisions concerning voting rights hereinabove contained, each Unit shall be allocated an equal percentage ownership in the Association. The percentages of ownership interests shall remain constant unless hereafter changed by recorded amendment to this Declaration consented to in writing by the Unit Owners, in accordance with the requirements hereinafter contained. Said ownership interest shall be an undivided interest, and the undivided membership interests in the Association shall be owned by the Unit Owners as tenants in common in accordance with their respective percentages of ownership. The ownership of each Unit shall not be conveyed separate from the percentage of ownership in the Association corresponding to said Unit. The undivided percentage of ownership in the Association corresponding to any Unit shall be deemed conveyed or encumbered with that Unit, even though the legal description in the instrument conveying or encumbering said Unit may refer only to the fee title to that Unit.

8. **Use of the Common Elements.** Except as hereinafter set forth, each Unit Owner shall have the right to use the Common Elements (except the Private Elements) in common with all other Unit Owners, as may be required for the purposes of access, ingress to, egress from, use, occupancy and enjoyment of the respective Unit owned by such Unit Owner. Such right to use the Common Elements shall extend to each Unit Owner, and such Owner's agents, servants, tenants, family members, customers, invitees and licensees. However, each Unit Owner shall have the right to the exclusive use and possession of the Private Elements and Limited Common Elements attributable to the Unit. Such rights to use the Common Elements, shall be subject to and governed by the provisions of the Act, Declaration, Bylaws and any rules and regulations established by the Association. In addition, the Association shall have the authority to lease, grant concessions or grant easements with respect to parts of the Common Elements, subject to the provisions of the Declaration and Bylaws. All income derived by the Association from leases, concessions or other sources shall be held and used for the benefit of the members of the Association, pursuant to such rules, resolutions or regulations as the Board may adopt or prescribe.

9. **Storage Areas and Parking Spaces.** Any storage areas on the Property, except those inside the Units and those which are Private Elements, shall be used by such Unit Owners in such manner and subject to such rules and regulations as the Board may prescribe. Parking spaces within the Parcel, even though located on Private Elements, shall be used by such Unit Owners in such manner and subject to such rules and regulations as the Board may prescribe.

10. (a) **Common Expenses.** Each Unit Owner shall pay an equal share of the expenses of the administration and operation of the Common Elements and of any other expenses incurred in conformance with the Declaration and Bylaws (which expenses are herein sometimes referred to as "common expenses"), including, but not limited to, the maintenance and repair thereof and any and all replacements and additions thereto. Payment of common expenses, including any prepayment thereof required by any contract for a sale of a Unit, shall be in such amounts and at such times as determined in the manner provided in the Bylaws. No Unit Owner shall be exempt from payment of such Unit Owner's proportionate share of the common expenses by waiver or non-use of enjoyment of the Common Elements, or by abandonment of such Owner's Unit. If any Unit Owner shall fail or refuse to make any such payment of the common expenses when due, the amount thereof, together with interest thereon at the maximum rate then allowed by applicable law, after said common expenses become due and payable, shall constitute a lien on the interest of such Unit Owner in the Unit as provided in the Act. Each assessment for common

expenses against a Unit shall also be the personal obligation of the Unit Owner at the time the assessment is due. A successor in title to a Unit shall not be personally obligated to pay any unpaid assessments for common expenses which have been levied against a Unit unless such successor in title expressly assumes the payment of the same, provided, however, any lien encumbering a Unit as above described shall not be affected by transfer of a Unit.

(b) **Enforcement.** In the event any Unit Owner fails to maintain such Owner's Unit, including the Private Elements attributable to such Unit, or in the event any Unit Owner fails to pay such Owner's proportionate share of any common expense when such is due, then in any such event the Board may after ten (10) days' notice to the defaulting Unit Owner, perform such maintenance, advance and pay such sums, or do any other reasonable act necessary to cure such default. The Association shall have a lien against the Unit of the defaulting Unit Owner securing payment of the sums expended or advanced, and shall be entitled to enforce such lien by filing suit in a court of competent jurisdiction. In the event the Association is successful in such suit, it shall be entitled to recover reasonable attorney fees and costs incurred in such suit and enforcement of its rights.

(c) **Mortgage and Deed of Trust Protection.** The lien for common expenses payable by a Unit Owner shall be subordinate to the lien of a recorded mortgage or deed of trust on the interest of such Unit Owner, except for the amount of the proportionate share of common expenses which become due and payable from and after the date on which the mortgagee or beneficiary thereunder either takes possession of the Unit encumbered thereby, accepts a conveyance of any interest therein (other than as security) or forecloses its mortgage or deed of trust. This subparagraph (c) shall not be amended, changed, modified or rescinded without the prior written consent of all mortgagees and deed of trust beneficiaries of record.

(d) **Special Assessments.** In addition to the annual assessments for common expenses authorized above, the Association may levy a special assessment for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of capital improvements upon the Common Elements, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of Unit Owners.

11. Mortgages and Deeds of Trust. Each Unit Owner shall have the right, subject to the provisions herein, to make separate mortgages and deeds of trust for such Unit Owner's respective Unit, including such Unit Owner's respective ownership interest in the Association. No Unit Owner shall have the right or authority to make or create, or cause to be made or created, from the date hereof, any mortgage, deed of trust or other lien on or affecting the Property or any part thereof, except only to the extent of such Owner's Unit and the interest in the Association corresponding thereto.

12. Separate Real Estate Taxes. Real estate taxes shall be separately taxed to each Unit Owner for such Owner's Unit and including the corresponding percentage of ownership in the Association, as provided in the Act. In the event that such taxes for any year are not separately taxed to each Unit Owner, but rather are taxed on the Property as a whole, then each Unit Owner shall pay such Owner's proportionate share thereof in accordance with such Owner's respective percentage of ownership interest in the Association, and, in said event, such taxes shall be a common expense.

13. **Insurance.** The Board shall have the authority to and shall obtain insurance for the Common Elements against loss or damage by fire, vandalism, malicious mischief and such other hazards as are covered under standard extended coverage provisions for the full insurable replacement cost of the Common Elements, and against such other hazards and for such amounts as the Board may deem advisable. Such insurance may include all or any portion of all Limited Common Elements. Insurable replacement cost shall be deemed to be the cost of restoring the Common Elements, or any part thereof to substantially the same condition in which they existed prior to damage or destruction. Such insurance coverage shall be written in the name of, and the proceeds thereof shall be payable to, the Association. The policy of insurance should also contain, if possible, a waiver of subrogation rights by the insuror. The premiums for such insurance shall be a common expense.

The Board shall also have authority to and shall obtain comprehensive public liability insurance, in such amounts as it deems desirable, and worker's compensation insurance and other liability insurance as it deems desirable, insuring each Unit Owner, mortgagees of record, if any, the Association, its officers, directors, Board and employees, the Developer, and the Managing Agent, if any, from liability in connection with the Common Elements. The premiums for such insurance shall be a common expense. The Board shall retain in safekeeping any such public liability policy for six (6) years after the expiration date of the policy.

The Board shall also have authority to and may obtain such insurance as it deems desirable, in such amounts, from such sources and in such forms as it deems desirable, insuring the Property and each member of the Board and officers of the Association, and members of any committee appointed pursuant to the Bylaws of the Association from liability arising from the fact that said person is or was director or officer of the Association, or a member of such a committee.

Each Unit Owner shall be responsible for obtaining his own insurance on the Unit and contents of such Owner's Unit, as well as additions and improvements thereto, decorations, furnishings and personal property therein, and personal property stored elsewhere on the Property.

14. **Maintenance, Repairs and Replacements.**

(a) **Obligations of Unit Owners.** Each Unit Owner, at such Owner's expense, shall be responsible for all maintenance of and repairs to such Owner's Unit, Private Elements and Limited Common Elements.

(b) **Obligations of Association.** The Association shall be responsible for maintenance of and repairs within the Common Elements, other than Limited Common Elements.

(c) **Loss Attributable to Unit Owner.** Notwithstanding the foregoing, if, due to the act or neglect of a Unit Owner, or the agent, servant, tenant, family member, invitee, licensee or household pet thereof, damage shall be caused to the Common Elements, or maintenance, repair or replacement are required which would otherwise be a common expense, then such Unit Owner shall pay for such damage or such maintenance, repair and replacements, as may be determined by the Association, to the extent not covered by the Association's insurance or sufficient proceeds are not collected from the insurance carrier.

The authorized representative of the Association, Board or of the Managing Agent with approval of the Board shall be entitled to reasonable access to the individual Units and Private Elements as may be required in connection with the preservation of any individual Unit or Private Elements in the event of an emergency, or in connection with maintenance of, repairs or replacements within the Common Elements, Private Elements or any equipment, facilities or fixtures affecting or serving the other Units, Common Elements or Private Elements or to make any alteration required by any governmental authority.

15. Architectural Control, Alterations, Additions or Improvements.

(a) Architectural Control. No structure may be erected, placed or altered on any Private Elements or Limited Common Elements, and no building permit may be obtained, until the construction plans and building specifications and a plan showing (i) the location of improvements on the Private Elements; (ii) the grade elevation (including rear, front and side elevations); (iii) the type of exterior material and roof material (including delivery of samples thereof); (iv) the color of paint or stain to be applied to any exterior surfaces and the color of the roof material (including delivery of samples thereof); and (v) the location and size of the driveway shall have been approved in writing by both the Developer or Board, as appropriate. All exterior materials used for siding, trim, and soffits shall be maintenance free and subject to the approval of the Developer during the Developer Control Period and by the Board thereafter.

(b) Alterations, Additions or Improvements. Except as provided specifically herein, no alteration of any Common Elements or Private Elements, or any additions or improvements thereto, shall be made by any Unit Owner without the prior written approval of the other Unit Owner. The Board may authorize, and charge as common expenses alterations, additions and improvements of the Common Elements and Private Elements as provided in the Bylaws. Any Unit Owner may make alterations, additions or improvements wholly within the interior of the Unit of the Unit Owner without the prior written approval of the other Unit Owner, but such Unit Owner shall be responsible for any damage to other Unit, the Common Elements, the Private Elements, the Property, or any part thereof, resulting from such alterations, additions or improvements.

(c) No Changes on Exterior Without Approval. Notwithstanding anything contained herein, or contained in the Bylaws, to the contrary, no alteration or change, including but not limited to changes to structure, paint and stain color, roofing shingles, exterior materials, driveway, gardens and landscaping, may be made to the exterior of any Unit, to any Private Element or to any Limited Common Area without the prior written approval of the other Unit Owner.

16. Decorating. Each Unit Owner, at such Owner's expense, shall furnish and be responsible for all decorating within such Owner's Unit and Private Elements serving such Unit.

17. Encroachments and Easements. If any portions of the Common Elements shall actually encroach upon any Unit or Private Elements, or if any Unit or Private Elements shall actually encroach upon any portions of the Common Elements, or if any Unit or Private Elements shall actually encroach upon another Unit or Private Elements, as the Common Elements, Units and Private Elements are shown by the Plat, there shall be deemed to be mutual easements in favor of the owners of the Common Elements and the respective Unit Owners involved, to the extent of such encroachments, so long as the same shall exist.

The Association shall have the right to grant permits, licenses and easements over the Common Elements for utilities, roads and other purposes reasonably necessary or useful for the proper maintenance or operation of the horizontal property regime.

18. Association's Right to Purchase at a Foreclosure Sale. The Board shall have the power and authority to bid and purchase, for and on behalf of any Unit, or interest therein, at a sale pursuant to a deed of trust or mortgage foreclosure, a foreclosure of the lien for common expenses under the Act, or an order or direction of a court, or at any other involuntary sale, upon the consent or approval of both Unit Owners. Such consent shall set forth a maximum price which the Board or its duly authorized agent may bid and pay for said Unit.

The Board shall have authority to make such mortgage arrangements and special assessments proportionately among the respective Unit Owners, and other such financing arrangements as the Board may deem desirable, in order to close and consummate the purchase or lease of a Unit, or interest therein, by the Association. However, no such financing arrangement may be secured by an encumbrance on any interest in the Property other than the Unit, or interest therein, to be purchased or leased, and the percentage interest in the Association appurtenant thereto.

19. Use and Occupancy Restrictions. Subject to the provisions of the Bylaws, no part of the Property may be used for purposes other than housing and the related common purposes for which the Property was designed and as allowed by municipal zoning laws. Each Unit shall be used as a residence or such other use permitted by this Declaration, and for no other purposes except that professionals may use their residence (not in violation of applicable zoning laws) as a home office, provided that no customers or visitors come to the Unit and no merchandise, inventory or equipment is kept, stored, shipped or otherwise dealt with on the Property. The foregoing restrictions as to residence shall not, however, be construed in such manner as to prohibit a Unit Owner from: (a) maintaining a personal professional library; (b) keeping personal business or professional records or accounts; or (c) handling personal or professional telephone calls or correspondence. Such uses are expressly declared customarily incident to the principal residential use and not in violation of said restrictions, provided they do not violate the above restrictions.

No Unit or Common Elements may be used in violation of the restrictions and provisions contained herein or in the Bylaws.

The Common Elements shall be used only by the Unit Owners and their agents, servants, tenants, family members, customers, invitees and licensees for access, ingress to and egress from the respective Units and for such other purposes incidental to use of the Units; provided, however, that any areas designed for a specific use shall be used for the purposes approved by the Board. The use, maintenance and operation of the Common Elements shall not be obstructed, damaged or unreasonably interfered with by any Unit Owner, and shall be subject to any lease, concession or easement, presently in existence or entered into by the Board at some future time, affecting any part or all of said Common Elements.

The Limited Common Elements, including, but not limited to, landscaping, gardens, lawn area and driveway, shall be maintained by the respective Unit Owner in the same condition, repair, configuration and layout as at the date of execution hereof, provided that the Developer, during the

Developer Control Period, or the Board may enter into contracts for the maintenance of the landscaping for the Development.

20. **Restrictions on Use of Private Elements and Limited Common Areas.** Notwithstanding anything else herein to the contrary, the following restrictions shall apply to the Private Elements and Limited Common Elements of all Units:

(a) **No Game Rooms.** The garage located within a Unit may only be used as a garage and, specifically, but not by way of limitation, may not be used as a game room.

(b) **No Clothes Lines.** There shall be no clotheslines installed in the Limited Common Area of any Unit at any time or in the Private Element of any Unit if such clothesline is visible to non-residents.

(c) **Trash Bins.** Except when placed outside on designated trash pickup days, trash bins must be stored in the Garage or another part of the Private Element of any Unit so that such bins are not visible to non-residents.

(d) **No Outside Parking.** There shall be no parking of vehicles in the driveways of the Units. All vehicles must be parked in the garages of Units only. No parking is allowed in the alleyways of the Development. Any vehicles parked in the alleyways are subject to removal by the Developer or Board, as appropriate, and at the expense of the vehicle owner.

(e) **Maintenance During Construction.** During the construction of any Unit, the owner of the Unit shall be responsible for maintaining all areas of the Unit in a clean and orderly fashion. Specifically, the Unit Owner shall ensure that any construction materials are not allowed to be located on another Unit or in the Common Area, without the permission of the Developer or Board, as appropriate, shall ensure that said construction materials are stacked and/or stored in an orderly fashion, shall ensure that any construction debris is contained and disposed of in a timely and proper manner, and shall ensure that any plant growth on the Unit is maintained and limited so as to present a well-maintained presence. In the event the Unit Owner fails to so maintain a Unit, after 2 written notifications, the Developer or Board, as appropriate, may take such steps as deemed appropriate to cure said failure and the cost of the curing shall be assessed to the Unit Owner.

(e) **Garbage and Trash Disposal.** No refuse, garbage or trash of any kind shall be thrown, placed or kept on any Common Elements except in the areas provided for such purpose. Further, garbage and trash disposal shall be conducted by a private garbage collection company, pursuant to the terms and conditions of a contract to be entered into by and between the Unit Owners and said private garbage collection company. The cost of said private garbage collection shall be considered to be a Common Expense.

(f) **Rental through Common Agency.** The rental of any Unit on a short-term rental basis offered through Airbnb or any similar company shall be conducted through the agency selected by the Developer during the Developer Control Period and by the Board thereafter.

21. **Remedies.** In the event of any violation of the provisions of the Act, Declaration, Bylaws or rules and regulations of the Board or Association by any Unit Owner (either by the Unit Owner's own conduct or by the conduct of any other Occupant of such Owners Unit), the

Association, or its successors or assigns, or the Board, or its agent, or the other Unit Owner, shall have each and all of the rights and remedies which may be provided for in the Act, Declaration, Bylaws, or said rules and regulations, or which may be available at law or in equity, and may prosecute an action or other proceeding against such defaulting Unit Owner and/or others for enforcement of any lien and the appointment of a receiver for the Unit and ownership interest of such Unit Owner, or for damages or injunction or specific performance, or for judgment for payment of money and collection thereof, or the right to sell the Unit through judicial process as provided hereinbefore, or for any combination of remedies, or for any other relief. All expenses of the Board or other Unit Owner in connection with any such actions or proceedings, including court costs and attorneys' fees and other fees and expenses and all damages, liquidated or otherwise, together with interest thereon at the maximum rate of interest then allowed by applicable law, until paid, shall be charged to and assessed against such defaulting Unit Owner, and shall be added to and deemed part of such Owner's respective share of the common expenses, and the Board or other Unit Owner shall have a lien for all of the same, as well as for nonpayment of the Unit Owner's respective share of the common expenses, upon the Unit and ownership interest in the Association of such defaulting Unit Owner and upon all of such Owner's additions and improvements thereto and upon all of such Owner's personal property in such Owner's Unit or located elsewhere on the Property, provided, however, that such lien shall subordinate to the lien of a recorded mortgage or deed of trust on the interest of such Unit Owner, except for the amount of the proportionate share of said common expenses which become due and payable from and after the date on which the said mortgage or deed of trust owner or holder either takes possession of the Unit, accepts a conveyance of any interest therein (other than as a security) or files suit to foreclose its mortgage or deed of trust. In the event of any such default by any Unit Owner, the Board and the manager or Managing Agent, if so authorized by the Board, or the other Unit Owner, shall have the authority to correct such default, and to do whatever may be necessary for such purpose and all expenses in connection therewith shall be charged to and assessed against such defaulting Unit Owner. Any and all such rights and remedies may be exercised at any time and from time to time, cumulatively or otherwise, by the Board or other Unit Owner. This paragraph shall not be amended, changed, modified or rescinded without the prior consent of all holders of record of mortgages and deeds of trust against Units.

The violation of any restriction or condition or regulation adopted by the Board or the breach of any covenant or provision herein contained, shall give the Board or other Unit Owner the right, in addition to any other rights provided for in this Declaration; (a) to enter (either peaceably or forcibly without liability to such Unit Owner for such entry) upon the Unit, or any portion of the Property upon which, or as to which such violation or breach exists and to summarily abate and remove, at the expense of the defaulting Unit Owner, any structure, thing or condition that may exist thereon contrary to the intent and meaning of the provisions hereof, and the Board, or its employees or agents, or the other Unit Owner, shall not thereby be deemed guilty in any manner of trespass; or (b) to enjoin, abate or remedy by appropriate legal proceedings, either at law or in equity, the continuance of any breach; or (c) to take possession (either peaceably or forcibly without liability to such Unit Owner for such entry) of such Unit Owner's interest in the Property and to maintain an action for possession of such Unit in the manner provided by law.

If any Unit Owner (either by such Owner's conduct or by the conduct of any other occupant of his Unit) shall violate the Act, or any of the covenants or restrictions or provisions of this Declaration or the regulations adopted by the Board, and if such default or violation shall continue for ten (10) days after notice to the Unit Owner in writing from the Board, or other Unit Owner, or

shall occur repeatedly during any ten (10) day period after such written notice or request to cure such violation from the Board or other Unit Owner, then the Board or other Unit Owner, shall have the power to issue to said defaulting Owner a notice in writing terminating the rights of the said defaulting Owner to continue as a Unit Owner and to continue to occupy, use or control such Owner's Unit, and thereupon an action in equity may be filed by the Board, or other Unit Owner, against said defaulting Owner for a decree of mandatory injunction against such defaulting Owner or Occupant, or in the alternative, for a decree declaring the termination of said defaulting Owner's right to occupy, use or control the Unit owned by him on account of said violation, and ordering that all the right, title and interest of said defaulting Owner in the Property shall be sold (subject to any existing deed of trust or mortgage) at a judicial sale upon such notice and terms as the court shall determine, except that the court shall enjoin and restrain the said defaulting Owner from reacquiring such Owners interest at such judicial sale. The proceeds of any such judicial sale shall first be paid to discharge court costs, court reporter charges, reasonable attorneys' fees and all other expenses of the proceeding and sale, and all such items shall be taxed against said defaulting Owner in said decree. Any balance of proceeds, after satisfaction of such charges and any unpaid assessments hereunder or any liens, shall be paid to said defaulting Owner. Upon the confirmation of such sale, the purchaser shall thereupon be entitled to a deed to the Unit and the Unit Owner's corresponding percentage of ownership in the Association, and to immediate possession of the Unit sold and may apply to the court for a writ of assistance for the purpose of acquiring such possession, and it shall be a condition of any such sale, and the decree shall so provide that the purchaser shall take the interest in the Unit ownership sold subject to this Declaration.

In addition to the other remedies provided for herein, in the event of a default by a Unit Owner in the payment of such Unit Owner's respective share of the common expenses which default continues for a period of ninety (90) days, the Board shall have the power and authority to place such Unit Owner's name on a list of delinquent Unit Owners, which list may be posted at a place designated by the Board for notices.

22. Amendments. Except as specifically stated elsewhere herein, and except for this Section 22, any provisions of this Declaration may be changed, modified or rescinded by an instrument in writing, setting forth such change, modification or rescission, signed by Unit Owners owning not less than all of the total Units and acknowledged, provided, however, that all lien holders of record have been notified by certified mail of such change, modification or rescission, and an affidavit by the secretary of the Association certifying to such mailing is made a part of such instrument.

The change, modification or rescission, whether accomplished under the provisions of the preceding paragraph, shall be effective upon recording of such instrument in the office of the Register of Deeds of Davidson County, Tennessee; provided, however, that no provision in this Declaration may be changed, modified or rescinded so as to conflict with the provisions of the Act.

23. Notices. Notices provided for in the Act, Declaration or Bylaws shall be in writing, and shall be addressed if to a Unit Owner, to the address of such Owner's Unit, and if to the Association or Board, as the case may be to the registered office, as set forth in Charter of the Association or to such other address as may be designated by the Association or Board from time to time, or at such other address as may be hereinafter provided. The Association or Board may designate a different address or addresses for notices to them, respectively, by giving written notice of such change of address to all Unit Owners. Any Unit Owner may designate a different address

for notices by giving written notice to the Association. Notices addressed as above shall be deemed delivered when mailed by United States registered or certified mail, or when delivered in person with written acknowledgment of the receipt thereof. At the election of the Board, notices to Unit Owners may be sent by e-mail to the e-mail address provided by the Unit Owners, in which event the delivery shall be deemed delivered when sent.

Upon written request to the Board, the holder of any recorded mortgage or trust deed encumbering any Unit shall be given a copy of all notices permitted or required by this Declaration to be given to the Owner or Owners whose Unit is subject to such mortgage or trust deed.

24. **Severability.** If any provision of the Declaration or Bylaws, or any section, sentence, clause, phrase, word, or the application thereof in any circumstance, is held invalid, the validity of the remainder of this Declaration and the Bylaws and of the application of any such provision, section, sentence, clause, phrase or word in any other circumstances shall not be affected thereby and the remainder of this Declaration or the Bylaws shall be construed as if such invalid part was never included therein.

25. **Perpetuities and Restraints on Alienation.** If any of the options, privileges, covenants or rights created by this Declaration shall be unlawful, void or voidable for violation of the rule against perpetuities, then such provision shall continue only until twenty-one (21) years after the death of the survivor of the now living descendants of the President of the United States, George W. Bush.

26. **Rights and Obligations.** Each grantee of the Developer, by the acceptance of a deed of conveyance, accepts the same subject to all restrictions, conditions, covenants, reservations, liens and charges, and the jurisdiction, rights and powers created or reserved by this Declaration. All future Unit Owners and Occupants shall be subject to and shall comply with the provisions of this Declaration. Any restrictions or rules in the Bylaws which are more than administrative in nature such as, but not limited to, reservations and future rights of the Developer, are hereby incorporated into and made a part of this Declaration by reference. All rights, benefits and privileges of every character hereby imposed shall be deemed and taken to be covenants running with the land, and shall bind any person having at any time an interest or estate in said land, and shall inure to the benefit of such grantee in like manner as though the provisions of this Declaration were recited and stipulated at length in each and every deed of conveyance or contract for conveyance.

All present and future Unit Owners, tenants and Occupants of a Unit shall be subject to, and shall comply with, the provisions of the Bylaws appended hereto and recorded herewith as they may be amended from time to time. The acceptance of a deed of conveyance, devise or of a lease to a Unit, or the entering into occupancy of any Unit shall constitute an agreement that the provisions of the said Bylaws and any rules and regulations promulgated thereunder, as they may be amended from time to time, are assumed, accepted and ratified by such Unit Owner, tenant or Occupant, and all of such provisions shall be deemed and taken to be covenants running with the land and shall bind any person having at any time any interest or estate in such Unit, as though such provisions were recited and stipulated at length in each and every deed, conveyance or lease thereof.

The terms and conditions of the Declaration, Bylaws and rules and regulations may be incorporated by reference in, and become part of, the agreement between any mortgagee and any present or future Unit Owner who enters into such an agreement with a mortgagee. When so

incorporated, any default in the terms and conditions of the Declaration, Bylaws and rules and regulations may be considered as a default by the mortgagee, whereupon said mortgagee, after exercising its option to declare a default, shall then have all of the rights and privileges arising as a result of a default under its agreement with said Unit Owner.

27. **Trustee as Unit Owner.** In the event title to any Unit is conveyed to a land title holding trust, under the terms of which all powers of management, operation and control of the Unit remain vested in the trust beneficiary or beneficiaries, then the beneficiaries thereunder shall be considered Unit Owners for all purposes and they shall be responsible for payment of all obligations, liens, or indebtedness and for the performance of all agreements, covenants and undertakings chargeable or created under this Declaration against such Unit. No claim shall be made against any such title holder trustee personally for payment of any lien or obligation hereunder created and the trustee shall not be obligated to sequester funds or trust property to apply in whole or in part against such lien or obligation. The amount of any such lien or obligation shall continue to be a charge or lien upon the Unit and the beneficiaries of such trust, notwithstanding any transfers of the beneficial interest of any such trust or any transfer of title to such Unit.

28. **Condemnation.** In the event of a taking in condemnation or by eminent domain of a part of the Common Elements, the award made for such taking shall be payable to the Board for and on behalf of the Association and all mortgagees affected. If a majority of the Board in their discretion, with written consent of a majority of the mortgagees affected, approve the repair and restoration of such Common Elements, and the Board shall disburse the proceeds of such award to the contractors engaged in such repair and restoration in appropriate progress payments. In the event that the Board and the mortgagees do not approve the repair and commence restoration of such Common Elements within one hundred twenty (120) days after taking by the public or private authority, the Board shall disburse the net proceeds of such award on the basis of such Unit's percentage of ownership in the Association to the Unit Owners and the mortgagees as their interests may appear.

29. **Rights Reserved.** The Unit Owner's right of enjoyment in the property commonly owned by the Association as herein created shall be subject to:

(a) The right of the Association, as provided in its Bylaws, to suspend the enjoyment rights of any member for any period during which any assessment remains unpaid, and for such period as it considers appropriate for any infraction of its published rules and regulations; and

(b) The right of the Association to charge reasonable fees for the use of the parts of the Common Elements; and

(c) The right of the Association to diminish in any way or to dedicate or transfer all or any part of the Common Elements to any public agency or authority for such purposes and subject to such conditions as may be agreed to by the members entitled to vote thereon, provided that no such diminution, dedication or transfer, or determination as to the purposes or as to the conditions thereof, shall be effective unless the Developer (its successors or assigns) and members of the Association entitled to cast ninety percent (90%) of the total votes of members have been recorded, agreeing to such act; and

202605220047237

(d) The right of the Association to grant such easements and rights-of-way to such utility companies or public agencies or authorities as it shall deem necessary for the proper servicing and maintenance of the Common Elements and the Units.

30. Provisions Relative to Mortgagee's Rights and to Federal Home Loan Mortgage Corporation and Federal National Mortgage Association Regulations. Notwithstanding anything to the contrary contained in this Declaration, or in the Bylaws which are attached hereto, all terms, conditions and regulations which are now existing, or which may be amended from time to time, by the Federal Home Loan Mortgage Corporation ("FHLMC") or Fannie Mae ("Fannie Mae") pertaining to projects of this nature are hereby incorporated as terms and conditions of the Declaration and Bylaws and such shall be governing upon the Property, the Developer, and the Association, so long as such terms or conditions are not inconsistent with the laws of the State of Tennessee as found in Tennessee Code Annotated, Section 66-27-101, et seq., as such may be amended.

Specifically, without limitation upon the foregoing, the following provisions shall be fully effective and controlling over any terms of the Declaration or Bylaws which are in conflict. Any portions of such Declaration or Bylaws which are in conflict with this paragraph, or any portion of the FHLMC and Fannie Mae regulations pertaining to planned unit developments, are hereby deleted and the following rights of mortgagees are itemized as follows:

(a) A first mortgagee, and any insurer or guarantor of any mortgage or deed of trust, under a Unit at such party's request is entitled to a financial statement of the Association for the preceding fiscal year.

(b) Any first mortgagee, or other transferee, of a Unit who comes into possession of the Unit pursuant to the remedies provided in the mortgage, deed of trust, foreclosure of the mortgage or deed of trust, or deed in lieu of foreclosure shall take the property free of any claims for unpaid assessments or charges against the mortgaged Unit, which accrue prior to the time such holder comes into possession of the Unit.

(c) Unless two-thirds (2/3) of the first mortgagees (based upon one (1) vote for each mortgage owned), or owners (other than the Developer) of Units have given their prior written approval, the Association shall not be entitled to:

(i) Change the percentage interests of ownership of all or any Unit or Unit Owners, except that percentage ownership of the Association may be reduced due to the addition of a phase or phases to the horizontal property regime as provided hereinabove.

(ii) Partition or subdivide any Unit or the Common Elements.

(iii) By act or omission seek to abandon the horizontal property regime or status of the Property, or encumber, sell or transfer the Common Elements, except for the granting of easements for public utilities or for other public purposes consistent with the intended use of the Common Elements.

(iv) Use hazard insurance proceeds for losses to any Property (whether to individual Units or Common Elements) for other than the repair, replacement, or reconstruction of

such improvements, except as provided in Tenn. Code Ann., Section 66-27-118, in case of substantial loss to the Units and/or Common Elements to the horizontal property regime.

(d) Unit owners, first mortgage holders, and insurers or guarantors of any first mortgage shall have the right to examine the books, records, current copies of the Declaration and Bylaws, and rules and regulations of the Association during normal business hours and upon request.

(e) An adequate reserve fund for maintenance, repair and replacement of Common Elements which must be replaced on a periodic basis will be established and funded by regular monthly payments rather than by special assessments. A working capital fund for the initial months of operation equal to at least two (2) months' assessments for each Unit must be established, collected and transferred to the Association at the time of closing of sale by the Developer of each Unit and maintained in an account for the use and benefit of the Association.

(f) As set forth in Tenn. Code Ann., Section 66-27-120, all taxes, assessments and charges which may become liens prior to the first mortgage under the laws of the State of Tennessee shall relate only to the individual Unit and not to the horizontal property regime as a whole.

(g) No Unit Owner or any other party shall have priority over any rights of the first mortgagees of Units and/or Common Elements.

(h) Any agreement for professional management of the horizontal property regime, whether it be by the Developer, its successors and assigns, or any other person or entity, may be terminated on ninety (90) days' written notice and the terms of any such contract shall so provide and shall not be of a duration in excess of three (3) years. Prior to passage of control from the Developer, the Association shall not be bound, directly or indirectly, to contracts or leases unless there is a right of termination of such upon not more than ninety (90) days' notice without penalty.

(i) Upon written request, the Association shall give to any mortgagee of a Unit, FHLMC, Fannie Mae, any lending institution servicing such mortgages as are acquired by FHLMC or Fannie Mae, or any insurer or guarantor of a mortgage or deed of trust on a Unit, timely notice in writing of any loss to or the taking of the Common Elements if such loss or taking exceeds $50,000.00, or of any other condemnation or casualty loss that affects either a material portion of the project or the Unit securing its mortgage, a lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Association, or any proposed action that requires the consent of a specified percentage of mortgagees. The Association may rely upon the information contained in the book entitled "Mortgages of Units" as must be established pursuant to the Bylaws, for a list of mortgagees to be notified hereby.

(j) The interest of a first mortgagee in a mortgaged Unit shall be superior to the interests of any other person, group, partnership, corporation or entity of any kind, including any interest the Board, the Developer or any Unit Owner may have in any portion of the premises, regardless of the nature of the interest or the manner in which it is acquired.

(k) Notwithstanding the above, any first mortgagee shall have all of the rights granted to a first mortgagee herein, and in addition shall have all of the rights granted to an institutional first mortgagee under its Deed of Trust, and under the laws of the State of Tennessee.

(l) A first mortgagee of a Unit Owner, upon written request, is entitled to written notification from the Association of any default in the performance by such Unit Owner of any obligation under this Declaration and/or Bylaws which is not cured within sixty (60) days.

(m) The casualty and liability insurance and fidelity bond coverage required to be maintained by the Association shall meet the requirements specified in **Fannie Mae Lending Guide**, Chapter Three, Part 5, "Insurance Requirements."

31. Party Walls. Any wall built as a part of the original construction of a structure upon the Private Elements and placed on the dividing line between two Units shall constitute a party wall and, to the extent not inconsistent with the provisions of this Declaration, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto. The cost of reasonable repair and maintenance of a party wall shall be equally shared by the Unit Owners who make use of the wall, provided that the party causing any damage shall be responsible for the full cost thereof in accordance with applicable law.

32. Developer's Rights. The Developer shall have the following rights:

(a) Withdrawal or Addition of Property. It is anticipated that the development will occur in phases and Developer reserves the right to amend this Declaration for the purpose of removing any portion of the Property that has not yet been improved with structures from the coverage of this Declaration or to add additional property to be subject to this Declaration by Supplemental Declaration. Such amendment shall not require the consent of any person other than the Owner(s) of the property to be withdrawn, if not the Developer. If the property is Common Elements, the Association shall consent to such withdrawal. The inclusion of real property in the term "Development" or on Exhibit A to this Declaration shall not be deemed to obligate Developer to acquire such real property or to include such property within the Property or the Development except in the sole discretion of Developer.

(b) Right to Access. Developer and its employees, agents, and designees shall have a right of access and use and an easement over and upon all of the Common Elements for the purpose of making, constructing, and installing such improvements to the Common Elements as it deems appropriate in its sole discretion.

(c) Right to Approve Changes in Design Standards. No amendment to or modification of any restrictions and rules or architectural guidelines shall be effective without prior notice and the written approval of Developer, so long as Developer owns property subject to this Declaration or which may become subject to this Declaration, as allowed above.

(d) Right to Transfer or Assign Declarant Rights. Any or all of Developer's special rights and obligations set .forth in this Declaration or by the Bylaws may be transferred in whole or in part to other Persons; provided, the transfer shall not reduce an obligation nor enlarge a right beyond that which Developer has under this Declaration or the Bylaws. No such transfer or assignment shall be effective unless it is in a written instrument Developer signs and

records. The foregoing sentence shall not preclude Developer from permitting other persons to exercise any right reserved to Developer in this Declaration, as an agent, employee or contractor of Developer, where Developer does not intend to transfer such right in its entirety, and in such case it shall not be necessary to record any written assignment unless necessary to evidence Developer's consent to such exercise. In the event Developer ceases to act as Developer and abandons its role as Developer after the end of the Developer Control period, then the Association shall have and may exercise all rights of Developer without the_ necessity of a written assignment by the Developer that fulfilled Developer's obligations prior to such transfer.

(e) Easement to Correct and Right to Inspect. Developer reserves for itself and others it may designate the right to inspect, monitor, test, redesign and correct any structure, improvement, or condition which may exist on any portion of the Property, including Units, and a perpetual nonexclusive easement of access throughout the Property to the extent reasonably necessary to exercise such right. Except in an emergency, entry onto a Unit shall be only after reasonable notice to the Owner, and no entry into a dwelling shall be permitted without the consent of the Owner. The person exercising this easement shall promptly repair, at such person's own expense, any damage resulting from such exercise.

(f) Termination of Rights. The rights contained in this Article shall not terminate until the earlier of (a) forty (40) years from the date this Declaration is recorded; or (b) recording by Developer of a written statement that all development and sales activity has ceased.

34. General Provisions. The following General Provisions shall apply:

(a) Term. The covenants and restrictions of this Declaration shall run with and bind the Property, and shall inure to the benefit of and shall be enforceable by the Association or the owner of any of the property subject to this Declaration, their respective legal representatives, heirs, successors and assigns, for a term of fifty (50) years from the date this Declaration is recorded. After the initial fifty (50) year term has expired, the term of this Declaration shall be automatically extended for successive period of ten (10) years, unless an instrument in writing, signed by sixty-seven percent (67%) of the then Owners, has been recorded within the year preceding the beginning of each successive ten-year period, agreeing to change said covenants and restrictions, in whole or in part, or to terminate the same.

(b) Amendment. During the Developer Control Period, this Declaration may be amended by the Developer without joinder of any other party. This Declaration may also be amended by a sixty-seven percent (67%) affirmative vote of the Members present at any duly called meeting, and the written approval of the Developer during the Developer Control Period. At any time, the Developer may unilaterally amend this Declaration so long as such amendment is designed to comply with any law; regulation or provision of the Federal Home Loan Mortgage Corporation or Federal National Mortgage association. Any amendment shall not become effective until recorded in the Register's Office for Davidson County, Tennessee. No amendment may remove, revoke or modify any right or privilege of Developer without the written consent of Developer or the assignee of_ such right or privilege.

35. **Legal Opinion.** The legal opinion required in Tennessee Code Annotated Section 66-27-103(b) to create a planned unit development under said statute is attached hereto as Exhibit D.
